Directors' Responsibilities Statement

The Directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Auditor's Report to the members of CLS Holdings UK Limited

We have audited the financial statements of CLS Holdings UK Limited for the year ended 31 December 2013 which comprise the Profit and Loss Account, the Balance Sheet and the related notes 1 to 12. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies, we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 31 December 2013 and of its loss for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Independent Auditor's Report to the members of CLS Holdings UK Limited (continued)

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit, or
- the Directors were not entitled to take advantage of the small companies exemption in preparing the Directors' Report, or
- the Directors were not entitled to take advantage of the small companies exemption from preparing a Strategic Report

Notes to the Financial Statements 31 December 2013

1. Significant accounting policies

The principal accounting policies are summarised below. They have been applied consistently throughout the year and the preceding year.

1.1 Basis of preparation

The financial statements have been prepared under the historical cost convention and in accordance with applicable United Kingdom accounting standards. The Company has taken advantage of the exemption in Financial Reporting Standard No. 1 not to prepare a cash flow statement as a cash flow statement has been prepared for the Group. The Company is a wholly-owned subsidiary of CLS Holdings plc and has taken advantage of the exemption in Financial Reporting Standard No. 8 not to detail transactions with fellow Group undertakings which eliminate on consolidation. The Company has taken advantage of the exemption in the Companies Act 2006 (Section 400(1)(b)) and accordingly has not prepared consolidated financial statements.

1.2 Going concern

The Company's business activities and review of the business are set out in the Directors' Report.

At 31 December 2013 the Company had a significant equity deficit. However, the Directors are in receipt of an unequivocal letter of support from the parent company confirming that sufficient funds will be available to ensure all liabilities are met as they fall due for a period of 12 months from the date of approval of the financial statements, so long as the Company is a wholly owned direct or indirect subsidiary of its current ultimate parent company (note 12). The Directors do not expect that the ownership of the Company will change in the foreseeable future and as such have adopted the going concern basis in preparing the annual report and financial statements.

1.3 Fixed asset investments

Fixed asset investments are held at cost. A provision is made for any permanent diminution in value.

1.4 Taxation

Corporation tax is provided on taxable profits at the current rate.

Deferred tax is recognised in respect of all timing differences which have originated but not reversed at the balance sheet date, where transactions or events which result in an obligation to pay more tax in the future, or a right to pay less tax in the future, have occurred at the balance sheet date. Timing differences are differences between the Company's taxable profits and its results as stated in the financial statements.

A net deferred tax asset is regarded as recoverable and therefore recognised only when, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the reversal of the underlying timing differences can be deducted.

Deferred tax is measured, on an undiscounted basis, at the average tax rates which are expected to apply in the periods in which the timing differences are expected to reverse based on tax rates and laws that have been enacted or substantively enacted at the balance sheet date.
