agrees to transfer record ownership of the securities issued by it in connection with any request by the Pari Passu Collateral Agent if an Event of Default has occurred and is continuing.

SECTION 2.04. *Certification of Limited Liability Company and Limited Partnership Interests.*

(a) As of the Issue Date, except as set forth on *Schedule II*, the Equity Interests in limited liability companies that are pledged by the Pledgors hereunder and do not have a certificate number listed on *Schedule II* do not constitute a security under Section 8-103 of the New York UCC or the corresponding code or statute of any other applicable jurisdiction.

(b) The Pledgors shall at no time elect to treat any interest in any limited liability company or limited partnership Controlled by a Pledgor and pledged hereunder as a “security” within the meaning of Article 8 of the New York UCC or issue any certificate representing such interest, unless the applicable Pledgor provides prior or contemporaneous written notification to the Pari Passu Collateral Agent of such election and promptly (and in any event within 30 days or such longer period as the Pari Passu Collateral Agent may permit in its reasonable discretion) delivers, as applicable, any such certificate to the Pari Passu Collateral Agent pursuant to the terms hereof.

SECTION 2.05. *Registration in Nominee Name; Denominations.* The Pari Passu Collateral Agent, on behalf of the Secured Parties, shall have the right (in its sole and absolute discretion) to hold the Pledged Securities in the name of the applicable Pledgor, endorsed or assigned in blank or in favor of the Pari Passu Collateral Agent or, if an Event of Default shall have occurred and be continuing, in its own name as pledgee or the name of its nominee (as pledgee or as sub-agent). During the continuance of any Event of Default, each Pledgor will promptly give to the Pari Passu Collateral Agent copies of any notices or other communications received by it with respect to Pledged Stock registered in the name of such Pledgor. If an Event of Default shall have occurred and be continuing, the Pari Passu Collateral Agent shall have the right to exchange the certificates representing Pledged Stock held by it for certificates of smaller or larger denominations for any purpose consistent with this Agreement. Each Pledgor shall use its commercially reasonable efforts to cause any Subsidiary that is not a party to this Agreement to comply with a request by the Pari Passu Collateral Agent, pursuant to this Section 2.05, to exchange certificates representing Pledged Stock of such Subsidiary for certificates of smaller or larger denominations.

SECTION 2.06. *Voting Rights; Dividends and Interest, Etc.*

(a) Unless and until an Event of Default shall have occurred and be continuing and the Pari Passu Collateral Agent shall have given written notice to the relevant Pledgors of the Pari Passu Collateral Agent’s intention to exercise its rights hereunder:

(i) Each Pledgor shall be entitled to exercise any and all voting and/or other consensual rights and powers inuring to an owner of Pledged Collateral or any part thereof for any purpose not prohibited by the terms of this Agreement, the Indenture or any Other Secured Agreement; *provided* that, except as not prohibited by the Indenture or any Other Secured Agreement, such rights and powers shall not be exercised in any

manner that could be reasonably likely to materially and adversely affect the rights and remedies of any of the Pari Passu Collateral Agent or the other Secured Parties under this Agreement, the Indenture or any Other Secured Agreement or the ability of the Secured Parties to exercise the same.

(ii) The Pari Passu Collateral Agent shall promptly execute and deliver to each Pledgor, or cause to be executed and delivered to such Pledgor, all such proxies, powers of attorney and other instruments as such Pledgor may reasonably request for the purpose of enabling such Pledgor to exercise the voting and/or consensual rights and powers it is entitled to exercise pursuant to subparagraph (i) above.

(iii) Each Pledgor shall be entitled to receive and retain any and all dividends, interest, principal and other distributions paid on or distributed in respect of the Pledged Collateral to the extent and only to the extent that such dividends, interest, principal and other distributions are not prohibited by, and otherwise paid or distributed in accordance with, the terms and conditions of the Indenture, any Other Secured Agreement and applicable laws; *provided that* (A) any non-cash dividends, interest, principal or other distributions, payments or other consideration in respect thereof, including any rights to receive the same to the extent not so distributed or paid, that would constitute Pledged Stock to the extent such Pledgor has the rights to receive such Pledged Stock if they were declared, distributed and paid on the date of this Agreement, whether resulting from a subdivision, combination or reclassification of the outstanding Equity Interests of the issuer of any Pledged Stock, received in exchange for Pledged Stock or any part thereof, or in redemption thereof, as a result of any merger, consolidation, acquisition or other exchange of assets to which such issuer may be a party or otherwise or (B) any non-cash dividends and other distributions paid or payable in respect of any Pledged Stock that would constitute Pledged Stock to the extent such Pledgor has the rights to receive such Pledged Stock if they were declared, distributed and paid on the date of this Agreement, in connection with a partial or total liquidation or dissolution or in connection with a reduction of capital, capital surplus or paid in surplus, shall, in the case of each of the foregoing clauses (A) and (B), be and become part of the Pledged Collateral, and, if received by any Pledgor, shall not be commingled by such Pledgor with any of its other funds or property but shall be held separate and apart therefrom, shall be held in trust for the benefit of the Pari Passu Collateral Agent, for the benefit of the Secured Parties, and shall be promptly delivered to the Pari Passu Collateral Agent, for the benefit of the Secured Parties, in the same form as so received (endorsed in a manner reasonably satisfactory to the Pari Passu Collateral Agent).

(b) Upon the occurrence and during the continuance of an Event of Default and after written notice by the Pari Passu Collateral Agent to the relevant Pledgors of the Pari Passu Collateral Agent's intention to exercise its rights hereunder, all rights of any Pledgor to receive dividends, interest, principal or other distributions with respect to Pledged Stock that such Pledgor is authorized to receive pursuant to paragraph (a)(iii) of this Section 2.06 shall cease, and all such rights shall thereupon become vested, for the benefit of the Secured Parties, in the Pari Passu Collateral Agent which shall have the sole and exclusive right and authority to receive and retain such dividends, interest, principal or other distributions; *provided that* the Pari Passu Collateral Agent shall have the right from time to time following and during the continuance of

an Event of Default to permit the Pledgors to receive and retain such amounts; *provided, further*, that, notwithstanding the occurrence and continuance of an Event of Default, any Pledgor may continue to exercise dividend and distribution rights solely in respect of any taxable period for which the Pledgor (or, if it is a disregarded entity for U.S. federal income tax purposes, its regarded parent entity) and/or any of its subsidiaries are members of a consolidated, combined, affiliated, unitary or similar tax group for U.S. federal and/or applicable state, local or foreign tax purposes of which a direct or indirect parent of the Pledgor is the common parent, distributions to any direct or indirect parent entity of the Pledgor in an amount not to exceed the amount of any U.S. federal, state, local and/or foreign income taxes that the Pledgor and/or its subsidiaries, as applicable, would have paid for such taxable period had the Pledgor and/or its subsidiaries, as applicable, been a stand-alone corporate taxpayer or a stand-alone corporate group (without duplication, for the avoidance of doubt, of any amount of such taxes actually directly paid by the Pledgor and/or any of its subsidiaries to the relevant taxing authority, if any), in each case in order to permit any parent entity to make such payments. All dividends, interest, principal or other distributions received by any Pledgor contrary to the provisions of this Section 2.06 shall not be commingled by such Pledgor with any of its other funds or property but shall be held separate and apart therefrom, shall be held in trust for the benefit of the Pari Passu Collateral Agent, for the benefit of the Secured Parties, and shall be forthwith delivered to the Pari Passu Collateral Agent, for the benefit of the Secured Parties, in the same form as so received (endorsed in a manner reasonably satisfactory to the Pari Passu Collateral Agent). Any and all money and other property paid over to or received by the Pari Passu Collateral Agent pursuant to the provisions of this paragraph (b) shall be retained by the Pari Passu Collateral Agent in an account to be established by the Pari Passu Collateral Agent upon receipt of such money or other property and shall be applied in accordance with the provisions of Section 4.02. After all Events of Default have been cured or waived and the Issuer has delivered to the Pari Passu Collateral Agent a certificate to that effect, the Pari Passu Collateral Agent shall promptly repay to each Pledgor (without interest) all dividends, interest, principal or other distributions that such Pledgor would otherwise be permitted to retain pursuant to the terms of paragraph (a)(iii) of this Section 2.06 and that remain in such account.

(c) Upon the occurrence and during the continuance of an Event of Default and after written notice by the Pari Passu Collateral Agent to the Issuer of the Pari Passu Collateral Agent's intention to exercise its rights hereunder, all rights of any Pledgor to exercise the voting and/or consensual rights and powers it is entitled to exercise pursuant to paragraph (a)(i) of this Section 2.06, and the obligations of the Pari Passu Collateral Agent under paragraph (a)(ii) of this Section 2.06, shall cease, and all such rights shall thereupon become vested in the Pari Passu Collateral Agent, for the benefit of the Secured Parties, which shall have the sole and exclusive right and authority to exercise such voting and consensual rights and powers; *provided* that the Pari Passu Collateral Agent shall have the right from time to time following and during the continuance of an Event of Default to permit the Pledgors to exercise such rights. After all Events of Default have been cured or waived and the Issuer has delivered to the Pari Passu Collateral Agent a certificate to that effect, each Pledgor shall have the right to exercise the voting and/or consensual rights and powers that such Pledgor would otherwise be entitled to exercise pursuant to the terms of paragraph (a)(i) above and the obligations of the Pari Passu Collateral Agent under paragraph (a)(ii) shall be in effect.

ARTICLE III

Security Interests in Other Personal Property

SECTION 3.01. *Security Interest*

(a) As security for the payment or performance when due (whether at the stated maturity, by acceleration or otherwise), as the case may be, in full of the Secured Obligations, each Pledgor hereby pledges to the Pari Passu Collateral Agent, its successors and permitted assigns, for the benefit of the Secured Parties, and hereby grants to the Pari Passu Collateral Agent, its successors and permitted assigns, for the benefit of the Secured Parties, a security interest (the “**Security Interest**”) in all right, title and interest in or to any and all of the following assets and properties owned as of the 2023 Secured Notes Issue Date, and, with respect to clauses (i)-(iv) to this Section 3.01(a), at any time acquired after the 2023 Secured Notes Issue Date by such Pledgor, or in which such Pledgor had as of the 2023 Secured Notes Issue Date, and, with respect to clauses (i)-(iv) to this Section 3.01(a), at any time after the 2023 Secured Notes Issue Date may have acquired or in the future may acquire, any right, title or interest (collectively, the “**Article 9 Collateral**”):

- (i) Equipment consisting of casino equipment associated with the Vessels;
- (ii) Inventory associated with the Vessels;
- (iii) Accounts consisting of trade receivables associated with the Vessels;
- (iv) General Intangibles associated with the Vessels, including related computer software and excluding other Intellectual Property;
- (v) all Intellectual Property; and
- (vi) to the extent not otherwise included, all Proceeds, Supporting Obligations and products of any and all of the foregoing and all collateral security and guarantees given by any person with respect to any of the foregoing;

provided, with respect to Article 9 Collateral consisting of Intellectual Property, that the foregoing grant of security interest does not and will not cover any “intent-to-use” applications for trademark or service mark registrations filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. §1051, unless and until an Amendment to Allege Use or a Statement of Use under Section 1(c) or 1(d) of the Lanham Act (a “**Statement of Use**”) has been filed, to the extent, if any, that any grant of a security interest in or to an “intent-to-use” application prior to such filing would violate the Lanham Act. For the avoidance of doubt, the “Article 9 Collateral” shall not include any assets or property owned by a Pledgor on the 2023 Notes Issue Date that are no longer owned by a Pledgor as of the Issue Date.

(b) Each Pledgor hereby irrevocably authorizes the Pari Passu Collateral Agent at any time and from time to time to file in any relevant jurisdiction any initial financing statements with respect to the Collateral or any part thereof and amendments thereto that contain the information required by Article 9 of the Uniform Commercial Code of each applicable

jurisdiction for the filing of any financing statement or amendment, including (i) whether such Pledgor is an organization, the type of organization and any organizational identification number issued to such Pledgor, and (ii) a description of Collateral that describes such property in the manner substantially in the form set forth in *Schedule IV* hereto and describing any Pledged Equity for any Pledgor that has pledged such equity under Article II. Each Pledgor agrees to provide such information to the Pari Passu Collateral Agent promptly upon request. The Pari Passu Collateral Agent shall have no responsibility for filing any financing statements or continuation statements.

The Pari Passu Collateral Agent is further authorized, but shall have no obligation, to file (i) with the United States Patent and Trademark Office and United States Copyright Office, as applicable, and (ii) with the applicable Governmental Authorities in each Additional Perfection Jurisdiction the Notice of Grant of Security Interest in Intellectual Property substantially in the form attached hereto as *Exhibit II* and/or such other documents as may be reasonably necessary or advisable for the purpose of perfecting, confirming, continuing, enforcing or protecting the Security Interest granted by each Pledgor in such Pledgor's Patents, Trademarks and Copyrights included in the Article 9 Collateral in a manner consistent with the Agreed Security Principles, without the signature of such Pledgor, and naming such Pledgor or the Pledgors as debtors and the Pari Passu Collateral Agent as secured party. Notwithstanding anything to the contrary herein, no Pledgor shall be required to take any action under the laws of any jurisdiction other than the United States of America (or any political subdivision thereof and including its territories and possessions) and the Additional Perfection Jurisdictions for the purpose of perfecting the Security Interest in any Article 9 Collateral of such Pledgor.

(c) The Security Interest is granted as security only and shall not subject the Pari Passu Collateral Agent or any other Secured Party to, or in any way alter or modify, any obligation or liability of any Pledgor with respect to or arising out of the Collateral.

SECTION 3.02. *Representations and Warranties.* The Pledgors jointly and severally represent and warrant to the Pari Passu Collateral Agent, for the benefit of the Secured Parties, that:

(a) Each Pledgor has good and valid rights in and title to the Article 9 Collateral with respect to which it has purported to grant a Security Interest hereunder except where the failure to have such rights and title would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, and has full power and authority to grant to the Pari Passu Collateral Agent the Security Interest in such Article 9 Collateral pursuant hereto and to execute, deliver and perform its obligations in accordance with the terms of this Agreement, without the consent or approval of any other person as of the Issue Date other than any consent or approval that has been obtained and is in full force and effect or has otherwise been disclosed herein or in the Indenture.

(b) The Uniform Commercial Code financing statements or other appropriate filings, recordings or registrations containing a description of the Article 9 Collateral that have been prepared or will be prepared for filing in each governmental, municipal or other appropriate filing office constitute all the filings, recordings and registrations (other than filings required to be made in the United States Patent and Trademark Office, the United States Copyright Office or

any comparable intellectual property office in any jurisdiction other than the United States, including the Additional Perfection Jurisdictions, in order to perfect the Security Interest in Article 9 Collateral) that are necessary as of the Issue Date to publish notice of and protect the validity of and to establish a valid and perfected security interest in favor of the Pari Passu Collateral Agent (for the benefit of the Secured Parties) in respect of all Article 9 Collateral in which the Security Interest may be perfected by filing, recording or registration in the United States (or any political subdivision thereof), and no further or subsequent filing, refiling, recording, rerecording, registration or reregistration is necessary in any such jurisdiction, except as provided under applicable law with respect to the filing of continuation statements or amendments.

(c) Each Pledgor represents and warrants with respect to United States federally registered Intellectual Property, or covenants with respect to Additional Perfection Jurisdiction registered Intellectual Property, that the Notices of Grant of Security Interest in Intellectual Property executed by the applicable Pledgors contain, or will contain, as applicable, descriptions of all Article 9 Collateral that consists of (i) material United States federally issued and Additional Perfection Jurisdiction issued Patents (and material Patents for which United States federal registration applications and Additional Perfection Jurisdiction registration applications have been published and are pending), (ii) material United States federally registered, and Additional Perfection Jurisdiction registered Trademarks (and material Trademarks for which United States federal registration applications and Additional Perfection Jurisdiction registration applications are pending) and (iii) material United States federally registered Copyrights and have been prepared by the Pledgor for recording by such Pledgor or its designee with the United States Patent and Trademark Office and the United States Copyright Office pursuant to 35 U.S.C. § 261, 15 U.S.C. § 1060 or 17 U.S.C. § 205 and the regulations thereunder or will be recorded by the Pledgor with the applicable Governmental Authorities in the Additional Perfection Jurisdictions in accordance with Section 3.04(h), as applicable, and required or reasonably requested by the Pari Passu Collateral Agent, to protect the validity of and to establish a valid and perfected security interest (or, in the case of Patents and Trademarks, notice thereof) in favor of the Pari Passu Collateral Agent, for the benefit of the Secured Parties, in respect of all Article 9 Collateral consisting of such Intellectual Property as of the Issue Date in which a security interest may be perfected by recording with the United States Patent and Trademark Office, the United States Copyright Office and the applicable Governmental Authorities in the Additional Perfection Jurisdictions, and no further or subsequent filing, refiling, recording, rerecording, registration or reregistration is necessary (other than such actions as are necessary to perfect the Security Interest with respect to any Article 9 Collateral consisting of material United States federally pending unpublished Patents or “intent-to-use” based pending Trademarks that are, respectively, published or for which Statements of Use are filed after the Issue Date).

(d) The Security Interest constitutes (i) a valid security interest in all the Article 9 Collateral securing the payment and performance of the Secured Obligations, as applicable, (ii) subject to the filings described in Section 3.02(b), as of the Issue Date a perfected security interest in all Article 9 Collateral in which a security interest may be perfected by filing, recording or registering a financing statement or analogous document in the United States (or any political subdivision thereof) and the Additional Perfection Jurisdictions pursuant to the Uniform Commercial Code or other applicable law in such jurisdictions and (iii) a security

interest that shall be perfected in all Article 9 Collateral in which a security interest may be perfected upon the receipt and recording of the Notices of Grant of Security Interest in Intellectual Property with the United States Patent and Trademark Office, the United States Copyright Office, and the applicable Governmental Authorities in the Additional Perfection Jurisdictions, as applicable. The Security Interest is and shall be prior to any other Lien on any of the Article 9 Collateral other than Permitted Liens.

(e) The Article 9 Collateral is owned by the Pledgors free and clear of any Lien, other than Permitted Liens. None of the Pledgors has filed or consented to the filing of (i) any financing statement or analogous document under the Uniform Commercial Code or any other applicable laws covering any Article 9 Collateral, (ii) any assignment in which any Pledgor assigns any Article 9 Collateral or any security agreement or similar instrument covering any Article 9 Collateral with the United States Patent and Trademark Office or the United States Copyright Office for the benefit of a third party or (iii) any assignment in which any Pledgor assigns any Article 9 Collateral or any security agreement or similar instrument covering any Article 9 Collateral with any foreign governmental, municipal or other office, which financing statement or analogous document, assignment, security agreement or similar instrument is still in effect, except, in each case, for Permitted Liens.

(f) As to itself and its Article 9 Collateral (other than licenses of intellectual property owned by a third party):

(i) The Article 9 Collateral set forth on *Schedule III* includes a true and complete list of all of the material issued and applied for United States federal and foreign Patents (excluding any unpublished patent applications), material registered and applied for United States federal and foreign Trademarks and material United States federally registered Copyrights owned by such Pledgor as of the Issue Date.

(ii) The Article 9 Collateral is subsisting and has not been adjudged invalid or unenforceable in whole or in part and, to the best of such Pledgor's knowledge, is valid and enforceable, except as would not reasonably be expected to have a Material Adverse Effect. Such Pledgor is not aware of any current uses of any item of Article 9 Collateral that would be expected to lead to such item becoming invalid or unenforceable, except as would not reasonably be expected to have a Material Adverse Effect.

(iii) Except as would not reasonably be expected to have a Material Adverse Effect, (A) such Pledgor has made or performed all commercially reasonable acts, including without limitation filings, recordings and payment of all required fees and taxes, required to maintain and protect its interest in each and every item of Article 9 Collateral in full force and effect in the United States and the Additional Perfection Jurisdictions and (B) such Pledgor has used proper statutory notice in connection with its use of each Patent, Trademark and Copyright in the Article 9 Collateral.

(iv) Except as would not reasonably be expected to have a Material Adverse Effect, (A) no Article 9 Collateral is subject to any outstanding consent, settlement, decree, order, injunction, judgment or ruling restricting the use of any Article 9 Collateral or that would impair the validity or enforceability of such Article 9 Collateral and (B) the

conduct of the respective businesses of the Pledgors does not infringe, misappropriate or otherwise violate the Intellectual Property rights of any third party.

SECTION 3.03. *Covenants.*

(a) Each Pledgor agrees promptly (and in any event within 15 Business Days (or such longer period as the Pari Passu Collateral Agent may agree)) to notify the Pari Passu Collateral Agent in writing of any change (i) in its corporate or organization name, (ii) in its identity or type of organization, (iii) in its jurisdiction of organization (iv) in its chief executive office, or principal place of business or (v) in its federal taxpayer identification number or organizational identification number. Each Pledgor agrees not to effect or permit any change referred to in the first sentence of this paragraph (a) unless all filings have been made, or will have been made within the time period required by the Indenture, under the Uniform Commercial Code that are required in order for the Pari Passu Collateral Agent to continue at all times following such change to have a valid, legal and perfected security interest in all the Collateral in which a security interest may be perfected by such filing, for the benefit of the Secured Parties.

(b) Subject to any rights of such Pledgor to sell, lease, convey, transfer or otherwise Dispose of Collateral provided for in the Indenture and each Other Secured Agreement, each Pledgor shall, at its own expense, use commercially reasonable efforts to defend title to the Article 9 Collateral against all persons and to defend the Security Interest of the Pari Passu Collateral Agent, for the benefit of the Secured Parties, in the Article 9 Collateral and the priority thereof against any Lien that is not a Permitted Lien.

(c) Each Pledgor agrees, at its own expense, to execute, acknowledge, deliver and cause to be duly filed all such further instruments and documents and take all such actions as necessary or as the Pari Passu Collateral Agent may from time to time reasonably request to better assure, preserve, protect, defend and perfect the Security Interest in a manner consistent with the Agreed Security Principles and the rights and remedies created hereby, including the payment of any fees and taxes required in connection with the execution and delivery of this Agreement and the granting of the Security Interest and the filing of any financing statements (including fixture filings) or other documents in connection herewith or therewith, all in accordance with the terms hereof and the terms of the Indenture and each Other Secured Agreement.

(d) After the occurrence of an Event of Default and during the continuance thereof, the Pari Passu Collateral Agent shall have the right to verify under reasonable procedures the validity, amount, quality, quantity, value, condition and status of, or any other matter relating to, the Article 9 Collateral, including, in the case of Accounts or Article 9 Collateral in the possession of any third person, by contacting Account Debtors or the third person possessing such Article 9 Collateral for the purpose of making such a verification. The Pari Passu Collateral Agent shall have the right to share any information it gains from such inspection or verification with any Secured Party and in accordance with Section 4.24 of the Second Lien Intercreditor Agreement and any equivalent provision of any Other Secured Agreement or any other Intercreditor Agreement.

(e) The Pari Passu Collateral Agent may discharge past due taxes, assessments, charges, fees, Liens, security interests or other encumbrances at any time levied or placed on the Article 9 Collateral and not a Permitted Lien, and may pay for the maintenance and preservation of the Article 9 Collateral to the extent any Pledgor fails to do so as required by the Indenture, this Agreement or any Other Secured Agreement, and each Pledgor jointly and severally agrees to reimburse the Pari Passu Collateral Agent on demand for any reasonable and documented payment made or any reasonable and documented out-of-pocket expense incurred by the Pari Passu Collateral Agent pursuant to the foregoing authorization; *provided, however*, that nothing in this Section 3.03(e) shall be interpreted as excusing any Pledgor from the performance of, or imposing any obligation on the Pari Passu Collateral Agent or any Secured Party to cure or perform, any covenants or other promises of any Pledgor with respect to taxes, assessments, charges, fees, Liens, security interests or other encumbrances and maintenance as set forth herein or in the Indenture or any Other Secured Agreement.

(f) Each Pledgor (rather than the Pari Passu Collateral Agent or any Secured Party) shall remain liable for the observance and performance of all the conditions and obligations to be observed and performed by it under each contract, agreement or instrument relating to the Article 9 Collateral and each Pledgor jointly and severally agrees to indemnify and hold harmless the Pari Passu Collateral Agent and the Secured Parties from and against any and all liability for such performance.

(g) None of the Pledgors shall make or permit to be made an assignment, pledge or hypothecation of the Article 9 Collateral or shall grant any other Lien in respect of the Article 9 Collateral, except as not prohibited by this Agreement, the Indenture or any Other Secured Agreement. None of the Pledgors shall make or permit to be made any transfer of the Article 9 Collateral, except as not prohibited by this Agreement, the Indenture, any Other Secured Agreement or any Intercreditor Agreement.

(h) Each Pledgor irrevocably makes, constitutes and appoints the Pari Passu Collateral Agent (and all officers, employees or agents designated by the Pari Passu Collateral Agent) as such Pledgor's true and lawful agent (and attorney-in-fact) for the purpose, during the continuance of an Event of Default of making, settling and adjusting claims in respect of Article 9 Collateral under policies of insurance, endorsing the name of such Pledgor on any check, draft, instrument or other item of payment for the proceeds of such policies of insurance and for making all determinations and decisions with respect thereto. In the event that any Pledgor at any time or times shall fail to obtain or maintain any of the policies of insurance required by the Indenture or any Other Secured Agreement or to pay any premium in whole or part relating thereto, the Pari Passu Collateral Agent may, without waiving or releasing any obligation or liability of the Pledgors hereunder or any Event of Default, in its sole discretion, obtain and maintain such policies of insurance and pay such premium and take any other actions with respect thereto as the Pari Passu Collateral Agent reasonably deems advisable. All sums disbursed by the Pari Passu Collateral Agent in connection with this Section 3.03(h), including reasonable and documented attorneys' fees, court costs, expenses and other charges relating thereto, shall be payable, upon demand, by the Pledgors to the Pari Passu Collateral Agent and shall be additional Secured Obligations secured hereby.

SECTION 3.04. *Covenants Regarding Patent, Trademark and Copyright Collateral* Except as not prohibited by the Indenture or any Other Secured Agreement:

(a) Each Pledgor agrees that it will not knowingly do any act or omit to do any act (and will exercise commercially reasonable efforts to prevent its licensees from doing any act or omitting to do any act) whereby any Intellectual Property included in the Article 9 Collateral that is material to the conduct of such Pledgor's business may become prematurely invalidated, abandoned, lapsed or dedicated to the public.

(b) Each Pledgor will, and will use its commercially reasonable efforts to cause its licensees or its sublicensees to, for each material Trademark included in the Article 9 Collateral and necessary to the conduct of such Pledgor's business, (i) maintain such Trademark in full force free from any adjudication of abandonment or invalidity for non-use and (ii) maintain the quality of products and services offered under such Trademark in a manner consistent with the operation of such Pledgor's business.

(c) Each Pledgor shall notify the Pari Passu Collateral Agent within forty-five (45) days if it knows that any United States federal or Additional Perfection Jurisdiction issued or applied for Patent, United States federal or Additional Perfection Jurisdiction registered or applied for Trademark or United States federal registered Copyright, in each case included in the Article 9 Collateral and material to the conduct of such Pledgor's business, may imminently become abandoned, lapsed or dedicated to the public, or of any materially adverse determination or development, excluding non-final office actions in the ordinary course of such Pledgor's business and similar determinations or developments in the United States Patent and Trademark Office, United States Copyright Office, applicable Governmental Authority in any Additional Perfection Jurisdiction or any court or any similar office of any country, regarding such Pledgor's ownership or the validity of any such material Patent, Trademark or Copyright included in the Article 9 Collateral or its right to register or to maintain the same.

(d) Each Pledgor shall exercise its reasonable business judgment consistent with its past practice in any proceeding before the United States Patent and Trademark Office, the United States Copyright Office or any applicable Governmental Authority in any Additional Perfection Jurisdiction with respect to maintaining and pursuing each application relating to any Patent, Trademark and/or Copyright (and obtaining the relevant grant or registration) material to the conduct of such Pledgor's business and included in the Article 9 Collateral and to maintain (i) each United States federal and Additional Perfection Jurisdiction issued Patent that is material to the conduct of such Pledgor's business and included in the Article 9 Collateral and (ii) the registrations of each United States federal and Additional Perfection Jurisdiction registered Trademark and each United States federal registered Copyright that is material to the conduct of such Pledgor's business and included in the Article 9 Collateral, including, when applicable and necessary in such Pledgor's reasonable business judgment, timely filings of applications for renewal, affidavits of use, affidavits of incontestability and payment of maintenance fees, and, if any Pledgor believes necessary in its reasonable business judgment, to initiate opposition, interference and cancellation proceedings against third parties.

(e) In the event that any Pledgor knows or has reason to know that any Article 9 Collateral consisting of a Patent, Trademark or Copyright material to the conduct of its business

has been materially infringed, misappropriated or diluted by a third party, such Pledgor shall notify the Pari Passu Collateral Agent within ninety (90) days (or such longer period as the Pari Passu Collateral Agent may reasonably agree) and shall, if such Pledgor deems it necessary in its reasonable business judgment, promptly sue and recover any and all damages, and take such other actions as are reasonably appropriate under the circumstances.

(f) Upon and during the continuance of an Event of Default, at the reasonable request of the Pari Passu Collateral Agent, each Pledgor shall use commercially reasonable efforts to obtain all requisite consents or approvals from each licensor under each Copyright License, Patent License or Trademark License included in the Article 9 Collateral to effect the assignment of all such Pledgor's right, title and interest thereunder to the designee of the Pari Passu Collateral Agent or the Pari Passu Collateral Agent; *provided, however*, that nothing contained in this Section 3.04(f) should be construed as an obligation of any Pledgor to incur any costs or expenses in connection with obtaining such approval.

(g) Without limiting the generality of Section 3.03(b), each Pledgor hereby authorizes the Pari Passu Collateral Agent, with prompt written notice thereof to the Pledgors, to supplement this Agreement by supplementing *Schedule III* or adding additional schedules hereto to specifically identify any asset or item that may constitute an issued or applied for and published United States federal or Additional Perfection Jurisdiction Patent, registered or applied for United States federal or Additional Perfection Jurisdiction Trademark or United States federally registered Copyright, in each case, included in the Article 9 Collateral; provided that any Pledgor shall have the right, exercisable within 90 days after the Issuer has been notified by the Pari Passu Collateral Agent of the specific identification of such Article 9 Collateral (or such later date as the Pari Passu Collateral Agent may agree), to advise the Pari Passu Collateral Agent in writing of any inaccuracy of the representations and warranties made by such Pledgor hereunder with respect to such Article 9 Collateral. Each Pledgor agrees that it will use its commercially reasonable efforts to take such action as shall be necessary in order that all representations and warranties hereunder shall be true and correct with respect to such Article 9 Collateral within 90 days after the date it has been notified by the Pari Passu Collateral Agent of the specific identification of such Article 9 Collateral (or such later date as the Pari Passu Collateral Agent may agree).

(h) Using commercially reasonable efforts, no later than ninety (90) days after the date of this Agreement, the Pledgors shall record with the applicable Governmental Authorities in the Additional Perfection Jurisdictions, as applicable, the relevant documents for each Additional Perfection Jurisdiction executed by the applicable Pledgors containing descriptions of all Article 9 Collateral that consists of (i) material Additional Perfection Jurisdiction-issued Patents (and material Patents of the Additional Perfection Jurisdictions for which such registration applications have been published and are pending) and (ii) material Additional Perfection Jurisdiction-registered Trademarks (and material Trademarks of the Additional Perfection Jurisdictions for which such registration applications are pending), and take any other actions as necessary or as reasonably requested by the Pari Passu Collateral Agent to protect the validity of and to establish a valid and perfected security interest (or, in the case of Patents and Trademarks, notice thereof) in favor of the Pari Passu Collateral Agent, for the benefit of the Secured Parties, in respect of all Article 9 Collateral consisting of such Intellectual Property as of the Issue Date in which a security interest may be perfected by recording with the applicable

Governmental Authorities in the Additional Perfection Jurisdictions, all in a manner consistent with the Agreed Security Principles, and no further or subsequent filing, refiling, recording, rerecording, registration or reregistration is necessary.

ARTICLE IV

Remedies

SECTION 4.01. *Remedies Upon Default.* In accordance with, and to the extent consistent with, the terms of the Intercreditor Agreements, the Pari Passu Collateral Agent may take any action specified in this Section 4.01. Upon the occurrence and during the continuance of an Event of Default, (i) each Pledgor agrees to deliver each item of Collateral to the Pari Passu Collateral Agent on demand and (ii) it is agreed that the Pari Passu Collateral Agent shall have the right to take any of or all the following actions at the same or different times: (a) with respect to any Article 9 Collateral, on demand, to cause the Security Interest to become an assignment, transfer and conveyance of any of or all such Article 9 Collateral by the applicable Pledgors to the Pari Passu Collateral Agent or to license or sublicense (subject to any such licensee's obligation to maintain the quality of the goods and/or services provided under any Trademark consistent with the quality of such goods and/or services provided by the Pledgors immediately prior to the Event of Default), whether general, special or otherwise, and whether on an exclusive or a nonexclusive basis, any such Article 9 Collateral throughout the world on such terms and conditions and in such manner as the Pari Passu Collateral Agent shall determine (other than in violation of any then-existing licensing or trademark co-existence arrangements to the extent that waivers thereunder cannot be obtained with the use of commercially reasonable efforts, which each Pledgor hereby agrees to use) and (b) with or without legal process and with or without prior notice or demand for performance, to take possession of the Article 9 Collateral and without liability for trespass to the applicable Pledgor to enter any premises where the Article 9 Collateral may be located for the purpose of taking possession of or removing the Article 9 Collateral and, generally, to exercise any and all rights afforded to a secured party under the applicable Uniform Commercial Code or other applicable law or in equity. The Pari Passu Collateral Agent agrees and covenants not to exercise any of the rights or remedies set forth in the preceding sentence unless and until the occurrence and during the continuance of an Event of Default. Without limiting the generality of the foregoing, each Pledgor agrees that the Pari Passu Collateral Agent shall have the right, subject to the Intercreditor Agreements and subject to the mandatory requirements of applicable law, but without demand of performance or other demand, presentment, protest, advertisement or notice of any kind (except any notice required by law referred to below) to or upon the Pledgors, the Company or any other Person (all and of each of which demands, defenses, advertisements and notices are hereby waived), to forthwith collect, receive, appropriate and realize upon the Collateral, or any part thereof, and/or to forthwith sell or otherwise dispose of all or any part of the Collateral at a public or private sale or at any broker's board or on any securities exchange, for cash, upon credit or for future delivery as the Pari Passu Collateral Agent shall deem appropriate. The Pari Passu Collateral Agent shall be authorized in connection with any sale of a security (if it deems it advisable to do so) pursuant to the foregoing to restrict the prospective bidders or purchasers to persons who represent and agree that they are purchasing such security for their own account, for investment, and not with a view to the distribution or sale thereof. Upon consummation of any such disposition of Collateral pursuant to this Section 4.01 the Pari Passu Collateral Agent shall have the right to assign,

transfer and deliver to the purchaser or purchasers thereof the Collateral so sold or otherwise disposed of (other than in violation of any then-existing licensing or trademark co-existence arrangements to the extent that waivers thereunder cannot be obtained with the use of commercially reasonable efforts, which each Pledgor hereby agrees to use). Each such purchaser at any such disposition shall hold the property sold absolutely, free from any claim or right on the part of any Pledgor, and each Pledgor hereby waives and releases (to the extent permitted by law) all rights of redemption, stay, valuation and appraisal that such Pledgor now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted.

To the extent any notice is required by applicable law, the Pari Passu Collateral Agent shall give the applicable Pledgors 10 Business Days' written notice (which each Pledgor agrees is reasonable notice within the meaning of Section 9-611 of the New York UCC or its equivalent in other jurisdictions) of the Pari Passu Collateral Agent's intention to make any sale of Collateral. Such notice, in the case of a public sale, shall state the time and place for such sale, in the case of a private sale, shall state the time after which the sale is to be made. Any such public sale shall be held at such time or times within ordinary business hours and at such place or places as the Pari Passu Collateral Agent may fix and state in the notice (if any) of such sale. At any such sale, the Collateral, or the portion thereof, to be sold may be sold in one lot as an entirety or in separate parcels, as the Pari Passu Collateral Agent may (in its sole and absolute discretion) determine. The Pari Passu Collateral Agent shall not be obligated to make any sale of any Collateral if it shall determine not to do so, regardless of the fact that notice of sale of such Collateral shall have been given. The Pari Passu Collateral Agent may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for sale, and such sale may, without further notice, be made at the time and place to which the same was so adjourned. In the case of any sale of all or any part of the Collateral made on credit or for future delivery, the Collateral so sold may be retained by the Pari Passu Collateral Agent until the sale price is paid by the purchaser or purchasers thereof, but the Pari Passu Collateral Agent shall not incur any liability in the event that any such purchaser or purchasers shall fail to take up and pay for the Collateral so sold and, in the case of any such failure, such Collateral may be sold again upon notice given in accordance with provisions above. At any public (or, to the extent permitted by law, private) sale made pursuant to this Section 4.01, any Secured Party may bid for or purchase for cash, free (to the extent permitted by law) from any right of redemption, stay, valuation or appraisal on the part of any Pledgor (all such rights being also hereby waived and released to the extent permitted by law), the Collateral or any part thereof offered for sale and such Secured Party may, upon compliance with the terms of sale, hold, retain and dispose of such property in accordance with Section 4.02 without further accountability to any Pledgor therefor. For purposes hereof, a written agreement to purchase the Collateral or any portion thereof shall be treated as a sale thereof; the Pari Passu Collateral Agent shall be free to carry out such sale pursuant to such agreement and no Pledgor shall be entitled to the return of the Collateral or any portion thereof subject thereto, notwithstanding the fact that after the Pari Passu Collateral Agent shall have entered into such an agreement all Events of Default shall have been remedied and the Secured Obligations paid in full. As an alternative to exercising the power of sale herein conferred upon it, the Pari Passu Collateral Agent may proceed by a suit or suits at law or in equity to foreclose this Agreement and to sell the Collateral or any portion thereof pursuant to a judgment or decree of a court or courts having competent jurisdiction or pursuant to a proceeding by a court-appointed receiver. Any sale pursuant to the provisions of this Section 4.01 shall be deemed to

conform to the commercially reasonable standards as provided in Section 9-610(b) of the New York UCC or its equivalent in other jurisdictions.

Solely for the purpose of enabling the Pari Passu Collateral Agent, during the continuance of an Event of Default to exercise rights and remedies hereunder at such time as the Pari Passu Collateral Agent shall be lawfully entitled to exercise such rights and remedies, and for no other purpose, each Pledgor hereby grants to the Pari Passu Collateral Agent a non-exclusive license to use, license or sublicense (solely as permitted by the terms of any applicable license) any of the Article 9 Collateral owned by such Pledgor, or which such Pledgor has the right to license or sublicense, wherever the same may be located; provided that, with respect to Trademarks, such Pledgor shall have such rights of quality control which are reasonably necessary under applicable law to maintain the validity and enforceability of such Trademarks. Such license shall include access to all media in which any of the licensed items may be recorded or stored and to all computer programs used for the compilation or printout hereof.

SECTION 4.02. *Application of Proceeds.* The Pari Passu Collateral Agent shall promptly apply the proceeds, moneys or balances of any collection or sale of Collateral realized through the exercise by the Pari Passu Collateral Agent of its remedies hereunder, as well as any Collateral consisting of cash at any time when remedies are being exercised hereunder, under and in accordance with the terms of the Intercreditor Agreements.

The Pari Passu Collateral Agent shall have absolute discretion as to the time of application of any such proceeds, moneys or balances in accordance with this Agreement. Upon the request of the Pari Passu Collateral Agent prior to any distribution under this Section 4.02, each Authorized Representative shall provide to the Pari Passu Collateral Agent certificates, in form and substance reasonably satisfactory to the Pari Passu Collateral Agent, setting forth the respective amounts referred to in this Section 4.02 that each applicable Secured Party or its Authorized Representative believes it is entitled to receive, and the Pari Passu Collateral Agent shall be fully entitled to rely on such certificates. Upon any sale of Collateral by the Pari Passu Collateral Agent (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the purchase money by the Pari Passu Collateral Agent or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Pari Passu Collateral Agent or such officer or be answerable in any way for the misapplication thereof.

SECTION 4.03. *Securities Act, Etc.* In view of the position of the Pledgors in relation to the Pledged Collateral, or because of other current or future circumstances, a question may arise under the Securities Act of 1933, as amended, or any similar federal statute hereafter enacted analogous in purpose or effect (such Act and any such similar statute as from time to time in effect being called the “*Federal Securities Laws*”) with respect to any Disposition of the Pledged Collateral permitted hereunder. Each Pledgor understands that compliance with the Federal Securities Laws might very strictly limit the course of conduct of the Pari Passu Collateral Agent if the Pari Passu Collateral Agent were to attempt to dispose of all or any part of the Pledged Collateral, and might also limit the extent to which or the manner in which any subsequent transferee of any Pledged Collateral could dispose of the same. Similarly, there may be other legal restrictions or limitations affecting the Pari Passu Collateral Agent in any attempt

to dispose of all or part of the Pledged Collateral under applicable Blue Sky or other state securities laws or similar laws analogous in purpose or effect. Each Pledgor acknowledges and agrees that in light of such restrictions and limitations, the Pari Passu Collateral Agent, subject to the terms of any applicable Intercreditor Agreement, in its sole and absolute discretion, (a) may proceed to make such a sale whether or not a registration statement for the purpose of registering such Pledged Collateral or part thereof shall have been filed under the Federal Securities Laws or, to the extent applicable, Blue Sky or other state securities laws and (b) may approach and negotiate with a single potential purchaser to effect such sale. Each Pledgor acknowledges and agrees that any such sale might result in prices and other terms less favorable to the seller than if such sale were a public sale without such restrictions. In the event of any such sale, the Pari Passu Collateral Agent shall incur no responsibility or liability for selling all or any part of the Pledged Collateral at a price that the Pari Passu Collateral Agent, subject to the terms of any applicable Intercreditor Agreement, in its sole and absolute discretion, may in good faith deem reasonable under the circumstances, notwithstanding the possibility that a substantially higher price might have been realized if the sale were deferred until after registration as aforesaid or if more than a single purchaser were approached. The provisions of this Section 4.03 will apply notwithstanding the existence of a public or private market upon which the quotations or sales prices may exceed substantially the price at which the Pari Passu Collateral Agent sells.

ARTICLE V

Miscellaneous

SECTION 5.01. **Notices.** All communications and notices hereunder shall (except as otherwise expressly permitted herein) be in writing and given as provided in Section 12.01 of the Indenture. All communications and notices hereunder to any Pledgor shall be given to it in care of the Issuer, with such notice to be given as provided in Section 12.01 of the Indenture. All communications and notices to any holders of obligations under any Other Secured Agreement shall be addressed to the Authorized Representative of such holders at its address set forth in the Other Secured Party Consent, as such address may be changed by written notice to the Pari Passu Collateral Agent.

SECTION 5.02. **Security Interest Absolute.** To the extent permitted by law, all rights of the Pari Passu Collateral Agent hereunder, the Security Interest in the Article 9 Collateral, the security interest in the Pledged Collateral and all obligations of each Pledgor hereunder shall be absolute and unconditional irrespective of (a) any lack of validity or enforceability of the Indenture, any Other Secured Agreement, any other agreement with respect to any of the Secured Obligations or any other agreement or instrument relating to any of the foregoing, (b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Secured Obligations, or any other amendment or waiver of or any consent to any departure from the Indenture, any Other Secured Agreement, any Intercreditor Agreement or any other agreement or instrument, (c) any exchange, release or non-perfection of any Lien on other Collateral, or any release or amendment or waiver of or consent under or departure from any guarantee, securing or guaranteeing all or any of the Secured Obligations or (d) any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Pledgor in respect of the Secured Obligations or this Agreement (other than a defense of payment or performance).

SECTION 5.03. ***Limitation By Law.*** All rights, remedies and powers provided in this Agreement may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law, and all the provisions of this Agreement are intended to be subject to all applicable mandatory provisions of law that may be controlling and to be limited to the extent necessary so that they shall not render this Agreement invalid, unenforceable, in whole or in part, or not entitled to be recorded, registered or filed under the provisions of any applicable law.

SECTION 5.04. ***Binding Effect; Several Agreements.*** This Agreement shall become effective as to any party to this Agreement when a counterpart hereof executed on behalf of such party shall have been delivered to the Pari Passu Collateral Agent and a counterpart hereof shall have been executed on behalf of the Pari Passu Collateral Agent, and thereafter shall be binding upon such party and the Pari Passu Collateral Agent and their respective permitted successors and assigns, and shall inure to the benefit of such party, the Pari Passu Collateral Agent and the other Secured Parties and their respective permitted successors and assigns, except that no party shall have the right to assign or transfer its rights or obligations hereunder or any interest herein or in the Collateral (and any such assignment or transfer shall be void) except as expressly contemplated by this Agreement, the Indenture or any Other Secured Agreement. This Agreement shall be construed as a separate agreement with respect to each party and may be amended, modified, supplemented, waived or released in accordance with Section 5.09 or 5.15, as applicable.

SECTION 5.05. ***Successors and Assigns.*** Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the permitted successors and assigns of such party and all covenants, promises and agreements by or on behalf of any Pledgor or the Pari Passu Collateral Agent that are contained in this Agreement shall bind and inure to the benefit of their respective permitted successors and assigns, *provided* that no Pledgor may assign, transfer or delegate any of its rights or obligations under this Agreement except as permitted by Section 5.04.

SECTION 5.06. ***Pari Passu Collateral Agent's Fees and Expenses; Indemnification.***

(a) The parties hereto agree that the Pari Passu Collateral Agent shall be entitled to reimbursement of its expenses incurred hereunder by the Pledgors, and the Pari Passu Collateral Agent and other Indemnitees shall be indemnified by the Pledgors, in each case of this clause (a), *mutatis mutandis*, as provided in Section 7.05 of the Indenture as in effect on the date hereof, whether or not the Indenture is then in effect. For purposes of the previous sentence, all references in such Section 7.05 to Holders shall be deemed to be references to all Secured Parties.

(b) Any such amounts payable as provided hereunder shall be additional Secured Obligations secured hereby and by the other Security Documents. The provisions of this Section 5.06 shall remain operative and in full force and effect regardless of the termination of this Agreement, the Indenture or any Other Secured Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Secured Obligations, the invalidity or unenforceability of any term or provision of this Agreement, the Indenture or any Other Secured Agreement, or any investigation made by or on behalf of the Pari Passu Collateral

Agent or any other Secured Party. All amounts due under this Section 5.06 shall be payable within fifteen days (or such longer period as the Pari Passu Collateral Agent may agree) of written demand therefor accompanied by reasonable documentation with respect to any reimbursement, indemnification or other amount requested.

(c) The agreements in this Section 5.06 shall survive the resignation of the Pari Passu Collateral Agent and the termination of this Agreement.

(d) For the avoidance of doubt, the provisions of Article VII of the Indenture shall also apply to the Pari Passu Collateral Agent acting under or in connection with this Agreement. No provision of this Agreement shall require the Pari Passu Collateral Agent to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers.

SECTION 5.07. *Pari Passu Collateral Agent Appointed Attorney-in-Fact*

Subject to the Intercreditor Agreements, each Pledgor hereby appoints the Pari Passu Collateral Agent the attorney-in-fact of such Pledgor for the purpose of carrying out the provisions of this Agreement and, upon the occurrence and during the continuance of an Event of Default, taking any action and executing any instrument that the Pari Passu Collateral Agent may deem necessary or advisable to accomplish the purposes hereof, which appointment is irrevocable and coupled with an interest. Without limiting the generality of the foregoing, subject to applicable Requirement of Law and the Intercreditor Agreements, the Pari Passu Collateral Agent shall have the right, upon the occurrence and during the continuance of an Event of Default, with full power of substitution either in the Pari Passu Collateral Agent's name or in the name of such Pledgor, (a) to receive, endorse, assign or deliver any and all notes, acceptances, checks, drafts, money orders or other evidences of payment relating to the Collateral or any part thereof; (b) to demand, collect, receive payment of, give receipt for and give discharges and releases of all or any of the Collateral; (c) to ask for, demand, sue for, collect, receive and give acquittance for any and all moneys due or to become due under and by virtue of any Collateral; (d) to sign the name of any Pledgor on any invoice or bill of lading relating to any of the Collateral; (e) to send verifications of Accounts to any Account Debtor; (f) to commence and prosecute any and all suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect or otherwise, realize on all or any of the Collateral or to enforce any rights in respect of any Collateral; (g) to settle, compromise, compound, adjust or defend any actions, suits or proceedings relating to all or any of the Collateral; (h) to notify, or to require any Pledgor to notify, Account Debtors to make payment directly to the Pari Passu Collateral Agent; and (i) to use, sell, assign, transfer, pledge, make any agreement with respect to or otherwise deal with all or any of the Collateral, and to do all other acts and things necessary to carry out the purposes of this Agreement, as fully and completely as though the Pari Passu Collateral Agent were the absolute owner of the Collateral for all purposes; *provided* that nothing herein contained shall be construed as requiring or obligating the Pari Passu Collateral Agent to make any commitment or to make any inquiry as to the nature or sufficiency of any payment received by the Pari Passu Collateral Agent, or to present or file any claim or notice, or to take any action with respect to the Collateral or any part thereof or the moneys due or to become due in respect thereof or any property covered thereby. The Pari Passu Collateral Agent and the other Secured Parties shall be accountable only for amounts actually received as a result of the exercise of the powers granted to them herein, and neither they nor their officers, directors, employees or agents shall be

responsible to any Pledgor for any act or failure to act hereunder, except for their own or their Related Parties' gross negligence or willful misconduct, in each case, as determined in a final and nonappealable judgment of a court of competent jurisdiction.

SECTION 5.08. *Governing Law.* THIS AGREEMENT AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSES OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO ANY PRINCIPLE OF CONFLICTS OF LAW THAT COULD REQUIRE THE APPLICATION OF ANY OTHER LAW.

SECTION 5.09. *Waivers; Amendment.*

(a) No failure or delay by the Pari Passu Collateral Agent or any other Secured Party in exercising any right, power or remedy hereunder or under the Indenture or any Other Secured Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or remedy, or any abandonment or discontinuance of steps to enforce such a right, power or remedy, preclude any other or further exercise thereof or the exercise of any other right, power or remedy. The rights, powers and remedies of the Pari Passu Collateral Agent and the other Secured Parties hereunder and under the other Indenture and any Other Secured Agreements are cumulative and are not exclusive of any rights, powers or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any Pledgor therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section 5.09, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of an advance, loan or other extension of credit or the incurrence of any Other Secured Obligation shall not be construed as a waiver of any Default or Event of Default, regardless of whether the Pari Passu Collateral Agent or any other Secured Party may have had notice or knowledge of such Default or Event of Default at the time. No notice or demand on any Pledgor in any case shall entitle any Pledgor to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Pari Passu Collateral Agent and the Pledgor or Pledgors with respect to which such waiver, amendment or modification is to apply, subject to any consent required in accordance with Article IX of the Indenture, and the consent of each other Authorized Representative if and to the extent required by (and in accordance with) the applicable Other Secured Agreement, and except as otherwise provided in any applicable Intercreditor Agreement. The Pari Passu Collateral Agent may conclusively rely on a certificate of an officer of the Issuer as to whether any amendment contemplated by this Section 5.09(b) is permitted.

(c) Notwithstanding anything to the contrary contained herein, the Pari Passu Collateral Agent, at the direction of the Controlling Party (as defined in the Second Lien Intercreditor Agreement), may grant extensions of time or waivers of the requirement for the creation or perfection of security interests in or the obtaining of insurance (including title

insurance) or surveys with respect to particular assets (including extensions beyond the Issue Date for the perfection of security interests in the assets of the Pledgors on such date) where it reasonably determines, in consultation with the Issuer, that perfection or obtaining of such items cannot be accomplished without undue effort or expense by the time or times at which it would otherwise be required by this Agreement, the other Indenture or any Other Secured Agreement.

SECTION 5.10. **WAIVER OF JURY TRIAL.** EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 5.10.

SECTION 5.11. **Severability.** In the event any one or more of the provisions contained in this Agreement, the Indenture or any Other Secured Agreement should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein shall not in any way be affected or impaired thereby. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 5.12. **Counterparts.** This Agreement may be executed in two or more counterparts, each of which shall constitute an original but all of which when taken together shall constitute but one contract, and shall become effective as provided in Section 5.04. Delivery of an executed counterpart to this Agreement by facsimile or other electronic transmission shall be as effective as delivery of a manually signed original.

SECTION 5.13. **Headings.** Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

SECTION 5.14. **Jurisdiction; Consent to Service of Process.**

(a) Each party to this Agreement hereby irrevocably and unconditionally agrees that it will not commence any action, litigation or proceeding of any kind or description, whether in law or equity, whether in contract or in tort or otherwise, against any other party or any affiliate thereof, in any way relating to this Agreement or the transactions relating hereto or thereto, in any forum other than the Court of the United States for the Southern District of New York (or, if such court lacks subject matter jurisdiction, the Supreme Court of the State of New York sitting in the borough of Manhattan), and any appellate court from any thereof, and each of the parties hereto irrevocably and unconditionally submits to the jurisdiction of such courts and agrees that

all claims in respect of any such action, litigation or proceeding may be heard and determined in, to the fullest extent permitted by applicable law, such federal court or such New York State court. Each of the parties hereto agrees that a final judgment in any such action, litigation or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement, the Indenture or any Other Secured Agreement shall affect any right that the Pari Passu Collateral Agent or any other Secured Party may otherwise have to bring any action or proceeding relating to this Agreement, the Indenture or any Other Secured Agreement against any Pledgor or its properties in the courts of any jurisdiction.

(b) Each party to this Agreement hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement, the Indenture or any Other Secured Agreement in any New York State or federal court sitting in New York County and any appellate court from any thereof. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 5.01. Nothing in this Agreement, the Indenture or any Other Secured Agreement will affect the right of any party to this Agreement, the Indenture or any Other Secured Agreement to serve process in any other manner permitted by law.

SECTION 5.15. ***Termination or Release.*** In each case subject to the terms of the Intercreditor Agreements:

(a) This Agreement and the pledges made by the Pledgors herein and all other security interests granted by the Pledgors hereby shall automatically terminate and be released upon the occurrence of the earlier of the (x) Maturity Date and (y) the date the Indenture otherwise terminates (the earlier of (x) and (y), the “***Termination Date***”) or, if any Other Secured Obligations are outstanding on the Termination Date, the date when any Other Secured Obligations (other than contingent or unliquidated obligations or liabilities not then due and any other obligations that, by the terms of any Other Secured Agreements, are not required to be paid in full prior to termination and release of the Collateral) have been paid in full and the Secured Parties have no further commitment to extend credit under any Other Secured Agreement.

(b) A Subsidiary Grantor shall automatically be released from its obligations hereunder and the security interests in the Collateral of such Subsidiary Grantor shall be automatically released upon the consummation of any transaction not prohibited by the Indenture or any Other Secured Agreement then in effect as a result of which such Subsidiary Grantor ceases to be a Subsidiary of the Company or otherwise becomes an Unrestricted Subsidiary in accordance with the Indenture, all without delivery of any instrument or performance of any act by any party, and all rights to the applicable portions of the Collateral shall revert to such Subsidiary Grantor.

(c) The security interests in any Collateral shall automatically be released, all without delivery of any instrument or performance of any act by any party, (i) upon any sale or other

transfer by any Pledgor of any Collateral that is not prohibited by the Indenture or any Other Secured Agreement to any person that is not a Pledgor, (ii) upon the effectiveness of any written consent to the release of the security interest granted hereby in such Collateral pursuant to Article IX of the Indenture and any equivalent provision of any Other Secured Agreement (in each case, to the extent required thereby and solely with respect to the applicable Series) or (iii) as otherwise may be provided in any applicable Intercreditor Agreement.

(d) Solely with respect to the Notes Secured Obligations, a Pledgor shall automatically be released from its obligations hereunder and/or the security interests in any Collateral securing the Notes Secured Obligations shall in each case be automatically released upon the occurrence of any of the circumstances set forth in Article XI of the Indenture without delivery of any instrument or performance of any act by any party, and all rights to such Collateral shall revert to any applicable Pledgor. For the avoidance of doubt, any such release pursuant to the previous sentence shall not reduce or otherwise affect the obligations of such Pledgor or the lien on such Collateral with respect to any other Series of Secured Obligations.

(e) Solely with respect to any Series of Other Secured Obligations, a Pledgor shall automatically be released from its obligations hereunder and/or the security interests in any Collateral securing such Series of Other Secured Obligations shall in each case be automatically released upon the occurrence of any of the circumstances set forth in the section governing release of Collateral in the applicable Other Secured Agreement governing such Series of Other Secured Obligations, all without delivery of any instrument or performance of any act by any party, and all rights to such Collateral shall revert to any applicable Pledgor. For the avoidance of doubt, any such release pursuant to the previous sentence shall not release or otherwise affect the obligations of such Pledgor or the lien on such Collateral with respect to any other Series of Secured Obligations.

(f) In connection with any termination or release pursuant to this Section 5.15, the Pari Passu Collateral Agent, upon receipt of the documents described in Section 11.04(c) of the Indenture, shall execute and deliver to any Pledgor all documents that such Pledgor shall reasonably request to evidence such termination or release (including Uniform Commercial Code termination statements), and will duly assign and transfer to such Pledgor, such of the Pledged Collateral that may be in the possession of the Pari Passu Collateral Agent and has not theretofore been sold or otherwise applied or released pursuant to this Agreement. Any execution and delivery of documents pursuant to this Section 5.15 shall be made without recourse to or warranty by the Pari Passu Collateral Agent. In connection with any release pursuant to this Section 5.15, the Pledgors shall be permitted to take any action in connection therewith consistent with such release including, without limitation, the filing of Uniform Commercial Code termination statements. Upon the receipt of any instruments of termination, satisfaction or release prepared by the Issuer and the documents described in Section 11.04(c) of the Indenture, the Pari Passu Collateral Agent shall promptly execute, deliver or acknowledge such instruments or releases to evidence the release of any Collateral permitted to be released pursuant to this Agreement. The Pledgors agree to pay all reasonable and documented out-of-pocket expenses incurred by the Pari Passu Collateral Agent (and its representatives and counsel) in connection with the execution and delivery of such release documents or instruments.

SECTION 5.16. ***Additional Subsidiaries*** Upon execution and delivery by any Subsidiary that is required or permitted to become a party hereto by the Indenture or the Agreed Security Principles of the Indenture or by any Other Secured Agreement of an instrument substantially in the form of Exhibit I hereto (or another instrument reasonably satisfactory to the Pari Passu Collateral Agent and the Issuer), such Subsidiary shall become a Subsidiary Grantor hereunder with the same force and effect as if originally named as a Subsidiary Grantor herein. The execution and delivery of any such instrument shall not require the consent of any other party to this Agreement. The rights and obligations of each party to this Agreement shall remain in full force and effect notwithstanding the addition of any new party to this Agreement.

SECTION 5.17. ***General Authority of the Pari Passu Collateral Agent***.

(a) By acceptance of the benefits of this Agreement and any other Security Documents, each Secured Party (whether or not a signatory hereto) shall be deemed irrevocably (i) to consent to the appointment of the Pari Passu Collateral Agent as its agent hereunder and under such other Security Documents, (ii) to confirm that the Pari Passu Collateral Agent shall have the authority to act as the exclusive agent of such Secured Party for the enforcement of any provision of this Agreement and such other Security Documents against any Pledgor, the exercise of remedies hereunder or thereunder and the giving or withholding of any consent or approval hereunder thereunder relating to any Collateral or any Pledgor's obligations with respect thereto, (iii) to agree that it shall not take any action to enforce any provisions of this Agreement or any other Security Document against any Pledgor, to exercise any remedy hereunder or thereunder or to give any consents or approvals hereunder or thereunder except as expressly provided in this Agreement or any other Security Document and (iv) to agree to be bound by the terms of this Agreement and any other Security Documents and any applicable Intercreditor Agreement then in effect.

(b) Each Pledgor acknowledges that the rights and responsibilities of the Pari Passu Collateral Agent under this Agreement with respect to any action taken by the Pari Passu Collateral Agent or the exercise or non-exercise by the Pari Passu Collateral Agent of any option, voting right, request, judgment or other right or remedy provided for herein or resulting or arising out of this Agreement shall, as between the Pari Passu Collateral Agent and the Secured Parties, be governed by the Indenture, any Other Secured Agreement and such other agreements with respect thereto as may exist from time to time among them (including any applicable Intercreditor Agreement then in effect), but, as between the Pari Passu Collateral Agent and the Pledgors, the Pari Passu Collateral Agent shall be conclusively presumed to be acting as agent for the applicable Secured Parties with full and valid authority so to act or refrain from acting, and no Pledgor shall be under any obligation, or entitlement, to make any inquiry respecting such authority.

SECTION 5.18. ***Subject to Intercreditor Agreements; Conflicts.*** Notwithstanding anything herein to the contrary, (i) the Liens and security interests granted to the Pari Passu Collateral Agent for the benefit of the Secured Parties pursuant to this Agreement and (ii) the exercise of any right (including the voting rights and the connected administrative rights pertaining to the pledgee) or remedy by the Pari Passu Collateral Agent hereunder or the application of proceeds (including insurance and condemnation proceeds) of any Collateral, in each case, are subject to the limitations and provisions of any applicable Intercreditor Agreement

to the extent provided therein. In the event of any conflict between the terms of such applicable Intercreditor Agreement and the terms of this Agreement, the terms of such applicable Intercreditor Agreement shall govern.

SECTION 5.19. *Other Secured Obligations.* Solely if an Acceptable Pari Passu Intercreditor Agreement is then in effect (or will be entered into contemporaneously therewith) and no other secured intercreditor agreement (other than such Acceptable Pari Passu Intercreditor Agreement and any Acceptable Senior Intercreditor Agreement) is then in effect, on or after the Issue Date and so long as not prohibited by the Indenture or any Other Secured Agreement then in effect, the Company may from time to time designate obligations in respect of indebtedness to be secured (except with respect to any applicable Specified Excluded Collateral) on a *pari passu* basis with the then-outstanding Secured Obligations as Other Secured Obligations hereunder by delivering to the Pari Passu Collateral Agent and each Authorized Representative (a) a certificate of the Issuer (i) identifying the obligations so designated and the initial aggregate principal amount or face amount thereof, (ii) stating that such obligations are designated as Other Secured Obligations for purposes hereof, (iii) representing that such designation of such obligations as Other Secured Obligations is not prohibited by the Indenture or any Other Secured Agreement then in effect, and (iv) specifying the name and address of the Authorized Representative for such obligations, (b) an Other Secured Party Consent executed by the Authorized Representative for such obligations and the Issuer, (c) if not already then in effect, execute and deliver an Acceptable Pari Passu Intercreditor Agreement (or, to the extent such Acceptable Pari Passu Intercreditor Agreement is then in effect, a joinder thereto to the extent required thereby) and (d) if any Senior-Priority Obligations are then outstanding, if not already then in effect, execute and deliver an Acceptable Senior Intercreditor Agreement (or, to the extent such Acceptable Senior Intercreditor Agreement is then in effect, a joinder thereto to the extent required thereby). Upon the satisfaction of all conditions set forth in the preceding sentence, (v) the Pari Passu Collateral Agent shall act as Pari Passu Collateral Agent under and subject to the terms of the Security Documents for the benefit of all Secured Parties, including without limitation, any Secured Parties that hold any such Other Secured Obligations (except with respect to any applicable Specified Excluded Collateral), and shall execute and deliver the acknowledgement at the end of the Other Secured Party Consent, (x) each Authorized Representative agrees to the appointment, and acceptance of the appointment, of the Pari Passu Collateral Agent as Pari Passu Collateral Agent for the holders of such Other Secured Obligations as set forth in each Other Secured Party Consent and agrees, on behalf of itself and each Secured Party it represents, to be bound by this Agreement and the applicable Intercreditor Agreements (including any Acceptable Pari Passu Intercreditor Agreement and any Acceptable Senior Intercreditor Agreement), (y) such Other Secured Obligations shall automatically be deemed to be “Other Secured Obligations” (or an analogous term) in any Acceptable Pari Passu Intercreditor Agreement and (z) such Other Secured Obligations shall automatically be deemed to be “Other Second Lien Obligations” (or an analogous term) in any Acceptable Senior Intercreditor Agreement. The rights and obligations of each party to this Agreement shall remain in full force and effect notwithstanding the addition of any new Secured Obligations to this Agreement.

SECTION 5.20. *Person Serving as Pari Passu Collateral Agent.* On the Issue Date, the Pari Passu Collateral Agent hereunder is the Trustee. Written notice of resignation by the Trustee under (and as defined in) the Indenture pursuant to the Indenture shall also constitute notice of resignation as the Pari Passu Collateral Agent under this Agreement. Upon the

acceptance of any appointment as the Trustee under (and as defined in) the Indenture by a successor, that successor shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Pari Passu Collateral Agent pursuant hereto. Immediately upon the occurrence of the Termination Date, if any other Series of Secured Obligations is then outstanding, the Authorized Representative of such Series (or, if more than one such Series is outstanding, the applicable Authorized Representative determined pursuant to the terms of (and as defined in) the applicable Intercreditor Agreement) shall be deemed the Pari Passu Collateral Agent for all purposes under this Agreement. The Pari Passu Collateral Agent immediately prior to any change in Pari Passu Collateral Agent pursuant to this Section 5.20 (the “**Prior Pari Passu Collateral Agent**”) shall be deemed to have assigned all of its rights, powers and duties hereunder to the successor Pari Passu Collateral Agent determined in accordance with this Section 5.20 (the “**Successor Pari Passu Collateral Agent**”) and the Successor Pari Passu Collateral Agent shall be deemed to have accepted, assumed and succeeded to such rights, powers and duties. The Prior Pari Passu Collateral Agent shall cooperate with the Pledgors and such Successor Pari Passu Collateral Agent to ensure that all actions are taken that are necessary or reasonably requested by the Successor Pari Passu Collateral Agent to vest in such Successor Pari Passu Collateral Agent the rights granted to the Prior Pari Passu Collateral Agent hereunder with respect to the Collateral, including (a) the filing of amended financing statements in the appropriate filing offices, (b) to the extent that the Prior Pari Passu Collateral Agent holds, or a third party holds on its behalf, physical possession of or “control” (as defined in the New York UCC or the Uniform Commercial Code of any other applicable jurisdiction) (or any similar concept under foreign law) over Collateral pursuant to this Agreement or any other Security Document, the delivery to the Successor Pari Passu Collateral Agent of the Collateral in its possession or control together with any necessary endorsements to the extent required by this Agreement; *provided, however*, the foregoing shall not impose any requirement for control not otherwise expressly set forth herein, and (c) the execution and delivery of any further documents, financing statements or agreements and the taking of all such further action that may be required under any applicable law, or that the Successor Pari Passu Collateral Agent may reasonably request, all without recourse to, or representation or warranty by, the Pari Passu Collateral Agent, and at the sole cost and expense of the Pledgors. In addition, if an Acceptable Pari Passu Intercreditor Agreement is then in effect, the Pari Passu Collateral Agent hereunder shall at all times be the same person that is the “Pari Passu Collateral Agent” under such Acceptable Pari Passu Intercreditor Agreement. Written notice of resignation by the “Pari Passu Collateral Agent” pursuant to any Acceptable Pari Passu Intercreditor Agreement shall also constitute notice of resignation as the Pari Passu Collateral Agent under this Agreement. Upon the acceptance of any appointment as the “Pari Passu Collateral Agent” under the Intercreditor Agreements by a successor “Pari Passu Collateral Agent”, the successor “Pari Passu Collateral Agent” shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Pari Passu Collateral Agent pursuant to this Agreement.

The parties hereto agree as follows:

SECTION 1. *Terms.* Capitalized terms used in this Notice and not otherwise defined herein have the meanings specified in the U.S. Second Lien Collateral Agreement. The rules of construction specified in Section 1.01(b) of the U.S. Second Lien Collateral Agreement also apply to this Notice.

SECTION 2. *Grant of Security Interest.* As security for the payment and performance, as the case may be, in full of the Secured Obligations, the Pledgor hereby pledges to the Pari Passu Collateral Agent, its successors and permitted assigns, for the benefit of the Secured Parties, and hereby grants to the Pari Passu Collateral Agent, its successors and permitted assigns, for the benefit of the Secured Parties, a security interest in all right, title and interest in or to any and all of the following assets and properties owned by such Pledgor as of the 2023 Secured Notes Issue Date or in which such Pledgor had as of the 2023 Secured Notes Issue Date any right, title or interest (collectively, the “[Patent] [Copyright] [Trademark] [Collateral]”):

[all Patents of the United States of America, including those listed on Schedule I;

[all Copyrights of the United States of America, including those listed on Schedule I;

[all Trademarks of the United States of America, including those listed on Schedule I;

[provided, however, that the foregoing grant of security interest does not and will not cover any “intent-to-use” applications for trademark or service mark registrations filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. §1051, unless and until an Amendment to Allege Use or a Statement of Use under Section 1(c) or 1(d) of the Lanham Act has been filed, to the extent, if

any, that any grant of a security interest in or to an “intent-to-use” application prior to such filing would violate the Lanham Act.]

SECTION 3. ***Subject to Intercreditor Agreements; Conflicts.*** Notwithstanding anything herein to the contrary, (i) the Liens and security interests granted to the Pari Passu Collateral Agent for the benefit of the Secured Parties pursuant to this Notice and (ii) the exercise of any right (including the voting rights and the connected administrative rights pertaining to the pledgee) or remedy by the Pari Passu Collateral Agent hereunder or the application of proceeds (including insurance and condemnation proceeds) of any Collateral, in each case, are subject to the limitations and provisions of any applicable Intercreditor Agreement to the extent provided therein. In the event of any conflict between the terms of such applicable Intercreditor Agreement and the terms of this Notice, the terms of such applicable Intercreditor Agreement shall govern.

SECTION 4. ***Collateral Agreement.*** The security interests granted to the Pari Passu Collateral Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Pari Passu Collateral Agent pursuant to the U.S. Second Lien Collateral Agreement. Each Pledgor hereby acknowledges and affirms that the rights and remedies of the Pari Passu Collateral Agent with respect to the [Patent] [Copyright] [Trademark] Collateral are more fully set forth in the U.S. Second Lien Collateral Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Notice and the U.S. Second Lien Collateral Agreement, the terms of the U.S. Second Lien Collateral Agreement shall govern.

SECTION 5. ***Counterparts.*** This Notice may be executed in two or more counterparts, each of which shall constitute an original but all of which when taken together shall constitute but one contract. Delivery of an executed counterpart to this Notice by facsimile or other electronic transmission shall be as effective as delivery of a manually signed original.

SECTION 6. ***Governing Law.*** THIS NOTICE AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSES OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS NOTICE AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS NOTICE SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO ANY PRINCIPLE OF CONFLICTS OF LAW THAT COULD REQUIRE THE APPLICATION OF ANY OTHER LAW.
