## DIRECTOR'S REPORT

FOR THE YEAR ENDED 31 DECEMBER 2008

---

The director presents his report and financial statements for the year ended 31 December 2008.

### Principal activities and review of the business

The principal activity of the company is that of an investment company.

The directors consider that the results of the company are satisfactory and that the company is expected to continue at its present levels in the future.

The unpredictability of financial markets as a result of global economic uncertainties including the global banking crisis and economic downturn have created a difficult global business environment for the company. The directors expect the following year to continue with the same economic challenges, but consider that the company is well positioned to manage these challenges in the future.

### Results and dividends

The results for the year are set out on page 3.

No dividends have been paid during this or the comparative period.

### Director

The following director has held office since 1 January 2008:

Mollyland Inc.

### Statement of director's responsibilities

The director is responsible for preparing the financial statements in accordance with applicable law and regulations.

Company law requires the director to prepare financial statements for each financial year. Under that law the director has elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the director is required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The director is responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and enable him to ensure that the financial statements comply with the Companies Act 1985. He is also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

On behalf of the board

  
Mollyland Inc. (Director)

**NOTES TO THE FINANCIAL STATEMENTS**

**FOR THE YEAR ENDED 31 DECEMBER 2008**

---

**1 Accounting policies**

**1.1 Accounting convention**

The financial statements are prepared under the historical cost convention.

The financial statements have been prepared on the going concern basis. This is considered appropriate as the ultimate beneficial shareholders will continue to provide financial support to the company for the foreseeable future.

The company has taken advantage of the exemption in Financial Reporting Standard No 1 from the requirement to produce a cash flow statement on the grounds that it is a small company.

**1.2 Investments**

Fixed asset investments are stated at cost less provision for diminution in value.

**1.3 Deferred taxation**

Deferred taxation is provided at appropriate rates on all timing differences using the liability method only to the extent that, in the opinion of the director, there is a reasonable probability that a liability or asset will crystallise in the foreseeable future.

**1.4 Foreign currency translation**

The company's accounting records are maintained in Euros.

Transactions in other currencies are converted at the rate ruling at the date of the transaction. Current assets and liabilities are converted at the rate of exchange ruling at the balance sheet date. Any material gains or losses resulting from the conversion are taken to the profit and loss account.

**1.5 Group accounts**

The financial statements present information about the company as an individual undertaking and not about its group. The company and its subsidiary undertaking comprise a small-sized group. The company has therefore taken advantage of the exemptions provided by section 248 of the Companies Act 1985 not to prepare group accounts.
