NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2007

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention

The financial statements are prepared on the basis of going concern, which assumes that the company will be in operational existence for the foreseeable future. This depends upon the continued support of the shareholders who have undertaken to provide such support to enable the company to meet its debts as and when they fall due. The financial statements do not include any adjustments that would result if such support was withdrawn.

1.2 Compliance with accounting standards

The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), which have been applied consistently (except as otherwise stated).

1.3 Turnover

Turnover represents income derived from the provision of nominee services net of VAT.

1.4 Deferred taxation

Deferred taxation is provided in full in respect of taxation deferred by timing differences between the treatment of certain items for taxation and accounting purposes. The deferred tax balance has not been discounted.
