The address of its registered office is:

Forum 6
Parkway
Solent Business Park
Whiteley, Fareham
United Kingdom
PO15 7PA

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

These financial statements have been prepared in accordance with the provisions of Financial Reporting Standard 102 Section 1A – small entities.

Basis of preparation

The financial statements have been prepared under the historical cost convention.

The financial statements are prepared in sterling which is the functional currency of the company and are rounded to the nearest £.

Key areas of estimation uncertainty and judgments

Deferred revenue

Customer data is used to estimate the value of uncollected spectacle sales which should be deferred at the year-end. Deferred revenue for contact lenses purchased by direct debit is estimated with reference to payment cycle information which is utilised to calculate the value of customer payments made in advance of delivery of goods.

Recoverability of trade debtors

The recoverability of trade debtors is assessed based on their age at the Balance Sheet date. A provision is made for any debtors where there are doubts as to their recoverability as a result of their age.

Aylesbury Visionplus Limited

Notes to the Financial Statements for the Year Ended 28 February 2023

2 Accounting policies (continued)

Revenue recognition

Revenue is recognised to the extent that the company obtains the right to consideration in exchange for its performance. Revenue is measured at the fair value of the consideration received, excluding discounts, rebates, VAT and other sales taxes. The following criteria must also be met before revenue is recognised:

Revenue from the sale of goods and services is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer, usually on dispatch of the goods, or when services are provided and the amount of revenue can be measured reliably, it is probable that the economic benefits associated with the transaction will flow to the entity and the costs incurred or to be incurred in respect of the transaction can be measured reliably.

Deferred revenue arises when cash is received in advance of revenue being earned, either in the form of payments received for spectacles which have not been collected or direct debit payments received for contact lenses in advance of delivery of the lenses to the customer.

Tax

Current tax is provided at amounts expected to be paid (or recovered) using tax rates and laws which have been enacted or substantively enacted by the balance sheet date.

Deferred tax is recognised in respect of all timing differences which are differences between taxable profits and total comprehensive income that arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in the financial statements, except that unrelieved tax losses and other deferred tax assets are recognised only to the extent that the directors consider that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

Government grants

Grants are accounted for under the accruals model as permitted by FRS 102. Grants relating to expenditure on tangible fixed assets are credited to the profit and loss account at the same rate as the depreciation on the assets to which the grant relates. The deferred element of grants is included in creditors as deferred income.

Grants of a revenue nature are recognised in "Other operating income" within profit or loss in the same period as the related expenditure. This includes the Government Coronavirus Job Retention Scheme ('Furlough').

Short term debtors and creditors

Debtors and creditors with no stated interest rate and which are receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in the profit and loss account in other operating expenses.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand, call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value. The directors have included the balances owed to and from the Group Treasury Company, within cash equivalents. If the overall cash balance with the Group Treasury Company is overdrawn, this is classified as a current liability alongside any other overdrawn external cash balances.

Aylesbury Visionplus Limited

Notes to the Financial Statements for the Year Ended 28 February 2023

2 Accounting policies (continued)

Share capital

Ordinary shares are classified as equity. Equity instruments are measured at the fair value of the cash or other resources received or receivable, net of the direct costs of issuing the equity instruments. If payment is deferred and the time value of money is material, the initial measurement is on a present value basis.

Dividends

Final dividends are recognised as an appropriation of equity when approved by the company's shareholders. Interim dividends are recognised when paid.

Defined contribution pension obligation

Contributions to defined contribution plans are recognised as employee benefit expense when they are due. If contribution payments exceed the contribution due for service, the excess is recognised as a prepayment.

3 Staff numbers

The average number of persons employed by the company (including directors) during the year, was 30 (2022: 34).

4 Debtors

	Note	2023 £	2022 £
Trade debtors		63,950	100,639
Amounts owed by related parties	8	22,035	11,793
Prepayments and accrued income		16,856	12,741
Deferred tax assets		857	794
		<u>103,698</u>	<u>125,967</u>

Due after one year

Deferred tax assets of £857 (2022: £794) are classified as non current.
