#### Statement of Directors' Responsibilities

The following statement sets out the responsibilities of the directors in relation to these accounts. The report of the auditors on page 3 sets out their responsibilities in relation to these accounts.

Company law requires the directors to prepare accounts for each financial year which give a true and fair view of the state of affairs of the Company and of the profit or loss for that period. In preparing those accounts, the directors are required to:

- \* select suitable accounting policies and then apply them consistently, subject to any material departures being disclosed and explained;
- \* make judgements and estimates that are reasonable and prudent;
- \* state whether applicable accounting standards have been followed, and
- \* prepare the accounts on a going concern basis unless they consider that to be inappropriate.

The directors are responsible for ensuring that the Company keeps sufficient accounting records to disclose with reasonable accuracy the financial position of the Company and to enable the directors to ensure that the accounts comply with the United Kingdom Companies Act 1985. They are also responsible for taking reasonable steps to safeguard the assets of the Company and, in that context, to have proper regard to the establishment of appropriate systems of internal control with a view to the prevention and detection of fraud and other irregularities.

The directors are required to prepare the accounts and to provide the auditors with every opportunity to take whatever steps and undertake whatever inspections they consider to be appropriate for the purpose of enabling them to give their audit report.

The directors consider that they have pursued the actions necessary to meet these responsibilities.

**Independent Auditors' Report to the members of Centrica 25 Limited**

We have audited the financial statements which comprise the profit and loss account and balance sheet and the related notes which have been prepared under the historical cost convention and the accounting policies set out in the statement of accounting policies.

**Respective Responsibilities of Directors and Auditors**

The directors' responsibilities for preparing the annual report and the financial statements in accordance with applicable United Kingdom law and accounting standards are set out in the statement of directors' responsibilities.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards issued by the Auditing Practices Board. This report, including the opinion, has been prepared for and only for the Company's members as a body in accordance with Section 235 of the Companies Act 1985 and for no other purpose. We do not, in giving this opinion, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the directors' report is not consistent with the financial statements, if the Company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions is not disclosed.

**Basis of Audit Opinion**

We conducted our audit in accordance with auditing standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the Company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

**Basis of preparation**

We draw your attention to Note 1 to the financial statements, which explains that the company has ceased trading. Accordingly the going concern basis of accounting is no longer appropriate. Our opinion is not qualified in this respect.

**Opinion**

In our opinion the financial statements give a true and fair view of the state of the Company's affairs at 31 December 2003 and of its loss for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

These schemes have been treated as defined benefit schemes and their assets are held in separate trustee administered funds. However, it is not possible on a reasonable and consistent basis to identify the Company's share of the underlying assets and liabilities within these schemes, and therefore, as allowed within FRS17, these schemes have been treated for disclosure purposes as defined contribution schemes.
