Notes to the Abbreviated Accounts for the period ended 31 August 2014**1 Accounting Policies****Basis of measurement and preparation of accounts**

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities effective April 2008.

Turnover policy

The company's turnover represents the value, excluding value added tax, of goods and services supplied to customers during the year.

Tangible assets depreciation policy

Depreciation has been computed to write off the cost of tangible fixed assets over their expected useful lives using the following rates:

Plant and machinery - 25% reducing balance

Fixtures and fittings - 25% reducing balance

Motor vehicles -25% reducing balance

Valuation information and policy

Stocks. These have been valued at the lower of cost and net realisable value.

Other accounting policies

Cash flow. The accounts do not include a cash flow statement because the company as a small reporting entity, is exempt from the requirement under FRSSE (effective April 2008).

Deferred taxation. This is provided on the liability method to take account of timing differences between the treatment of certain items for accounts purposes and their treatment for tax purposes. Tax deferred or accelerated is accounted for in respect of all material timing differences to the extent that it is considered that a net liability may crystallise.
