STATEMENT OF DIRECTORS' RESPONSIBILITIES IN RESPECT OF THE DIRECTORS' REPORT AND THE FINANCIAL STATEMENTS

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK accounting standards and applicable law (UK Generally Accepted Accounting Practice), including FRS 101 Reduced Disclosure Framework.

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- assess the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the corporate and financial information included on the company's website. Legislation in the UK governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

We have audited the financial statements of City Screen (Liverpool) Limited ("the company") for the year ended 31 December 2017 which comprise the Profit and Loss and Other Comprehensive Income, Balance Sheet, Statement of Changes in Equity and related notes, including the accounting policies in note 1.

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2017 and of its profit for the year then ended;
- have been properly prepared in accordance with UK accounting standards, including FRS 101 *Reduced Disclosure Framework*; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities are described below. We have fulfilled our ethical responsibilities under, and are independent of the company in accordance with, UK ethical requirements including the FRC Ethical Standard. We believe that the audit evidence we have obtained is a sufficient and appropriate basis for our opinion.

Going concern

We are required to report to you if we have concluded that the use of the going concern basis of accounting is inappropriate or there is an undisclosed material uncertainty that may cast significant doubt over the use of that basis for a period of at least twelve months from the date of approval of the financial statements. We have nothing to report in these respects.

Directors' report

The directors are responsible for the directors' report. Our opinion on the financial statements does not cover that report and we do not express an audit opinion thereon.

Our responsibility is to read the directors' report and, in doing so, consider whether, based on our financial statements audit work, the information therein is materially misstated or inconsistent with the financial statements or our audit knowledge. Based solely on that work:

- we have not identified material misstatements in the directors' report;
- in our opinion the information given in that report for the financial year is consistent with the financial statements; and
- in our opinion that report has been prepared in accordance with the Companies Act 2006.

Matters on which we are required to report by exception

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to take advantage of the small companies exemption from the requirement to prepare a strategic report.

We have nothing to report in these respects.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF CITY SCREEN (LIVERPOOL) LIMITED

Directors' responsibilities

As explained more fully in their statement set out on page 6, the directors are responsible for: the preparation of the financial statements and for being satisfied that they give a true and fair view; such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error; assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and using the going concern basis of accounting unless they either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue our opinion in an auditor's report. Reasonable assurance is a high level of assurance, but does not guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

A fuller description of our responsibilities is provided on the FRC's website at www.frc.org.uk/auditorsresponsibilities.

The purpose of our audit work and to whom we owe our responsibilities

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

CITY SCREEN (LIVERPOOL) LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2017

1. ACCOUNTING POLICIES

1.1 Basis of preparation of financial statements

City Screen (Liverpool) Limited is a Company incorporated and domiciled in the UK.

These financial statements were prepared in accordance with Financial Reporting Standard 101 Reduced Disclosure Framework ("FRS 101"). The amendments to FRS 101 (2013/14 Cycle) issued in July 2014 and effective immediately have been applied.

In preparing these financial statements, the Company applies the recognition, measurement and disclosure requirements of International Financial Reporting Standards as adopted by the EU ("Adopted IFRSs"), but makes amendments where necessary in order to comply with Companies Act 2006 and has set out below where advantage of the FRS 101 disclosure exemptions has been taken. The Company's ultimate parent undertaking, Cineworld Group Plc includes the Company in its consolidated financial statements. The consolidated financial statements of Cineworld Group Plc are prepared in accordance with International Financial Reporting Standards and are available to the public and may be obtained from 8th Floor Vantage London, Great West Road, Brentford, England, TW8 9AG.

In these financial statements, the Company has applied the exemptions available under FRS 101 in respect of the following:

- a Cash Flow Statement and related notes;
- Comparative period reconciliations for share capital, tangible fixed assets, intangible assets and investment properties;
- Disclosures in respect of transactions with wholly owned Group entities ;
- Disclosures in respect of capital management;
- The effects of new but not yet effective IFRSs; and
- Disclosures in respect of the compensation of Key Management Personnel.

1.2 Going concern

The financial statements have been prepared on the going concern basis, notwithstanding the Company has net current liabilities of £319,767 (31 December 2016: £379,202) and net liabilities of £216,551 (31 December 2016; £261,379) which the directors believe to be appropriate for the following reasons.

The Company's business activities, together with the factors likely to affect its future development, performance and position are set out in the Directors' Report on page 2.

The Company participates in the ultimate parent, Cineworld Group plc's, centralised treasury arrangements and so shares banking arrangements with the parent and fellow subsidiaries. At the period end the Group met its day-to-day working capital requirements through its bank loan, which consisted of a term loan and a revolving facility.

As a result of the Regal Entertainment Group acquisition undertaken by Cineworld Plc, on 28 February 2018 the Group restructured its debt arrangements. The previous financing arrangements in place as at 31 December 2017 for the Group and Regal Entertainment Group were terminated and superseded with the new financing arrangements for the enlarged Group which consist of a USD and Euro term loan totalling \$4.1bn and a \$300.0m revolving credit facility. The revolving credit facility is subject to springing covenants which are triggered above 35% utilisation.

The enlarged Group's forecasts and projections, taking account of reasonably possible changes in trading performance, show that the enlarged Group should be able to operate within the level of its new facilities for at least 12 months from the approval date of the financial statements, including compliance with the bank facility covenants.

The directors, having assessed the responses of the directors of the Company's parent Cineworld

CITY SCREEN (LIVERPOOL) LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2017

Group plc, to their enquiries, have no reason to believe that a material uncertainty exists that may cast significant doubt about the ability of the Cineworld Group to continue as a going concern or its ability to continue with the new banking arrangements.

Cineworld Group plc has confirmed that it is its present intention to continue to provide financial support to the Company as part of the group cash pooling arrangement to enable it to meet its liabilities in full as they fall due and that another Group company will not recall intercompany loans to enable the Company to carry on its business for the foreseeable future without significant curtailment of operations.

On the basis of their assessment of the Company's financial position and of the enquiries made of the directors of Cineworld Group plc, the Company's directors have a reasonable expectation that this should enable the Company to continue in operational existence for the foreseeable future by meeting liabilities as they fall due for payment. Thus they continue to adopt the going concern basis of accounting in preparing the annual financial statements. As with any company placing reliance on other group entities for financial support, the directors acknowledge that there can be no certainty that this support will continue, although, at the date of approval of these financial statements, they have no reason to believe that it will not do so.

1.3 Turnover

Turnover represents the total amount receivable for goods sold, excluding sales related taxes and intra-Group transactions.

- Box office revenue is recognised on the date of the showing of the film it relates to
- Concessions revenue is recognised at point of sale
- Advertising revenue is recognised over the period the advertisement is shown in cinemas
- Membership revenue is received annually or monthly in advance. When revenue is received annually in advance it is recognised on a straight-line basis over the year. Revenue from monthly revenue is recognised in the period to which it relates
- Other revenue is recognised in the period to which it relates

1.4 Tangible fixed assets

Tangible fixed assets are stated at deemed cost less accumulated depreciation and accumulated impairment losses.

Depreciation is provided by the Company to write off the cost less the estimated residual value of tangible fixed assets by equal instalments over their estimated useful economic lives as follows:

Leasehold property	2% Straight Line
Plant and machinery	10-20% Straight Line
Fixtures & fittings & equipment	15% Straight Line

Assets acquired for use in cinemas are depreciated from the date the cinema opens. Cinema properties in the course of construction are separately identified as a component of tangible fixed assets and are not depreciated until the cinema is brought into use.

1.5 Impairment of fixed assets

The Company determines whether tangible fixed assets are impaired when indicators of impairments exist. This requires an estimate of the value in use of the cash generating units to which the tangible fixed assets are allocated. Estimating the value in use requires the Company to make an estimate of the expected future cash flows from the cash generating units that holds the tangible fixed assets at a determined discount rate to calculate the present value of those cash flows.

When reviewing fixed assets for impairment, the Company is required to make certain assumptions about the future cash flows to be generated from the individual cinema sites. It is also required to

CITY SCREEN (LIVERPOOL) LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2017

discount these cash flows using an appropriate discount rate. The resulting calculation is sensitive to the assumptions in respect of future cash flows. However, the Directors consider that the assumptions made represent their best estimate of the future cash flows generated by the cinema sites, and that the discount rate used is appropriate given the risks associated with these cash flows. Management has applied sensitivity analysis to the estimates.

1.6 Stocks

Inventories are stated at the lower of cost and net realisable value. The cost of inventories is based on the First-In, First-Out ("FIFO") principle. Cost comprises expenditure incurred in acquiring the inventories and bringing them to their existing location and condition, and net realisable value is the estimated selling price in the ordinary course of business, less the estimated selling costs.

1.7 Trade and other debtors

Trade and other debtors are initially measured at fair value. Subsequently they are carried at amortised cost using the effective interest method less any impairment losses. A bad debt allowance for receivables is established when there is objective evidence that the Company will not be able to collect all amounts due according to the original terms of the receivables.

1.8 Trade and other creditors

Trade and other creditors are initially measured at fair value. They are subsequently carried at amortised cost using the effective interest method.

1.9 Provisions for Liabilities

A provision is recognised in the Balance Sheet when the Company has a present legal or constructive obligation as a result of a past event, and it is probable that an outflow of economic benefits will be required to settle the obligation. If the effect is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability.

1.10 Taxation

Tax on the profit or loss for the year comprises current and deferred tax. Tax is recognised in the profit and loss account except to the extent that it relates to items recognised directly in equity or other comprehensive income, in which case it is recognised directly in equity or other comprehensive income.

Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted at the balance sheet date, and any adjustments to tax payable in respect of previous years.

Deferred tax is provided on temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. The following temporary differences are not provided for: the initial recognition of goodwill; the initial recognition of assets and liabilities that affect neither accounting nor taxable profit other than in a business combination, and differences relating to investments in subsidiaries to the extent that they will probably not reverse in the foreseeable future. The amount of deferred tax provided is based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using rates enacted or substantively enacted at the balance sheet date. A deferred tax asset is recognised only to the extent that it is probable that future taxable profits will be available which the asset can be utilised.

1.11 Operating Lease Payments

Payments made under operating leases are recognised in the statement of comprehensive income on a straight-line basis over the term of the lease. Lease incentives received are recognised in the income statement as an integral part of the total lease expense. Where the Company has operating leases that contain minimum guaranteed rental uplifts over the life of the lease, the Company recognises the guaranteed minimum lease payment on a straight-line basis over the lease term.
