If any of the Debtor's Obligations are at any time not fixed or liquidated or capable of being ascertained by fixed rules, those Debtor's Obligations will still be immediately due when the Bank demands payment or performance; the amount due then being ascertained in accordance with Clause 1(a).

The foregoing undertaking does not in any way vary any term applicable to any of the Debtor's Obligations by which the due date for payment or performance has been or is agreed or is specified. Each of the Debtor's Obligations in respect of which there is no agreed or specified due date for payment or performance will be immediately due when the Bank demands payment or performance.

The Debtor undertakes to pay interest at the Default Rate in accordance with Clause 11(b) on any amount which the Debtor fails to pay to the Bank on the due date under this Standard Security.

For which Debtor's Obligations the Debtor hereby grants a Standard Security in favour of the Bank over ALL and WHOLE

the subjects known as and forming Three Towns Care Home (erroneously referred to in the Title Sheet for Title Number AYR16781 as Three Towers Care Home), 20 Afton Road, Stevenston, KA20 3HA being the subjects registered in the Land Register of Scotland under Title Number AYR16781.

(the "Security Subjects") The Standard Conditions (the "Standard Conditions") specified in Schedule 3 to the Conveyancing and Feudal Reform (Scotland) Act 1970, as amended, (the "1970 Act"), and any lawful variation of the Standard Conditions operative at any given time, will apply. But this Standard Security is granted subject to the following prior charges (if any):

Please insert details of
any prior charges/lease

(the "Prior Charges").

And the Debtor agrees as follows (so that where any of the following Clauses vary or could vary any of the Standard Conditions then such Standard Conditions will be treated as so varied):

1 Definitions and Interpretation

1.1 In this Standard Security the following words and expressions shall have the following meanings:

(a) "Debtor's Obligations" means all sums and obligations currently due, and all sums and obligations which will or may become due or may be accruing due by the Debtor and/or for which the Debtor is or may become liable or responsible to the Bank in any way or in any circumstances, whether alone or jointly with any other person or persons and whether as principal debtor, cautioner, guarantor, indemnifier or surety or otherwise including:

(i) all and any sums representing principal interest, first payments, instalments, deferred payment, initial advance, rental, insurance, premiums, licence fees, discount, commission, charges, damages, costs, liabilities, fees and expenses whether on or in connection with or arising out of any current or other accounts, order, draft, bill, promissory note, letter of credit, hire purchase agreement, conditional sale agreement, credit sale agreement, lease or hire agreement, guarantee or other form of financial accommodation (whether granted by the Bank on behalf of the Debtor or by the Debtor to the Bank) or arising out of this Standard Security; and

(ii) the full amount no matter how incurred of any costs, liabilities, fees and expenses paid, incurred or charged by the Bank in connection with preparing and recording and/or registering this document or in perfecting or enforcing this Standard Security or in obtaining payment or performance of all sums and obligations secured or intended to be secured by this Standard Security;

(iii) interest at the Default Rate on any amount which the Debtor fails to pay to the Bank on the due date in terms of this Standard Security and/or any loss, costs, liability, fee or expense incurred by the Bank in terms of this Standard Security payable for the period from the date the amount is demanded or, in the case of any loss, costs, liability, fee or expense incurred by the Bank, if earlier from the date the same is incurred until full discharge, and (without prejudice to the right of the Bank to require payment of such interest) all such interest shall be compounded (in the case of interest charged by reference to the Bank's base rate) on the Bank's usual charging dates in each year, and (in the case of interest charged by reference to the cost of funding in the London Interbank Market or other market) at the end of each period as is selected by the Bank pursuant to Sub-Clause 1.3(b)(i) or at three monthly intervals whichever is the shorter;

(b) "Default Rate" means a rate of interest accruing on a daily basis:

(i) in the case of an amount denominated in Sterling, at the rate of two percentage points above the Bank's base rate for the time being in force (but its equivalent or substitute rate for the time being) or in the case of an amount denominated in any currency or currency unit other than Sterling, at the rate of two percentage points per annum above the cost to the Bank (as conclusively determined by the Bank) of funding sums comparable to and in the currency or currency unit of such amount in the London Interbank Market (or such other market as the Bank may select) for such consecutive periods (including overnight deposits) as the Bank may in its absolute discretion from time to time select; or

(ii) at the highest rate payable from time to time by the Debtor to the Bank;

(whichever is the higher);

1.2 In this Standard Security:

(a) the expressions "the Debtor" and "the Bank" (where the context admits) includes their respective successors and/or assigns;

(b) where two or more persons are included in the expression "Debtor" then:

(i) the obligations imposed on all and each of these persons in this Standard Security are joint and several with the obligations of each other person included in the expression "Debtor" so that each person is liable for all the obligations, not just a share of them; and

(ii) each reference to "Debtor" is a reference to all persons included in the meaning of each such expression and also each of such persons separately;

(c) where any person included in the expression "Debtor" is a partnership, each person who is or becomes a partner of that partnership at any time will be liable jointly and severally with each other and with each other person included in the expression "Debtor" for all the obligations imposed on the Debtor in this Standard Security;

(d) in the event of any one or more of the persons included in the expression "Debtor" being released from or being found never to have been bound by the obligations imposed on the Debtor by this Standard Security (or from or by any such obligations), as a result of any incapacity, on its or their part or invalidity of the documentation establishing its or their liability for such obligations or for any other reason, the other person or persons included in the expression "Debtor" will nevertheless remain bound by all their respective obligations under this Standard Security;

(e) for the purpose of Standard Condition 9(c), the insolvency of any person or persons included in the expression "Debtor" will constitute the insolvency of the Debtor;

(f) expressions in the singular include the plural and vice versa; expressions in one gender include each other gender and a reference to a part of a thing includes the whole of it;

(g) some expressions are given defined meanings in Clause 1.3 or above which will apply in each place such expressions are used in this Standard Security;

(h) a different meaning from that referred to in or given in Clause 1.3 or above will only apply if that is clearly intended by the context in which it is used;

(i) several terms of this Standard Security use general words in conjunction with one or more specific examples (for emphasis and other reasons). These specific examples do not affect the breadth of meaning of the general terms. Furthermore, except where stated, the breadth of one term of this Standard Security is not limited by any other term;

(j) each reference to any law in this Standard Security will include any amendments made to it previously or at any time in the future and each direct or indirect replacement of it to the extent that the Standard Security relates to anything or any person in any place or with Scotland. Expressions used in this Standard Security will be deemed to include analogous expressions appropriate to that other place;

(k) each reference to any Clause by number in this Standard Security is a reference to the relevant clause of this Standard Security; and

2. Insurance

2.1 The Debtor will comply with all covenants, undertakings and conditions as to the insurance of the Security Subjects imposed by the terms of any title condition (a) burden or obligation relating to the Security Subjects or any lease or agreement for lease affecting the Security Subjects or under which the Debtor derives its interest in the Security Subjects and subject to the foregoing will insure and keep insured each part of the Security Subjects against:

(a) loss by fire, explosion and aircraft; and

(b) loss resulting from subidence; and

(c) loss resulting from acts of terrorism and loss resulting from any such other risks and contingencies as are insured in accordance with sound commercial practice including adequate provision for any trade or other fixtures or fixed plant and machinery or comprised in the Security Subjects (except where the Bank agrees in writing that it is reasonable not to insure against any such losses due to the residential nature of all or any part of the Security Subjects); and

(d) such other risks and contingencies as the Bank may from time to time require.

The amount or which such insurance will be maintained will be the full reinstatement or replacement cost or such other amount as the Bank may require.

2.2 The insurance will include adequate provision for architects and other professional fees, the costs of demolition, site clearance and shoring up and Value Added Tax. The Bank may also require it to include provision for up to three years' loss of rent under each and any lease or sub-lease comprised in the Security Subjects (taking into account potential increases as a result of rent reviews) and providing for forward inflation.

2.3 The Bank may in its discretion waive the provisions of Clauses 2.1 and 2.2 if and to the extent that any of the above mentioned insurance is maintained by another person (such as a landlord or underwriter) to the Bank's satisfaction and such other arrangements as the Bank considers appropriate are made to protect the Bank's interest in the Security Subjects.

2.4 The Bank reserves the right to require the above mentioned insurance to be taken out with an insurer approved by the Bank and/or which is a member of the Association of British Insurers or any other trade association or body which the Bank in its absolute discretion considers appropriate.

2.5 If called upon in writing at any time by the Bank to do so, the Debtor will immediately arrange for the Policy to be put in the joint names of the Bank and the Debtor or will grant an assignment to the Bank of the whole benefit of the Policy. If the Debtor fails to do this the Bank may arrange or renew at the Debtor's expense any insurance which the Bank considers appropriate. The Debtor will repay to the Bank, on demand by the Bank, the cost of any such insurance. The Bank will be entitled at its discretion to debit the amount of the cost of any such insurance and the interest on that cost at the Default Rate to any account or accounts in the name of the Debtor with the Bank.

2.6 The Debtor will, produce to the Bank if so required, within fifteen days of the renewal date or dates of the Policy, the receipts for or other evidence of payment of the current premium or premiums together with a copy or copies of the Policy. If the Debtor fails to do this the Bank may arrange or renew at the Debtor's expense any insurance which the Bank considers appropriate. The Debtor will repay to the Bank, on demand by the Bank, the cost of any such insurance. The Bank will be entitled at its discretion to debit the amount of the cost of any such insurance and the interest on that cost at the Default Rate to any account or accounts in the name of the Debtor with the Bank.

2.7 The Debtor will ensure that the endorsement of the Bank's interest or otherwise that the Policy is always on the following terms:

(a) the Policy must not be capable of being cancelled without at least 30 days' prior written notification (15 days in the case of terrorism cover) being given to the Bank;

(b) the Policy must provide that in the event of the Policy lapsing through non-payment of premium, such lapse will not be effective in respect of the Bank until not less than 90 days after receipt by the Bank of written notice from the relevant insurer of such lapse;

(c) in respect of the Bank's interest, the Policy or the insurance under it will not be invalidated by any action or omission by the Debtor and will insure the Bank's interest regardless of any misrepresentation, failure to disclose or breach of warranty, declaration or clause on the part of the Debtor or any other person;

(d) the Policy must provide that the relevant insurance company from time to time waives its rights of subrogation against the Bank or to any rights of the Bank against the Debtor; and

(e) the Policy must provide that the insurance under it is primary and without right of contribution from any other insurance policy in which the Bank has any interest (including as first loss payee or as a mortgagee, creditor, mortgagee or chargee under such other insurance policy).

2.8 The Debtor agrees that the Bank will have no liability to the Debtor for any action or omission by the Bank whatsoever in relation to the Policy or the insurance under the Policy.

2.9 The Debtor agrees to apply all monies received or receivable by the Debtor under such Policy or Policies to the replacement, restoration or reinstatement of the damaged or destroyed property and assets in respect of which the monies have been paid and to the mitigation of any other loss or damage or required by the Bank (in its absolute discretion) in or towards payment or repayment of the Debtor's Obligations. Any monies received by the Debtor under the Policy will in any event be held by the Debtor as agent and trustee for and on behalf of the Bank and the Bank may as agent and trustee for the Debtor receive and give a good discharge for any monies receivable under the Policy.

2.10 The Debtor will inform the Bank and the relevant insurer in writing immediately if:

(i) any part of the Security Subjects is damaged or destroyed; or

(ii) it leaves or intends to leave any part of the Security Subjects vacant for a period of more than twenty-eight days;

and will pay any increased premium necessary to maintain the insurance cover specified in Clause 2.1.

2.11 The Debtor will not effect any other contract of insurance in relation to the Security Subjects if a claim under such contract of insurance would result in the operation of any average clause in any insurance policy.

2.12 The Debtor will make or assist in the making of any appropriate claim under the Policy in any way in which the Bank may require. The Debtor will not, without the Bank's prior written consent, in any way, admit, compromise or settle liability or any claim or any matter which may be the subject of a claim under the Policy. The Debtor authorises the Bank in the Debtor's name and on the Debtor's behalf to make any claim against the insurer under any part of the Policy and to admit, compromise or settle such claim and/or any liability relating to any such claim and/or any potential claim. The Debtor also authorises the Bank to receive any amounts payable and/or received in respect of the Policy and/or claim under the Policy.

3.1 The Debtor will not, so long as this Standard Security remains in force:

(e) erect (or allow the erection of) any structure (including any installation or building) on any part of the Security Subjects;

(f) destroy or damage in any way or by any means (less than or any material extent) the value of any part of the Security Subjects (or allow the value to be so destroyed, damaged or lessened).

(g) keep, treat or dispose (or allow the keeping, treatment or disposal) of waste in, on or under the Security Subjects, except in accordance with Environmental Laws;

(h) do anything (or allow anything to be done) which may prejudicially affect the insurance of the Security Subjects (as referred to in Clause 2) or increase the premium payable for such insurance;

(k) lease, sub-lease or grant a tenancy or licence of any part of the Security Subjects. The Debtor further undertakes that, in the event of leasing, sub-leasing or granting a tenancy or licence of any part of the Security Subjects, it will:

(i) perform all its obligations as landlord or licensor in respect of any such lease, sub-lease, tenancy or licence;

(ii) enforce performance by the tenants or licensees of their whole obligations under any such lease, sub-lease, tenancy or licence;

(iii) not permit any release, renunciation or surrender or allow any variation of any such lease, sub-lease, tenancy or licence;

(a) will ensure that each part of the Security Subjects is kept

(i) fully protected from damage or deterioration as a result of weather or malicious damage or any other cause; and

(ii) in good and substantial state of repair and, where appropriate, in good working order; and

(d) will immediately replace any fixtures removed from the Security Subjects by the Debtor or any other person with ones of the same or greater value and quality, and the Bank's rights and interest as heritable creditor will apply to any replacement fixtures;

(e) where, with the Bank's prior written consent, any part of the Security Subjects is to be developed or, in the course of development or is or becomes the subject of change of use, will proceed diligently (to the satisfaction of the Bank and any competent authority) with such development and comply with all consents (if any) under the Planning Acts and any Acts relating to building regulation or control and all Environmental Laws and Environmental Permits, and will produce all plans and specifications relating to such development to the Bank for approval and not amend such plans and specifications in any manner which might diminish the finished value (or increase the cost to a material extent) without the Bank's prior written consent;

(f) will not allow any circumstances to arise which could lead to a competent authority or a third party taking action or making a claim under any Environmental Laws (including the requirement to clean up any contaminated land) or the revocation, suspension, variation or non-renewal of any Environmental Permit or which could lead to the Debtor having to take action to avert the possibility of any such action or claim, in each case in relation to any part of the Security Subjects or in relation to anything done on any part of the Security Subjects by the Debtor or by any other person;

(g) will cultivate the garden ground or arable land of the Security Subjects where appropriate and generally ensure that each part of the Security Subjects is properly managed in accordance with good estate management and, where applicable, the rules of good husbandry; and

(h) will indemnify the Bank against any loss or claims resulting from breach of any of the foregoing, the amount due to the Bank in accordance with such indemnity being deemed to be owing to the Bank by the Debtor.

(f) notify the Bank of any dispute with the landlord or any notice received from the landlord in respect of the lease or sub-lease.

4.4 The Debtor warrants to the Bank that at the time of signing this Standard Security:

(a) nothing has been done to the Security Subjects at any time which required planning permission under the Planning Acts or building regulation approval without such permission or approval having been obtained and that all statutory requirements affecting the Security Subjects and their use have been complied with;

(b) no circumstances have occurred in the period during which the Debtor has held an interest in the Security Subjects and, so far as the Debtor is aware, no circumstances occurred prior to the commencement of such period which have led or could lead to a competent authority or third party taking any action or making a claim under any Environmental Laws (including the requirement to clean up or remedy in any other way any contaminated part of the environment or the revocation, suspension, variation or non-renewal of any Environmental Permit) or which have led or could lead to the Debtor having to take action to avert the possibility of any such claim; and

(c) generally there is nothing relating to the Security Subjects which is or may be prejudicial to the Bank's position as a cautious and prudent secured lender other than such as the Debtor has disclosed in writing to the Bank before this Standard Security is signed.

5 Disclosure of Adverse Events

5.1 The Debtor will notify the Bank in writing immediately upon each occasion that the Debtor becomes aware that:

(i) any notice or order or any proposal for a notice or order has been issued in relation to any part of the Security Subjects or any neighbouring premises in connection with any law (including the Planning Acts and Environmental Laws);

(ii) there are circumstances relating to any part of the Security Subjects or to any neighbouring premises (or to the use of Security Subjects or any neighbouring premises) which have led or could lead to a competent authority or third party taking any action or making a claim under any Environmental Laws (including the requirement to clean up any contaminated land or the revocation, suspension, variation or non-renewal of any Environmental Permit) or which have led or could lead to the Debtor having to take action to avert the possibility of any such action or claim; and

6 Bank's Powers

6.1 The Debtor will permit the Bank to take any action which the Bank considers appropriate to ascertain whether or not the Debtor has fully complied with each of the obligations of the Debtor under Clauses 4 and 5 and/or to ascertain the extent to which the Security Subjects remain appropriate and/or adequate security for the Debtor's obligations. In particular, if the Bank so requests, the Debtor will:

(a) immediately produce to the Bank such evidence in relation to those matters as the Bank considers appropriate; and

(b) permit the Bank to enter into or onto the Security Subjects to view and assess the state of repair and condition of all or any part of the Security Subjects and to carry out any repairs the Bank considers necessary or appropriate or take any steps to make any part of the Security Subjects safe and secure, the cost being payable to the Bank by the Debtor or demands with interest at the Default Rate.

Any exercise by the Bank of its powers under this Clause 6.1 will not make it in any way liable to account as a heritable creditor in possession.

6.2 The Bank may (but will not be obliged to) do anything which the Bank considers appropriate, to avoid, lessen or make good the effects of any non-compliance with any part of the obligations of the Debtor under Clauses 4 and 5 or, to make any part of the Security Subjects safe and secure. In particular, the Bank may:

- (a) effect such repairs and other works to the Security Subjects as the Bank considers appropriate; and
- (b) give notices, execute such works and do such things as the Bank considers appropriate to comply with any requirements (whether under any law or otherwise) and including any notice, order, direction, permission or proposal given, served or made under the Planning Acts or Environmental Laws, which affects or is likely to affect any part of the Security Subjects or their adequacy or appropriateness as security for the Debtor's Obligations.

The Bank may exercise rights under this Clause 6.2 if the Debtor does not comply with or the Bank considers that the Debtor may not have complied with any of the obligations of the Debtor under Clauses 4 and 5 and/or any person (including the Debtor) is about to do anything which the Bank considers would (directly or indirectly) lead to such non-compliance and/or if the Bank believes there may be any concern about the safety or security of any part of the Security Subjects.

6.3 For the purpose of exercising the Bank's rights under this Clause 6, the Bank may enter into or onto any part of the Security Subjects, with or without any person to assist (including surveyors, workmen and consultants), without prior notice in each case which the Bank considers to be an emergency and after giving the Debtor at least 24 hours prior notice in any other case. No such entry will result in the Bank being or being deemed to be a rentable creditor in possession.

6.4 The Debtor will provide all assistance (including any documents, facilities and/or personnel) for doing anything requested by the Bank and/or any person who assists them to enable the Bank to exercise the Bank's rights under this Clause 6.

6.5 The whole cost of any steps taken by the Bank by virtue of its rights under this Clause 6 will be payable to the Bank by the Debtor on demand with interest at the Default Rate.

- (h) the Debtor's whole other powers in relation to the Security Subjects.

7.2 The Debtor agrees that:

8. Fittings, Fixtures and Moveables

8.1 Upon the Bank exercising any rights on default it will, (but only as regard the following matters) be entitled but not bound to remove, store, preserve, sell or otherwise deal with or dispose of any moveable property belonging to or which the Bank may believe belongs to the Debtor (including furniture and effects) which the Debtor refuses or omits to remove from the Security Subjects within 7 days of being called upon to do so by notice in writing from the Bank in any way the Bank considers appropriate. 8.2 The Bank may apply any price received in respect of any sale of such furniture or effects, after deduction of the expense of sale, in the reduction of any of the Debtor's Obligations (except where such application of the proceeds of sale would operate to create an unfair preference in favour of the Bank by virtue of any legislation in which case the Bank will hold such net proceeds for the benefit of the person or persons entitled thereto in terms of applicable legislation). The Bank will account to the Debtor for any balance of the net proceeds remaining after such application has been made.

9. Agricultural Quotas

9.1 The Debtor will not assign, lease, surrender or dispose of any quota which attaches to or is allocated under any scheme arising under European Union or United Kingdom legislation restricting in any way the use for agricultural purposes of the Security Subjects or any part thereof to the Security Subjects or any agricultural business carried out by the Debtor on the Security Subjects.

- and upon such default the Bank will be entitled to enter into possession of the Security Subjects.

10.2 Where the Bank becomes entitled in accordance with Standard Clause 9 as varied by the above to enter into possession of the Security Subjects then:

- the Bank may serve notice on the Debtor requiring it to vacate the Security Subjects within a period of seven days and the Debtor will on expiry of the said seven day period vacate the Security Subjects so far as occupied by it or others for whom it is responsible and the Debtor agrees that a warrant of summary ejection may competently proceed against it in the relevant Sheriff Court;
- the Bank will be entitled to sever and remove and sell or otherwise dispose of separately or together with the rest of the Security Subjects all or any fittings and fixtures comprised in the Security Subjects;
- the Bank may, but will not be obliged to, complete any building work or other works which are incomplete or unfinished and carry out any development, refurbishment, improvement or reconstruction in respect of the Security Subjects which the Bank considers appropriate or desirable in its sole discretion and the money expended on such completion will become a part of the Debtor's Obligations. The Bank may apply for planning permission, building warrants, any Environmental Permit and any other necessary or desirable permissions in order to complete any such building work or other works or to carry out any such development, refurbishment, improvement or reconstruction. - the Bank will be entitled to exchange or re-arrange boundaries with neighbouring proprietors in any such way as it considers appropriate;
- the Bank may regard all moneys paid by way of rent for the Security Subjects as being attributable to herbage and not as attributable to any fittings or moveables within the Security Subjects, no matter what any lease purports to provide and will not require to make any apportionment between heritable and moveable items so let; and

11.1 The Debtor agrees that:

- the security created by this Standard Security will be a continuing security in respect of each of the Debtor's Obligations and any and all other sums owing to the Bank secured by this Standard Security at any time and will not be affected by any fluctuations in the balance of any sums comprised in the Debtor's Obligations or by the existence at any time of a nil or credit balance on any current or other account;
- the security created by this Standard Security is in addition to, and will not merge with or prejudice or affect, any other fixed or floating charge or security or any guarantee which the Bank holds now or in the future for the Debtor's Obligations;
- the Bank will be entitled at any time to sell, dispose of, surrender or abandon all or any part of any such heritable or moveable security or guarantee referred to in the preceding paragraph or the shares of property to which they relate or allow these to be sold, disposed of, surrendered or abandoned or to apply the proceeds of same to any account or item of account or any transaction to which the same may be applicable or to give up, cancel or relinquish any such charge, security or guarantee without in any way affecting the security created by this Standard Security or releasing any of the Debtor's Obligations;
- none of the Debtor's Obligations will be reduced, discharged or otherwise affected by the Bank granting to the Debtor or to any other person or persons any time, waiver or concession or compounding with the Debtor or any other person or persons, according to trust deeds (protected or unprotected) or drawing dividends, whether or not any notice is given to the Debtor or any other person concerned;
- the Bank is entitled to apply any sums received in respect of the Debtor's Obligations including any sums due by the Debtor hereunder to such account or accounts as it considers appropriate;
- if the Bank receives intimation of any subsequent charge or security affecting all or any part of the Security Subjects, the Bank may open up a new account or accounts for the Debtor. If the Bank does not open a new account then unless the Bank gives express written notice to the contrary to the Debtor the Bank will nevertheless be treated as if it had done so at the time when it received such intimation and as from that time all payments made by or on behalf of the Debtor to the Bank will be credited or treated as having been credited to such new account or accounts and will not operate to reduce the amount due from the Debtor to the Bank at the time when it received such intimation;
- receipt by the Bank of any sums paid in respect of the Debtor's Obligations will not reduce the Debtor's Obligations unless the Bank confirms in writing to the Debtor that the Debtor's Obligations are so reduced. The Bank may place any amounts received under or in relation to this Standard Security to the credit of a suspense account. Those amounts may be kept there until such time as the Bank decides to apply them in or towards satisfaction of any of the Debtor's Obligations; and
- any discharge or restriction which is granted or made on the faith of any payment, security or disposition which is invalid, avoided or declared void or repayable or repaid on the insolvency of the Debtor or any other person will be invalid and the Debtor's Obligations hereunder and this Standard Security will continue to be enforceable as if the discharge or restriction had never been granted or made.

14 Conclusive Evidence

14.1 Any notice given by the Bank specifying the amount of all or part of the Debtor's Obligations at any time will be conclusive and binding on the Debtor for all purposes (save for manifest error). The amount to be specified by the Bank may be calculated by the Bank on the assumption that all of the Debtor's Obligations are then due and payable (including any which would not actually become due and payable unless certain clauses were to occur or be fulfilled).

15 Payment without Deduction

15.1 All payments to be made by the Debtor under this Standard Security will be made in the currency and in the manner prescribed by the Bank and:

- without any set off, retention, compensation, condition or counterclaim; and
 - free and clear of any deductions or withholdings of whatsoever nature.
- If the Debtor is required by law to make any deductions or withholdings then the Debtor will pay the Bank such additional amounts as may be necessary to ensure that the Bank receives a net amount equal to the full amount which it would have received had payment not been made subject to any such deduction or withholding.

16 Currency Conversion

16.1 For the purposes of the Bank exercising any rights or determining any amount under this Standard Security or general law, the Bank may convert into another currency each amount (including a credit balance) received by the Bank in relation to this Standard Security or held by the Bank on account of the Debtor. The conversion will be done at the Bank's spot rate for selling the currency or currency unit of the Debtor's Obligations for the currency or currency unit so received or held prevailing at or about 11.00 am on the relevant date or at a rate which the Bank considers reflects the prevailing rate of exchange in the appropriate currency market.

16.2 If at any time the currency in which all or any of the Debtor's Obligations are denominated is, or is due to be, or has been converted in the Euro or any other currency or currency unit as a result of a change in law or by agreement with the Bank then neither this Standard Security nor the Debtor's Obligations shall be discharged or terminated as a consequence and the Bank may in its sole discretion direct that all or any of the Debtor's Obligations shall be paid in the Euro or such other currency or currency unit.

17 Unlawfulness, Partial Invalidity

17.1 Each of the provisions of this Standard Security shall be severable and distinct from one another and if at any time any one or more of such provisions is or becomes illegal, invalid or unenforceable for any reason under the laws of any jurisdiction, such illegality, invalidity or unenforceability will not affect its legality, validity or enforceability in any other jurisdiction or make illegal or invalidated or make unenforceable any other provision of this Standard Security.

18.1 The Bank may assign this Standard Security to any other bank or person and may disclose to such bank or person or to any other person such information concerning the financial affairs of the Debtor as the Bank in its absolute discretion considers appropriate.

19.1 Any notice under this Standard Security will not be effective unless it is in writing and in English.

19.2 Any notice by the Bank may, but does not need to, bear the signature of any officer or agent of the Bank. Any such signature which is produced automatically or mechanically will be equally effective as one written by the signatory.

19.3 Any notice or demand by the Bank hereunder shall be deemed to have been sufficiently given or made if sent:

- by hand or prepaid letter post to the registered office or address stated herein of the Debtor or the address of the Debtor last known to the Bank; or
- by telex or facsimile to the last known telex or facsimile number relating to any such address or office.

19.4 Any such notice or demand given or made under Clause 19.3 shall be deemed to have been served on the Debtor:

- at the time of delivery to the address referred to in Clause 19.3(a) if sent by hand;
- at the earlier of the time of delivery or 10.00 a.m. on the day after posting (or if the day after posting be a Sunday or any other day upon which no delivery of letters is made, at the earlier of the time of delivery or 10.00 a.m. on the next succeeding day on which delivery of letters is scheduled to be made) if sent by prepaid letter;
- at the time of transmission if sent by telex or facsimile (and a facsimile shall be deemed to have been transmitted if it appears to the sender to have been transmitted from a machine which is apparently in working order); or
- on the expiry of 72 hours from the time of dispatch in any other case.

19.5 If there are any circumstances (not caused by the Debtor) which mean that any notice sent by post or facsimile cannot reasonably be expected to arrive by the time it would be treated as served, the time of service will be rescheduled to a time which the sender considers appropriate.

19.6 The Debtor will not attempt to prevent, delay or evade the service of any such notice.

19.7 In order to be valid any notice given by the Debtor (which may not be given by facsimile) must be received by the Bank at the Bank's Office (and if not received between 9.00 a.m. and 5.00 p.m. on a working day, such notice will be deemed to have been received when 9.00 a.m. next occurs on a working day).

19.8 Nothing in this Clause 19 applies to service by the Bank of any calling-up notice or notice of default the requirements for which shall be as stated in the 1970 Act.

20 Consumer Credit Act 1974

20.1 The Debtor's Obligations will not include any sums or obligations due by the Debtor to the Bank under a regulated agreement within the meaning of the Consumer Credit Act 1974 ("the 1974 Act") unless any such agreement provides for it to be secured by this Standard Security or is a debtor-creditor agreement in terms of the 1974 Act for the Debtor to overdraw a current account
