DCD Finance (UK) Limited

Report of the directors for the year ended 31 December 2010

Company Number 03928481

The directors present their report together with the financial statements for the year ended 31 December 2010

Principal activities and review of the business

The principal activities of the group are those of providing the services of confirming agents, trade finance, factoring and invoice discounting facilities to small and medium sized enterprises

The volume of business financed during the year was £ Nil (2009- £ Nil) and turnover for the year was £ Nil (2009 - £ 265)

The companies subsidiaries ceased trading in 2008 and are now actively pursuing their debtors for recovery of trade debt

Results and dividends

The consolidated profit and loss account is set out on page 5 and shows the loss for the year

No dividend is paid during the year (2009 - £ Nil)

Directors

The directors of the company during the year were

R J Huggins
D A Gennings
F A Randeree
D Stuckey

The directors in office during the year did not have any beneficial interests, including family interests, in the share capital of the company. However, F A Randeree is also a director of the parent company, DCD London & Mutual Plc, and his interests including family interests, in the share capital of that company are shown in its financial statements

DCD FINANCE (UK) LTD

Directors' report for the year ended 31 December 2010 (continued)

Statement of directors' responsibilities

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Disclosure of information to auditors

To the knowledge and belief of the directors, there is no relevant information that the company's auditors are not aware of, and the directors have taken all the steps necessary to ensure the directors are aware of any relevant information, and to establish that the company's auditors are aware of the information.

Auditors

A resolution to reappoint Euro Andertons LLP as auditors of the company will be proposed at the forthcoming annual general meeting.

The above report has been prepared in accordance with the provisions applicable to companies subject to the small companies regime within Part 15 of the Companies Act 2006.

Signed on behalf of the board

Approved by the Board on 15/9/2011

DCD FINANCE (UK) LTD

Independent auditors' report to the members of DCD Finance (UK) Ltd

We have audited the financial statements of DCD Finance (UK) Limited for the year ended 31 December 2010 which are set out on pages 5 to 13. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members as a body, in accordance with Sections 495 and 496 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As explained more fully in the Directors' Responsibilities Statement set out on page 2, the directors' are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practice's Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements.

Opinion on financial statements

In our opinion the financial statements

- the group financial statements give a true and fair view of the state of the company's affairs as at 31 December 2010 and of its losses for the year then ended
- the parent company financial statements give a true and fair view of the state of the company's affairs as at 31 December 2010 and of its losses for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

DCD FINANCE (UK) LTD

Independent auditors' report to the members of DCD Finance (UK) Ltd

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit, or
- the directors were not entitled to prepare the financial statements and the directors' report in accordance with the small companies regime

Emphasis of matter

Possible outcome of lawsuits

In forming our opinion on the group financial statements, which are not qualified, we have considered the adequacy of disclosures made in note 1 to the trade finance and the factoring companies' financial statements concerning the possible outcome of legal action against major clients and against the companies' previous auditors – the ultimate outcome of which cannot presently be determined

Subsidiaries that ceased trading

The trade finance and the factoring companies of the group ceased trading in 2008 and are actively pursuing their debtors for recovery of trade debt

The provisions for bad debts in these companies accounts are based on directors' representations in the absence of third party confirmation and no provisions for recoveries of any monies and/or award of damages are made in the financial statements

F A Randeree
Director

The notes on pages 8 to 13 form part of these financial statements

1 Accounting policies

The financial statements have been prepared under the historical cost convention and are in accordance with applicable accounting standards. The following principal accounting policies have been applied

Basis of consolidation

The consolidated financial statements incorporate the results of DCD Finance (UK) Limited and all of its subsidiaries as at 31 December 2010 using the acquisition method of accounting whereby the results of the subsidiaries are included from the date of acquisition

Turnover

Turnover represents commissions, interest earned, discount charges, factoring fees on value of business financed together with recoveries of certain direct charges and miscellaneous income, at invoiced amounts less value added tax

The financial statements have been prepared on the going concern basis notwithstanding the material uncertainty of the possible outcome of legal action against its subsidiary companies' clients owing £ 19,073,960 including a major client owing £ 14,875,623 at the year end. Provisions for bad debts amounted to £ 13,886,193

Depreciation

Depreciation is provided on fixed assets at the following annual rates which are estimated to write off their cost over their expected useful lives

Fixtures, fittings and equipment	-	10% on cost
Computer equipment	-	33⅓% on cost

Deferred taxation

Deferred tax is recognised in respect of all timing differences that have originated but not reversed by the balance sheet date

Deferred tax liabilities and assets are not discounted

Foreign currency

All transactions in foreign currencies are converted at the rates prevailing on the date of the transactions. Current assets and liabilities in foreign currencies are translated at the rates of exchange ruling at the date of the balance sheet

Contribution to pension funds

The company operates a defined contribution pension scheme via the ultimate holding company. The assets of the scheme are held separately from those of the company in independently administered funds. Pension payments are charged against the profits in the year to which they relate

1 Accounting policies (Continued)*Cash flow statement*

The company has taken advantage of the exemption conferred by Financial Reporting Standard 1 'Cash Flow Statements (Revised 1996)' not to prepare a cash flow statement on the grounds that at least 90% of the voting rights in the company are controlled within the group headed by DCD London & Mutual Plc and the company is included in consolidated financial statements

Leased assets

Assets held under finance leases and hire purchase contracts are capitalised in the balance sheet and depreciated over their expected useful lives. The interest element of leasing payments represents a constant proportion of the capital balance outstanding and is charged to the profit and loss account over the term of the lease.

All other leases are regarded as operating leases and the payments made under them are charged to the profit and loss account on a straight-line basis over the term of the lease.

2 Turnover

Turnover represents commissions, interest earned, discount charges and factoring fees on the value of business financed together with recoveries of certain direct charges and miscellaneous income.

In the directors' opinion the disclosure of an analysis of results by class of business or geographical region would be prejudicial to the interests of the company. This information has therefore not been disclosed.

3 Employees

	2010 £	2009 £
