Directors' report

The directors present their annual report on the affairs of the company together with the financial statements and auditor's report for the year ended 31 December 2013. These accounts have been prepared in accordance with the provisions applicable to companies subject to the small companies' regime under part 15 of the Companies Act 2006.

Principal activity

The principal activity of the company is as an investment company.

Results and dividends

The directors do not recommend a dividend (2012: £nil) and results are outlined on page 6.

Review of business

The company holds an interest in the Bizspace Partnership.

The company did not make any charitable or political donations in the current or prior year.

Going concern

The company is part of the HXRUK II Limited Group (the "group") and as such is dependent upon the availability of group finance to continue in operation. The current banking facility expired on 31st December 2014 however, from 1st January 2015 the group has negotiated a 12 month on-demand facility in order to ensure the continued operation of the business prior to seeking a new investor to take the business forward. With this funding in place the directors believe that the bank is committed to making the properties available to the business for the duration of the facility and with this support, the directors have projected a positive cashflow for the next 12 months and believe that the business will be able to settle all debts as they fall due.

As a result the directors are satisfied that the company remains a going concern and have prepared the accounts on that basis.

Directors

The present membership of the board is set out on page 1. All directors served throughout the year up to and including the reporting date with the exception of P Gubb who resigned on 1 September 2013.

Directors' report (continued)

Auditor

Each of the persons who is a director of the company at the date of approval of this report confirms that:

- so far as each of the directors is aware, there is no relevant audit information of which the company's auditor is unaware; and
- the director has taken all the steps that he/she ought to have taken as a director to make himself/herself aware of any relevant audit information and to establish that the company's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006.

Deloitte LLP have expressed their willingness to continue in office as auditor and a resolution to reappoint them has been passed.

Approved by the Board of Directors and signed on behalf of the Board.

G Evans Director

12 February 2015

Directors' responsibilities statement

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent auditor's report to the members of Bizspace Trading Limited

We have audited the financial statements of Bizspace Trading Limited for the year ended 31 December 2013 which comprise the Profit and loss account, the Balance sheet and the related notes 1 to 11. The financial reporting framework that has been applied in their preparation is applicable in law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accountancy Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2013 and of its result for the year then
 ended:
- · have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies exemption from preparing a Strategic Report.

G Evans Director

Notes to the accounts Year ended 31 December 2013

1. Accounting policies

The principal accounting policies, which have been applied consistently throughout the current and prior years, are summarised below.

Basis of preparation and going concern

The company is part of the HXRUK II Limited Group (the "group") and as such is dependent upon the availability of group finance to continue in operation. The current banking facility expired on 31st December 2014 however, from 1st January 2015 the group has negotiated a 12 month on-demand facility in order to ensure the continued operation of the business prior to seeking a new investor to take the business forward. With this funding in place the directors believe that the bank is committed to making the properties available to the business for the duration of the facility and with this support, the directors have projected a positive cashflow for the next 12 months and believe that the business will be able to settle all debts as they fall due.

As a result the directors are satisfied that the company remains a going concern and have prepared the accounts on that basis.

Consolidated accounts

The company is exempt from the obligation to prepare group financial statements due to the exemption afforded by section s399 of the Companies Act 2006 because of the size of the group. Accordingly, these financial statements present information relating to the individual company and not the group.

Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with applicable United Kingdom and accounting standards.

Notes to the accounts (continued) Year ended 31 December 2013

Taxation

Current tax, including UK corporation tax and foreign tax, is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date. Timing differences are differences between the group's taxable profits and its results as stated in the financial statements that arise from the inclusion of gains and losses in tax assessments in periods different from those in which they are recognised in the financial statements.

Deferred tax is measured at the average tax rates that are expected to apply in the periods in which the timing differences are expected to reverse based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax is measured on a non-discounted basis.

Investments

Fixed asset investments are valued at cost less impairment.

Cash flow statement

Under Financial Reporting Standard 1, the company is exempt from the requirement to prepare a cash flow statement since it Meets the minimum of two of the three conditions to classify it as a small entity and therefore qualify for the exemption.

2. Information regarding directors and employees

Except for the Directors listed below the entity does not employ any other full-time employees.

Three of the Directors are paid by Highcross (P Gubb, M Megan, H Wright). It is not practical to split out the costs of their services for the purpose of these accounts. Details of their renumeration are disclosed in the accounts of Highcross Strategic Advisors Limited which are publically available. One of the Directors is paid by Bizspace Ltd (G Evans) and it is not practical to split out the costs of this service for the purpose of these accounts. Details of his renumeration for the current year are disclosed in the accounts of Bizspace Ltd which are publically available.

3. Administration Expenses

Included within administration expenses is an amount of £nil (2012: £1,481,738). The prior year balance related to the write down of an intercompany receivable which was no longer considered to be fully recoverable.

The fee for audit services provided to Bizspace Trading Limited is £2,000 (2012: £2,000) and is borne by Bizspace Limited. No non audit services were provided in the year.

4. Income from fixed asset investments

Bizspace Trading Limited has an investment in Bizspace Limited Partnership held from 30 November 2007 and resulted in an income figure for 2013 of £87 (2012: £nil).

Notes to the accounts (continued) Year ended 31 December 2013

5. Tax on profit on ordinary activities

	2013	2012
	£'000	£'000
UK corporation tax	-	_
•		

The standard rate of tax for the year, based on the UK standard rate of corporation tax is 23.25% (2012: 24.5%). The actual tax charge for the current and the previous financial year varies from the standard rate for the reasons set out below:

	2013 £'000	2012 £'000
(Loss)/profit on ordinary activities before tax	-	(1,482)
Tax on ordinary activities at standard rate Non-taxable income	-	(363) 363
Current tax charge for year	<u>-</u>	

A deferred tax asset has not been recognised in respect of timing differences relating to accelerated capital allowances and trading losses. There is insufficient evidence that the assets will be recovered. The amount of the asset not recognised is £602,046 (2012: £471,427)

The asset would be recovered if the company makes future taxable profits against which assets can be utilised. A reduction in the UK corporation tax rate from 24% to 23% (effective from 1 April 2013) was substantively enacted on 3 July 2012, and further reductions to 21% (effective from 1 April 2014) and 20% (effective from 1 April 2015) were substantively enacted on 2 July 2013. The impact of the rate reduction has been reflected in the calculation of the UK deferred tax asset not recognised at 31 December 2013.

6. Fixed asset investments

	Investment
	£
Investment in Bizspace Limited Partnership Cost	
At 1 January and 31 December 2013	100

Bizspace Trading Limited has a 0.1% interest in Bizspace Limited Partnership, a partnership governed by the law of England and Wales. Bizspace Limited Partnership's head office is Sovereign House, 1 Albert Place, Finchley, London, N3 1QB.

Bizspace Trading Limited has taken advantage of the exemption in Regulation 7 of the Partnerships (Accounts) Regulations 2008 from the requirements for preparation, delivery and publication of accounts, in relation to its membership of Bizspace Limited Partnership.

7. Debtors

On 30 November 2007 all properties were sold to Bizspace Limited Partnership, a group entity in which the company holds a fixed asset investment. At the date the revaluation reserve was transferred into another reserve which is non-distributable until cash payment is received or the properties are sold outside the group.

10. Related party transactions

During the year the following were considered to be related parties of the company:

- The Directors
- HXRUK II Limited and its subsidiaries

All balances held at the year-end date with other HXRUK II Limited group companies are detailed in note 7.

11. Ultimate parent company and controlling party

HXRUK II Limited is the controlling party and ultimate parent of the company and is registered in Jersey. HXRUK II Limited is owned by two Limited Partnerships, which are registered in the United States of America. These partnerships, which were formed to invest in regional UK commercial property for investors, are managed by a General Partner, Highcross Strategic Partners II LLC, a Delaware limited liability company. Highcross Bugatti Limited is the smallest group for which group accounts have been prepared and disclosed. HXRUK II Limited is the largest group for which group accounts have been prepared.
