Without limiting the generality of the foregoing, this Agreement secures, as to each Grantor, the payment of all amounts that constitute part of the Secured Obligations that would be owed by such Grantor to any Holder under the Note Documents but for the fact that they are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving a Grantor.

Section 3. Grantors Remain Liable. Anything herein to the contrary notwithstanding, (a) each Grantor shall remain liable under its contracts and agreements included in the Collateral to the extent set

forth therein to perform all of its duties and obligations thereunder to the same extent as if this Agreement had not been executed, (b) the exercise by the Security Agent of any of the rights hereunder shall not release any Grantor from any of its duties or obligations under the contracts and agreements included in the Collateral and (c) no Holder shall have any obligation or liability under the contracts and agreements included in the Collateral by reason of this Agreement or any other Note Document, nor shall any Holder be obligated to perform any of the obligations or duties of any Grantor thereunder or to take any action to collect or enforce any claim for payment assigned hereunder.

Section 4. Delivery and Control of Security Collateral. (a) Subject to the terms of the Intercreditor Agreement, all certificates, if any, representing or evidencing the Pledged Interests (other than Equity Interests of non-wholly owned Subsidiaries with a fair market value individually or in the aggregate with all other such Equity Interests of less than \$10,000,000) and all instruments representing or evidencing the Pledged Debt individually or in an aggregate principal amount together with all other such Pledged Debt in excess of \$10,000,000 (other than any short-term intercompany current liabilities incurred in the ordinary course of business and consistent with past practice in connection with the cash management operations of Parent Guarantor and its Restricted Subsidiaries) shall be promptly delivered to and held by or on behalf of the Security Agent or its nominee pursuant hereto and, subject to Section 3.20(a)(iv) of the Indenture, in any event on the date hereof (and with respect to such Pledged Interests or Pledged Debt acquired after the date hereof, within 90 days of acquisition (or, with respect to Foreign Subsidiaries, 120 days) (or such later date as the agent under the Credit Agreement may agree in accordance with the terms thereof)) be in suitable form for transfer by delivery, or shall be accompanied by duly executed instruments of transfer or assignment in blank, all in form and substance reasonably satisfactory to the Security Agent. During the continuation of an Event of Default, the Security Agent shall have the right at any time and after the Security Agent (or the Trustee) has given notice to the applicable Grantor of its intent to exercise remedies, to (i) transfer to or to register in the name of the Security Agent or any of its nominees any or all of the Security Collateral, subject only to the revocable rights specified in Section 10(a), (ii) exchange certificates or instruments representing or evidencing Security Collateral for certificates or instruments of smaller or larger denominations and (iii) convert Security Collateral consisting of Financial Assets credited to any Securities Account to Security Collateral consisting of Financial Assets held directly by the Security Agent, and to convert Security Collateral consisting of Financial Assets held directly by the Security Agent to Security Collateral consisting of Financial Assets credited to any Securities Account.

(b) Each Grantor agrees that to the extent each interest in any limited liability company or limited partnership controlled now or in the future by such Grantor and pledged hereunder is a "security" within the meaning of Article 8 of the UCC and is governed by Article 8 of the UCC, (i) such interest shall be certificated and (ii) each such interest shall at all times hereafter continue to be such a security and represented by such certificate unless such Grantor provides (x) written

notification to the Security Agent that such interest is not a "security" within the meaning of Article 8 of the UCC and (y) evidence thereof that is reasonably requested, and thereafter the Security Agent shall promptly return any certificate (and related instrument of transfer or assignment) representing such interest to Grantor. Each Grantor further acknowledges and agrees that with respect to any interest in any limited liability company or limited partnership controlled now or in the future by such Grantor and pledged hereunder that is not a "security" within the meaning of Article 8 of the UCC, such Grantor shall at no time elect to treat any such interest as a "security" within the meaning of Article 8 of the UCC, nor shall such interest be represented by a certificate, unless such Grantor provides written notification to the Security Agent of such election and such interest is thereafter represented by a certificate that is promptly delivered to the Security Agent pursuant to the terms hereof.

(c) Subject to the terms of the Intercreditor Agreement, during the continuation of an Event of Default and after the Security Agent (or the Trustee) has given notice to the applicable Grantor of its intent to exercise remedies, promptly upon the request of the Security Agent, such Grantor will notify each issuer of Pledged Debt that such Pledged Debt is subject to the security interests granted hereunder.

(a) Subject to the terms of the Intercreditor Agreement, each Grantor hereby authorizes the Security Agent to file, one or more financing or continuation statements, and amendments thereto, including, without limitation, one or more financing statements indicating that such financing statements cover all assets or all personal property (or words of similar effect), whether now owned or hereafter acquired, of such Grantor, in each case without the signature of such Grantor, and regardless of whether any particular asset described in such financing statements falls within the scope of the UCC or the granting clause of this Agreement. A photocopy or other reproduction of this Agreement or any financing statement covering the Collateral or any part thereof shall be sufficient as a financing statement where permitted by law. Each Grantor ratifies its authorization for the Security Agent to have filed such financing statements, continuation statements or amendments filed prior to the date hereof. The Security Agent is not responsible for ensuring that necessary registrations are carried out or liable for any loss resulting from any failure to properly register any security interests capable of being registered.

(b) At the time of delivery of the Compliance Certificate pursuant to Section 3.12 of the Indenture, the Issuer shall update Schedules II through V of this Agreement with any changes since the date hereof or the delivery of the previous Compliance Certificate, as applicable, or confirm that there have been no such changes during such period.

Section 8. Post-Closing Changes: Collections on Assigned Agreements and Accounts.

(a) No Grantor will change its name, type of organization, jurisdiction of organization or incorporation, organizational identification number (if any), taxpayer identification number (if any) or chief executive office from those referred to in Section 6(a) of this Agreement without promptly (and in any event, within 30 days) giving written notice to the Security Agent and taking all action required by the Security Agent for the purpose of maintaining the perfection and priority of the security interest created by this Agreement.

(a) Except as otherwise provided in this Section 8(b), each Grantor (other than Parent Guarantor or any Non-U.S. Grantor) will continue to collect, at its own expense, all amounts due or to become due such Grantor under the Accounts. In connection with such collections, such Grantor may take (and, subject to the terms of the Intercreditor Agreement, at the Security Agent's direction during the continuation of an Event of Default, shall take) such commercially reasonable action as such Grantor (or, during the continuation of an Event of Default, subject to the terms of the Intercreditor Agreement) may deem necessary or advisable to enforce collection thereof; provided, however, that subject to the terms of the Intercreditor Agreement, the Security Agent shall have the right at any time upon the occurrence and during the continuance of an Event of Default and upon written notice to such Grantor of its intention to do so, to notify the Obligors under any Accounts of the assignment of such Accounts to the Security Agent and to direct such Obligors to make payment of all amounts due or to become due to such Grantor thereunder directly to the Security Agent and, upon such notification and at the expense of such Grantor, to enforce collection of any such Accounts, to adjust, settle or compromise the amount or payment thereof, in the same manner and to the same extent as such Grantor might have done, and to otherwise exercise all rights with respect to such Accounts, including, without limitation, those rights set forth set forth in Section 9-607 of the UCC. After receipt by any Grantor of the notice from the Security Agent (or the Trustee) referred to in the proviso to the preceding sentence and subject to the Intercreditor Agreement, (i) all amounts and proceeds (including, without limitation, instruments) received by

such Grantor in respect of the Accounts of such Grantor shall be received in trust for the benefit of the Security Agent hereunder, shall be segregated from other funds of such Grantor and shall be either (A) released to such Grantor to the extent permitted under the terms of the Indenture so long as no Event of Default shall have occurred and be continuing or (B) if any Event of Default shall have occurred and be continuing, applied as provided in Section 6.10 of the Indenture and (ii) except with the consent of the Security Agent, such Grantor will not adjust, settle or compromise the amount or payment of any Account, release wholly or partly any Obligor thereof, or allow any credit or discount thereon.

Section 9. As to Intellectual Property Collateral. In each case: (a) except as would not reasonably be expected to have a Material Adverse Effect, with respect to each item of its Registered Intellectual Property Collateral, each Grantor agrees to take, at its expense, all commercially reasonable steps, including, without limitation, in the USPTO and USCO, to (i) maintain the validity and enforceability of such Intellectual Property Collateral and maintain such Intellectual Property Collateral in full force and effect, and (ii) pursue the registration and maintenance of each patent, trademark, or copyright registration or application in the USPTO and USCO, now or hereafter included in such Intellectual Property Collateral of such Grantor, including, without limitation, the payment of required fees and taxes, the filing of responses to office actions issued by the USPTO and USCO, the filing of applications for renewal or extension, the filing of affidavits under Sections 8 and 15 of the U.S. Trademark Act, the filing of divisional, continuation, continuation-in-part, reissue and renewal applications or extensions, the payment of maintenance fees and the participation in interference, reexamination, opposition, cancellation, infringement and misappropriation proceedings.

(a) Except as would not reasonably be expected to have a Material Adverse Effect, each Grantor shall use proper statutory notice in connection with its use of Intellectual Property Collateral registered with, issued by, or applied for with the USPTO or USCO that is material to the business of the Issuer and their Restricted Subsidiaries. Except as could not be reasonably expected to have a Material Adverse Effect, no Grantor shall do or permit any act or knowingly omit to do any act whereby any of its Registered Intellectual Property Collateral may lapse or become invalid or unenforceable or placed in the public domain.

(b) Notwithstanding the foregoing, each Grantor may refrain from taking, or shall be permitted to take, as the case may be, any actions otherwise prohibited or required by the foregoing clauses (a) and (b) of this Section 9 with respect to Intellectual Property Collateral which it determines in its good faith commercially reasonable business judgment not to be useful to its business or worth protecting or maintaining (including without limitation by abandoning, failing to defend or maintain or causing any such Intellectual Property Collateral to become unenforceable, abandoned, invalidated or publicly available).

(c) With respect to its Registered Intellectual Property Collateral, each Grantor agrees to execute or otherwise authenticate an agreement, in substantially the form set forth in Exhibit B hereto (an "IP Security Agreement"), for recording the security interest granted hereunder to the Security Agent in such Registered Intellectual Property Collateral with the USPTO and USCO, as applicable.

(d) Without limiting Section 1, each Grantor (other than the Non-U.S. Grantors) agrees that should it obtain an ownership interest in any item of the type set forth in Section 1(p) that is not, as of the date hereof, a part of the Intellectual Property Collateral ("After-Acquired Intellectual Property") (i) the provisions of this Agreement shall automatically apply thereto, and (ii) any such After-Acquired Intellectual Property and, in the case of trademarks, the goodwill

symbolized thereby, shall automatically become part of the Intellectual Property Collateral subject to the terms and conditions of this Agreement with respect thereto. Subject to the Intercreditor Agreement, each Grantor shall, to the extent required pursuant to Sections 3.5(a)(ii) or 3.20(b) of the Indenture, execute and deliver to the Security Agent, or otherwise authenticate, an IP Security Agreement Supplement covering such After-Acquired Intellectual Property which IP Security Agreement Supplement shall be recorded promptly by such Grantor with the USPTO and USCO.

(e) Subject to the Intercreditor Agreement and at such time as the Security Agent is lawfully entitled to exercise its rights and remedies under Section 14, each Grantor grants to the Security Agent an irrevocable (solely during the continuance of an Event of Default), non-exclusive license (exercisable without payment of royalty or other compensation to such Grantor) subject, in the case of Trademarks, to sufficient rights to quality control and inspection in favor of such Grantor to avoid the risk of invalidation of such Trademarks, to use, assign or sublicense any Intellectual Property Collateral in which such Grantor has rights wherever the same may be located, including, without limitation, in such license access to (i) all media in which any of the licensed items may be recorded or stored, and (ii) all software and computer programs used for compilation or print-out. The license granted under this Section is to enable the Security Agent to exercise its rights and remedies under Section 14 (subject to the terms of the Intercreditor Agreement) for no other purpose.

Section 10. Voting Rights; Dividends; Etc. (a) So long as no Event of Default shall have occurred and be continuing and, other than in the case of an Event of Default under Section 6.1(v) or (vi) of the Indenture, the Security Agent has not notified such Grantor of its intent to exercise remedies as set forth below:

(i) each Grantor shall be entitled to exercise any and all voting and other consensual rights pertaining to the Security Collateral of such Grantor or any part thereof for any purpose; provided, however, that such Grantor will not exercise or refrain from exercising any such right in a manner prohibited by the Note Documents;

(ii) each Grantor shall be entitled to receive and retain any and all dividends, interest and other distributions paid in respect of the Security Collateral of such Grantor if and to the extent that the payment thereof is not otherwise prohibited by the terms of the Note Documents; provided, however, that any and all:

(A) dividends, interest and other distributions paid or payable other than in cash in respect of, and instruments and other property received, receivable or otherwise distributed in respect of, or in exchange for, any Security Collateral,

(B) dividends and other distributions paid or payable in cash in respect of any Security Collateral in connection with a partial or total liquidation or dissolution or in connection with a reduction of capital, capital surplus or paid-in-surplus and

(C) cash paid, payable or otherwise distributed in respect of principal of, or in redemption of, or in exchange for, any Security Collateral,

subject to the terms of the Intercreditor Agreement, (x) in the case of the foregoing clause (A), any such property distributed in respect of any Security Collateral shall be deemed to constitute acquired property and shall be forthwith delivered to the Security Agent as Security Collateral in the same form as so received (with any necessary indorsement or

other instrument) in accordance with the terms of this Agreement and the provisions of Sections 3.5(a)(ii) or 3.20(b) of the Indenture and (y) in the case of the foregoing clauses (B) and (C), any such cash distributed in respect of any Security Collateral shall be subject to the provisions of the Indenture applicable to the proceeds of a Disposition of property; and

(iii) subject to the terms of the Intercreditor Agreement, the Security Agent will promptly execute and deliver (or cause to be executed and delivered) to each Grantor all such proxies and other instruments as such Grantor may reasonably request for the purpose of enabling such Grantor to exercise the voting and other rights that it is entitled to exercise pursuant to paragraph (I) above and to receive the dividends or interest payments that it is authorized to receive and retain pursuant to paragraph (II) above.

(b) Subject to the terms of the Intercreditor Agreement and upon the occurrence and during the continuance of an Event of Default:

(i) upon notice to the applicable Grantor made pursuant to Section 6.2 of the Indenture (and automatically in the case of clause (y) below to the extent such Event of Default is under Section 6.1(y) or (vi) of the Indenture), all rights of each Grantor (x) to exercise or refrain from exercising the voting and other consensual rights that it would otherwise be entitled to exercise pursuant to Section 10(a)(i) shall cease and (y) to receive the dividends, interest and other distributions that it would otherwise be authorized to receive and retain pursuant to Section 10(a)(ii) shall automatically cease, and all such rights shall thereupon become vested in the Security Agent, which shall thereupon have the sole right to exercise or refrain from exercising such voting and other consensual rights and to receive and hold as Security Collateral such dividends, interest and other distributions; and

(ii) all dividends, interest and other distributions that are received by any Grantor contrary to the provisions of paragraph (i) of this Section 10(b) shall be received in trust for the benefit of the Security Agent, shall be segregated from other funds of such Grantor and shall be forthwith paid over to the Security Agent as Security Collateral in the same form as so received (with any necessary indorsement).

Section 11. Security Agent Appointed Attorney-in-Fact. Subject to the terms of the Intercreditor Agreement, each Grantor hereby irrevocably appoints the Security Agent as such Grantor's true and lawful attorney-in-fact, with full authority in the place and stead of such Grantor and in the name of such Grantor or otherwise, from time to time, upon the occurrence and during the continuance of an Event of Default, to take any action and to execute any instrument that the Security Agent may deem necessary or advisable to accomplish the purposes of this Agreement (in accordance with this Agreement and each other applicable Note Document), including, without limitation:

(a) to obtain and adjust insurance required to be paid to the Security Agent;

(b) to ask for, demand, collect, sue for, recover, compromise, receive and give acquittance and receipts for moneys due and to become due under or in respect of any of the Collateral;

(c) to receive, indorse and collect any drafts or other instruments, documents and Chattel Paper constituting Collateral, in connection with clause (a) or (b) above; and

(d) to file any claims or take any action or institute any proceedings that the Security Agent may deem necessary or desirable for the collection of any of the Collateral or otherwise to enforce compliance with the terms and conditions of any Assigned Agreement or the rights of the Security Agent with respect to any of the Collateral.

Section 12. Security Agent May Perform. If any Grantor fails to perform any agreement contained herein after the expiration or termination of any applicable cure or grace periods, the Security Agent may, subject to the terms of the Intercreditor Agreement and after providing notice to such Grantor of its intent to do so, but without any obligation to do so, itself perform, or cause performance of, such agreement, and the reasonable and documented out of pocket expenses of the Security Agent incurred in connection therewith shall be payable by such Grantor under Section 15.

Section 13. The Security Agent's Duties. (a) The powers conferred on the Security Agent hereunder are solely to protect the Holders' interest in the Collateral and shall not impose any duty upon it to exercise any such powers. Except for the exercise of reasonable care with respect to the custody of any Collateral in its possession and the accounting for moneys actually received by it hereunder, the Security Agent shall have no duty as to any Collateral, as to ascertaining or taking action with respect to calls, conversions, exchanges, maturities, tenders or other matters relative to any Collateral, whether or not any Holder has or is deemed to have knowledge of such matters, or as to the taking of any necessary steps to preserve rights against any parties or any other rights pertaining to any Collateral. The Security Agent shall be deemed to have exercised reasonable care in the custody and preservation of any Collateral in its possession if such Collateral is accorded treatment substantially equal to that which it accords its own property. It is expressly understood and agreed that the obligations of the Security Agent as holder of the Collateral and interests therein and with respect to the disposition thereof, and otherwise under this Agreement, are only those expressly set forth in this Agreement and in the Indenture. The Security Agent shall act hereunder subject to the terms of the Intercreditor Agreement, on the terms and conditions set forth herein and in the Indenture.

(a) The Holders and the Security Agent have no obligation to keep Collateral in their possession identifiable. The Security Agent has no obligation to collect dividends, distributions or interest payable on, or exercise any option or right in connection with any Collateral. The Security Agent has no obligation to protect or preserve any Collateral from depreciating in value or becoming worthless and is released from all responsibility for any loss of value, whether such Collateral is in the possession of, is a security entitlement of, or is subject to the control of, the Security Agent, a securities intermediary, the Grantor or any other person. Further, neither the Security Agent nor the other Secured Parties shall have any duty or responsibility whatsoever to take any steps to preserve any rights of any Grantor in the Collateral.

(b) The Security Agent may from time to time, when the Security Agent deems it to be necessary, appoint one or more subagents (each a "Subagent") for the Security Agent hereunder with respect to all or any part of the Collateral. In the event that the Security Agent so appoints any Subagent with respect to any Collateral, (i) the assignment and pledge of such Collateral and the security interest granted in such Collateral by each Grantor hereunder shall be deemed for purposes of this Agreement to have been made to such Subagent, in addition to the Security Agent, for the ratable benefit of the Holders, as security for the Secured Obligations of such Grantor, (ii) such Subagent shall automatically be vested, in addition to the Security Agent, with all rights, powers, privileges, interests and remedies of the Security Agent hereunder with respect to such Collateral, and (iii) the term "Security Agent," when used herein in relation to any rights, powers, privileges, interests and remedies of the Security Agent with respect to such Collateral, shall include such Subagent; provided, however, that no such Subagent shall be authorized to take any

action with respect to any such Collateral unless and except to the extent expressly authorized in writing by the Security Agent.

Section 14. Remedies. If any Event of Default shall have occurred and be continuing:

(a) Subject to the terms of the Intercreditor Agreement, the Security Agent may exercise in respect of the Collateral, in addition to other rights and remedies provided for herein or otherwise available to it, all the rights and remedies of a secured party upon default under the UCC (whether or not the UCC applies to the affected Collateral) also may; (i) require each Grantor to, and each Grantor hereby agrees that it will at its expense and upon request of the Security Agent forthwith, assemble all or part of the Collateral as directed by the Security Agent and make it available to the Security Agent or its nominee at a place and time to be designated by the Security Agent that is reasonably convenient to both parties; (ii) without notice except as specified below, sell the Collateral or any part thereof in one or more parcels at public or private sale, at any of the Security Agent's offices or elsewhere, for cash, on credit or for future delivery, and upon such other terms as the Security Agent may deem commercially reasonable; (iii) occupy any premises owned or leased by any of the Grantors where the Collateral or any part thereof is assembled or located for a reasonable period in order to effectuate its rights and remedies hereunder or under law, without obligation to such Grantor in respect of such occupation; and (iv) exercise any and all rights and remedies of any of the Grantors under or in connection with the Collateral, or otherwise in respect of the Collateral, including, without limitation, (A) any and all rights of such Grantor to demand or otherwise require payment of any amount under, or performance of any provision of, the Assigned Agreements, the Accounts and the other Collateral, (B) withdraw, or cause or direct the withdrawal, of all funds with respect to accounts containing Cash Collateral and (C) exercise all other rights and remedies with respect to the Assigned Agreements, the Accounts and the other Collateral, including, without limitation, those set forth in Section 9-607 of the UCC, in each case in accordance with the other provisions of this Agreement. Each Grantor agrees that, to the extent notice of sale shall be required by law, at least ten Business Days' notice to such Grantor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. The Security Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Security Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned.

(b) Subject to the terms of the Intercreditor Agreement, after the Security Agent has given notice to the applicable Grantor of its intent to exercise remedies, all payments received by any Grantor under or in connection with any Assigned Agreement or otherwise in respect of the Collateral shall be received in trust for the benefit of the Security Agent, shall be segregated from other funds of such Grantor and shall be forthwith paid over to the Security Agent in the same form as so received (with any necessary indorsement).

(c) Subject to the terms of the Intercreditor Agreement, the Security Agent may, without notice to any Grantor except as required by law and at any time or from time to time, charge, set-off and otherwise apply all or any part of the Secured Obligations against any funds held with respect to any Deposit Account of a Grantor that is not Excluded Property or an Exempt Deposit Account. For purposes of this Agreement, the term "Exempt Deposit Account" shall mean any Deposit Account owned by or in the name of a Grantor with respect to which such Grantor is acting as a fiduciary for another Person who is not a Grantor.

(d) Subject to the terms of the Intercreditor Agreement, any cash held by or on behalf of the Security Agent and all cash proceeds received by or on behalf of the Security Agent in respect of any sale of, collection from, or other realization upon all or any part of the Collateral may, be held by the Security Agent as collateral for, and/or then or at any time thereafter applied (after payment of any amounts payable to the Security Agent pursuant to Section 15) in whole or in part by the Security Agent against, all or any part of the Secured Obligations, in the manner set forth in Section 6.10 of the Indenture. Notwithstanding the foregoing, if intercreditor arrangements have been entered into in accordance with Section 3.19(d) of the Indenture among the holders of the Secured Obligations and holders of any other Indebtedness permitted under the Indenture which provides for the application of proceeds received by the Security Agent in respect of any sale of, collection from or other realization upon all or any part of the Collateral, then such proceeds may be applied pursuant to the terms of such intercreditor arrangements.

(e) Subject to the terms of the Intercreditor Agreement, in the event of any sale or other disposition of any of the Intellectual Property Collateral of any Grantor, the goodwill symbolized by any Trademarks subject to such sale or other disposition shall be included therein, and such Grantor shall supply to the Security Agent or its designee such Grantor's know-how and expertise, and documents and things relating to any Intellectual Property Collateral subject to such sale or other disposition, and such Grantor's customer lists and other records and documents relating to such Intellectual Property Collateral and to the manufacture, distribution, advertising and sale of products and services of such Grantor.

(f) Subject to the terms of the Intercreditor Agreement, if the Security Agent shall determine to exercise its right to sell all or any of the Security Collateral of any Grantor pursuant to this Section 14, each Grantor agrees that, upon request of the Security Agent, such Grantor will, at its own expense, do or cause to be done all such other acts and things as may be necessary to make such sale of such Security Collateral or any part thereof valid and binding and in compliance with applicable Law.

(g) Subject to the terms of the Intercreditor Agreement, the Security Agent is authorized, in connection with any sale of the Security Collateral pursuant to this Section 14, to deliver or otherwise disclose to any prospective purchaser of the Security Collateral: (i) any registration statement or prospectus, and all supplements and amendments thereto; (ii) any information and projections; and (iii) any other information in its possession relating to such Security Collateral.

(h) Subject to the terms of the Intercreditor Agreement, except as otherwise provided in any Note Documents, to the extent permitted by any such requirement of Law (including, without limitation, Section 9-610 of the UCC), the Security Agent (or any other Person on its behalf) may bid for and become the purchaser (and may pay all or any portion of the purchase price by crediting Obligations against the purchase price) of the Collateral or any item thereof, offered for Disposition in accordance with this Section 14 without accountability to the relevant Grantor.

(i) Subject to the terms of the Intercreditor Agreement, each Grantor acknowledges the impossibility of ascertaining the amount of damages that would be suffered by the Holders by reason of the failure by such Grantor to perform any of the covenants contained in Section 14(f) above and, consequently, agrees that, if such Grantor shall fail to perform any of such covenants, it will pay, as liquidated damages and not as a penalty, an amount equal to the value of the Security Collateral on the date the Security Agent shall demand compliance with Section 14(f) above.

Section 15. Expenses. (a) Each Grantor will upon demand pay to the Security Agent the amount of any and all reasonable and documented expenses, including, without limitation, the reasonable and documented fees and expenses of its counsel that the Security Agent may incur in connection with (i) the administration of this Agreement, (ii) the custody, preservation, use, safekeeping or operation of, or the sale of, collection from or other realization upon, any of the Collateral of such Grantor, (iii) the exercise or enforcement of any of the rights of the Security Agent or the other Holders hereunder or (iv) the failure by such Grantor to perform or observe any of the provisions hereof, in each case, in the manner and to the extent set forth in Section 11.6 of the Indenture.

(a) The parties hereto agree that the Security Agent shall be entitled to the benefits of, and the Grantors shall jointly and severally have the indemnification obligations described in, Section 11.6 of the Indenture.

(b) Any such amounts payable as provided hereunder shall be additional Secured Obligations secured hereby and by the other Note Documents. The provisions of this Section 15 shall remain operative and in full force and effect regardless of the termination of this Agreement or any other Note Document, the repayment of any of the Secured Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Note Document, any resignation of the Security Agent, or any investigation made by or on behalf of the Security Agent or any Holder. Subject to and in accordance with the terms of the Intercreditor Agreement and Section 11.6 of the Indenture, the Grantors shall pay or reimburse the Security Agent and each Holder, as applicable, for all amounts due under this Section 15.

Section 16. Amendments; Waivers; Additional Grantors; Etc. (a) Subject to the Intercreditor Agreement and Sections 9.1 and 9.2 of the Indenture, no amendment or waiver of any provision of this Agreement, and no consent to any departure by any Grantor herefrom, shall in any event be effective unless the same shall be in writing and signed by the Security Agent, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. No failure on the part of the Security Agent or any other Holder to exercise, and no delay in exercising any right hereunder, shall operate as a waiver thereof; nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right.

(a) Upon the execution and delivery, or authentication, by any Person of a security agreement supplement in substantially the form of Exhibit A hereto (each a "U.S. Security Agreement Supplement"), (i) such Person shall be referred to as an "Additional Grantor" and shall be and become a Grantor hereunder, and each reference in this Agreement and the other Note Documents, to "Grantor" shall also mean and be a reference to such Additional Grantor, and each reference in this Agreement and the other Note Documents, to "Collateral" shall also mean and be a reference to the Collateral of such Additional Grantor, and (ii) the supplemental schedules I through V attached to each U.S. Security Agreement Supplement shall be incorporated into and become a part of and supplement Schedules I through VI, respectively, hereto, and the Security Agent may attach such supplemental schedules to such Schedules; and each reference to such Schedules shall mean and be a reference to such Schedules as supplemented pursuant to each U.S. Security Agreement Supplement.

Section 17. Notices, Etc. All notices and other communications provided for hereunder shall be in writing (including telecopy or telex communication or facsimile transmission) and mailed, telecopied, telexed, faxed or delivered to it, if to any Grantor, addressed to it in care of the U.S. Issuer at the U.S. Issuer's address specified in Section 12.1 of the Indenture, or if to the Security Agent, at its address specified in Section 12.1 of the Indenture. All such notices and other communications shall be deemed to be given

or made at such time as shall be set forth in Section 12.1 of the Indenture. Delivery by telecopier or in .pdf or similar format by electronic mail of an executed counterpart of any amendment or waiver of any provision of this Agreement or of any U.S. Security Agreement Supplement or Schedule hereto shall be effective as delivery of an original executed counterpart thereof.

Section 18. Continuing Security Interest; Assignments under the Indenture. This Agreement shall create a continuing security interest in the Collateral and shall (a) remain in full force and effect until the Discharge (as defined in the Intercreditor Agreement) of the Other First Lien Obligations (as defined in the Intercreditor Agreement) (other than contingent indemnification obligations as to which no claim has been asserted), (b) be binding upon each Grantor, its successors and assigns and (c) inure, together with the rights and remedies of the Security Agent hereunder, to the benefit of the Holders and their respective successors, transferees and assigns.

Section 19. Release; Termination. (a) Upon any sale, lease, transfer or other disposition of any item of Collateral of any Grantor permitted by, and in accordance with, the terms of the Note Documents to a Person that is not a Grantor or in connection with any other release of the Liens on the Collateral provided for in Section 11.5 of the Indenture, such Collateral shall be automatically and without further action released from the security interests created by this Agreement. The Security Agent will, at such Grantor's cost and expense, promptly execute and deliver (without recourse and without any representation or warranty of any kind (either express or implied)) to such Grantor such documents as such Grantor shall reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted hereby; provided, however, that upon the Security Agent's request, such Grantor shall have delivered to the Security Agent a written request for release (with a reasonably detailed description of the related sale, transfer or disposition), together with a form of release for execution by the Security Agent and, if reasonably requested by the Security Agent, a certificate of such Grantor to the effect that the release is in compliance with the Note Documents.

(a) Upon the Discharge (as defined in the Intercreditor Agreement) of the Other First Lien Obligations (as defined in the Intercreditor Agreement) (other than contingent indemnification obligations as to which no claim has been asserted), the pledge and security interests granted hereby shall automatically terminate and all rights to the Collateral shall revert to the applicable Grantor. Upon any such termination, the Security Agent will, at the applicable Grantor's cost and expense, execute and deliver to such Grantor such documents as such Grantor shall reasonably request to evidence such termination, which are in the possession of the Security Agent or its nominee.

Section 20. Execution in Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement by telecopier or in .pdf or similar format by electronic mail shall be effective as delivery of an original executed counterpart of this Agreement. The Security Agent may also require that any such documents and signatures delivered by telecopier or other electronic transmission be confirmed by a manually-signed original thereof; provided that the failure to request or deliver the same shall not limit the effectiveness of any document or signature delivered by telecopier or other electronic transmission. The words "execution," "signed," "signature," and words of like import in this Agreement shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar applicable state laws based on the Uniform Electronic Transactions Act.

Section 21. The Mortgages. In the event that any of the Collateral hereunder is also subject to a valid and enforceable Lien under the terms of any Mortgage and the terms of such Mortgage are inconsistent with the terms of this Agreement, then with respect to such Collateral, the terms of such Mortgage shall be controlling in the case of fixtures, letting and licenses of real property, and the terms of this Agreement shall be controlling in the case of all other Collateral.

Section 22. Governing Law; Jurisdiction; Etc.

(a) THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

(b) EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK CITY IN THE BOROUGH OF MANHATTAN AND OF THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK SITTING IN THE BOROUGH OF MANHATTAN, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER NOTE DOCUMENT (OTHER THAN WITH RESPECT TO ANY NOTE DOCUMENT TO THE EXTENT EXPRESSLY PROVIDED OTHERWISE THEREIN), OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS AGREEMENT OR IN ANY OTHER NOTE DOCUMENT SHALL AFFECT ANY RIGHT THAT THE TRUSTEE, THE SECURITY AGENT OR ANY HOLDER MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER NOTE DOCUMENT OR THE RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT AGAINST ANY GRANTOR OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION.

(c) EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER NOTE DOCUMENT IN ANY COURT REFERRED TO IN CLAUSE (b) OF THIS SECTION 22. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(d) EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 12.8 OF THE INDENTURE. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

(e) EACH PARTY TO THIS AGREEMENT HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION ARISING UNDER THIS AGREEMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO THIS AGREEMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER FOUNDED IN CONTRACT OR TORT OR OTHERWISE; AND EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY, AND THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION 22(e) WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE SIGNATORIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

Section 23. Intercreditor Agreement. Notwithstanding any provision to the contrary in this Agreement, the priority of the Liens and security interests granted to the Security Agent hereunder and the exercise of any rights and/or remedies by the Security Agent hereunder, in each case, are subject to the terms of the Intercreditor Agreement. In the event of any conflict or inconsistency between the provisions of the Intercreditor Agreement and this Agreement, the provisions of the Intercreditor Agreement shall prevail. In the event of any such conflict, each Grantor may act (or omit to act) in accordance with the Intercreditor Agreement, and shall not be in breach, violation, or default of its obligations hereunder by reason of doing so.

Section 24. Local Law Pledge Limitations. Subject to the terms of the Intercreditor Agreement, notwithstanding any provision to the contrary in this Agreement, it is the intent of the parties hereto that to the extent that the jurisdiction of incorporation or organization of any Additional Grantor that becomes party to this Agreement pursuant to Section 16 requires additional local law provisions with respect to such new Grantor's obligations that are reasonably acceptable to the Security Agent, such provisions shall be deemed automatically incorporated by reference into this Section 24.
