Avanti Screenmedia Limited Report of the Directors

The directors have pleasure in submitting their annual report together with the audited financial statements for the year ended 30th June 2008.

Principal Activity

The principal activity of the company is the sale of advertising media via a digital media network through plasma screens to the on-trade.

Results and Dividends

The results for the year ended 30th June 2008 are shown on page 4. The directors do not recommend the payment of a dividend for the year ended 30th June 2008 (2007 - £15,000). The loss for the year transferred to reserves is £4,772,345 (2007 loss - £968,630).

Directors

The directors who served during the year were as follows:

G K D Truman

S Chambers

Appointed 13/04/07 and resigned 11/01/08

Auditors

Kingston Smith LLP have indicated their willingness to continue in office and in accordance with the provisions of the Companies Act it is proposed that they be re-appointed as auditors to the company for the ensuing year.

Disclosure of information to Auditors

- (a) So far as the directors are aware there is no relevant audit information of which the company's auditors are unaware
- (b) The directors have taken all steps that they ought to have taken to make themselves aware of any audit information and to establish that the company's auditors are aware of that information

The Directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company and to enable the Directors to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the Company and Group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Directors' Responsibilities and Report of the Auditors Statement of Directors' Responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing those financial statements, the directors are required to select suitable accounting policies and then apply them consistently; make judgements and estimates that are reasonable and prudent; and prepare the financial statements on a going concern basis unless it is inappropriate to assume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Auditors' Report to the Shareholders of Avanti Screenmedia Limited

We have audited the financial statements of Avanti Screenmedia Limited for the year ended 30th June 2008 which comprise the Profit and Loss Account, the Balance Sheet and the related notes. These have been prepared under the historical cost convention and the accounting policies set out therein.

This report is made solely to the company's members, as a body, in accordance with Section 235 of the Companies Act 1985. Our audit work has been undertaken for no purpose other than to draw to the attention of the company's members those matters which we are required to include in an auditor's report addressed to them. To the fullest extent permitted by law, we do not accept or assume responsibility to any party other than the company and company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective Responsibilities of Director's and Auditors

As described in the Statement of Directors are responsibilities, the company's directors are responsible for the preparation of the financial statements in accordance with applicable law and United Kingdom Accounting Standards (Generally Accepted Accounting Practice).

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland).

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the information given in the Directors' Report is consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding the directors' remuneration and transactions with the company is not disclosed.

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatements within it.

Basis of Audit Opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Directors' Responsibilities and Report of the Auditors Statement of Directors' Responsibilities

Opinion

In our opinion the financial statements give a true and fair view in accordance with United Kingdom Generally Accepted Accounting Practice, of the state of the company's affairs as at 30th June 2008 and loss for the year then ended; the financial statements have been properly prepared in accordance with the Companies Act 1985 and the information given in the directors' report is consistent with the financial statements.

Emphasis of Matter

In forming our opinion on the financial statements, which is not qualified, we have considered the adequacy of the disclosures made in note 1 to the accounts concerning the company's ability to continue as a going concern. The company meets its working capital requirements through sums advanced by its parent company. The parent company has committed to provide the company with sufficient funds to meet its liabilities as they fall due however the parent company may itself need to raise further funds to meet this commitment. The financial statements do not include the changes that would result if funding is not obtained and the company were unable to continue as a going concern.

The notes on pages 6 to 10 form part of these accounts.

Notes to the financial statements for the year ended 30 June 2008

1 Accounting Policies

Basis of Preparation

The financial statements of the company are prepared under the historical cost convention and in accordance with applicable UK accounting standards.

The company is a wholly owned subsidiary of Avanti Screenmedia Group plc whose financial statements are publicly available. Consequently, the company has taken advantage of the exemption from preparing a cash flow statement under the terms of Financial Reporting Standard No.1 (Revised 1996). The company is also exempt under the terms of Financial Reporting Standard No.8 from disclosing related party transactions (but not balances) with entities that are part of the Avanti Screenmedia Group plc group.

Going Concern

At the year end the company had net current liabilities of £10,662,563 and net liabilities of £8,047,321.

The company meets its day-to-day working capital requirements through sums advanced by Avanti Screenmedia Group plc, its parent company. These sums are unsecured, interest free and repayable on demand. At the year end a balance of £7,920,214 was due to Avanti Screenmedia Group plc.

Avanti Screenmedia Group plc, which has raised £1,550,000 in convertible loan notes and £240,000 net of expenses through an issue of new share capital since the year end, has confirmed it will continue to provide Avanti Screenmedia Limited sufficient funding to enable the company to continue in business and to meet its liabilities as they fall due for a period of not less than 12 months from the date of signature of these financial statements.

The directors have considered the ability of Avanti Screenmedia Group plc to advance such sums as the company requires to meet its ongoing commitments and are satisfied, based on Avanti Screenmedia Group plc's current financial position, its continuing ability to raise finance and on cashflow forecasts for Avanti Screenmedia Limited prepared by the directors, that it is capable of meeting the company's funding requirements. On this basis, the directors consider it appropriate to prepare these accounts on the going concern basis.

Intangible Assets

Acquired brands and other intangible assets which are controlled through custody or legal rights and could be sold separately from the rest of the business are capitalised, where fair value can be reliably measured. Where intangible assets are regarded as having limited useful economic lives they are amortised on a straight line basis over those lives. Where they are regarded as having indefinite useful lives they are not amortised. Impairment reviews are carried out to ensure that intangible assets are not carried at above their recoverable amounts. Any amortisation or impairment write downs are charged to the profit and loss account. Amortisation is over a maximum of 20 years.

Tangible Fixed Assets

Tangible fixed assets are depreciated on a straight line basis to estimated residual values over their expected useful lives as follows:

Fixtures and fittings	4 years
Network assets	4 years
Computer software	4 years

Reviews are carried out if there is any indication that impairment may have occurred, to ensure that fixed assets are not carried at above their recoverable amounts. Profit or loss on the sale or disposal of assets is charged to the profit and loss account and is calculated as the difference between the disposal proceeds and the net book value.

Fixed Asset Investments

Investments are stated individually at cost less, where appropriate, the provision for diminution in value where such diminution is expected by the directors to be permanent.

Foreign Currencies

Transactions in foreign currencies are recorded at the rate of exchange at the date of the transaction. All exchange gains and losses are taken to the profit and loss account. Assets and liabilities in foreign currencies are translated into sterling at the prevailing exchange rate ruling at the end of the financial year.

Notes to the financial statements for the year ended 30 June 2008

1 Accounting Policies (Continued)

Pension and other post employment Benefits

The employees of the company have the option to establish their own pension scheme to which the company will match employee contributions up to a maximum amount. There is no liability to the group scheme, and there is no on-going liability to the company beyond the period that the contributions are made.

Stocks

Stocks are stated at the lower of cost and net realisable value.

Leases

Where the company has substantially all the risks and rewards of ownership of an asset subject to the lease, the lease is treated as a finance lease and the asset capitalised. Other leases are treated as operating leases, with payments and receipts taken to the profit and loss account on a straight line basis over the life of the asset.

Taxation

The charge for taxation is based on the result for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes.

Deferred tax is recognised, without discounting in respect of all timing differences between the treatment of certain items for taxation and accounting purposes which have arisen but not reversed by the balance sheet date, except as otherwise required by FRS19.

2 Turnover

Turnover is attributable to the one principal activity of the company which arose wholly in the United Kingdom.

3	Operating Costs	2008 £	2007 £
	Operating costs include:	~	~
	Depreciation on tangible assets		
	Owned	1,124,042	834,868
