**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2017**

1. STATUTORY INFORMATION

The company is a private company limited by shares, registered in England and Wales. The address of the registered office is WINNINGTON HOUSE, 2 WOODBERRY GROVE, NORTH FINCHLEY, LONDON, N12 0DR, UK.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements have been prepared on the historical cost basis.

The financial statements are prepared in euro, which is the functional currency of the entity.

Turnover

The turnover shown in the profit and loss account represents the company's entitlement to amounts invoiced during the year under nominee agreement.

Investments in subsidiaries

Investments in subsidiary undertakings are recognised at cost.

Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Foreign currencies

The company's presentational and functional currency is euros. Transactions denominated in currencies other than euros are translated into Euros at the rate of exchange prevailing at the date of the transaction. Monetary assets and liabilities denominated in currencies other than euros are revalued using the rates of exchange prevailing at the balance sheet date. Any gain or loss arising from a change in exchange rates subsequent to the date of transaction is included in the profit and loss account, except for unrealised gains or losses on investments which are not separately reported.

Impairment of investment

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

Going concern

The accounts have been prepared on the going concern basis. At the balance sheet date the company has net liabilities of €265,807 (2016: €259,686). The director is of the opinion that the shareholder of the company will continue to support it, and provide adequate funding when necessary to enable it to meet its obligations for the foreseeable future, being for a period of at least twelve months from the date of approval of financial statements.
