THE DIRECTORS' REPORT

FOR THE YEAR ENDED 30 NOVEMBER 2020

The directors present their report and the unaudited financial statements of the Company for the year ended 30 November 2020. The directors' report has been prepared in accordance with the provisions applicable to dormant companies subject to the small companies' regime.

PRINCIPAL ACTIVITIES

The Company was established for the purpose of holding options to purchase loan notes from certain Eurosail securitisation structures. These options may only be exercised by the Company in the event of a default in the payments of the loan notes and there is no reasonable likelihood of further realisations available to pay the outstanding notes issued by the Eurosail securitisation structures. Apart from holding the options, the Company had no transactions during the current or prior year and consequently no profit and loss is presented within these financial statements.

BUSINESS REVIEW

The Company has been dormant as defined by section 1169 of the Companies Act 2006 throughout the year and the preceding financial period. It is anticipated that the Company will remain dormant for the foreseeable future.

DIRECTORS

The directors who served the Company during the current year and up to the date this report were as follows:

Wilmington Trust SP Services (London) Limited
Mr D J Wynne

THIRD PARTY INDEMNITIES

Qualifying third party indemnity provisions, of up to £10,000,000, for the benefit of the directors were in force during the year under review and remain in force as at the date of approval of the Directors' Report and financial statements.

IMPACT OF COVID-19 & BREXIT

Due to COVID-19 continuing to spread aggressively, the United Kingdom government announced a third lockdown in January 2021 which again prohibits all non-essential travel. In December 2020, the United Kingdom government approved the use of Pfizer COVID-19 vaccination and initiated to roll out the vaccination scheme early December 2020. As at the end of April 2021, almost 35 million individuals within the United Kingdom have received at least one dose of a COVID-19 vaccine. Due to the success in the COVID-19 vaccination scheme, the UK government announced plans to lift the national restrictions late in February 2021 with the first stage of restrictions easing becoming effective late March 2021. While the impact and effect of the coronavirus outbreak on businesses is starting to improve, there is still a risk of financial instability for the Company. At this stage the impact on the Company has not been significant and the Directors will continue to assess the ongoing risks and going concern status of the Company.

The UK left the 11-month transition period which keeps the UK bound to the EU's rules on 31 December 2020. At the date of signing these reports, there remain uncertainties for businesses and economic growth which may affect the Company's investments. However, this is not expected to have any effect on the Company's ability to trade as a going concern. At the date of signing these Financial statements, the Directors do not foresee any immediate risks crystallising, however, the directors will continue to closely monitor the impact of the decision on the market and therefore on the Company.

THE DIRECTORS' REPORT (continued)

FOR THE YEAR ENDED 30 NOVEMBER 2020

DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.
