ACHIEVEMENT AND PERFORMANCE

Review of Progress and Achievement

Ferryhill LADDER Centre reopened to the public in April 2021 after a year of various covid lockdowns and restrictions. Having continued to provide emergency support throughout the previous year we hit the ground running as many partner services did not reopen immediately or provide face to face support. This has had a significant impact on the workload at Ferryhill LADDER Centre as we have become the main service most statutory partners have used for their clients.

Employability

LADDER Centre continues to provide an open access job club with 1:1 support for help with CV's, application forms and interviews. Focusing on supporting independent job search and help with volunteering and training opportunities. This year has possibly been the quietest year for employability in part due to the removal of DWP requirements to job search but also due to the various lockdowns encouraging people to develop their own skills and independence when using IT. Even so LADDER Supported:

49 people into Work

45 people into Training

10 people into Volunteering

Benefit and Welfare Support - AAP Funded

Benefits wise, last financial year we saw 300 people, many of whom required one or more appointments. Our Diary indicated over 600 appointments for benefits IAG over the same period. This project continues to allow us to access some of the most vulnerable in our communities at extremely stressful times in their lives. As normal we do not offer this service as simple "form filling", instead if needed we take the opportunity to get to know the clients and offer intervention and support to help address the root causes of what is going wrong. This project has been invaluable as COVID has continued to impact upon our communities and we have become the referral of "choice" for several partners and local people due to the standard of service we provide. Moving forward we are ready to face the challenges of the increase in the cost-of-living crisis, however increased workload and uncertainty around future funding remains a challenge. We are rolling out outreach work in Chilton, West Cornforth in Bishop Middleham during 2022 and we hope that this will allow us to further increase our support to those previously unable to access our services.

Health & Wellbeing

Men's Mental Health - CDCF/Happiness Hubs/Stamp it out

LADDER Centre run an established men's mental health group that meet every Wednesday. During the last year we have worked with 28 men and regularly have 15 people engage weekly. This group have enjoyed and continue to enjoy weekly health related activities including walking, free gym sessions and walking football. As well as the benefit of one to one support from the group lead when required. We have organised several social days out for those taking part. The men taking part have also begun to engage in volunteering activities, courses to improve life skills and guidance on how to make change, connect and build positive relationships. The group continues to make a significant, positive impact to men suffering from isolation, poor mental health and low income in our area and as a result we are receiving new referrals weekly into the group from partners in particular the new Social Prescribing Link Workers.

Women's Mental Health - CDCF

Due to the success of the mens group at the LADDER the decision was made to see if a similar model could work with women. Funding was secured to pilot a women only group and this started in January 2022. Numbers have been impressive for a new group with over 18 women signed up and 12 regularly attending sessions. This group has included a health activity - including health walks and gym sessions a healthy lunch and then another activity. Focusing on health and wellbeing the group has very exciting plans moving forward with mental health, tackling isolation and building friendships.

Lottery - Awards for All

Funding was secured in May 2021 to support Ferryhill LADDER Centre to start a series of community learning activities with the aim being to support people to reengage with face to face activities. A number of courses and learning opportunities have taken place including: gardening and hanging basket making, run for health (couch 25k), walking to wellness, healthy lives healthy you, and a craft and chat project. The most successful course which LADDER ran was craft and chat and we have been successful in securing continuation funding for this social group to continue. Over the duration of this project Lottery Awards for All helped us to work with over 75 local community members.

Craft and Chat

Initially part of LADDER Centre Awards for All funding Craft and Chat has been running on a Tuesday morning since September 2021. With regular attendees of 15 + people the project grows from strength to strength. Focusing on a different craft each month the group get the opportunity to learn new skills and socialize in a warm and friendly environment. Taking in referrals from GP services and Livin. Some of the work created by the group has been exceptional and entered into local craft competitions.

Moving forward we will look to continue to grow the group, encourage those taking part to engage with something new and have a positive impact upon the mental health of those coming along.

Reaching Communities

A new project starting in January 2022 to support work around Digital Inclusion. With funding to deliver teaching for digital skills.

Livin' Housing

Livin Stars was a project delivered to support Livin tenants with more in-depth support with a focus on tackling social isolation and encouraging tenants to reengage with services. Ferryhill LADDER Centre worked with 50 tenants and provided a range of interventions This project was extremely successful and brought about significant social value to Livin' in the region on £1.3 million.

ESF

Funding for ESF was initially awarded in March 2020 just prior to COVID, due to the nature of delays the project completed in Dec 2021. This project initially planned to deliver group IT training to focus on Employability and Financial Inclusion. The project delivery changed in line with COVID requirements and Ferryhill LADDER Centre delivered 10 hours of 1:1 training to 40 people and tailored this training to meet the individual requirements of each learner. Due to the successful completion of this training Ferryhill LADDER centre was awarded further funding to deliver ESF training and this will be completed by Dec 2022.

Supportive

Ferryhill Lakes And District Development
Education Resource Centre Limited

Report of the Trustees
for the Year Ended 31 March 2022

Funding was received from Supportive and this was a lovely opportunity to provide trips to local residents and provide positive activities to get people out and about again. The aim was Covid recovery and tackling social isolation. Trips were organised to a range of places including Seaham, Hartlepool, Whitby and Richmond. Additionally funding was used to cover room hire at Ferryhill Sports and Enterprise Centre for Walking Football Sessions.

Arnold Clark

LADDER Centre approached Arnold Clark fund to seek support for cover the cost of Christmas dinner and Christmas gift packs for our various groups in the Centre. This was a great help and allowed the centre to deliver Christmas lunches to men's group, ladies group (albeit in February) and youth groups. It also allowed the Centre to provide Christmas gift packs to some of the most isolated people who work with the Centre.

COOP - Cllr Atkinson - Livin'

Funding from Coop Community Fund was used to carry out various outdoor updates to allow the centre to offer more services when social distancing restrictions were in place. With match funding from Cllr Atkinson and Livin' the centre was able to replace rotting decking and when storm Arwin caused significant damage to fencing we were able to replace fencing and secure the building.

Ferryhill Town Council

Funding was secured to add an additional Summer Fun and Food Sessions to allow LADDER staff to deliver a youth session every week during the summer holidays. This support bolstered the existing provision and statistics for this project are mentioned in Play and Youth work section.

Play and Youth Work - CDCF Police and Crime Commissioner Fund, Sport England, Fun and Food

During 2021 /2022 Ferryhill LADDER Centre ran play and youth work with limited funding. As a core service the Centre continued to deliver 6 sessions per week supporting children from the ages of 5 to 18. With a focus on healthy life choices, being active and tackling risk taking behaviour. The staff at Ferryhill LADDER Centre worked with over 250 children and young people and provided a wide range of services and activities.

Fun and Food - supported activities during school holidays with the focus on providing a healthy and nutritious meal with fun activities. The funding provided 4 weeks of activities over the summer holidays as well as activities during Easter, Christmas and various half term holidays. This has become a core service and we are always over subscribed for the activities.

Sport England - funding from here have provided 1 multi sport session each week to young people to increase uptake in sport and encourage teenagers to be more active.

Police and Crime Funding - this funding was again targeted at young people as a way for the centre to provide diversionary activities in Ferryhill, this funded our youth delivery for the year and allowed us to engage with a range of young people throughout Ferryhill. Detached youth sessions also ran once a week targeting known areas young people congregated.

Funding has been received in the form of grants as detailed in note 3 to the accounts.

FINANCIAL REVIEW

Reserves policy

The Management Committee has examined the charity's requirements for reserves in light of the main risks to the organisation. It has established a policy whereby the unrestricted funds not committed held by the charity should be between 3 and 6 months of the expenditure. The present level of reserves available to the charity of £45115 meets this target level.

FUTURE PLANS

As we move forward into 2022/23 LADDER Centre will continue to deliver employability and benefit advice but we will also deliver this as an outreach service to local residents in neighbouring communities including Chilton and Bishop Middleham. This will be possible due to funding from 4Together AAP.

Targeted support to older residents will include work to carryout benefit checks and make new claims for pension credit and other entitlements as we look to increase income and reduce outgoings to address the cost of living crisis.

Benefit calculations will be available for anyone who wishes to ensure they are receiving the maximum entitlement to support and again help will be provided to make any new claims required. Digital independence will also be a priority as we look to support people to take ownership of their own situation and we will aim to create more self-reliance.

Food and fuel poverty is also a major priority and The LADDER Centre will look to restart free lunch clubs at least once a week and also offer children free food when attending all sessions from September onwards. We will continue to work closely Ferryhill food bank and look to work strategically to help during this current cost of living crisis.

Play and youth staff will focus work on addressing issues of anti-social behaviour with children and young people who attend the Centre and targeted programmes of work will be embedded into delivery over the next 12 months.

Volunteering will be a focus with training and support offered to volunteers who will play a key role in centre work and we want to expand on the Centre's volunteer offer.
