NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31ST JANUARY 2013

1. ACCOUNTING POLICIES

The following accounting policies have been consistently applied in dealing with the items which are considered material in relation to the Company's accounts.

Basis of Preparation

The accounts have been prepared under the historical cost accounting rules and in accordance with the Financial Reporting Standard for Smaller Entities.

Turnover

Turnover is the amount derived from the provision of goods and services falling within the company's ordinary activities after deduction of trade discounts and value added tax.

Depreciation of Fixed Assets

Depreciation is calculated as a percentage of the written down value of each Fixed Asset at the commencement of the year. In respect of additions during the year a full years depreciation is charged and in respect of sales or scrapping during the year no depreciation is charged. The rates of depreciation applied are:-

<i>Office Equipment</i>	<i>25%</i>
-------------------------	------------

Deferred Taxation

No provision is made for the timing differences between the treatment of certain items for taxation and accounting purposes, where it can be reasonably foreseen that such deferred tax will not be payable in the future.

Going Concern

The accounts have been prepared on a going concern basis.

Pension

The company operates a defined benefit pension scheme. The assets of the scheme are invested and managed independently of the finances of the Company. The pension cost charge represents contributions payable by the company to the fund.
