Extracts from the Articles of SunTech Medical Group Limited Co Reg No 04038252

On a show of hands every Member who (being an individual) is present in person or (being a corporation) is present by a duly authorised representative, not being himself a member entitled to vote, shall have one vote and on a poll every Member shall have one vote for every Share of which he is the holder

The Company may by Ordinary Resolution declare dividends but (without prejudice to the powers of the Company to pay interest on share capital as hereinbefore provided) no dividend shall be declared or paid except out of the profits of the Company or in excess of the amount recommended by the Directors

If in the opinion of the Directors the profits of the Company justify such payments, the Directors may declare and pay interim dividends of such amounts and on such dates and in respect of such periods as they think fit

Unless and to the extent that the special rights attached to any Shares or the terms of issue thereof otherwise provide, all dividends shall be declared and paid according to the amount paid on the Shares in respect whereof the dividend is paid, but (for the purposes of this Article only) no amount paid on a Share in advance of calls shall be treated as paid on the Share. All dividends shall be apportioned and paid pro rata according to the amounts paid on the Shares during any portion or portions of the period in respect of which the dividend is paid, save that if any share is issued on terms providing that it shall rank for dividend in whole or in part as from a particular date, such Share shall rank for dividend accordingly

The waiver in whole or in part of any dividend by any document (whether or not under seal) shall be effective only if such document is signed by the shareholder (or the person entitled to the Share to which the dividend relates in consequence of the death or bankruptcy of the holder) and delivered to the Company and if or to the extent that the same is accepted as such or acted upon by the Company

Upon the recommendation of the Directors, the Company may by Ordinary Resolution direct or offer payment of a dividend or a series of dividends in respect of a specified period in whole or in part by the issue or distribution of specific assets (and in particular of paid-up shares or debentures of any other company) or in any one or more of such ways and the Directors shall give effect to such resolution. Where any difficulty arises in regard to such distribution, the Directors may settle the same as they think expedient and in particular may issue fractional certificates, fix the value for distribution of such specific assets or any part thereof and may determine that cash payments shall be made to any Members upon the footing of the value so fixed in order to adjust the rights of all parties and may vest any such specific assets in trustees as may seem expedient to the Directors

The Company, upon the recommendation of the Directors, may from time to time by Ordinary Resolution resolve that it is desirable to capitalise any present or future sum standing to the credit of any of the Company's reserve accounts (including share premium account and capital redemption reserve) or any present or future sum standing to the credit of the profit and loss account of the Company or otherwise available for distribution and accordingly that the Directors be authorised
