## **22.4 Disapplication of Trustee Acts**

S1 Trustee Act 2000 shall not apply to the duties of the Administrative Agent in relation to the trusts constituted by this Security Agreement. Where there are any inconsistencies between the Trustee Act 1925 or the Trustee Act 2000 and the provisions of this Security Agreement, the provisions of this Security Agreement shall, to the extent permitted by law and regulation, prevail and, in the case of any inconsistency with the Trustee Act 2000, the provisions of this Security Agreement shall constitute a restriction or exclusion for the purposes of that Act.

## **23. INDEMNITY**

### **23.1 Indemnity to the Security Enforcement Parties**

The Chargors shall promptly indemnify each Security Enforcement Party against any Loss (together with any applicable VAT) incurred by any of them as a result of:

- (a) acting or relying on any notice, request or instruction which it reasonably believes to be genuine, correct and appropriately authorised;

- (b) the taking, holding, protection or enforcement of the Collateral subject to this Security Agreement;
- (c) the exercise of any of the powers, discretions, authorities, remedies and other rights vested in any Security Enforcement Party by the Loan Documents or by law;
- (d) any default by any Loan Party in the performance of any of the obligations expressed to be assumed by it in the Loan Documents;
- (e) instructing lawyers, accountants, tax advisers, surveyors, a financial adviser or other professional advisers or experts as permitted under this Security Agreement; or
- (f) acting as Administrative Agent, Receiver or Delegate under the Loan Documents or which otherwise relates to any of the Collateral subject to this Security Agreement (otherwise, in each case, than by reason of the relevant Security Enforcement Party's gross negligence or wilful misconduct).

## **23.2 Lien on Collateral subject to this Security Agreement**

Each Security Enforcement Party may, in priority to any payment to the Secured Parties, indemnify itself out of the Collateral subject to this Security Agreement in respect of, and pay and retain, all sums necessary to give effect to the indemnity in Clause 23.1 and shall have a lien on the Collateral subject to this Security Agreement and the proceeds of the enforcement of the Collateral subject to this Security Agreement for all moneys payable to it.

## **24. CHANGES TO THE PARTIES**

### **24.1 Administrative Agent**

The Administrative Agent may assign any or all of its rights and transfer any or all of its obligations under this Security Agreement without the consent of the Chargors being required.

### **24.2 Chargors**

Neither Chargor may assign any of its rights or transfer any of its rights or obligations under this Security Agreement.

## **25. PARTIAL INVALIDITY**

If, at any time, any provision of this Security Agreement is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions nor the legality, validity or enforceability of that provision under the law of any other jurisdiction will in any way be affected or impaired.

26. **REMEDIES AND WAIVERS**

No failure to exercise, nor any delay in exercising, on the part of the Administrative Agent or any other Secured Party, any remedy or other right under this Security Agreement shall operate as a waiver of that remedy or other right. No single or partial exercise of any remedy or other right prevent any further or other exercise or the exercise of any other right. The remedies and other rights provided in this Security Agreement are cumulative and not exclusive of any remedies and other rights provided by law.

27. **AMENDMENTS AND WAIVERS**

Any term of this Security Agreement may be amended or waived only with the written consent of the Administrative Agent and the Chargors and any such amendment or waiver will be binding on all Parties.

28. **COUNTERPARTS**

This Security Agreement may be executed in any number of counterparts, and this has the same effect as if the signatures (and if applicable, seals) on the counterparts were on a single copy of this Security Agreement.

29. **GOVERNING LAW**

This Security Agreement and any non-contractual obligations arising out of or in connection with it are governed by English law.

30. **ENFORCEMENT**

30.1 **Jurisdiction of English courts**

- (a) The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Security Agreement (including a dispute relating to the existence, validity or termination of this Security Agreement or any non-contractual obligations arising out of or in connection with this Security Agreement) (a "**Dispute**").
- (b) The Parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no Party will argue to the contrary.

30.2 **Benefit**

Clause 30.1 is for the benefit of the Administrative Agent and the other Secured Parties only. As a result, no Secured Party shall be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, the Secured Parties may take concurrent proceedings in any number of jurisdictions.
