### STRATEGIC REPORT FOR THE YEAR ENDED 31 MARCH 2020

---

#### Introduction

The Directors present their Strategic Report for the year ended 31 March 2020 as follows:

#### Business review and future developments

The company's principle activity is that of a holding company for the SunTech UK sub-group. Formerly the company was the ultimate parent of the wider SunTech group, including its US and Chinese subsidiaries. Following the acquisition of the SunTech Group by Halma plc and subsequent restructuring in April 2013, the US subsidiaries were transferred to another holding company in the Halma group.

Despite being profitable, subsequent to the year end the directors took the decision that as part of simplifying the global SunTech group operations, effective from the end of August 2020, SunTech Medical Limited, a subsidiary undertaking, would cease trading. The trade previously carried on by this business will be transferred to the company's sister company SunTech Medical Inc leaving the only remaining trading subsidiary being SunTech Medical Devices (Shenzhen) Co. Ltd.

The loss for the year was £40 (2019: profit of £5,038,797), as the company did not receive any dividends from subsidiary undertakings in the current year.

The company finished the year with net assets of £454,756 (2019: £454,796) and a positive cash balance.

#### Going concern

The financial statements have been prepared on a going concern basis. In adopting the going concern basis the directors have considered the company's business activities, together with the main trends and factors likely to affect its future development, performance and position, and the financial position of the company as at 31 March 2020 and at the approval date of these financial statements, its cash flows, liquidity position and borrowing facilities. The directors have prepared forecasts up to 31 March 2022, which take into account the resilient performance of the company in dealing with the challenges from COVID-19 to date in the financial year ending 31 March 2021. The company is a holding company and does not trade and there are no plausible scenarios where the company is unable to meet its debts as they fall due.

In addition, the company is part of the Halma plc group of companies which has access to considerable financial resources, including a £550m revolving credit facility running to November 2023, held with a core group of well-established banks, of which £358.5m was undrawn at 30 September 2020.

The directors have a high level of confidence that despite the current economic uncertainty and the ongoing COVID-19 pandemic the company has access to the necessary liquid resources to meet its liabilities as they fall due and will be able to sustain its business model, strategy and operations and remain solvent for the foreseeable future. Thus, the directors believe there is no material uncertainty in the use of the going concern assumption.

#### Principal risks and uncertainties

The company acts mainly as a holding company. The main risk facing the company is the underlying performance of its subsidiary companies. The directors address this by ensuring the subsidiaries have sufficient resources from within the Halma group to be able to continue trading.

#### Financial key performance indicators

The company's directors believe that further key performance indicators for the company are not necessary or appropriate for an understanding of the development, performance or position of the business.

### STRATEGIC REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2020

---

#### Financial risk management

Details of the financial risk management objectives and policies, as well as details of exposure to foreign currency risk, interest rate risk, credit risk, and liquidity risk, can be found in Note 27 to the Halma plc group financial statements. These can be obtained as disclosed in Note 16.

#### Directors' statement of compliance with duty to promote the success of the Company

The Companies (Miscellaneous Reporting) Regulations 2018 require that Directors explain how they have had regard to the matters set out in section 172(1) (a) to (f) (S.172(1)) of the Companies Act 2006 when performing their duty to promote the success of the Company. Throughout the period, while discharging their S.172(1) duty, the Directors have acted in a way that they considered, in good faith, would be most likely to promote the success of the Company for the benefit of shareholders, and in doing so had regard, amongst other matters, to:

- the likely consequences of any decision in the long term.
- the need to foster the Company's business relationships with suppliers and other.
- the impact of the Company's operations on the community and the environment.
- the desirability of the Company maintaining a reputation for high standards of business conduct.
- the need to act fairly between members of the Company.

The Directors also considered the interests of a wider set of stakeholders including its subsidiary undertakings and fellow group undertakings.

This report was approved by the board on 3 February 2021 and signed on its behalf.

---

### DIRECTORS' REPORT FOR THE YEAR ENDED 31 MARCH 2020

---

The directors present their annual report and the audited financial statements for the year ended 31 March 2020.

#### Directors' responsibilities statement

The directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 101 "Reduced Disclosure Framework", and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards, comprising FRS 101, have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006.

#### Results and dividends

The loss for the year, after taxation, amounted to £40 (2019 - profit 5,038,797).

No interim dividend (2019 - £5,039,310) on ordinary shares was paid in the period. The directors do not propose the payment of a final dividend (2019 - £nil).

#### Directors

The directors who served during the year, and to the date of this report, were:

J Dunne (appointed 5 October 2020)  
B S Barger (appointed 2 June 2020)  
R Sweitzer  
A Meyers (resigned 5 October 2020)  
G Orr  
P Sapra (resigned 2 June 2020)  
W Piland (resigned 3 August 2019)

---

## SUNTECH MEDICAL GROUP LIMITED

---

### DIRECTORS' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2020

---

#### Environmental matters

The Halma plc group recognises the importance of its environmental responsibilities, monitors its impact on the environment, and designs and implements policies to reduce any damage that might be caused by the group's activities. The company operates in accordance with group policies, which are described in the Group's Annual Report, which does not form part of this report. Initiatives designed to minimise the company's impact on the environment include safe disposal of manufacturing waste, recycling and reducing energy consumption.

#### Qualifying third party indemnity provisions

The company has qualifying third party indemnity provisions for the benefit of its directors which were in place during the year and remain in force at the date of this report.

#### Matters covered in the strategic report

The directors' statement on going concern, future developments, financial risk management and compliance with duty to promote the success of the company is included in the Strategic Report.

#### Disclosure of information to auditors

Each of the persons who are directors at the time when this Directors' report is approved has confirmed that:

- so far as the director is aware, there is no relevant audit information of which the Company's auditors are unaware, and
- the director has taken all the steps that ought to have been taken as a director in order to be aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006.

#### Post balance sheet events

Subsequent to the year end, from the end of August 2020, SunTech Medical Limited, a subsidiary undertaking, ceased trading. The trade previously carried on by this business has been transferred to the company's sister company SunTech Medical Inc.

#### Independent auditors

Under section 487(2) of the Companies Act 2006, PricewaterhouseCoopers LLP will be deemed to have been reappointed as auditors 28 days after these financial statements were sent to members or 28 days after the latest date prescribed for filing the accounts with the registrar, whichever is earlier.

This report was approved by the board on 3 February 2021 and signed on its behalf.

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF SUNTECH MEDICAL GROUP LIMITED**

---

## **Report on the audit of the financial statements**

### **Opinion**

In our opinion, Suntech Medical Group Limited's financial statements:

- give a true and fair view of the state of the company's affairs as at 31 March 2020 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standard, comprising FRS 101 "Reduced Disclosure Framework" and applicable law); and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements, included within the Annual Report and Financial Statements (the "Annual Report"), which comprise: the balance sheet as at 31 March 2020; the statement of comprehensive income and the statement of changes in equity for the year then ended; and the notes to the financial statements, which include a description of the significant accounting policies.

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities under ISAs (UK) are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### *Independence*

We remained independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, which includes the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

### **Conclusions relating to going concern**

We have nothing to report in respect of the following matters in relation to which ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

However, because not all future events or conditions can be predicted, this statement is not a guarantee as to the company's ability to continue as a going concern.

### **Reporting on other information**

The other information comprises all of the information in the Annual Report other than the financial statements and our auditors' report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except to the extent otherwise explicitly stated in this report, any form of assurance thereon.

---

<b>SUNTECH MEDICAL GROUP LIMITED</b>
--------------------------------------

---

---

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF SUNTECH MEDICAL GROUP LIMITED**

---

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify an apparent material inconsistency or material misstatement, we are required to perform procedures to conclude whether there is a material misstatement of the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report based on these responsibilities.

With respect to the Directors' Report, we also considered whether the disclosures required by the UK Companies Act 2006 have been included.

Based on the responsibilities described above and our work undertaken in the course of the audit, ISAs (UK) require us also to report certain opinions and matters as described below.

*Directors' Report*

In our opinion, based on the work undertaken in the course of the audit, the information given in the Directors' Report for the year ended 31 March 2020 is consistent with the financial statements and has been prepared in accordance with applicable legal requirements.

In light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we did not identify any material misstatements in the Directors' Report.

**Responsibilities for the financial statements and the audit**

*Responsibilities of the directors for the financial statements*

As explained more fully in the directors' responsibilities statement set out on page 1, the directors are responsible for the preparation of the financial statements in accordance with the applicable framework and for being satisfied that they give a true and fair view. The directors are also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

*Auditors' responsibilities for the audit of the financial statements*

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditors' report.

*Use of this report*

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

---

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF SUNTECH MEDICAL GROUP LIMITED**

---

**Other required reporting**

**Companies Act 2006 exception reporting**

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept by the company, or returns adequate for our audit have not been received from branches not visited by us; or
- certain disclosures of directors' remuneration specified by law are not made; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

**SUNTECH MEDICAL GROUP LIMITED**

---

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 MARCH 2020**

---

**1. General information**

SunTech Medical Group Limited is a private company limited by shares incorporated and domiciled in England, the United Kingdom under the Companies Act 2006. The company is itself a subsidiary company and is exempt from the requirement to prepare group financial statements by virtue of section 400 of the Companies Act 2006. These financial statements therefore present information about the company as an individual undertaking and not about its group.

**2. Accounting policies**

**2.1 Basis of preparation of financial statements**

The Company meets the definition of a qualifying entity under Financial reporting Standard (FRS 101) 'Reduced Disclosure Framework' issued by the Financial Reporting Council.

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Financial Reporting Standard 101 'Reduced Disclosure Framework' and the Companies Act 2006.

The preparation of financial statements in compliance with FRS 101 requires the use of certain critical accounting estimates. It also requires management to exercise judgment in applying the Company's accounting policies (see note 3).

New standards and interpretations not yet applied are disclosed on page 119 of the consolidated financial statements of the ultimate parent. New standards applied for the first time are disclosed in section 2.4 and on pages 118 to 119 of the consolidated financial statements of the ultimate parent. These statements can be obtained as disclosed in note 16 below.

---

**SUNTECH MEDICAL GROUP LIMITED**

---

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 MARCH 2020**

---

**2. Accounting policies (continued)**

**2.2 Financial reporting standard 101 - reduced disclosure exemptions**

The company has taken advantage of the following disclosure exemptions under FRS 101:

- the requirements of paragraphs 45(b) and 46-52 of IFRS 2 Share based payment
- the requirements of IFRS 7 Financial Instruments: Disclosures
- the requirements of paragraphs 91-99 of IFRS 13 Fair Value Measurement
- the requirement in paragraph 38 of IAS 1 'Presentation of Financial Statements' to present comparative information in respect of:
  - paragraph 79(a)(iv) of IAS 1;
  - paragraph 73(e) of IAS 16 Property, Plant and Equipment;
- the requirements of paragraphs 10(d), 10(f), 16, 38A, 38B, 38C, 38D, 40A, 40B, 40C, 40D, 111 and 134-136 of IAS 1 Presentation of Financial Statements
- the requirements of IAS 7 Statement of Cash Flows
- the requirements of paragraphs 30 and 31 of IAS 8 Accounting Policies, Changes in Accounting Estimates and Errors
- the requirements of paragraph 17 and 18A of IAS 24 Related Party Disclosures
- the requirements in IAS 24 Related Party Disclosures to disclose related party transactions entered into between two or more members of a group, provided that any subsidiary which is a party to the transaction is wholly owned by such a member
- the requirements of paragraphs 130(f)(ii), 130(f)(iii), 134(d)-134(f) and 135(c)-135(e) of IAS 36 Impairment of Assets.

---

## SUNTECH MEDICAL GROUP LIMITED

---

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2020

---

#### 2. Accounting policies (continued)

##### 2.3 Going concern

The financial statements have been prepared on a going concern basis. In adopting the going concern basis the directors have considered the company's business activities, together with the main trends and factors likely to affect its future development, performance and position, and the financial position of the company as at 31 March 2020 and at the approval date of these financial statements, its cash flows, liquidity position and borrowing facilities. The directors have prepared forecasts up to 31 March 2022, which take into account the resilient performance of the company in dealing with the challenges from COVID-19 to date in the financial year ending 31 March 2021. The company is a holding company and does not trade and there are no plausible scenarios where the company is unable to meet its debts as they fall due.

In addition, the company is part of the Halma plc group of companies which has access to considerable financial resources, including a £550m revolving credit facility running to November 2023, held with a core group of well-established banks, of which £358.5m was undrawn at 30 September 2020.

The directors have a high level of confidence that despite the current economic uncertainty and the ongoing COVID-19 pandemic the company has access to the necessary liquid resources to meet its liabilities as they fall due and will be able to sustain its business model, strategy and operations and remain solvent for the foreseeable future. Thus, the directors believe there is no material uncertainty in the use of the going concern assumption.

---

**SUNTECH MEDICAL GROUP LIMITED**

---

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 MARCH 2020**

---

**2. Accounting policies (continued)**

**2.4 Impact of new international reporting standards, amendments and interpretations**

**IFRS 16**

There are no material adjustments required to be made to the Company's financial statements as a result of the application of IFRS 16.

The Company has applied IFRS 16 using the modified retrospective approach, under which the cumulative effect of initial application is recognised in retained earnings at 1 April 2019.

**2.5 Foreign currency translation**

**Functional and presentation currency**

The Company's functional and presentational currency is GBP.

**Transactions and balances**

Foreign currency transactions are translated into the functional currency using the spot exchange rates at the dates of the transactions.

At each period end foreign currency monetary items are translated using the closing rate. Non-monetary items measured at historical cost are translated using the exchange rate at the date of the transaction and non-monetary items measured at fair value are measured using the exchange rate when fair value was determined.

**2.6 Valuation of investments**

Investments in subsidiaries are measured at cost less accumulated impairment.

**2.7 Cash and cash equivalents**

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.

**2.8 Creditors**

Creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers.

Creditors are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method.

**2.9 Financial instruments**

The Company recognises financial instruments when it becomes a party to the contractual arrangements of the instrument. Financial instruments are de-recognised when they are discharged or when the contractual terms expire. The Company's accounting policies in respect of financial instruments transactions are explained below:

Financial assets and financial liabilities are initially measured at fair value.

---

## SUNTECH MEDICAL GROUP LIMITED

---

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2020

---

#### 2. Accounting policies (continued)

##### 2.9 Financial instruments (continued)

###### Financial assets

All recognised financial assets are subsequently measured in their entirety at either fair value or amortised cost, depending on the classification of the financial assets.

###### Fair value through profit or loss

All of the Company's financial assets are subsequently measured at fair value at the end of each reporting period, with any fair value gains or losses being recognised in profit or loss to the extent they are not part of a designated hedging relationship. The net gain or loss recognised in profit or loss includes any dividend or interest earned on the financial asset.

###### Financial liabilities

###### Fair value through profit or loss

Financial liabilities are classified as at fair value through profit or loss, when the financial liability is held for trading, or is designated as at fair value through profit or loss. This designation may be made if such designation eliminates or significantly reduces a measurement or recognition inconsistency that would otherwise arise, or the financial liability forms part of a group of financial instruments which is managed and its performance is evaluated on a fair value basis, or the financial liability forms part of a contract containing one or more embedded derivatives, and IFRS 9 permits the entire combined contract to be designated as at fair value through profit or loss. Any gains or losses arising on changes in fair value are recognised in profit or loss to the extent that they are not part of a designated hedging relationship.

###### At amortised cost

Financial liabilities which are neither contingent consideration of an acquirer in a business combination, held for trading, nor designated as at fair value through profit or loss are subsequently measured at amortised cost using the effective interest method. This is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments through the expected life of the financial liability, or where appropriate a shorter period, to the amortised cost of a financial liability.

##### 2.10 Dividends

Equity dividends are recognised when they become legally payable. Interim equity dividends are recognised when paid. Final equity dividends are recognised when approved by the shareholders at an annual general meeting.

---

## SUNTECH MEDICAL GROUP LIMITED

---

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2020

---

#### 3. Judgements in applying accounting policies and key sources of estimation uncertainty

The following is the critical judgement, that the directors have made in the process of applying the Company's accounting policies and that have the most significant effect on the amounts recognised in financial statements. The directors do not consider that there is any significant estimation uncertainty in the preparation of financial statements.

##### **Impairment of investments**

The company acts as a holding company of investments. The directors must consider whether based on the underlying performance of the investments there is indicator of impairment present that would warrant an impairment review. Where such indicators are present the directors consider the value in use of the investment. The value in use calculation involves an estimation of the present value of future cash flows of the investment. The future cash flows are based on annual budgets, to which the management's expectation of market-share and long-term growth rates are applied. The present value is then calculated based on management's judgment of future discount rates.

#### 4. Operating (loss)/profit

The operating (loss)/profit is stated after crediting:

	2020	2019
	£	£
Exchange differences	85	39,445

The directors are also directors of other Halma group companies. They were remunerated by other group companies. The amount relating to their services to the company was £NIL (2019 - £NIL).

#### 5. Auditors' remuneration

	2020	2019
	£	£
Fees payable to the company's auditors for the audit of the company's annual financial statements	3,139	2,920

#### 6. Employees

The Company has no employees other than the directors, who did not receive any remuneration (2019 - £NIL).
