Statement of directors' responsibilities in respect of the financial statements

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently; and
- make judgments and estimates that are reasonable and prudent.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent auditor's report to the members of Renegade South Limited

We have audited the financial statements of Renegade South Limited for the year ended 31 December 2015 which comprise the Statement of income and retained earnings, the Statement of financial position and the related notes 1 to 12. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement set out on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Report and Financial Statements to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2015 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; including FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to take advantage of the small companies' exemption from the requirement to prepare a Strategic Report and take advantage of the small companies' exemption in preparing the Directors' Report.

Renegade South Limited

Notes to the financial statements at 31 December 2015

1 Accounting Policies

a) Statement of compliance

Renegade South Limited is a limited liability company incorporated in England. The Registered Office is 126 Dyke Road, Brighton, East Sussex BN1 3TE.

The company's financial statements have been prepared in compliance with FRS 102 as it applies to the financial statements of the company for the year ended 31 December 2015.

The company transitioned from previously extant UK GAAP to FRS 102 as at 1 January 2014. An explanation of how transition to FRS 102 has affected the reported financial position and financial performance is given in note 12.

b) Basis of preparation

The financial statements have been prepared under the historical cost convention and in accordance with the Companies Act 2006 and with applicable United Kingdom accounting standards.

The financial statements are prepared in sterling which is the functional currency of the company and rounded to the nearest £'000.

Statement of cash flows

The company has taken advantage of the exemption in FRS 102.1.12(b) Reduced disclosures for subsidiaries. A statement of cashflows has not been prepared as the company is a member of a group where the parent, Time Warner Inc., prepares publicly available consolidated financial statements and the company is included in the consolidation (see note 11).

Related parties

The company has taken advantage of the exemption in FRS 102.1.12(e) Reduced disclosures for subsidiaries. Key management remuneration has not been disclosed as the company is a member of a group where the parent, Time Warner Inc., prepares publicly available consolidated financial statements and the company is included in the consolidation (see note 11).

c) Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported for assets and liabilities as at the statement of financial position date and the amounts reported for revenues and expenses during the year. However, the nature of estimation means that actual outcomes could differ from those estimates. The following judgements (apart from those involving estimates) have had the most significant effect on amounts recognised in the financial statements.

Taxation

The company recognises liabilities for anticipated uncertain corporation tax positions based on reasonable estimates of whether additional taxes will be due and the timing of those additional taxes. Further details are contained in Note 6.

Management estimation is required to determine the amount of deferred tax assets that can be recognised, based upon likely timing and level of future taxable profits.

d) Significant accounting policies

Turnover

Turnover represents amounts receivable for work carried out in producing television programmes and distribution on licensing formats and completed programmes available to third parties.

Production income is recognised over the period of the production or as per the contract where payment is dependant on materials delivery. Gross profit on production activity is recognised over the period of the production or in accordance with the underlying contract and where there is certainty of this being realised; overages on productions are recognised as they arise and underages are recognised on the completion of the productions.

Distribution income represents license fees receivable from both Time Warner group companies and third parties. Amounts recognised in the statement of income and retained earnings include withholding tax but exclude Value Added Tax. Distribution income is recognised based on statements received from distributors.

Renegade South Limited

Notes to the financial statements at 31 December 2015

1 Accounting Policies (continued)

d) Significant accounting policies (continued)

Television programme rights

Television programme rights are stated at cost less accumulated depreciation and accumulated impairment losses.

Depreciation is provided in accordance with the income forecast method whereby depreciation is taken to the statement of income and retained earnings on a pro rata basis, calculated as the income received in the accounting period in relation to the expected revenue over the life of the programme.

Development assets

Development expenditure represents costs incurred in developing new programmes, including writing scripts and producing initial formats for presentation to broadcasters. Expenditure is written off as incurred, except in cases where there is reasonable certainty that the project is technically feasible, commercially viable and adequate resources exist, or are reasonably expected to be available, to enable the project to be completed.

2 Turnover

The company's turnover was derived from its principal activity wholly undertaken in the United Kingdom.

3 Profit on ordinary activities before taxation

Audit fees for the current and prior year were borne by a fellow group undertaking.

4 Directors' remuneration

The directors received no remuneration from the company for their services to the company during the current or prior year. The directors of the company were paid by fellow group undertakings in the current and prior year.

6 Taxation on profit on ordinary activities

a) The charge/(credit) is made up as follows:

	Year ended 31 December 2015 £'000	Year ended 31 December 2014 £'000
<i>Current tax:</i>		
UK corporation tax at 20.25% (2014: 21.5%)	78	10
Total current tax	78	10
Total tax on profit on ordinary activities (note b below)	78	10

b) Circumstances affecting total tax charge:

The standard rate of current tax for the year, based on the UK standard rate of corporation tax is 20.25% (2014 -21.5%).

The tax charge for the year differs from the standard rate for the reasons in the reconciliation below:

	Year ended 31 December 2015 £'000	Year ended 31 December 2014 £'000
Profit on ordinary activities before tax	385	48
Tax on profit on ordinary activities at standard rate	78	10
Total tax (note (a) above)	78	10

c) Factors affecting future tax charges

The Finance Act 2013 included legislation to reduce the main rate of corporation tax from 21% to 20% from 1 April 2015.

The Finance (No. 2) Act 2015, enacted on 18 November 2015, included two changes to the future mainstream corporation tax rate. From 1 April 2017 the rate will reduce from 20% to 19% and from 1 April 2020 the rate will reduce further to 18%.

The Finance Act 2016, which was enacted on 15 September 2016, included a further rate change. The 18% rate enacted in the Finance (No. 2) Act 2015 will reduce by 1%, so that from 1 April 2020, the mainstream corporation tax rate will become 17%.

It is not yet possible to quantify the impact of this rate change upon current tax.
