As from that time and unless such written notice shall be given to any of the Charging Companies, all payments by or in behalf of such Charging Company to the Bank shall be credited, or treated as having been credited, to a new account of such Charging Company and shall not operate to reduce such Charging Company's indebtedness and other liabilities to the Bank at the time when the Bank received or was deemed to have received such notice.

16. RIGHTS AS BETWEEN EACH CHARGING COMPANY, THE OTHER CHARGING COMPANIES AND THE BANK

It is hereby agreed and declared by each Charging Company that:

16.1 As between such Charging Company and the Bank the property hereby charged by this Deed by such Charging Company shall so far as concerns the Bank be deemed to be a primary and principal security (notwithstanding that the property is hereby charged by such Charging Company by way of collateral security only) and accordingly such Charging Company shall not be released or discharged nor shall the security constituted by or pursuant to this Deed be impaired, affected or revoked by any act, omission, transaction, limitation, matter, thing or circumstance whatsoever which but for this provision might operate to release or exonerate such Charging Company or all or any part of the security constituted by or pursuant to this Deed or reduce, impair or affect such security or cause all or any part of the Secured Obligations to be irrecoverable from or unenforceable against the Charging Companies or any other person or to discharge, reduce, affect or impair the security constituted by or pursuant to this Deed, including without limitation:

16.1.1 any time, waiver or indulgence granted to any of the Charging Companies or any other person or the forbearance of the Bank in enforcing the obligations of any of the Charging Companies or any other person under the Facilities

Agreement or under this Deed or in respect of any other guarantee, security, obligation, right or remedy;

- 16.1.2 the recovery of any judgment against any of the Charging Companies or any other person or any action to enforce the same;
- 16.1.3 the taking of any other security from any of the Charging Companies or any other person or the variation, compromise, renewal or release of, or the failure, refusal or neglect to take, perfect or enforce, any rights, remedies or securities from or against any of the Charging Companies or any other person;
- 16.1.4 any alteration in the constitution of any of the Charging Companies or any defect in or irregular exercise of the powers of any of the Charging Companies (including, without limitation the borrowing powers of the Charging Companies) or any other person or any legal limitations, disability, incapacity or other circumstances relating to any of the Charging Companies or any other person;
- 16.1.5 subject as provided in this Deed, notwithstanding any amendment or supplement to or variation of the Facilities Agreement, the Security Documents or any other document or security whether or not the same shall increase the amount of the Facilities or the amount of any sums payable to the Bank and without prejudice to anything else herein contained, this Deed shall be a continuing security for any such increased amount or liability;
- 16.1.6 the insolvency, bankruptcy, liquidation or reorganisation of, or analogous proceedings relating to any of the Charging Companies or any other person or any composition or arrangement made by any of them with the Bank or any other person or any transfer or extinction of any liabilities of any of the Charging Companies or any other person by any law, order, regulation, decree, court order or similar instrument; or
- 16.1.7 any irregularity, unenforceability or invalidity of any obligations of any of the Charging Companies or any other person under any security or document (including this Deed) (to the intent that the security constituted by or pursuant to this Deed shall remain in full force and this Deed be construed

accordingly as if there were no such irregularity, unenforceability or invalidity);

and so that as a separate and independent stipulation all sums, obligations and liabilities the payment and discharge of which is expressed to be secured by this Deed which may not be recoverable from another Charging Company by reason of any act, omission, transaction, limitation, matter, thing or circumstance whatsoever shall nevertheless be recoverable from such Charging Company as though the same had been incurred by such Charging Company and such Charging Company was the sole or principal debtor in respect of it.

16.2 Until all sums and liabilities intended to be secured by this Deed have been paid off and satisfied in full, such Charging Company will not, unless the Bank shall otherwise consent or, in the case of clause 16.2.2 and 16.2.3 direct:

16.2.1 exercise any right of subrogation or contribution or any other right or remedy which it may have in respect of any sum recovered under this Deed and so that all claims and other rights and remedies it may have against any of the Charging Companies in relation thereto (including, except to the extent required by the mandatory provisions of any applicable laws, any right of set-off or counterclaim) shall be subject and subordinate to the prior payment and satisfaction in full to the Bank of all sums and liabilities expressed to be secured by this Deed;

16.2.2 at any time after the security constituted by this Deed has become enforceable and while it remains so, claim or receive payment of any monies due to it by any of the Charging Companies or exercise any other right or remedy (including, except to the intent required by the mandatory provisions of any applicable laws, any rights of set-off or counterclaim);

16.2.3 prove in any liquidation, bankruptcy, insolvency, reorganisation or analogous proceedings relating to any of the Charging Companies in competition with the Bank for any sums or liabilities owing or incurred to it by any of the Charging Companies;

16.2.4 be entitled to the benefit of any security held by or on behalf of the Bank in respect of any sums and liabilities expressed to be secured by this Deed;

16.2.5 take or hold security from any of the Charging Companies.

Any monies received and any security taken or held by a Charging Company such as is referred to in this clause 16.2 and whether with or without the consent of the Bank and whether or not in breach of the provisions of this clause 16.2 shall be held by such company in trust to pay or hold the same for the Bank in or towards discharge or, as the case may be, as security for the liabilities secured by this Deed.

16.3 The Bank shall be entitled to enforce the security constituted by this Deed against any one or more of the Charging Companies without making any demand on or taking any proceedings against any of the other Charging Companies or any other person or exhausting any right or remedy against any of the Charging Companies or any other person or taking any action to enforce any part of the security constituted by any of the other Security Documents or any other guarantee or security and so that the Bank shall be at liberty but not bound to resort to any other means of payment at any time and in any order as the Bank thinks fit without thereby diminishing or affecting the security constituted by this Deed and the security constituted by this Deed may be enforced either for the payment of the ultimate balance after other means of payment have been resorted to or for the balance due at any time, notwithstanding that other means of payment have not been resorted to and, in the latter case, without entitling any Charging Company to any benefit from and/or any right of contribution in respect of such other means of payment until all sums and liabilities expressed to be secured by these presents have been finally paid off or satisfied in full.

16.4 The security constituted by this Deed is in addition to and is not to prejudice or affect or be prejudiced or affected by:

16.4.1 any other guarantee, security or lien for the sums and liabilities intended to be hereby secured which is or are now or may thereafter be held by the Bank from any Charging Company or any other person; or

16.4.2 by the omission of the Bank to take any such security.

16.5 Any dividends or payment received by or on behalf of the Bank in respect of the sums and liabilities expressed to be secured by these presents in any insolvency, bankruptcy, liquidation, reorganisation or similar proceedings, shall for the purposes

of this Deed be taken to discharge those sums and liabilities only to the extent of the actual amount so received and so that the Bank may prove in any insolvency, bankruptcy, liquidation, reorganisation or similar proceedings of the Charging Company concerned for the full amount then owing to it.

17. CONSOLIDATION OF ACCOUNTS AND SET-OFF

In addition to any general lien or similar right to which it may be entitled by operation of law, the Bank shall have the right at any time after the security constituted by this Deed has become enforceable and while it remains so and without notice to the Charging Companies (as well before as after making any demand under this Deed) to combine or consolidate all or any of the Charging Companies' then existing accounts (including the Collections Account) with and liabilities to them and to set-off or transfer any sum or sums standing to the credit of any one or more of such accounts (including the Collections Account) in or towards satisfaction of any of the liabilities of all or any of the Charging Companies to the Bank on any other account or in any other respect. The liabilities referred to in this clause may be actual, contingent, primary, collateral, several or joint liabilities, and the accounts, sums and liabilities referred to in this clause may be denominated in any currency. The existence of the floating charge contained in clause 4.3 of this Deed over the proceeds of collection of any Receivables will not prejudice the right contained in this clause 17 to combine or consolidate accounts.

18. CURRENCY

18.1 All monies received or held by the Bank or any Receiver under this Deed may be converted into such other currency as the Bank or Receiver considers necessary or desirable to cover the obligations and liabilities comprised in the Secured Obligations in that other currency at the Bank's spot rate of exchange then prevailing for purchasing that other currency with the existing currency.

18.2 No payment to the Bank (whether under any judgement or court order or otherwise) shall discharge the obligation or liability of the relevant Charging Company in respect of which it was made unless and until the Bank shall have received payment in full in the currency in which the obligation or liability was incurred and to the extent that the amount of any such payment shall on actual conversion into such currency fall short of such obligation or liability expressed in that currency the Bank shall have a further separate cause of action against the relevant Charging Company

and shall be entitled to enforce the security constituted by this Deed to recover the amount of the shortfall.

19. SUSPENSE ACCOUNT

All monies received, recovered or realised by the Bank under this Deed may in the discretion of the Bank be credited to any suspense or impersonal account and may be held in such account for so long as the Bank thinks fit (with interest accruing on them at such rate, if any, as the Bank may deem fit for the account of the relevant Charging Company) pending their application from time to time (as the Bank shall be entitled to do in its discretion) in or towards the discharge of any of the Secured Obligations.

20. TIME AND INDULGENCES

20.1 The Bank may at any time or times without discharging or in any way affecting the security created by or pursuant to this Deed or any remedy in respect of such security, grant to any of the Charging Companies time or indulgence or abstain from asserting, calling, exercising or enforcing any remedies, securities, guarantees or other rights which it may now or after the date of this Deed have from or against any of the Charging Companies.

20.2 The Bank may in its discretion grant time or other indulgence, or make any other arrangement, variation or release with, any person or persons not party to this Deed (whether or not such person or persons are jointly liable with the Charging Companies) in respect of any of the Secured Obligations or of any other security therefor or guarantee in respect thereof without prejudice either to the security constituted by or pursuant to this Deed or to the liability of the Charging Companies for the Secured Obligations or the exercise by the Bank of any rights, remedies and privileges conferred upon it by this Deed.

21. REMEDIES, WAIVERS, AMENDMENTS AND CONSENTS

21.1 No failure on the part of the Bank or any Receiver to exercise, and no delay on its part or their part in exercising, any right or remedy under this Deed will operate as a waiver thereof, nor will any single or partial exercise of any right or remedy preclude any other or further exercise thereof or the exercise of any other right or remedy. The rights and remedies provided in this Deed are cumulative and not exclusive of any rights and remedies provided by law.

21.2 Any provision of this Deed may be amended only if the Bank and the Charging Companies so agree in writing and any breach of this Deed may be waived before or after it occurs only if the Bank so agrees in writing. Any such waiver, and any consent by the Bank under any provision of this Deed, must be in writing and may be given subject to any conditions thought fit by the Bank. Any waiver or consent shall be effective only in the instance and for the purpose for which it is given.

22. EXPENSES

The Charging Companies agree to pay to the Bank on demand (on a full indemnity basis) all costs, charges, expenses and other sums properly incurred or to be incurred by the Bank or by or through any Receiver, attorney, delegate, delegate, substitute or agent of the Charging Companies, or the Bank for any of the purposes referred to in this Deed relating to or in connection with the security over the Charged Property including (without prejudice to the generality of the foregoing):

- 22.1 all liabilities resulting from any delay in paying any stamp duty, value added tax or other similar taxes imposed on the Charged Property or in connection with any of the transactions contemplated by this Deed and all liabilities resulting from any delay in paying any such taxes;
- 22.2 the remuneration of any such Receiver, attorney, delegate, delegate, substitute or agents of the Charging Companies and of any other servants or agents employed by the Bank for any purposes connected with the enforcement or attempted enforcement of this Deed or the protection preservation realisation or attempted protection or preservation of the Charged Property; and
- 22.3 all costs charges and expenses (whether in respect of litigation or not) and incurred in the protection, realisation or enforcement of this Deed or the collection and recovery of any monies from time to time arising under such security (or any security collateral or supplemental thereto) or in insuring, inspecting, maintaining, completing, managing, letting, realising or exercising any other power, authority or discretion in relation to the Charged Property or any part thereof incurred under this Deed;

to the intent that subject as provided herein the Bank shall be afforded a full and unlimited indemnity in respect thereof.

23. PROVISIONS SEVERABLE

Every provision contained in this Deed shall be severable and distinct from every other such provision and if at any time any one or more of such provisions is or becomes invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining such provisions shall not in any way be affected thereby.

24. AVOIDANCE OF PAYMENTS

- 24.1 No assurance, security or payment which may be avoided under any law relating to bankruptcy, insolvency or winding-up (including sections 238, 239, 244 or 245 of the Insolvency Act 1986), and no release, settlement or discharge given or made by the Bank on the faith of any such assurance, security or payment, shall prejudice or affect the right of the Bank to enforce the security created by or pursuant to this Deed to the full extent of the Secured Obligations.
- 24.2 Any settlement or discharge between a Charging Company and the Bank shall be conditional upon no security or payment to the Bank by that Charging Company or any other person being avoided or set aside or ordered to be refunded or reduced by virtue of any provision or enactment relating to bankruptcy, insolvency or liquidation for the time being in force and accordingly (but without limiting the other rights of the Bank hereunder), the Bank shall be entitled to recover from that Charging Company the value which the Bank has placed upon such security or the amount of any such payment as if such settlement or discharge had not occurred.
- 24.3 Subject to clause 24.2, upon all the Secured Obligations having been paid or discharged in full and the Bank having ceased to have any further obligations under any Security Documents whether actual or contingent to make any credit or accommodation to any Group Company, the Bank will, at the request and cost of the Charging Companies, immediately execute, reassign and/or do all such deeds, acts and things as may be reasonably necessary to release the Charged Property from the security and guarantees created by or pursuant to this Deed.

25. DISCRETIONS

- 25.1 Any liberty or power which may be exercised or any determination which may be made under this Deed by the Bank, as against the Charging Companies, may be exercised or made (unless otherwise expressly provided in this Deed or in the

Facilities Agreement) in the absolute and unfettered discretion of the Bank which shall not be under any obligation to give reasons therefor.

- 25.2 In this Deed where any matter fact or opinion is qualified by the words "reasonable" or "material" or any variations thereof the determination by the Bank of what is reasonable or material shall be binding on the Charging Companies unless the Charging Company concerned shows that such determination is unreasonable.

26. ASSIGNMENT

The Bank shall have a full and unfettered right to assign the whole (but not part) of the benefit of this Deed to any person to whom the Bank has the right to assign its interest in the Facilities Agreement.

27. FACILITIES AGREEMENT TO PREVAIL

Where any provision in this Deed conflicts with a provision of the Facilities Agreement the terms of the Facilities Agreement shall prevail for so long as the same remains in full force and effect. Any consent, waiver or concession granted under the Facilities Agreement shall also operate as a consent, waiver or concession under this Deed. Where the context permits, the rights and remedies of the Bank under the Facilities Agreement and this Deed are cumulative.

28. NOTICES

- 28.1 All communications to made under this Deed shall be made in writing.
- 28.2 Any notices, proceedings or other documents to be served on any of the Charging Companies pursuant to this Deed shall be addressed to it at its registered office for the attention of the Managing Director or at such other address as a Charging Company may after the date of this Deed notify the Bank in writing.
- 28.3 Any notice to the Bank should be addressed if despatched by mail to the Bank's address as set out above or at such other address as it may after the date of this Deed advise the other parties in writing.

28.4 Any notice to any Charging Company shall be deemed to have been given:

28.4.1 if posted, on the second Business Day following the day on which it has been properly despatched by first class mail (airmail, if appropriate) postage prepaid; and

28.5 Any notice to the Bank shall be deemed to have been given only on actual receipt by the Bank and the Bank will promptly acknowledge receipt of any such notice.

29. THIRD PARTY RIGHTS

A person who is not party to this Deed shall have no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Deed. This clause does not affect any right or remedy of any person which exists or is available otherwise than pursuant to that Act.

2. For all purposes of the liability of the Charging Companies and each of them to the Bank under the Guarantee (including in particular but without prejudice to the generality of the foregoing the liability of the Charging Companies for interest) every sum of money which may now be or which after the date of this Deed may from time to time become due or owing to the Bank (or would have become so due or owing were it not for the winding up of any other company) shall be deemed to continue due and owing to the Bank until the same shall be actually repaid to the Bank notwithstanding the winding up of any company or any other event whatever.
3. The Guarantee is to be in addition to and is not to prejudice or be prejudiced by any other securities or guarantees (including any guarantee signed by the Charging Companies or any of them) which the Bank may now or after the date of this Deed hold on account of the Secured Obligations and is to be binding on the Charging Companies and each of them as a continuing security notwithstanding any payments from time to time made to the Bank, or any settlement of account or any other thing whatsoever.
4. The Guarantee is to be applicable to the ultimate balance that may become due to the Bank from any Charging Company and until payment of such balance no Charging Company shall be entitled to participate in any security held or money received by the Bank on account of such balance or to stand in the place of the Bank in respect of any such security or money until all monies and liabilities hereby guaranteed have been paid or discharged in full.
5. Any admission or acknowledgement in writing by a director of any Charging Company or any duly authorised person on behalf of any Charging Company of the amount of the indebtedness of the relevant Charging Company or of other matters relating to the Guarantee other than in circumstances of manifest error or any judgment or award of a competent court or tribunal in the United Kingdom or elsewhere obtained by the Bank against any or all of the

Charging Companies or proof by the Bank in a winding up of a Charging Company which is admitted or, in the absence of manifest error, any statement of account furnished by the Bank (the correctness of which is certified by the Bank), shall be prima facie evidence binding on the Charging Companies and each of them in the absence of proof to the contrary.

6. The Bank may without thereby affecting the rights of the Bank under this Deed at any time and from time to time (whether before or after any demand for payment made by the Bank under or any notice of determination of this Guarantee), refuse or grant (as the case may be) further credit or further financial facilities in addition to the Facilities to any Charging Company or the Charging Companies and the Bank may, without thereby affecting such rights, accept compositions from and make any other arrangements with any of the Charging Companies or any persons liable to the Bank in respect of securities held or to be held by the Bank and enter into, give up and waive, modify, exchange or abstain from perfecting or taking advantage of or enforcing such securities, guarantees or other contracts or the proceeds of any of the foregoing, discharge any parties thereto and realise any securities in such manner as the Bank may think expedient.
7. In the event of any of the Charging Companies going into liquidation or being wound up or reconstructed or making any arrangement with its creditors, any dividends or payments which the Bank may receive from the Charging Companies or any of them or any other persons shall be taken and applied as payments in gross and shall not prejudice the right of the Bank to recover from the Charging Companies or any of them to the full extent of the Guarantee the ultimate balance which after the receipt of such dividends or payments may remain owing to the Bank by the Charging Companies and secured by the Guarantee.
8. The Bank may without thereby affecting the rights of either of them under this Deed at any time and from time to time at their absolute discretion release, discharge, compound with or otherwise vary or agree to vary the liability under the Guarantee of or make any other arrangements with the Charging Companies or any of them and no such release, discharge, composition, variation, agreement or arrangement shall prejudice or in any way affect the rights and remedies of the Bank against any other Charging Company.
9. The Bank may without prejudice to any other rights they may have at any time and from time to time place and keep for such time as they may think prudent any monies received, recovered or realised under or by virtue of the Guarantee to or on a separate or suspense account (with interest accruing thereon at such rate, if any, as the Bank may deem fit for the account of the relevant Charging Company) to the credit either of any Charging Company or

the Bank without any intermediate obligation on the part of the Bank to apply the same or any part of them in or towards the discharge of the monies due or owing to the Bank by the Charging Companies.

10. In the event of the winding up of any of the Charging Companies, the Bank may, notwithstanding payment to the Bank by any Charging Company or any other person of any part of the amount guaranteed by this Deed or any release, settlement, discharge or arrangement made or given by the Bank, rank as creditor and prove in the liquidation of the relevant Charging Company for the full amount of the claim of the Bank and the Bank may and shall receive and retain the whole of the dividends to the exclusion of the rights (if any) of the Charging Companies or any of them in competition with the Bank until such claim is fully satisfied.
11. No assurance, security or payment which may be avoided under sections 238, 239 or 245 of the Insolvency Act 1986 or any of such sections and no release, settlement, discharge or arrangement which may have been given or made on the faith of any such assurance security or payment shall prejudice or affect the right of the Bank to recover from the Charging Companies or any of them to the full extent of the Guarantee as if such assurance, security, payment, release, settlement, discharge or arrangement (as the case may be) had never been granted given or made.
12. Any settlement or discharge between a Charging Company and the Bank shall be conditional upon no security or payment to the Bank by that Charging Company or any other person being avoided or set aside or ordered to be refunded or reduced by virtue of any provision or enactment relating to bankruptcy, insolvency or liquidation for the time being in force and accordingly (but without limiting the other rights of the Bank) shall be entitled to recover from that Charging Company the value which the Bank has placed upon such security or the amount of any such payment as if such settlement or discharge has not occurred.
13. Subject to clause 8.2 upon all the Secured Obligations having been paid or discharged in full and the Bank having ceased to have any further obligations under any Security Documents whether actual or contingent to make any credit or accommodation to any Group Company, the Bank will, at the request and cost of the Charging Companies, immediately execute, reassign and/or do all such deeds, acts and things as may be reasonably necessary to release the Charged Property from the security and guarantees created by or pursuant to this Deed.

- 13.1 Any release, settlement, discharge or arrangement shall as between the Bank (on the one hand) and the Charging Companies and each of them (on the other hand) be deemed to have been given or made upon the express condition that it shall become and be wholly void and of no effect if the assurance, security or payment on the faith of which it was made or given shall at any time thereafter be avoided under any of the statutory provisions mentioned above to the intent and so that the Bank shall become and be entitled at any time after any such avoidance to exercise all or any of the rights in the Guarantee expressly conferred upon the Bank and all or any other rights which by virtue and as a consequence of the Guarantee the Bank would have been entitled to exercise but for such release, settlement, discharge or arrangement.
- 13.2 The Charging Companies and each of them agree that such Guarantee shall be deemed to have been and to have remained held by the Bank as and by way of security for the payment to the Bank of all or any sums which shall or may become due and owing to the Bank from and by the Charging Companies or any of them either under and by virtue of the terms and conditions of the Guarantee in the event of and upon or after any avoidance of any assurance, security or payment under the said sections of the Insolvency Act 1986 or any of such sections or under or as a consequence of any Order (if any) made under sections 238 and/or 239 of the Insolvency Act 1986.
14. Each Charging Company agrees and consents to be bound by the Guarantee notwithstanding that any other Charging Company which was intended to execute this Deed or any other company which was or is to undertake liability co-extensive with any liability assumed by a Charging Company under this Deed, may not do so, or that any Charging Company or any other company may be subsequently released from or found not be bound by the same.
15. As a separate and independent stipulation and without prejudice to any of the provisions of this schedule, the Charging Companies and each of them agree that all sums of money which have become due under this Deed and which may not be recoverable from the Charging Companies or any of them on the footing of a guarantee whether by reason of any legal limitation on or disability or incapacity of any company or any other fact or circumstance and whether known to the Bank or not shall as to an equivalent amount thereof nevertheless be recoverable from the Charging Company or Charging Companies concerned as sole or principal debtor or debtors in respect thereof and shall be paid on demand in writing made by the Bank and the Charging Companies by virtue of this Deed indemnify the Bank on demand,

15. NEW ACCOUNTS

If the Bank shall at any time receive notice (whether actual or otherwise) of any subsequent Encumbrance other than a Permitted Encumbrance affecting the Charged Property or any part of it, the Bank may open a new account or accounts for any of the Charging Companies in its books and if it does not in fact open any such new account then, unless the Bank gives written notice to the relevant Charging Company to the contrary, the Bank shall nevertheless be treated as if it had in fact done so at the time when it received or was deemed to have received such notice. As from that time and unless such written notice shall be given to any of the Charging Companies, all payments by or in behalf of such Charging Company to the Bank shall be credited, or treated as having been credited, to a new account of such Charging Company and shall not operate to reduce such Charging Company's indebtedness and other liabilities to the Bank at the time when the Bank received or was deemed to have received such notice.

16. RIGHTS AS BETWEEN EACH CHARGING COMPANY, THE OTHER CHARGING COMPANIES AND THE BANK

It is hereby agreed and declared by each Charging Company that:

16.1 As between such Charging Company and the Bank the property hereby charged by this Deed by such Charging Company shall so far as concerns the Bank be deemed to be a primary and principal security (notwithstanding that the property is hereby charged by such Charging Company by way of collateral security only) and accordingly such Charging Company shall not be released or discharged nor shall the security constituted by or pursuant to this Deed be impaired, affected or revoked by any act, omission, transaction, limitation, matter, thing or circumstance whatsoever which but for this provision might operate to release or exonerate such Charging Company or all or any part of the security constituted by or pursuant to this Deed or reduce, impair or affect such security or cause all or any part of the Secured Obligations to be irrecoverable from or unenforceable against the Charging Companies or any other person or to discharge, reduce, affect or impair the security constituted by or pursuant to this Deed, including without limitation:

16.1.1 any time, waiver or indulgence granted to any of the Charging Companies or any other person or the forbearance of the Bank in enforcing the obligations of any of the Charging Companies or any other person under the Facilities Agreement or under this Deed or in respect of any other guarantee, security, obligation, right or remedy;

- 16.1.2 the recovery of any judgment against any of the Charging Companies or any other person or any action to enforce the same;
- 16.1.3 the taking of any other security from any of the Charging Companies or any other person or the variation, compromise, renewal or release of, or the failure, refusal or neglect to take, perfect or enforce, any rights, remedies or securities from or against any of the Charging Companies or any other person;
- 16.1.4 any alteration in the constitution of any of the Charging Companies or any defect in or irregular exercise of the powers of any of the Charging Companies (including, without limitation the borrowing powers of the Charging Companies) or any other person or any legal limitations, disability, incapacity or other circumstances relating to any of the Charging Companies or any other person;
- 16.1.5 subject as provided in this Deed, notwithstanding any amendment or supplement to or variation of the Facilities Agreement, the Security Documents or any other document or security whether or not the same shall increase the amount of the Facilities or the amount of any sums payable to the Bank and without prejudice to anything else herein contained, this Deed shall be a continuing security for any such increased amount or liability;
- 16.1.6 the insolvency, bankruptcy, liquidation or reorganisation of, or analogous proceedings relating to any of the Charging Companies or any other person or any composition or arrangement made by any of them with the Bank or any other person or any transfer or extinction of any liabilities of any of the Charging Companies or any other person by any law, order, regulation, decree, court order or similar instrument; or
- 16.1.7 any irregularity, unenforceability or invalidity of any obligations of any of the Charging Companies or any other person under any security or document (including this Deed) (to the intent that the security constituted by or pursuant to this Deed shall remain in full force and this Deed be construed accordingly as if there were no such irregularity, unenforceability or invalidity);

and so that as a separate and independent stipulation all sums, obligations and liabilities the payment and discharge of which is expressed to be secured by this

Deed which may not be recoverable from another Charging Company by reason of any act, omission, transaction, limitation, matter, thing or circumstance whatsoever shall nevertheless be recoverable from such Charging Company as though the same had been incurred by such Charging Company and such Charging Company was the sole or principal debtor in respect of it.

16.2 Until all sums and liabilities intended to be secured by this Deed have been paid off and satisfied in full, such Charging Company will not, unless the Bank shall otherwise consent or, in the case of clause 16.2.2 and 16.2.3 direct:

16.2.1 exercise any right of subrogation or contribution or any other right or remedy which it may have in respect of any sum recovered under this Deed and so that all claims and other rights and remedies it may have against any of the Charging Companies in relation thereto (including, except to the extent required by the mandatory provisions of any applicable laws, any right of set-off or counterclaim) shall be subject and subordinate to the prior payment and satisfaction in full to the Bank of all sums and liabilities expressed to be secured by this Deed;

16.2.2 at any time after the security constituted by this Deed has become enforceable and while it remains so, claim or receive payment of any monies due to it by any of the Charging Companies or exercise any other right or remedy (including, except to the intent required by the mandatory provisions of any applicable laws, any rights of set-off or counterclaim);

16.2.3 prove in any liquidation, bankruptcy, insolvency, reorganisation or analogous proceedings relating to any of the Charging Companies in competition with the Bank for any sums or liabilities owing or incurred to it by any of the Charging Companies;

16.2.4 be entitled to the benefit of any security held by or on behalf of the Bank in respect of any sums and liabilities expressed to be secured by this Deed;

16.2.5 take or hold security from any of the Charging Companies.

Any monies received and any security taken or held by a Charging Company such as is referred to in this clause 16.2 and whether with or without the consent of the Bank and whether or not in breach of the provisions of this clause 16.2 shall be held by

such company in trust to pay or hold the same for the Bank in or towards discharge or, as the case may be, as security for the liabilities secured by this Deed.

16.3 The Bank shall be entitled to enforce the security constituted by this Deed against any one or more of the Charging Companies without making any demand on or taking any proceedings against any of the other Charging Companies or any other person or exhausting any right or remedy against any of the Charging Companies or any other person or taking any action to enforce any part of the security constituted by any of the other Security Documents or any other guarantee or security and so that the Bank shall be at liberty but not bound to resort to any other means of payment at any time and in any order as the Bank thinks fit without thereby diminishing or affecting the security constituted by this Deed and the security constituted by this Deed may be enforced either for the payment of the ultimate balance after other means of payment have been resorted to or for the balance due at any time, notwithstanding that other means of payment have not been resorted to and, in the latter case, without entitling any Charging Company to any benefit from and/or any right of contribution in respect of such other means of payment until all sums and liabilities expressed to be secured by these presents have been finally paid off or satisfied in full.

16.4 The security constituted by this Deed is in addition to and is not to prejudice or affect or be prejudiced or affected by:

16.4.1 any other guarantee, security or lien for the sums and liabilities intended to be hereby secured which is or are now or may thereafter be held by the Bank from any Charging Company or any other person; or

16.4.2 by the omission of the Bank to take any such security.

16.5 Any dividends or payment received by or on behalf of the Bank in respect of the sums and liabilities expressed to be secured by these presents in any insolvency, bankruptcy, liquidation, reorganisation or similar proceedings, shall for the purposes of this Deed be taken to discharge those sums and liabilities only to the extent of the actual amount so received and so that the Bank may prove in any insolvency, bankruptcy, liquidation, reorganisation or similar proceedings of the Charging Company concerned for the full amount then owing to it.

17. CONSOLIDATION OF ACCOUNTS AND SET-OFF

In addition to any general lien or similar right to which it may be entitled by operation of law, the Bank shall have the right at any time after the security constituted by this Deed has become enforceable and while it remains so and without notice to the Charging Companies (as well before as after making any demand under this Deed) to combine or consolidate all or any of the Charging Companies' then existing accounts (including the Collections Account) with and liabilities to them and to set-off or transfer any sum or sums standing to the credit of any one or more of such accounts (including the Collections Account) in or towards satisfaction of any of the liabilities of all or any of the Charging Companies to the Bank on any other account or in any other respect. The liabilities referred to in this clause may be actual, contingent, primary, collateral, several or joint liabilities, and the accounts, sums and liabilities referred to in this clause may be denominated in any currency. The existence of the floating charge contained in clause 4.3 of this Deed over the proceeds of collection of any Receivables will not prejudice the right contained in this clause 17 to combine or consolidate accounts.

18. CURRENCY

- 18.1 All monies received or held by the Bank or any Receiver under this Deed may be converted into such other currency as the Bank or Receiver considers necessary or desirable to cover the obligations and liabilities comprised in the Secured Obligations in that other currency at the Bank's spot rate of exchange then prevailing for purchasing that other currency with the existing currency.
- 18.2 No payment to the Bank (whether under any judgement or court order or otherwise) shall discharge the obligation or liability of the relevant Charging Company in respect of which it was made unless and until the Bank shall have received payment in full in the currency in which the obligation or liability was incurred and to the extent that the amount of any such payment shall on actual conversion into such currency fall short of such obligation or liability expressed in that currency the Bank shall have a further separate cause of action against the relevant Charging Company and shall be entitled to enforce the security constituted by this Deed to recover the amount of the shortfall.

19. SUSPENSE ACCOUNT

All monies received, recovered or realised by the Bank under this Deed may in the discretion of the Bank be credited to any suspense or impersonal account and may be held in such

account for so long as the Bank thinks fit (with interest accruing on them at such rate, if any, as the Bank may deem fit for the account of the relevant Charging Company) pending their application from time to time (as the Bank shall be entitled to do in its discretion) in or towards the discharge of any of the Secured Obligations.

20. TIME AND INDULGENCES

20.1 The Bank may at any time or times without discharging or in any way affecting the security created by or pursuant to this Deed or any remedy in respect of such security, grant to any of the Charging Companies time or indulgence or abstain from asserting, calling, exercising or enforcing any remedies, securities, guarantees or other rights which it may now or after the date of this Deed have from or against any of the Charging Companies.

20.2 The Bank may in its discretion grant time or other indulgence, or make any other arrangement, variation or release with, any person or persons not party to this Deed (whether or not such person or persons are jointly liable with the Charging Companies) in respect of any of the Secured Obligations or of any other security therefor or guarantee in respect thereof without prejudice either to the security constituted by or pursuant to this Deed or to the liability of the Charging Companies for the Secured Obligations or the exercise by the Bank of any rights, remedies and privileges conferred upon it by this Deed.

21. REMEDIES, WAIVERS, AMENDMENTS AND CONSENTS

21.1 No failure on the part of the Bank or any Receiver to exercise, and no delay on its part or their part in exercising, any right or remedy under this Deed will operate as a waiver thereof, nor will any single or partial exercise of any right or remedy preclude any other or further exercise thereof or the exercise of any other right or remedy. The rights and remedies provided in this Deed are cumulative and not exclusive of any rights and remedies provided by law.

21.2 Any provision of this Deed may be amended only if the Bank and the Charging Companies so agree in writing and any breach of this Deed may be waived before or after it occurs only if the Bank so agrees in writing. Any such waiver, and any consent by the Bank under any provision of this Deed, must be in writing and may be given subject to any conditions thought fit by the Bank. Any waiver or consent shall be effective only in the instance and for the purpose for which it is given.

22. EXPENSES

The Charging Companies agree to pay to the Bank on demand (on a full indemnity basis) all costs, charges, expenses and other sums properly incurred or to be incurred by the Bank or by or through any Receiver, attorney, delegate, delegate, substitute or agent of the Charging Companies, or the Bank for any of the purposes referred to in this Deed relating to or in connection with the security over the Charged Property including (without prejudice to the generality of the foregoing):

- 22.1 all liabilities resulting from any delay in paying any stamp duty, value added tax or other similar taxes imposed on the Charged Property or in connection with any of the transactions contemplated by this Deed and all liabilities resulting from any delay in paying any such taxes;
- 22.2 the remuneration of any such Receiver, attorney, delegate, delegate, substitute or agents of the Charging Companies and of any other servants or agents employed by the Bank for any purposes connected with the enforcement or attempted enforcement of this Deed or the protection preservation realisation or attempted protection or preservation of the Charged Property; and
- 22.3 all costs charges and expenses (whether in respect of litigation or not) and incurred in the protection, realisation or enforcement of this Deed or the collection and recovery of any monies from time to time arising under such security (or any security collateral or supplemental thereto) or in insuring, inspecting, maintaining, completing, managing, letting, realising or exercising any other power, authority or discretion in relation to the Charged Property or any part thereof incurred under this Deed;

to the intent that subject as provided herein the Bank shall be afforded a full and unlimited indemnity in respect thereof.

23. PROVISIONS SEVERABLE

Every provision contained in this Deed shall be severable and distinct from every other such provision and if at any time any one or more of such provisions is or becomes invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining such provisions shall not in any way be affected thereby.

24. AVOIDANCE OF PAYMENTS

- 24.1 No assurance, security or payment which may be avoided under any law relating to bankruptcy, insolvency or winding-up (including sections 238, 239, 244 or 245 of the Insolvency Act 1986), and no release, settlement or discharge given or made by the Bank on the faith of any such assurance, security or payment, shall prejudice or affect the right of the Bank to enforce the security created by or pursuant to this Deed to the full extent of the Secured Obligations.
- 24.2 Any settlement or discharge between a Charging Company and the Bank shall be conditional upon no security or payment to the Bank by that Charging Company or any other person being avoided or set aside or ordered to be refunded or reduced by virtue of any provision or enactment relating to bankruptcy, insolvency or liquidation for the time being in force and accordingly (but without limiting the other rights of the Bank hereunder), the Bank shall be entitled to recover from that Charging Company the value which the Bank has placed upon such security or the amount of any such payment as if such settlement or discharge had not occurred.
- 24.3 Subject to clause 24.2, upon all the Secured Obligations having been paid or discharged in full and the Bank having ceased to have any further obligations under any Security Documents whether actual or contingent to make any credit or accommodation to any Group Company, the Bank will, at the request and cost of the Charging Companies, immediately execute, reassign and/or do all such deeds, acts and things as may be reasonably necessary to release the Charged Property from the security and guarantees created by or pursuant to this Deed.

25. DISCRETIONS

- 25.1 Any liberty or power which may be exercised or any determination which may be made under this Deed by the Bank, as against the Charging Companies, may be exercised or made (unless otherwise expressly provided in this Deed or in the Facilities Agreement) in the absolute and unfettered discretion of the Bank which shall not be under any obligation to give reasons therefor.
- 25.2 In this Deed where any matter fact or opinion is qualified by the words "reasonable" or "material" or any variations thereof the determination by the Bank of what is reasonable or material shall be binding on the Charging Companies unless the Charging Company concerned shows that such determination is unreasonable.

The Bank shall have a full and unfettered right to assign the whole (but not part) of the benefit of this Deed to any person to whom the Bank has the right to assign its interest in the Facilities Agreement.

27. FACILITIES AGREEMENT TO PREVAIL

Where any provision in this Deed conflicts with a provision of the Facilities Agreement the terms of the Facilities Agreement shall prevail for so long as the same remains in full force and effect. Any consent, waiver or concession granted under the Facilities Agreement shall also operate as a consent, waiver or concession under this Deed. Where the context permits, the rights and remedies of the Bank under the Facilities Agreement and this Deed are cumulative.

28. NOTICES

28.1 All communications to made under this Deed shall be made in writing.

28.2 Any notices, proceedings or other documents to be served on any of the Charging Companies pursuant to this Deed shall be addressed to it at its registered office for the attention of the Managing Director or at such other address as a Charging Company may after the date of this Deed notify the Bank in writing.

28.3 Any notice to the Bank should be addressed if despatched by mail to the Bank's address as set out above or at such other address as it may after the date of this Deed advise the other parties in writing.

28.4 Any notice to any Charging Company shall be deemed to have been given:

28.4.1 if posted, on the second Business Day following the day on which it has been properly despatched by first class mail (airmail, if appropriate) postage prepaid; and

28.4.2 if sent by telex or facsimile transmission, on the Business Day on which transmitted or if sent after 5.00pm at 9.30am on the next following business day or, in the case of a written notice lodged by hand, at the time of its actual delivery at the address referred to above.

28.5 Any notice to the Bank shall be deemed to have been given only on actual receipt by the Bank and the Bank will promptly acknowledge receipt of any such notice.

2. For all purposes of the liability of the Charging Companies and each of them to the Bank under the Guarantee (including in particular but without prejudice to the generality of the foregoing the liability of the Charging Companies for interest) every sum of money which may now be or which after the date of this Deed may from time to time become due or owing to the Bank (or would have become so due or owing were it not for the winding up of any other company) shall be deemed to continue due and owing to the Bank until the same shall be actually repaid to the Bank notwithstanding the winding up of any company or any other event whatever.
3. The Guarantee is to be in addition to and is not to prejudice or be prejudiced by any other securities or guarantees (including any guarantee signed by the Charging Companies or any of them) which the Bank may now or after the date of this Deed hold on account of the Secured Obligations and is to be binding on the Charging Companies and each of them as a continuing security notwithstanding any payments from time to time made to the Bank, or any settlement of account or any other thing whatsoever.
4. The Guarantee is to be applicable to the ultimate balance that may become due to the Bank from any Charging Company and until payment of such balance no Charging Company shall be entitled to participate in any security held or money received by the Bank on account of such balance or to stand in the place of the Bank in respect of any such security or money until all monies and liabilities hereby guaranteed have been paid or discharged in full.
5. Any admission or acknowledgement in writing by a director of any Charging Company or any duly authorised person on behalf of any Charging Company of the amount of the indebtedness of the relevant Charging Company or of other matters relating to the Guarantee other than in circumstances of manifest error or any judgment or award of a competent court or tribunal in the United Kingdom or elsewhere obtained by the Bank against any or all of the Charging Companies or proof by the Bank in a winding up of a Charging Company which is admitted or, in the absence of manifest error, any statement of account furnished by the Bank

(the correctness of which is certified by the Bank), shall be prima facie evidence binding on the Charging Companies and each of them in the absence of proof to the contrary.

6. The Bank may without thereby affecting the rights of the Bank under this Deed at any time and from time to time (whether before or after any demand for payment made by the Bank under or any notice of determination of this Guarantee), refuse or grant (as the case may be) further credit or further financial facilities in addition to the Facilities to any Charging Company or the Charging Companies and the Bank may, without thereby affecting such rights, accept compositions from and make any other arrangements with any of the Charging Companies or any persons liable to the Bank in respect of securities held or to be held by the Bank and enter into, give up and waive, modify, exchange or abstain from perfecting or taking advantage of or enforcing such securities, guarantees or other contracts or the proceeds of any of the foregoing, discharge any parties thereto and realise any securities in such manner as the Bank may think expedient.
7. In the event of any of the Charging Companies going into liquidation or being wound up or reconstructed or making any arrangement with its creditors, any dividends or payments which the Bank may receive from the Charging Companies or any of them or any other persons shall be taken and applied as payments in gross and shall not prejudice the right of the Bank to recover from the Charging Companies or any of them to the full extent of the Guarantee the ultimate balance which after the receipt of such dividends or payments may remain owing to the Bank by the Charging Companies and secured by the Guarantee.
8. The Bank may without thereby affecting the rights of either of them under this Deed at any time and from time to time at their absolute discretion release, discharge, compound with or otherwise vary or agree to vary the liability under the Guarantee of or make any other arrangements with the Charging Companies or any of them and no such release, discharge, composition, variation, agreement or arrangement shall prejudice or in any way affect the rights and remedies of the Bank against any other Charging Company.
9. The Bank may without prejudice to any other rights they may have at any time and from time to time place and keep for such time as they may think prudent any monies received, recovered or realised under or by virtue of the Guarantee to or on a separate or suspense account (with interest accruing thereon at such rate, if any, as the Bank may deem fit for the account of the relevant Charging Company) to the credit either of any Charging Company or the Bank without any intermediate obligation on the part of the Bank to apply the same or any part of them in or towards the discharge of the monies due or owing to the Bank by the Charging Companies.

10. In the event of the winding up of any of the Charging Companies, the Bank may, notwithstanding payment to the Bank by any Charging Company or any other person of any part of the amount guaranteed by this Deed or any release, settlement, discharge or arrangement made or given by the Bank, rank as creditor and prove in the liquidation of the relevant Charging Company for the full amount of the claim of the Bank and the Bank may and shall receive and retain the whole of the dividends to the exclusion of the rights (if any) of the Charging Companies or any of them in competition with the Bank until such claim is fully satisfied.
11. No assurance, security or payment which may be avoided under sections 238, 239 or 245 of the Insolvency Act 1986 or any of such sections and no release, settlement, discharge or arrangement which may have been given or made on the faith of any such assurance security or payment shall prejudice or affect the right of the Bank to recover from the Charging Companies or any of them to the full extent of the Guarantee as if such assurance, security, payment, release, settlement, discharge or arrangement (as the case may be) had never been granted given or made.
12. Any settlement or discharge between a Charging Company and the Bank shall be conditional upon no security or payment to the Bank by that Charging Company or any other person being avoided or set aside or ordered to be refunded or reduced by virtue of any provision or enactment relating to bankruptcy, insolvency or liquidation for the time being in force and accordingly (but without limiting the other rights of the Bank) shall be entitled to recover from that Charging Company the value which the Bank has placed upon such security or the amount of any such payment as if such settlement or discharge has not occurred.
13. Subject to clause 8.2 upon all the Secured Obligations having been paid or discharged in full and the Bank having ceased to have any further obligations under any Security Documents whether actual or contingent to make any credit or accommodation to any Group Company, the Bank will, at the request and cost of the Charging Companies, immediately execute, reassign and/or do all such deeds, acts and things as may be reasonably necessary to release the Charged Property from the security and guarantees created by or pursuant to this Deed.
 - 13.1 Any release, settlement, discharge or arrangement shall as between the Bank (on the one hand) and the Charging Companies and each of them (on the other hand) be deemed to have been given or made upon the express condition that it shall become and be wholly void and of no effect if the assurance, security or payment on the faith of which it was made or given shall at any time thereafter be avoided under any of the statutory provisions mentioned above to the intent and so that the Bank shall

become and be entitled at any time after any such avoidance to exercise all or any of the rights in the Guarantee expressly conferred upon the Bank and all or any other rights which by virtue and as a consequence of the Guarantee the Bank would have been entitled to exercise but for such release, settlement, discharge or arrangement.

- 13.2 The Charging Companies and each of them agree that such Guarantee shall be deemed to have been and to have remained held by the Bank as and by way of security for the payment to the Bank of all or any sums which shall or may become due and owing to the Bank from and by the Charging Companies or any of them either under and by virtue of the terms and conditions of the Guarantee in the event of and upon or after any avoidance of any assurance, security or payment under the said sections of the Insolvency Act 1986 or any of such sections or under or as a consequence of any Order (if any) made under sections 238 and/or 239 of the Insolvency Act 1986.
14. Each Charging Company agrees and consents to be bound by the Guarantee notwithstanding that any other Charging Company which was intended to execute this Deed or any other company which was or is to undertake liability co-extensive with any liability assumed by a Charging Company under this Deed, may not do so, or that any Charging Company or any other company may be subsequently released from or found not be bound by the same.
15. As a separate and independent stipulation and without prejudice to any of the provisions of this schedule, the Charging Companies and each of them agree that all sums of money which have become due under this Deed and which may not be recoverable from the Charging Companies or any of them on the footing of a guarantee whether by reason of any legal limitation on or disability or incapacity of any company or any other fact or circumstance and whether known to the Bank or not shall as to an equivalent amount thereof nevertheless be recoverable from the Charging Company or Charging Companies concerned as sole or principal debtor or debtors in respect thereof and shall be paid on demand in writing made by the Bank and the Charging Companies by virtue of this Deed indemnify the Bank on demand, from and against any loss they may incur as a result of having now or after the date of this Deed made available any monies to the Charging Companies or having now or after the date of this Deed incurred any obligation on behalf of or at the request of the Charging Companies.

delegate in like manner as if the statutory powers of sale and of appointing a Receiver in relation to the Charged Property had not been varied or extended by this Deed.

15. NEW ACCOUNTS

If the Bank shall at any time receive notice (whether actual or otherwise) of any subsequent Encumbrance other than a Permitted Encumbrance affecting the Charged Property or any part of it, the Bank may open a new account or accounts for any of the Charging Companies in its books and if it does not in fact open any such new account then, unless the Bank gives written notice to the relevant Charging Company to the contrary, the Bank shall nevertheless be treated as if it had in fact done so at the time when it received or was deemed to have received such notice. As from that time and unless such written notice shall be given to any of the Charging Companies, all payments by or in behalf of such Charging Company to the Bank shall be credited, or treated as having been credited, to a new account of such Charging Company and shall not operate to reduce such Charging Company's indebtedness and other liabilities to the Bank at the time when the Bank received or was deemed to have received such notice.

16. RIGHTS AS BETWEEN EACH CHARGING COMPANY, THE OTHER CHARGING COMPANIES AND THE BANK

It is hereby agreed and declared by each Charging Company that:

- 16.1 As between such Charging Company and the Bank the property hereby charged by this Deed by such Charging Company shall so far as concerns the Bank be deemed to be a primary and principal security (notwithstanding that the property is hereby charged by such Charging Company by way of collateral security only) and accordingly such Charging Company shall not be released or discharged nor shall the security constituted by or pursuant to this Deed be impaired, affected or revoked by any act, omission, transaction, limitation, matter, thing or circumstance whatsoever which but for this provision might operate to release or exonerate such Charging Company or all or any part of the security constituted by or pursuant to this Deed or reduce, impair or affect such security or cause all or any part of the Secured Obligations to be irrecoverable from or unenforceable against the Charging Companies or any other person or to discharge, reduce, affect or impair the security constituted by or pursuant to this Deed, including without limitation:

- 16.1.1 any time, waiver or indulgence granted to any of the Charging Companies or any other person or the forbearance of the Bank in enforcing the obligations of any of the Charging Companies or any other person under the Facilities Agreement or under this Deed or in respect of any other guarantee, security, obligation, right or remedy;
- 16.1.2 the recovery of any judgment against any of the Charging Companies or any other person or any action to enforce the same;
- 16.1.3 the taking of any other security from any of the Charging Companies or any other person or the variation, compromise, renewal or release of, or the failure, refusal or neglect to take, perfect or enforce, any rights, remedies or securities from or against any of the Charging Companies or any other person;
- 16.1.4 any alteration in the constitution of any of the Charging Companies or any defect in or irregular exercise of the powers of any of the Charging Companies (including, without limitation the borrowing powers of the Charging Companies) or any other person or any legal limitations, disability, incapacity or other circumstances relating to any of the Charging Companies or any other person;
- 16.1.5 subject as provided in this Deed, notwithstanding any amendment or supplement to or variation of the Facilities Agreement, the Security Documents or any other document or security whether or not the same shall increase the amount of the Facilities or the amount of any sums payable to the Bank and without prejudice to anything else herein contained, this Deed shall be a continuing security for any such increased amount or liability;
- 16.1.6 the insolvency, bankruptcy, liquidation or reorganisation of, or analogous proceedings relating to any of the Charging Companies or any other person or any composition or arrangement made by any of them with the Bank or any other person or any transfer or extinction of any liabilities of any of the Charging Companies or any other person by any law, order, regulation, decree, court order or similar instrument; or

16.1.7 any irregularity, unenforceability or invalidity of any obligations of any of the Charging Companies or any other person under any security or document (including this Deed) (to the intent that the security constituted by or pursuant to this Deed shall remain in full force and this Deed be construed accordingly as if there were no such irregularity, unenforceability or invalidity);

and so that as a separate and independent stipulation all sums, obligations and liabilities the payment and discharge of which is expressed to be secured by this Deed which may not be recoverable from another Charging Company by reason of any act, omission, transaction, limitation, matter, thing or circumstance whatsoever shall nevertheless be recoverable from such Charging Company as though the same had been incurred by such Charging Company and such Charging Company was the sole or principal debtor in respect of it.

16.2 Until all sums and liabilities intended to be secured by this Deed have been paid off and satisfied in full, such Charging Company will not, unless the Bank shall otherwise consent or, in the case of clause 16.2.2 and 16.2.3 direct:

16.2.1 exercise any right of subrogation or contribution or any other right or remedy which it may have in respect of any sum recovered under this Deed and so that all claims and other rights and remedies it may have against any of the Charging Companies in relation thereto (including, except to the extent required by the mandatory provisions of any applicable laws, any right of set-off or counterclaim) shall be subject and subordinate to the prior payment and satisfaction in full to the Bank of all sums and liabilities expressed to be secured by this Deed;

16.2.2 at any time after the security constituted by this Deed has become enforceable and while it remains so, claim or receive payment of any monies due to it by any of the Charging Companies or exercise any other right or remedy (including, except to the intent required by the mandatory provisions of any applicable laws, any rights of set-off or counterclaim);

16.2.3 prove in any liquidation, bankruptcy, insolvency, reorganisation or analogous proceedings relating to any of the Charging Companies in

competition with the Bank for any sums or liabilities owing or incurred to it by any of the Charging Companies;

16.2.4 be entitled to the benefit of any security held by or on behalf of the Bank in respect of any sums and liabilities expressed to be secured by this Deed;

16.2.5 take or hold security from any of the Charging Companies.

Any monies received and any security taken or held by a Charging Company such as is referred to in this clause 16.2 and whether with or without the consent of the Bank and whether or not in breach of the provisions of this clause 16.2 shall be held by such company in trust to pay or hold the same for the Bank in or towards discharge or, as the case may be, as security for the liabilities secured by this Deed.

16.3 The Bank shall be entitled to enforce the security constituted by this Deed against any one or more of the Charging Companies without making any demand on or taking any proceedings against any of the other Charging Companies or any other person or exhausting any right or remedy against any of the Charging Companies or any other person or taking any action to enforce any part of the security constituted by any of the other Security Documents or any other guarantee or security and so that the Bank shall be at liberty but not bound to resort to any other means of payment at any time and in any order as the Bank thinks fit without thereby diminishing or affecting the security constituted by this Deed and the security constituted by this Deed may be enforced either for the payment of the ultimate balance after other means of payment have been resorted to or for the balance due at any time, notwithstanding that other means of payment have not been resorted to and, in the latter case, without entitling any Charging Company to any benefit from and/or any right of contribution in respect of such other means of payment until all sums and liabilities expressed to be secured by these presents have been finally paid off or satisfied in full.

16.4 The security constituted by this Deed is in addition to and is not to prejudice or affect or be prejudiced or affected by:

16.4.1 any other guarantee, security or lien for the sums and liabilities intended to be hereby secured which is or are now or may thereafter be held by the Bank from any Charging Company or any other person; or

16.4.2 by the omission of the Bank to take any such security.

16.5 Any dividends or payment received by or on behalf of the Bank in respect of the sums and liabilities expressed to be secured by these presents in any insolvency, bankruptcy, liquidation, reorganisation or similar proceedings, shall for the purposes of this Deed be taken to discharge those sums and liabilities only to the extent of the actual amount so received and so that the Bank may prove in any insolvency, bankruptcy, liquidation, reorganisation or similar proceedings of the Charging Company concerned for the full amount then owing to it.

17. CONSOLIDATION OF ACCOUNTS AND SET-OFF

In addition to any general lien or similar right to which it may be entitled by operation of law, the Bank shall have the right at any time after the security constituted by this Deed has become enforceable and while it remains so and without notice to the Charging Companies (as well before as after making any demand under this Deed) to combine or consolidate all or any of the Charging Companies' then existing accounts (including the Collections Account) with and liabilities to them and to set-off or transfer any sum or sums standing to the credit of any one or more of such accounts (including the Collections Account) in or towards satisfaction of any of the liabilities of all or any of the Charging Companies to the Bank on any other account or in any other respect. The liabilities referred to in this clause may be actual, contingent, primary, collateral, several or joint liabilities, and the accounts, sums and liabilities referred to in this clause may be denominated in any currency. The existence of the floating charge contained in clause 4.3 of this Deed over the proceeds of collection of any Receivables will not prejudice the right contained in this clause 17 to combine or consolidate accounts.

18. CURRENCY

18.1 All monies received or held by the Bank or any Receiver under this Deed may be converted into such other currency as the Bank or Receiver considers necessary or desirable to cover the obligations and liabilities comprised in the Secured Obligations in that other currency at the Bank's spot rate of exchange then prevailing for purchasing that other currency with the existing currency.

18.2 No payment to the Bank (whether under any judgement or court order or otherwise) shall discharge the obligation or liability of the relevant Charging Company in

respect of which it was made unless and until the Bank shall have received payment in full in the currency in which the obligation or liability was incurred and to the extent that the amount of any such payment shall on actual conversion into such currency fall short of such obligation or liability expressed in that currency the Bank shall have a further separate cause of action against the relevant Charging Company and shall be entitled to enforce the security constituted by this Deed to recover the amount of the shortfall.

19. SUSPENSE ACCOUNT

All monies received, recovered or realised by the Bank under this Deed may in the discretion of the Bank be credited to any suspense or impersonal account and may be held in such account for so long as the Bank thinks fit (with interest accruing on them at such rate, if any, as the Bank may deem fit for the account of the relevant Charging Company) pending their application from time to time (as the Bank shall be entitled to do in its discretion) in or towards the discharge of any of the Secured Obligations.

20. TIME AND INDULGENCES

- 20.1 The Bank may at any time or times without discharging or in any way affecting the security created by or pursuant to this Deed or any remedy in respect of such security, grant to any of the Charging Companies time or indulgence or abstain from asserting, calling, exercising or enforcing any remedies, securities, guarantees or other rights which it may now or after the date of this Deed have from or against any of the Charging Companies.
- 20.2 The Bank may in its discretion grant time or other indulgence, or make any other arrangement, variation or release with, any person or persons not party to this Deed (whether or not such person or persons are jointly liable with the Charging Companies) in respect of any of the Secured Obligations or of any other security therefor or guarantee in respect thereof without prejudice either to the security constituted by or pursuant to this Deed or to the liability of the Charging Companies for the Secured Obligations or the exercise by the Bank of any rights, remedies and privileges conferred upon it by this Deed.

21. REMEDIES, WAIVERS, AMENDMENTS AND CONSENTS

- 21.1 No failure on the part of the Bank or any Receiver to exercise, and no delay on its part or their part in exercising, any right or remedy under this Deed will operate as a waiver thereof, nor will any single or partial exercise of any right or remedy preclude any other or further exercise thereof or the exercise of any other right or remedy. The rights and remedies provided in this Deed are cumulative and not exclusive of any rights and remedies provided by law.
- 21.2 Any provision of this Deed may be amended only if the Bank and the Charging Companies so agree in writing and any breach of this Deed may be waived before or after it occurs only if the Bank so agrees in writing. Any such waiver, and any consent by the Bank under any provision of this Deed, must be in writing and may be given subject to any conditions thought fit by the Bank. Any waiver or consent shall be effective only in the instance and for the purpose for which it is given.

22. EXPENSES

The Charging Companies agree to pay to the Bank on demand (on a full indemnity basis) all costs, charges, expenses and other sums properly incurred or to be incurred by the Bank or by or through any Receiver, attorney, delegate, delegate, substitute or agent of the Charging Companies, or the Bank for any of the purposes referred to in this Deed relating to or in connection with the security over the Charged Property including (without prejudice to the generality of the foregoing):

- 22.1 all liabilities resulting from any delay in paying any stamp duty, value added tax or other similar taxes imposed on the Charged Property or in connection with any of the transactions contemplated by this Deed and all liabilities resulting from any delay in paying any such taxes;
- 22.2 the remuneration of any such Receiver, attorney, delegate, delegate, substitute or agents of the Charging Companies and of any other servants or agents employed by the Bank for any purposes connected with the enforcement or attempted enforcement of this Deed or the protection preservation realisation or attempted protection or preservation of the Charged Property; and
- 22.3 all costs charges and expenses (whether in respect of litigation or not) and incurred in the protection, realisation or enforcement of this Deed or the collection and

recovery of any monies from time to time arising under such security (or any security collateral or supplemental thereto) or in insuring, inspecting, maintaining, completing, managing, letting, realising or exercising any other power, authority or discretion in relation to the Charged Property or any part thereof incurred under this Deed;

to the intent that subject as provided herein the Bank shall be afforded a full and unlimited indemnity in respect thereof.

23. PROVISIONS SEVERABLE

Every provision contained in this Deed shall be severable and distinct from every other such provision and if at any time any one or more of such provisions is or becomes invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining such provisions shall not in any way be affected thereby.

24. AVOIDANCE OF PAYMENTS

24.1 No assurance, security or payment which may be avoided under any law relating to bankruptcy, insolvency or winding-up (including sections 238, 239, 244 or 245 of the Insolvency Act 1986), and no release, settlement or discharge given or made by the Bank on the faith of any such assurance, security or payment, shall prejudice or affect the right of the Bank to enforce the security created by or pursuant to this Deed to the full extent of the Secured Obligations.

24.2 Any settlement or discharge between a Charging Company and the Bank shall be conditional upon no security or payment to the Bank by that Charging Company or any other person being avoided or set aside or ordered to be refunded or reduced by virtue of any provision or enactment relating to bankruptcy, insolvency or liquidation for the time being in force and accordingly (but without limiting the other rights of the Bank hereunder), the Bank shall be entitled to recover from that Charging Company the value which the Bank has placed upon such security or the amount of any such payment as if such settlement or discharge had not occurred.

24.3 Subject to clause 24.2, upon all the Secured Obligations having been paid or discharged in full and the Bank having ceased to have any further obligations under any Security Documents whether actual or contingent to make any credit or accommodation to any Group Company, the Bank will, at the request and cost of the

Charging Companies, immediately execute, reassign and/or do all such deeds, acts and things as may be reasonably necessary to release the Charged Property from the security and guarantees created by or pursuant to this Deed.

25. DISCRETIONS

25.1 Any liberty or power which may be exercised or any determination which may be made under this Deed by the Bank, as against the Charging Companies, may be exercised or made (unless otherwise expressly provided in this Deed or in the Facilities Agreement) in the absolute and unfettered discretion of the Bank which shall not be under any obligation to give reasons therefor.

25.2 In this Deed where any matter fact or opinion is qualified by the words "reasonable" or "material" or any variations thereof the determination by the Bank of what is reasonable or material shall be binding on the Charging Companies unless the Charging Company concerned shows that such determination is unreasonable.

26. ASSIGNMENT

The Bank shall have a full and unfettered right to assign the whole (but not part) of the benefit of this Deed to any person to whom the Bank has the right to assign its interest in the Facilities Agreement.

27. FACILITIES AGREEMENT TO PREVAIL

Where any provision in this Deed conflicts with a provision of the Facilities Agreement the terms of the Facilities Agreement shall prevail for so long as the same remains in full force and effect. Any consent, waiver or concession granted under the Facilities Agreement shall also operate as a consent, waiver or concession under this Deed. Where the context permits, the rights and remedies of the Bank under the Facilities Agreement and this Deed are cumulative.

28. NOTICES

28.1 All communications to made under this Deed shall be made in writing.

28.2 Any notices, proceedings or other documents to be served on any of the Charging Companies pursuant to this Deed shall be addressed to it at its registered office for

the attention of the Managing Director or at such other address as a Charging Company may after the date of this Deed notify the Bank in writing.

28.3 Any notice to the Bank should be addressed if despatched by mail to the Bank's address as set out above or at such other address as it may after the date of this Deed advise the other parties in writing.

28.4 Any notice to any Charging Company shall be deemed to have been given:

28.4.1 if posted, on the second Business Day following the day on which it has been properly despatched by first class mail (airmail, if appropriate) postage prepaid; and

28.4.2 if sent by telex or facsimile transmission, on the Business Day on which transmitted or if sent after 5.00pm at 9.30am on the next following business day or, in the case of a written notice lodged by hand, at the time of its actual delivery at the address referred to above.

28.5 Any notice to the Bank shall be deemed to have been given only on actual receipt by the Bank and the Bank will promptly acknowledge receipt of any such notice.

29. THIRD PARTY RIGHTS

2. For all purposes of the liability of the Charging Companies and each of them to the Bank under the Guarantee (including in particular but without prejudice to the generality of the foregoing the liability of the Charging Companies for interest) every sum of money which may now be or which after the date of this Deed may from time to time become due or owing to the Bank (or would have become so due or owing were it not for the winding up of any other company) shall be deemed to continue due and owing to the Bank until the same shall be actually repaid to the Bank notwithstanding the winding up of any company or any other event whatever.
3. The Guarantee is to be in addition to and is not to prejudice or be prejudiced by any other securities or guarantees (including any guarantee signed by the Charging Companies or any of them) which the Bank may now or after the date of this Deed hold on account of the Secured Obligations and is to be binding on the Charging Companies and each of them as a continuing security notwithstanding any payments from time to time made to the Bank, or any settlement of account or any other thing whatsoever.
4. The Guarantee is to be applicable to the ultimate balance that may become due to the Bank from any Charging Company and until payment of such balance no Charging Company shall be entitled to participate in any security held or money received by the Bank on account of such balance or to stand in the place of the Bank in respect of any such security or money until all monies and liabilities hereby guaranteed have been paid or discharged in full.
5. Any admission or acknowledgement in writing by a director of any Charging Company or any duly authorised person on behalf of any Charging Company of the amount of the indebtedness of the relevant Charging Company or of other matters relating to the Guarantee other than in circumstances of manifest error or any judgment or award of a competent court or tribunal in the United Kingdom or elsewhere obtained by the Bank against any or all of the

6. The Bank may without thereby affecting the rights of the Bank under this Deed at any time and from time to time (whether before or after any demand for payment made by the Bank under or any notice of determination of this Guarantee), refuse or grant (as the case may be) further credit or further financial facilities in addition to the Facilities to any Charging Company or the Charging Companies and the Bank may, without thereby affecting such rights, accept compositions from and make any other arrangements with any of the Charging Companies or any persons liable to the Bank in respect of securities held or to be held by the Bank and enter into, give up and waive, modify, exchange or abstain from perfecting or taking advantage of or enforcing such securities, guarantees or other contracts or the proceeds of any of the foregoing, discharge any parties thereto and realise any securities in such manner as the Bank may think expedient.
7. In the event of any of the Charging Companies going into liquidation or being wound up or reconstructed or making any arrangement with its creditors, any dividends or payments which the Bank may receive from the Charging Companies or any of them or any other persons shall be taken and applied as payments in gross and shall not prejudice the right of the Bank to recover from the Charging Companies or any of them to the full extent of the Guarantee the ultimate balance which after the receipt of such dividends or payments may remain owing to the Bank by the Charging Companies and secured by the Guarantee.
8. The Bank may without thereby affecting the rights of either of them under this Deed at any time and from time to time at their absolute discretion release, discharge, compound with or otherwise vary or agree to vary the liability under the Guarantee of or make any other arrangements with the Charging Companies or any of them and no such release, discharge, composition, variation, agreement or arrangement shall prejudice or in any way affect the rights and remedies of the Bank against any other Charging Company.
9. The Bank may without prejudice to any other rights they may have at any time and from time to time place and keep for such time as they may think prudent any monies received, recovered or realised under or by virtue of the Guarantee to or on a separate or suspense account (with interest accruing thereon at such rate, if any, as the Bank may deem fit for the account of the relevant Charging Company) to the credit either of any Charging Company or

the Bank without any intermediate obligation on the part of the Bank to apply the same or any part of them in or towards the discharge of the monies due or owing to the Bank by the Charging Companies.

10. In the event of the winding up of any of the Charging Companies, the Bank may, notwithstanding payment to the Bank by any Charging Company or any other person of any part of the amount guaranteed by this Deed or any release, settlement, discharge or arrangement made or given by the Bank, rank as creditor and prove in the liquidation of the relevant Charging Company for the full amount of the claim of the Bank and the Bank may and shall receive and retain the whole of the dividends to the exclusion of the rights (if any) of the Charging Companies or any of them in competition with the Bank until such claim is fully satisfied.
11. No assurance, security or payment which may be avoided under sections 238, 239 or 245 of the Insolvency Act 1986 or any of such sections and no release, settlement, discharge or arrangement which may have been given or made on the faith of any such assurance security or payment shall prejudice or affect the right of the Bank to recover from the Charging Companies or any of them to the full extent of the Guarantee as if such assurance, security, payment, release, settlement, discharge or arrangement (as the case may be) had never been granted given or made.
12. Any settlement or discharge between a Charging Company and the Bank shall be conditional upon no security or payment to the Bank by that Charging Company or any other person being avoided or set aside or ordered to be refunded or reduced by virtue of any provision or enactment relating to bankruptcy, insolvency or liquidation for the time being in force and accordingly (but without limiting the other rights of the Bank) shall be entitled to recover from that Charging Company the value which the Bank has placed upon such security or the amount of any such payment as if such settlement or discharge has not occurred.
13. Subject to clause 8.2 upon all the Secured Obligations having been paid or discharged in full and the Bank having ceased to have any further obligations under any Security Documents whether actual or contingent to make any credit or accommodation to any Group Company, the Bank will, at the request and cost of the Charging Companies, immediately execute, reassign and/or do all such deeds, acts and things as may be reasonably necessary to release the Charged Property from the security and guarantees created by or pursuant to this Deed.

- 13.1 Any release, settlement, discharge or arrangement shall as between the Bank (on the one hand) and the Charging Companies and each of them (on the other hand) be deemed to have been given or made upon the express condition that it shall become and be wholly void and of no effect if the assurance, security or payment on the faith of which it was made or given shall at any time thereafter be avoided under any of the statutory provisions mentioned above to the intent and so that the Bank shall become and be entitled at any time after any such avoidance to exercise all or any of the rights in the Guarantee expressly conferred upon the Bank and all or any other rights which by virtue and as a consequence of the Guarantee the Bank would have been entitled to exercise but for such release, settlement, discharge or arrangement.
- 13.2 The Charging Companies and each of them agree that such Guarantee shall be deemed to have been and to have remained held by the Bank as and by way of security for the payment to the Bank of all or any sums which shall or may become due and owing to the Bank from and by the Charging Companies or any of them either under and by virtue of the terms and conditions of the Guarantee in the event of and upon or after any avoidance of any assurance, security or payment under the said sections of the Insolvency Act 1986 or any of such sections or under or as a consequence of any Order (if any) made under sections 238 and/or 239 of the Insolvency Act 1986.
14. Each Charging Company agrees and consents to be bound by the Guarantee notwithstanding that any other Charging Company which was intended to execute this Deed or any other company which was or is to undertake liability co-extensive with any liability assumed by a Charging Company under this Deed, may not do so, or that any Charging Company or any other company may be subsequently released from or found not be bound by the same.
15. As a separate and independent stipulation and without prejudice to any of the provisions of this schedule, the Charging Companies and each of them agree that all sums of money which have become due under this Deed and which may not be recoverable from the Charging Companies or any of them on the footing of a guarantee whether by reason of any legal limitation on or disability or incapacity of any company or any other fact or circumstance and whether known to the Bank or not shall as to an equivalent amount thereof nevertheless be recoverable from the Charging Company or Charging Companies concerned as sole or principal debtor or debtors in respect thereof and shall be paid on demand in writing made by the Bank and the Charging Companies by virtue of this Deed indemnify the Bank on

**AUDITORS' REPORT TO THE DIRECTORS OF ARAMARK LIMITED PURSUANT TO SECTION 156(4)
OF THE COMPANIES ACT 1985**

We have examined the attached statutory declaration of the directors dated 12 December 2000 in connection with the proposal that the company should give financial assistance in connection with reducing or discharging a liability incurred for the purpose of acquiring 8 'A' Ordinary Shares of £1 each and 90 'B' Ordinary Shares of £1 each in the Company's holding company, ARAMARK Catering Limited.

Respective responsibilities of directors and auditors

The Company's directors are responsible for the statutory declaration in accordance with applicable United Kingdom law. It is our responsibility as established in the United Kingdom by statute, the Auditing Practices Board and our profession's ethical guidance to review the bases for the declaration, based on our enquiries into the state of the Company's affairs, and to provide a report to the directors.

Basis of opinion

We have enquired into the state of the Company's affairs so far as necessary for us to review the bases for the statutory declaration.

Opinion

We are not aware of anything to indicate that the opinion expressed by the directors in their declaration as to any of the matters mentioned in section 156(2) of the Companies Act 1985 is unreasonable in all the circumstances.
