# REPORT OF THE DIRECTORS

# for the period ended 31st March 2002

The Directors present their report and the audited financial statements of the company for the year ended 31st March 2002.

## 1. Principal activity and review of business

The company is an investment holding company.

The results for the year are set out in the Profit and Loss Account on page 4. The Board does not envisage any major changes in the company's activity in the foreseeable future. The directors do not recommend payment of a dividend on the ordinary share capital. Dividends for the year on the company's redeemable preference shares have been appropriated through the company's profit and loss account. However, as the company does not have sufficient distributable reserves in order to pay such dividends, these dividends have been credited back within profit and loss account reserves.

#### 2. Directors interests in shares of the company

According to the Register kept under Section 325 of the Companies Act 1985 no director had any interest in the shares of the company, the company's holding company or a subsidiary of the company's holding company either at the beginning or end of the period. As permitted by statutory instrument the Register does not include any shareholdings by directors who are also directors of the holding company.

#### 3. Directors

The directors of the company at 31st March 2002 are shown on page 1.

Mr S.A. Buckley was appointed as a director on 13th December 2001. Mr. I.S. Ashcroft and Mr N.Castro, who were directors on 1st April 2001, resigned as directors on 13th December 2001.

## 4. Directors' responsibilities

The Directors are required by UK company law to prepare financial statements for each financial period that give a true and fair view of the state of affairs of the company as at the end of the financial period.

The Directors confirm that suitable accounting policies have been used and applied consistently and reasonable and prudent judgements and estimates have been made in the preparation of the financial statements for the period ended 31st March 2002. The Directors also confirm that applicable accounting standards have been followed and that the financial statements have been prepared on a going concern basis.

The Directors are responsible for keeping proper accounting records, for taking reasonable steps to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

# 5. Auditors

PricewaterhouseCoopers have indicated their willingness to continue in office, and a resolution concerning their reappointment will be proposed at the Annual General Meeting.

## INDEPENDENT AUDITORS' REPORT

#### To the Members of

## **GMG** Investco Limited

We have audited the financial statements which comprise the profit and loss account, the balance sheet and the related notes which have been prepared under the historical cost convention and the accounting policies set out in the statement of accounting policies.

#### Respective responsibilities of directors and auditors

The directors' responsibilities for preparing the annual report and the financial statements in accordance with applicable United Kingdom law and accounting standards are set out in the statement of directors' responsibilities.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards issued by the Auditing Practices Board.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the directors' report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions is not disclosed.

We read the other information contained in the annual report and consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements. The other information comprises only the directors' report.

#### Basis of audit opinion

We conducted our audit in accordance with auditing standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

#### Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs at 31st March 2002 and of its loss for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

DIRECTORS

The financial statements on pages 4 to 8 were approved by the Board of Directors on 3rd July 2002.

# Notes relating to the accounts - 31st March 2002

## 1. Principal accounting policies

The accounts have been prepared in accordance with applicable Accounting Standards in the United Kingdom. The accounts have been prepared on the historical cost basis.

The company is exempt from the requirement to produce consolidated financial statements, on the basis that it is a wholly owned subsidiary of Guardian Media Group plc.

# Changes in accounting policy

The company has adopted FRS 19 "Deferred Tax" in these financial statements. The adoption of this standard represents a change in accounting policy but has not resulted in any changes to comparative figures.

FRS 18 "Accounting policies" has been adopted in the current year but this did not require any change in accounting policy.

#### Cash flow statement

The company is a wholly owned subsidiary of Guardian Media Group plc and the cash flows of the company are included in the consolidated group cash flow statement of Guardian Media Group plc. Consequently the company is exempt from publishing a cash flow statement, under Financial Reporting Standard Number 1.

#### Investments

Shares in subsidiary companies are shown at cost less any amounts written off for impairment.

#### Foreign currencies

Foreign currency assets and liabilities (including long term liabilities) and share capital are stated in sterling at rates applicable at the balance sheet date. Gains or losses arising in the ordinary course of business on trading items are included in operating profit. Differences arising from the translation of share capital are treated as an appropriation of profits. The company uses cross-currency swap contracts to manage its exposure to certain foreign currency exchange risks. Such financial instruments are treated as hedges against the underlying assets or liabilities with matching accounting treatments.

Gains on unsettled speculative forward contracts are regarded as contingent and therefore deferred, whereas provision is made for losses on such contracts.

#### Taxation

The company provides for corporate taxation on the results for the period at the normal rate applicable to that period and recognises group relief when made available.

The company has adopted FRS 19 on Deferred Taxation in these financial statements.

Deferred taxation is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date.

Deferred tax assets are regarded as recoverable and recognised in the financial statements when, on the basis of available evidence, it is more likely than not that there will be suitable taxable profits from which the future reversal of the timing differences can be deducted. The recoverability of tax losses is assessed by reference to forecasts which have been prepared and approved by the board.

No timing differences are recognised in respect of:

- fair value adjustments to acquired tangible fixed assets where there is no commitment to sell the asset,
- gains on the sale of assets where those gains have been rolled over into replacement assets

The deferred tax assets and liabilities are not discounted.

# Notes relating to the accounts - 31st March 2002

(continued)

## 2. Operating profit

Auditors remuneration for audit and non audit services has been borne by the parent company.

#### 3. Directors' emoluments

None of the directors received remuneration for their services as directors of the company.

# 4. Employee information

The average number of persons (including executive directors) employed during the year is nil.

#### 5. Exceptional item

On 5th March 2002 the subsidiary company Workthing Holdings Limited was liquidated after transferring its investment in Workthing Limited to Guardian Media Group plc.
