Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the group and the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

As a dormant company, Racing Green Apparel Limited has elected to retain its accounting policies for reported assets, liabilities and equity at the date of transition to FRS 102 until there is any change in those balances or the company undertakes any new transactions in line with FRS 102, section 35.
