1 ACCOUNTING POLICIES

Basis of accounting

The accounts have been prepared under the historical cost convention as modified by the revaluation of certain fixed assets.

Turnover

Turnover represents net invoiced sales of goods, excluding VAT.

Tangible fixed assets

Depreciation is provided, after taking account of any grants receivable, at the following annual rates in order to write off each asset over its estimated useful life:

Motor Vehicles	25% reducing balance basis
Equipment, Fixtures & Fittings	25% reducing balance basis

Stocks

Stocks and work-in-progress are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items. Cost includes all direct expenditure and an appropriate proportion of fixed and variable overheads.

Leased assets

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged against profit as incurred.

Pension costs

Contributions in respect of the company's defined contribution pension scheme are charged to the profit and loss account for the year in which they are payable to the scheme.
