DIRECTOR'S ANNUAL REPORT

31st December 2005 marked the fifth trading year for SITO Recruitment Limited (SRL). Established in response to requirements of the Learning and Skills Council and in order to meet industry work-based learning funding needs, SRL continues to act as a virtual employment agency; seconding trainers from industry to deliver publicly funded training programmes both in their own, and in some cases other, companies.

The key focus for SRL in 2005 has been to continue to provide access to LSC funding for Cash and Valuables in Transit (CVIT) sector in England, via a relationship with City College Coventry, and Scottish FEFC funding in Scotland for both the Guarding and CVIT sectors, via Fife College. These arrangements have been made in the absence of a national funding scheme and are in addition to the Employer Training Programmes managed by SITO Ltd.

As believed last year, it is still anticipated that the current arrangements in England will end once the new national scheme, currently under development between SITO, LSC and the SIA has been formalised.

The position of SRL in relation to future funding schemes remains uncertain and the Directors, following the publication of the new national guidelines, will be required to give consideration as to the way forward.

- select suitable accounting policies and then apply them consistently;

They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

We conducted our audit in accordance with United Kingdom Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.
