## **FESTER DEVELOPMENTS LIMITED**

### **NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2013**

#### **1. ACCOUNTING POLICIES**

##### **1.1 Basis of preparation of financial statements**

The full financial statements, from which these abbreviated accounts have been extracted, have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

##### **1.2 Compliance with and departure from accounting standards**

The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), which have been applied consistently (except as otherwise stated).

The company has not disclosed the ultimate controlling party which is a requirement of the Financial Reporting Standard for Smaller Entities (effective April 2008). This is a departure from the accounting standard. The director is of the opinion that the non disclosure of this information does not affect the truth and fairness of the financial statements.

##### **1.3 Turnover**

Turnover represents amounts derived from the company's principal activity.

##### **1.4 Deferred taxation**

Full provision is made for deferred tax assets and liabilities arising from all timing differences between the recognition of gains and losses in the financial statements and recognition in the tax computation.

A net deferred tax asset is recognised only if it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax assets and liabilities are calculated at the tax rates expected to be effective at the time the timing differences are expected to reverse.

Deferred tax assets and liabilities are not discounted.

##### **1.5 Foreign currencies**

Monetary assets and liabilities denominated in foreign currencies are translated into euros at rates of exchange ruling at the balance sheet date.

Transactions in foreign currencies are translated into euros at the rate ruling on the date of the transaction.

Exchange gains and losses are recognised in the Profit and loss account.

#### **2. TAXATION**
