Statement of directors' responsibilities in respect of the financial statements

The directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent auditors' report **to the members of BeneFit Cosmetics Limited**

We have audited the company's financial statements for the year ended 31 December 2005 which comprise the Profit and Loss Account, Statement of Total Recognised Gains and Losses, Balance Sheet and the related notes 1 to 20. These financial statements have been prepared on the basis of the accounting policies set out therein.

This report is made solely to the company's members, as a body, in accordance with section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

The directors are responsible for the preparation of the financial statements in accordance with applicable law and United Kingdom law and Accounting Standards (United Kingdom Generally Accepted Accounting Practice) as set out in the statement of directors' responsibilities.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland).

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the directors' report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

We read the directors' report and consider the implications for our report if we become aware of any apparent misstatements within it.

Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Independent auditors' report
to the members of BeneFit Cosmetics Limited (continued)

Opinion

In our opinion the financial statements give a true and fair view, in accordance with United Kingdom Generally Accepted Accounting Practice, of the state of affairs of the company as at 31 December 2005 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

Notes to the financial statements

at 31 December 2005

1. Accounting policies

Basis of preparation

The financial statements are prepared under the historical cost convention.

Cash flow statement

The directors have taken advantage of the exemption in Financial Reporting Standard No 1 (revised) from including a cash flow statement in the financial statements on the grounds that the company is a wholly owned subsidiary and the consolidated financial statements in which the company is included are publicly available.

Fixed assets

All fixed assets are initially recorded at cost.

Intangible assets

Intangible fixed assets are stated at cost less accumulated amortisation. Amortisation is provided to write off the value of the intangible fixed assets over a period of three years. The carrying values of intangible fixed assets are reviewed for impairment in periods if events or changes in circumstances indicate the carrying values may not be recoverable.

Depreciation

Depreciation is provided on all tangible fixed assets, at rates calculated to write off the cost, less estimated residual value based on prices prevailing at the date of acquisition of each asset evenly over its expected useful life, as follows:

| | |
|--------------------------------|----------------|
| Leasehold improvements | - 5 years |
| Store fittings | - 3 to 5 years |
| Office furniture and equipment | - 3 to 7 years |
| Motor vehicles | - 3 years |

The carrying values of tangible fixed assets are reviewed for impairment when events or changes in circumstances indicate the carrying value may not be recoverable.

Stocks

Stocks are stated at the lower of cost and net realisable value.

Net realisable value is based on estimated selling price less any further costs expected to be incurred to completion and disposal.

Deferred taxation

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less or to receive more, tax, with the following exception:

- deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

Notes to the financial statements

at 31 December 2005

1. Accounting policies (continued)

Foreign currencies

Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are retranslated at the rate of exchange ruling at the balance sheet date.

All differences are taken to the profit and loss account.

Operating lease agreements

Rentals payable under operating leases are charged in the profit and loss account on a straight line basis over the lease term.

Pension costs

The company operates a defined contribution pension scheme. Contributions are charged in the profit and loss account as they become payable in accordance with the rules of the scheme.

2. Turnover

Turnover, which is stated net of value added tax, represents amounts invoiced to third parties in the UK, Ireland, France and Germany in respect of sales of cosmetics and amounts received and receivable from the company's parent undertaking in respect of sales and marketing support in the UK and Europe. It all relates to continuing activities.

3. Operating profit

This is stated after charging:

| | 2005 £ | 2004 £ |
