**OLIVER FORGE AND BRENDAN LYNCH LIMITED**  
**NOTES FORMING PART OF THE ABBREVIATED ACCOUNTS**  
**31ST MARCH 2004**

**1. Statement of directors' responsibilities**

Company law requires the directors to prepare financial statements for each financial period which give a true and fair view of the state of affairs of the company and of the profit and loss of the company for that period. In preparing those financial statements, the directors are required to:

- (i) select suitable accountancy policies and then apply them consistently;
- (ii) make judgments and estimates that are reasonable and prudent; and
- (iii) prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking steps for the prevention and detection of fraud and other irregularities.

**2. Accounting policies**

- (i) Accounting convention

The accounts have been prepared under the historical cost convention, and in accordance with the Financial Reporting Standard for Smaller Entities (effective June 2002)

- (ii) Depreciation

Depreciation is provided at the rate of 25% per annum so as to write off each tangible fixed asset on a straight-line basis over its estimated useful life.

- (iii) Stocks

Stocks are stated at the lower of cost and net realisable value.

- (iv) Turnover

Turnover represents amounts receivable for goods supplied and services rendered during the year stated net of value added tax.
