## 3i Investments plc

No. 03975789

### Directors' report

The Directors submit their report with the financial statements for the year to 31 March 2022.

### Principal activity

3i Investments plc (the "Company") acts as the investment manager and adviser to 3i Group plc and its various subsidiaries and to other third parties. The Company carries on all its activities in the UK and has no other branches or subsidiaries. The Company is authorised and regulated by the Financial Conduct Authority ("FCA").

### Directors

The Directors of the Company during the year and up to the date of this report were:

S A Borrows  
K J Dunn  
J S Wilson  
P J White  
P K Wirtz  
P D Jong

### Dividends

The Directors do not recommend any dividend for the year(2021:£10,600).

### Future developments

There have been no changes in principal activity during the year and the Directors do not foresee any future changes.

### Events since the balance sheet date

There have been no events since the balance sheet date that may constitute an adjusting event.

### Disclosure of information to the Auditors

Pursuant to s418(2) of the Companies Act 2006, each of the Directors confirms that: (a) so far as they are aware, there is no relevant audit information of which the auditors are unaware; and (b) they have taken all steps they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of such information.

In accordance with section 489 of the Companies Act 2006, a resolution proposing the reappointment of KPMG LLP as auditors of the Company will be put to the forthcoming Annual General Meeting.

### Financial risk management

The financial risk management objectives, policies and processes which are followed by the Company are set out in the 3i Group plc annual report. The Company's exposure to credit risk and liquidity risk are set out in Note 9.

3i Investments plc

No. 03975789

## Directors' report

### Going concern

The Directors have acknowledged their responsibilities in relation to the financial statements for the year to 31 March 2022. After making the assessment on going concern, the Directors considered it appropriate to prepare the financial statements of the Company on a going concern basis.

3i Group plc is the ultimate parent undertaking of the Company. 3i Group plc has sufficient financial resources and liquidity and is well positioned to manage business risks in the current economic environment. 3i Group plc can support the Company where necessary to continue its investment management and advisory operations for a period of at least twelve months from the date of this report. Our analysis of the going concern of the Company is presented in more detail within the Basis of preparation section of the accounts.

By order of the Board,

## Directors' report

### Statement of Directors' Responsibilities in respect of the Annual Report, Strategic Report, the Directors' Report and the Financial Statements

The directors are responsible for preparing the Annual Report the Strategic Report, the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK adopted international accounting standards and applicable law.

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable, relevant and reliable;
- state whether they have been prepared in accordance with UK adopted international accounting standards;
- assess the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

## 3i Investments plc

No. 03975789

## Strategic report

The Directors present their Strategic report for the year to 31 March 2022.

## Results and business review

The main key performance indicators are as follows:

	<b>2022</b>	<b>2021</b>
	<b>£'000</b>	<b>£'000</b>
<b>Revenue</b>	8,300	8,300
<b>Operating expenses</b>	(7,500)	(7,500)
<b>Total comprehensive income for the year</b>	817	818
<b>Net assets</b>	15,067	14,250

The Company's management fee is set at £8,300k (2021: £8,300k) for investment management services supplied in accordance with its agreement with 3i plc. The Company's Operating expenses for the year include the service fee paid to 3i plc which is set at £7,500k for the supply of staff and services. The Directors are satisfied with the performance of the Company during the year.

## Principal risks and uncertainties

The Company is a subsidiary of 3i plc. The Group sets objectives, policies and processes for managing and monitoring risk as set out in the Directors' report in the 3i Group plc Annual report. The key risks faced by the Company are credit risk and liquidity risk. For details on the financial risks and how they are managed please refer to Note 9. Non-financial risk faced by the Company includes; external risk, operational risk, investment risk and cybersecurity risk. For details on the non-financial risks and how they are managed please refer to the 3i Group plc annual report.

## Duties under Section 172

The Directors of the Company are required to act in accordance with those requirements set out in section 172 of the UK Companies Act 2006 which is summarised below:

A Director of a company must act in the way they consider, in good faith, would be most likely to promote the success of the company for the benefit of its members as a whole, and in doing so have regard (amongst other matters) to:

- the likely consequences of any decision in the long-term;
- the interests of the company's employees;
- the need to foster the company's business relationships with suppliers, customers and others;
- the impact of the company's operations on the community and the environment;
- the desirability of the company maintaining a reputation for high standards of business conduct; and
- the need to act fairly as between members of the company.

3i Investments plc

No. 03975789

**Strategic report****Duties under Section 172 (continued)**

The matters set out in section 172 have been taken into account in Board discussions and decision making in the year.

**Stakeholder engagement**

<b>Who are our stakeholders?</b>	<b>Why are they important?</b>	<b>How do we engage with them and foster business relationships?</b>
Government and regulatory bodies	The Company works in a regulated environment and can only continue to operate in compliance with relevant regulation.	Our Group Compliance team and local professionals lead our relationships with regulators in the UK.
The ultimate parent company, fellow subsidiaries and third parties	The Company has contracts with companies within and outside the group. These companies are a source of income to the Company or another 3i company.	The Company acts as investment manager and adviser to 3i Group plc and various subsidiaries and to other third parties.

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF 3i INVESTMENTS PLC

### Opinion

We have audited the financial statements of 3i Investments plc ("the company") for the year ended 31 March 2022 which comprise Statement of comprehensive income, the Statement of changes in equity, the Statement of financial position, the Statement of cash flows, and related notes, including the accounting policies A to H.

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 March 2022 and of its profit for the year then ended;
- have been properly prepared in accordance with international accounting standards in conformity with the requirements of the UK-adopted international accounting standards; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities are described below. We have fulfilled our ethical responsibilities under, and are independent of the Company in accordance with, UK ethical requirements including the FRC Ethical Standard. We believe that the audit evidence we have obtained is a sufficient and appropriate basis for our opinion.

### Going concern

The directors have prepared the financial statements on the going concern basis as they do not intend to liquidate the Company or to cease its operations, and as they have concluded that the Company's financial position means that this is realistic. They have also concluded that there are no material uncertainties that could have cast significant doubt over its ability to continue as a going concern for at least a year from the date of approval of the financial statements ("the going concern period").

In our evaluation of the directors' conclusions, we considered the inherent risks to the Company's business model and analysed how those risks might affect the Company's financial resources or ability to continue operations over the going concern period.

Our conclusions based on this work:

- we consider that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate;
- we have not identified, and concur with the directors' assessment that there is not, a material uncertainty related to events or conditions that, individually or collectively, may cast significant doubt on the Company's ability to continue as a going concern for the going concern period.

However, as we cannot predict all future events or conditions and as subsequent events may result in outcomes that are inconsistent with judgements that were reasonable at the time they were made, the above conclusions are not a guarantee that the Company will continue in operation.

3i Investments plc

No. 03975789

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF 3i INVESTMENTS PLC

### Fraud and breaches of laws and regulations – ability to detect

#### *Identifying and responding to risks of material misstatement due to fraud*

To identify risks of material misstatement due to fraud ("fraud risks") we assessed events or conditions that could indicate an incentive or pressure to commit fraud or provide an opportunity to commit fraud. Our risk assessment procedures included:

- Enquiring of 3i Group plc Head of Legal and Head of Compliance and reviewing breaches register to assess the impact of any material breaches;
- Reading Board minutes.
- Considering remuneration incentive schemes and performance targets for management and directors.

We communicated identified fraud risks throughout the audit team and remained alert to any indications of fraud throughout the audit.

As required by auditing standards and taking into account our overall knowledge of the control environment, we perform procedures to address the risk of management override of controls, in particular the risk that management may be in a position to make inappropriate accounting entries. On this audit we do not believe there is a fraud risk related to revenue recognition because the calculation of revenue is non-judgmental and straightforward, with limited opportunity for manipulation.

We did not identify any additional fraud risks.

We also performed procedures including:

- Identifying journal entries to test based on risk criteria and comparing the identified entries to supporting documentation. These included all post year-end closing journals.

#### *Identifying and responding to risks of material misstatement due to non-compliance with laws and regulations*

We identified areas of laws and regulations that could reasonably be expected to have a material effect on the financial statements from our general commercial and sector experience and through discussion with the directors and other management (as required by auditing standards), and from inspection of the Company's regulatory and legal correspondence and discussed with the directors and other management the policies and procedures regarding compliance with laws and regulations.

As the Company is regulated, our assessment of risks involved gaining an understanding of the control environment including the entity's procedures for complying with regulatory requirements.

We communicated identified laws and regulations throughout our team and remained alert to any indications of non-compliance throughout the audit.

The potential effect of these laws and regulations on the financial statements varies considerably.

Firstly, the Company is subject to laws and regulations that directly affect the financial statements including financial reporting legislation (including related companies legislation), distributable profits legislation, taxation legislation and pension legislation and we assessed the extent of compliance with these laws and regulations as part of our procedures on the related financial statement items.

3i Investments plc

No. 03975789

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF 3i INVESTMENTS PLC

### Fraud and breaches of laws and regulations – ability to detect (continued)

Secondly, the Company is subject to many other laws and regulations where the consequences of non-compliance could have a material effect on amounts or disclosures in the financial statements, for instance through the imposition of fines or litigation or the loss of the Company's license to operate. We identified the following areas as those most likely to have such an effect: anti-bribery, employment law, data protection, anti-money laundering, market abuse regulations and certain aspects of company legislation recognising the nature of the Company's activities and its legal form. Auditing standards limit the required audit procedures to identify non-compliance with these laws and regulations to enquiry of the directors and other management and inspection of regulatory and legal correspondence, if any. Therefore if a breach of operational regulations is not disclosed to us or evident from relevant correspondence, an audit will not detect that breach.

#### *Context of the ability of the audit to detect fraud or breaches of law or regulation*

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely the inherently limited procedures required by auditing standards would identify it.

In addition, as with any audit, there remained a higher risk of non-detection of fraud, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. Our audit procedures are designed to detect material misstatement. We are not responsible for preventing non-compliance or fraud and cannot be expected to detect non-compliance with all laws and regulations.

### Strategic report and directors' report

The directors are responsible for the strategic report and the directors' report. Our opinion on the financial statements does not cover those reports and we do not express an audit opinion thereon.

Our responsibility is to read the strategic report and the directors' report and, in doing so, consider whether, based on our financial statements audit work, the information therein is materially misstated or inconsistent with the financial statements or our audit knowledge. Based solely on that work:

- we have not identified material misstatements in the strategic report and the directors' report;
- in our opinion the information given in those reports for the financial year is consistent with the financial statements; and
- in our opinion those reports have been prepared in accordance with the Companies Act 2006.

### Matters on which we are required to report by exception

Under the Companies Act 2006, we are required to report to you if, in our opinion:

- adequate accounting records have not been kept by the parent company, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

We have nothing to report in these respects.

3i Investments plc

No. 03975789

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF 3i INVESTMENTS PLC

### Directors' responsibilities

As explained more fully in their statement set out on page 3, the directors are responsible for: the preparation of the financial statements and for being satisfied that they give a true and fair view; such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error; assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and using the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

### Auditor's responsibilities

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue our opinion in an auditor's report. Reasonable assurance is a high level of assurance, but does not guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

A fuller description of our responsibilities is provided on the FRC's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities).

### The purpose of our audit work and to whom we owe our responsibilities

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

## Accounting policies

### A. Statement of compliance

These financial statements have been prepared and approved by the Directors in accordance with UK adopted international accounting standards and applicable law.

The Company did not implement the requirements of any other standards or interpretations that were in issue; these were not required to be adopted by the Company for the year ended 31 March 2022. No other standards or interpretations have been issued that are expected to have a material impact on the Company's financial statements.

The Company is a public limited company incorporated and domiciled in England and Wales.

### B. Basis of preparation

The financial statements are presented in sterling, the functional currency of the Company and rounded to the nearest thousand unless otherwise stated. The financial statements are prepared on a going concern basis.

The preparation of financial statements in conformity with IFRS requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods. The most significant techniques for estimation are described in the accounting policies below.

The accounting policies set out below have been applied consistently to all periods presented in these financial statements.

#### Going Concern

The financial statements have been prepared on a going concern basis which the Directors consider to be appropriate for the following reasons.

The Company has a significant relationship with 3i Group plc due to 3i Group plc being the ultimate parent company of the Group. The Company is a significant operational subsidiary of the Group the provider of investment management and advisory services to 3i Group plc and other entities. The Company has no direct exposure to Russia or Ukraine, therefore this has no significant impact on the going concern of the Company. The Group has historically provided support to subsidiaries where required. In considering the going concern of the Company, the Directors have considered the going concern assessment of 3i Group plc performed by the Directors of the Group.

3i Investments plc

No. 03975789

## Accounting policies

### B. Basis of preparation (continued)

#### Going Concern

The Group's going concern assessment has modelled a number of severe, yet plausible, individual and combined stress scenarios over a three-year period to March 2025. The scenarios include the consideration of the potential impact of a disrupted recovery in the wake of Covid-19 in which persistent inflation and supply chain disruption leads into a recession, as well as the impact of a significant downturn event specifically on the Group's largest asset. These scenarios include a range of estimated impacts, primarily based on providing additional support to portfolio companies. The scenarios are most sensitive to a delay in realisations which contribute to liquidity of the Group. A key judgement applied is the extent of recessionary impacts alongside the likely recovery profile of portfolio companies. The severe scenarios include assumptions modelling a combined scenario of a recessionary environment modelled alongside the impact of a significant downturn event on the Group's largest asset and the impact of climate change on the underlying portfolio. The results of each of the stress test scenarios indicate that the Group is able to meet its obligations as they fall due for a period of at least 12 months from the date of approval of the Group financial statements and consequently have considered it appropriate to prepare these financial statements on a going concern basis.

The Company continues to generate its investment management fees from 3i plc. In considering going concern, the Directors have reviewed the capital liquidity and financial position of the Company, including future plans. Having performed this assessment and having reviewed the Group assessment, the Directors are confident that the Company will have sufficient funds to continue to meet its liabilities as they fall due for at least 12 months from the date of approval of the financial statements and consequently have considered it appropriate to prepare these financial statements on a going concern basis.

#### C. Revenue recognition

The Company recognises management fee income when it has the right to receive the income in accordance with the management agreement and it is highly probable a significant reversal will not occur. The management fee is recognised in line with services provided and is billed quarterly. Interest income is recognised when the Company has the right to receive interest. Revenue is recognised in accordance with IFRS 15.

#### D. Foreign currency transactions

Transactions in currencies different from the functional currency of the Company are translated at the exchange rate ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the Statement of financial position date are translated to sterling at the exchange rate ruling at that date. Non-monetary assets and liabilities that are measured in terms of historical cost in a foreign currency are translated using the exchange rate at the date of transaction. Non-monetary assets and liabilities denominated in foreign currencies that are stated at fair value are translated to sterling using exchange rates ruling at the date the fair value was determined.

#### E. Cash and cash equivalents

Cash and cash equivalents in the Statement of financial position comprise cash at bank and in hand and short-term deposits with an original maturity of three months or less. For the purposes of the Statement of cash flows, cash and cash equivalents comprise cash and short-term deposits as defined above.

#### F. Issued share capital

Ordinary shares issued by the Company are recognised at the proceeds or fair value received with the excess of the amount received over nominal value being credited to the share premium account. Direct issue costs net of tax are deducted from equity.

3i Investments plc

No. 03975789

## Accounting policies

### G. Income taxes

Income taxes represent the sum of the tax currently payable, withholding taxes suffered and deferred taxes. Tax is charged or credited to the Statement of comprehensive income, except where it relates to items charged or credited directly to equity, in which case the tax is also dealt with in equity. The tax currently payable is based on the taxable profit for the year. This may differ from the profit included in the Statement of comprehensive income because it excludes items of income and expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible.

To enable the tax charge to be based on the profit for the year, deferred tax is provided in full on temporary timing differences, at the rates of tax expected to apply when these differences crystallise. Deferred tax assets are recognised only to the extent that it is probable that sufficient taxable profits will be available against which temporary differences can be set off. All deferred tax liabilities are offset against deferred tax assets in accordance with the provisions of IAS 12.

The carrying amount of deferred tax assets is reviewed at each Statement of financial position date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

### H. Trade and other receivables

Trade and other receivables are recognised initially at fair value and subsequently measured at amortised cost less expected credit loss allowance under IFRS 9. Impairment losses are presented as net impairment losses within Impairment of subsidiary loan. Subsequent recoveries of amounts previously impaired are credited against the same line item. A description of the Company's expected credit loss policy is disclosed within Note 9.

## 3i Investments plc

### Notes to the accounts

No. 03975789

<b>1. Revenue</b>	<b>2022</b>	<b>2021</b>
	<b>£'000</b>	<b>£'000</b>
Management fee from parent company, 3i plc	8,300	8,300
<b>Total</b>	<b>8,300</b>	<b>8,300</b>

Management fees are earned from providing management services to 3i plc. The revenue is recognised in line with the services provided and is billed quarterly. At 31 March 2022, £10,940k of management fees is outstanding within Trade and other receivables in the Statement of financial position (2021: £14,124k).

<b>2. Operating expenses</b>	<b>2022</b>	<b>2021</b>
	<b>£'000</b>	<b>£'000</b>
Service fee to 3i plc	(7,500)	(7,500)
<b>Total</b>	<b>(7,500)</b>	<b>(7,500)</b>

The auditor's remuneration and non-audit fees for the year were £19k (2021: £18k) and £19k (2021: £18k) respectively. These fees were borne by the parent company, 3i plc.

### 3. Directors' emoluments

The Directors of the Company are also Directors of fellow subsidiaries and receive remuneration from either 3i plc, 3i Benelux B.V. or 3i Deutschland GmbH (2021: 3i plc or 3i Investments (Luxembourg) S.A.). Mrs J S Wilson and Mr S A Borrows are also Directors of the ultimate parent company. The table below shows the total emoluments received by the Directors from these fellow subsidiaries.

	<b>2022</b>	<b>2021</b>
	<b>£'000</b>	<b>£'000</b>
Salaries and benefits	3,217	3,138
Bonuses and performance fees	1,396	1,358
Share based payments	10,691	9,058
<b>Total</b>	<b>15,304</b>	<b>13,554</b>

Emoluments, including share based payments, attributable to the highest paid Director were £4,765k (2021: £4,397k).

The Directors do not receive any emoluments from the Company and do not believe it is practicable to apportion the above amounts to their services as Directors of the Company. The Directors' services to the Company do not occupy a significant amount of their time.

#### 4. Income taxes

##### Reconciliation of income taxes in the Statement of comprehensive income

The tax charge for the year is different to the standard rate of corporation tax in the UK, currently 19% (2021: 19%). The differences are explained below:

	2022 £'000	2021 £'000
Profit before tax	817	818
Profit before tax multiplied by rate of corporation tax in the UK of 19% (2021: 19%)	155	155
Effects of:		
Non deductible impairment reversal	(3)	(2)
Utilisation of tax losses claimed as group relief for nil consideration	(152)	(153)
Total income taxes in the Statement of comprehensive income	-	-

In the Spring Budget 2021, the Government announced that from 1 April 2023 the corporation tax rate will increase to 25%. The proposal to increase the rate to 25% has been substantively enacted at the company's balance sheet date, therefore its effects have been included in these financial statements.

#### 5. Issued share capital

	Number of shares	Amount £'000
Authorised ordinary shares of £1 each	10,000,000	
Called up, allotted and fully paid ordinary shares of £1 each		
At 31 March 2022 and 31 March 2021	10,000,000	10,000

#### 6. Trade and other receivables

	2022 £'000	2021 £'000
<b>Current assets</b>		
Amounts due from group undertakings	10,940	14,124
Total	10,940	14,124

Under IFRS 9 an expected credit loss of £71k has been recognised as at 1 April 2021. During the year an impairment reversal of £16k has been recognised in Impairment of subsidiary loan within the Statement of comprehensive income, see Note 9 for details. The carrying amount is a reasonable approximation of fair value.

#### 7. Related parties

During the year the Company entered into transactions, in the ordinary course of business, with other related parties. There were no transactions with Directors of the Company. The Company's key management personnel are the Directors. Each of these categories of related parties and their impact on the financial statements is detailed in the table below:

##### Parent company

	2022 £'000	2021 £'000
Dividend paid	-	10,600

#### 7. Related parties (continued)

##### *Investment management arrangements*

Total fees received for investment management services are detailed below:

	2022	2021
	£'000	£'000
Management fee for the year	8,300	8,300
Of which receivable at the end of the year	10,940	14,124

##### *Administration arrangements*

Total fees paid for administration services, including any amounts of accrued fees due at the end of the year, are detailed below:

	2022	2021
	£'000	£'000
Administration fee for the year	7,500	7,500

#### 8. Parent undertaking and controlling party

The Company's immediate parent undertaking is 3i plc.

The Company's ultimate parent undertaking and controlling party is 3i Group plc which is incorporated in Great Britain and registered in England and Wales. Copies of its Group financial statements, which include the Company, are available from 16 Palace Street, London SW1E 5JD and online at [www.3i.com](http://www.3i.com).

#### 9. Financial risk management

The Company's ultimate parent company is 3i Group plc. 3i Group plc sets objectives, policies and processes for managing and monitoring risk as set out in the Directors' report in the 3i Group plc Annual report. This note provides further information on the specific risks faced by the Company.

##### **Financial risk**

The capital structure of the Company consists of equity and intercompany loans. As an investment firm regulated by the FCA, the Company's regulated capital requirement is reviewed regularly by the Board. The last submission to the FCA demonstrated a capital surplus in excess of the FCA's prudential rules.

##### **Credit risk**

The Directors do not believe that there is significant credit risk on the Company's cash and receivables. The majority of the Company's cash and deposits are held with AAA rated money market funds.

IFRS 9 requires the Company to recognise expected credit losses ("ECLs") on its Trade receivables and Cash and cash equivalents.

The loss reconciliation for Amounts due from group undertakings is as follows:

	Amounts due from group undertakings
	£'000
Opening ECLs as at 1 April 2021	71
Decrease in ECLs recognised in profit or loss during the year	(16)
ECLs as at 31 March 2022	55

## 3i Investments plc

### Notes to the accounts

No. 03975789

#### 9. Financial risk management (continued)

The ECL has been calculated based on the probability of the receivable going into default. The ECL is adjusted to reflect both current and forward looking information as well as credit spreads affecting the ability to settle the receivable. The Company has adopted the simplified approach and the loss allowance shown is based on lifetime ECLs. The decrease in the ECL for the year is due to a decrease in the amounts due from undertakings.

Cash and cash equivalents are also subject to the requirements of IFRS 9, the identified impairment loss is negligible.

#### Liquidity risk

The majority of the Company's commitments are governed by a fixed-cost intercompany contract with its parent company which is covered entirely by intercompany fee income. These arrangements lead to low liquidity risk.

#### 10. Post balance sheet events

There have been no events subsequent to the balance sheet date identified which would require adjustment to these financial statements.
