### THE DIRECTORS' REPORT

### YEAR ENDED 31ST DECEMBER 2005

The directors present their report and the financial statements of the company for the year ended 31st December 2005.

### PRINCIPAL ACTIVITIES AND BUSINESS REVIEW

The principal activity of the company is that of a holding company.

On 9th May 2002 Broadband Services International Limited (BSIL), a subsidiary company went in to administration. It was uncertain whether any funds will be available for distribution to shareholders and consequently the company's investment in BSIL was written off at the end 2001. BSIL has now progressed in to liquidation and two small dividends have been paid: in December 2003 of some £826,324 and some £826,324 in January 2005, discussions with the Liquidators indicate that no further material dividends will be payable.

Worldtel (Europe) Limited, a subsidiary company ceased trading with effect from 30th September 2002 and is in the process of completing its affairs in an orderly fashion.

### RESULTS AND DIVIDENDS

The trading results for the year, and the company's financial position at the end of the year are shown in the attached financial statements.

The directors have not recommended a dividend.

### DIRECTORS

The directors who served the company during the year were as follows:

L. Solomon

J.C. Sparkman

B. Aratani

The company is a wholly owned subsidiary and the interests of the group directors are disclosed in the financial statements of the parent company.

The directors hold no interest in the share capital of the company or the ultimate holding company which are required to be disclosed under the Companies Act 1985.

### **DIRECTORS' RESPONSIBILITIES**

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company at the end of the year and of the profit or loss for the year then ended. In preparing those financial statements, the directors are required to:

select suitable accounting policies, as described on pages 6 to 7, and then apply them consistently;

make judgements and estimates that are reasonable and prudent;

state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and

prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

### THE DIRECTORS' REPORT (continued)

### YEAR ENDED 31ST DECEMBER 2005

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. The directors are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Signed on behalf of the directors

B. Aratani Director

Approved by the directors on 30th March 2006

### PROFIT AND LOSS ACCOUNT

For the period ending 31<sup>st</sup> December 2005 the company was entitled to exemption under section 249A(1) of the Companies Act 1985 relating to the audit of the financial statements. Members have not required the company to obtain an audit in accordance with section 249B(2) of the Companies Act 1985.

The Directors acknowledges his responsibility for:

i. Ensuring that the company keeps accounting records which comply with section 221; and

ii. Preparing the accounts which give a true and fair view of the state of affairs of the company as at the end of the financial year, and of its profit or loss for the financial period, in accordance with the requirements of section 226, and which otherwise comply with the requirements of the Companies Act relating to accounts, so far as applicable to the company; The accounts have been prepared in accordance with the special provisions in Part VII of the Companies Act 1985 relating to small companies.

These financial statements were approved by the directors on the 30th March 2006 and are signed by:

B. Aratani Director

### NOTES TO THE FINANCIAL STATEMENTS

### YEAR ENDED 31ST DECEMBER 2005

### 1. ACCOUNTING POLICIES

### (i) Basis of accounting

The financial statements have been prepared under the historical cost convention, and in accordance with applicable accounting standards, subject to the departures referred to below.

### Basis of preparation

At 31st December 2006 Broadband Services Holdings Limited had net liabilities of £47,267,012. The ultimate parent company, Broadband Services, Inc., has provided a letter confirming that it will continue to provide financial support to the company for a period of 12 months from the date of signing of the financial statements and will not require repayment of amounts owed to it and its subsidiaries by the company such that the company is unable to effect payment thereof.

In their consideration of whether this level of support is sufficient, the directors have had regard to the activities of the company, which is a non trading company, and have concluded that such support is sufficient to enable the financial statements to be drawn up on a going concern basis

The financial statements do not include any adjustment that would result from a withdrawal of the financial support by Broadband Services, Inc.

### Departure from SSAP 20

Under the provisions of SSAP 20 assets and liabilities denominated in foreign currencies are required to be translated into sterling at the rate of exchange ruling at the balance sheet date and the resulting exchange differences are required to be taken into account when arriving at the operating profit.

The directors consider that a revaluation of the loan notes and the balance due to the ultimate parent company, both of which are denominated in US dollars, would not give a true and fair view since there is no prospect of repayment and taking the resulting exchange gain or loss to the profit and loss account would not show an accurate picture of the results for the year.

Consequently the true and fair override has been invoked and the loan notes and balance due to the ultimate parent company have not been restated at 31st December 2005 to account for exchange rate movements.

The combined liability for these three items recorded in the financial statements is £47,208,293. Compliance with SSAP 20 would have resulted in a liability of £37,453,291.

Compliance with SSAP 20 would have resulted in an exchange gain of £9,755,002, thus increasing operating profit by £9,755,002.

### (ii) Consolidation

In the opinion of the directors, the company and its subsidiary undertakings comprise a medium-sized group. The company has therefore taken advantage of the exemption provided by Section 248 of the Companies Act 1985 not to prepare group accounts.

### (iii) Cash flow statement

The directors have taken advantage of the exemption in Financial Reporting Standard No 1 (revised) from including a cash flow statement in the financial statements on the grounds that the company is wholly owned and its parent publishes a consolidated cash flow statement.

### (iv) Fixed assets

All fixed assets are initially recorded at cost.

### NOTES TO THE FINANCIAL STATEMENTS

### YEAR ENDED 31ST DECEMBER 2005

### 1. ACCOUNTING POLICIES (continued)

### (v) Deferred taxation

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less or to receive more tax, with the following exceptions:

Provision is made for tax on gains arising from the revaluation (and similar fair value adjustments) of fixed assets, and gains on disposal of fixed assets that have been rolled over into replacement assets, only to the extent that, at the balance sheet date, there is a binding agreement to dispose of the assets concerned. However, no provision is made where, on the basis of all available evidence at the balance sheet date, it is more likely than not that the taxable gain will be rolled over into replacement assets and charged to tax only where the replacement assets are sold;

Deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

### (vi) Foreign currencies

Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of the transaction. Interest charges on foreign denominated loans are translated into sterling at the average rate of exchange for the period. See note on accounting policies above.

### (vii) Investments

Fixed asset investments are shown at cost less provision for impairment.

### 2. OPERATING LOSS

Operating loss is stated after charging/(crediting):

### 6. INVESTMENTS (continued)

In May 2002, Broadband Services International Limited (BSIL) went into administration following the failure and appointment of an administrator to its largest customer earlier in May 2002. The company considers that it will not recover its investment. Investment and advances to 31st December 2001 were written off in the period ended 31st December 2001 and subsequent advances made in the early part of 2002 have been written off in the period ended 31st December 2002. Subsequently £826,324 was recovered in December of 2003 and is reflected in the accounts for 2003, a further dividend of £826,324 was paid in January 2005 and is reflected in these statements, no further material dividends are expected.

The company has investments in the following subsidiaries:

Worldtel (Europe) Limited (100%)

Broadband Services International Limited (100%)

All of the subsidiaries are incorporated in England and Wales.

Worldtel (Europe) Limited provided professional services in telecommunications project management and supervision. This company ceased trading on 30th September 2002.

Broadband Services International Limited provided telecommunications and cable television contractor services specialising in cabling and activation and the provision of highly specialist and technical services. This company went into liquidation in May 2002.
