STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The Oxfordshire Animal Sanctuary is a company limited by guarantee and a registered charity governed by its memorandum and articles of association. The company was incorporated on 6 November 2000 and registered as a charity on 14 April 2003.

Report of the Trustees for the Year Ended 30 September 2014

STRUCTURE, GOVERNANCE AND MANAGEMENT

Recruitment and appointment of new trustees

When a vacancy arises new trustees are appointed by the existing trustees. The new trustee is generally only selected on the basis of his or her known support for the aims of the charity and typically this support will have existed for a number of years.

Induction and training of new trustees

The induction and training of new trustees involves making them aware of their responsibilities, the governing document and the administrative procedures of the charity.

Organisational structure

The charity is managed by a management committee appointed by the trustees. The charity employs a warden to run the Sanctuary with a body of employees to look after the animals. Managers are employed to run each of the shops. Volunteer staff are also utilised to assist the warden and shop managers. A manager is employed with responsibility for the day to day management at Stadhampton as well as other operational duties.

Risk management

٠,,,,

The trustees actively review the major risks the charity faces on a regular basis and believe that by maintaining reserves at current levels and combining this with an annual review of the controls over key financial systems, sufficient resources will be available to meet adverse conditions. The trustees have also examined other operational and business risks faced by the charity and confirm that they have established systems to mitigate the significant risks.

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objects of the charity are the establishment and maintenance of a Sanctuary where unwanted or stray animals of all kinds can be received at all times and to find good permanent homes for such animals or, if unsuccessful, to keep them in the sanctuary for the rest of their lives so long as it is practicable so to do.

The policy of the charity continues to be to seek the necessary finance and support to continue to operate the Sanctuary so as to comply with the above objects.

Public benefit

Our stated objectives and activities deliver public benefit by promoting human morality through the encouragement of kindness to animals and discouraging cruelty to animals. By rehoming animals we seek to create happy homes for humans and animal alike.

We have referred to the guidance contained in the Charity Commissions general guidance on public benefit when reviewing our aims and objectives in planning our future activities.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The trustees consider that the overall performance of the charity during the year has been satisfactory. Over the period 116 dogs were taken in and 161 were adopted. 148 cats arrived and 230 were found new homes. New arrivals of guinea pigs and rabbits totalled 20, those re-housed totalled 16.

A total of 407 animals were therefore successfully re-housed. The staff at the Sanctuary should again be congratulated on their continuing level of hard work in their care of the animals.

The charity would not be able to provide the service of caring for animals without the valuable assistance of the numerous willing supporters and volunteers.

Report of the Trustees for the Year Ended 30 September 2014

FINANCIAL REVIEW

Current year

Total incoming resources amounted to £1,185,163 of which legacies accounted for £717,310. The total realised gain on share investments amounted to £139. Total resources expended were £777,945 and this has resulted in a surplus for the year of £407,357. In the previous year there had been a deficit of £158,840.

The surplus for the year has increased the charity's reserves as closing net current assets have increased from £588,277 to £995,614.

Reserves policy

Given the unpredictable nature of incoming resources, it is now the policy of the charity to aim to maintain unrestricted funds at a level which equates to at least 12 months unrestricted expenditure. This should then provide sufficient funds to cover management and administrative support costs.

Investment policy and objectives

Apart from a small amount of UK equities gifted by donors in previous years, the bulk of the charity's investment funds are held in the form of a bank base rate tracker deposit account. This provides for immediate access to these monies in the form of periodic transfers to the current bank account, at the same time ensuring a reasonable rate of interest on the deposit funds held. It is intended that this policy will be reviewed after taking the appropriate professional advice.

FUTURE DEVELOPMENTS

Fund raising and publicity initiatives are planned in order to continue to spread the word regarding the valuable work of the charity in these difficult economic times.

STATEMENT OF TRUSTEES RESPONSIBILITIES

The trustees (who are also the directors of The Oxfordshire Animal Sanctuary for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS

So far as the trustees are aware, there is no relevant information (as defined by Section 418 of the Companies Act 2006) of which the charitable company's auditors are unaware, and each trustee has taken all the steps that they ought to have taken as a trustee in order to make them aware of any audit information and to establish that the charitable company's auditors are aware of that information.

AUDITORS

The auditors, Cunnington & Co Ltd, will be proposed for re-appointment at the forthcoming Annual General Meeting.

Approved by order of the board of trustees on ...312 June 2015 and signed on its behalf by:

Report of the Independent Auditors to the Members of The Oxfordshire Animal Sanctuary

We have audited the financial statements of The Oxfordshire Animal Sanctuary for the year ended 30 September 2014 on pages six to fourteen. The financial reporting framework that has been applied in their preparation is applicable law and the Financial Reporting Standard for Smaller Entities (effective April 2008) (United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities).

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of trustees and auditors

As explained more fully in the Statement of Trustees Responsibilities set out on page three, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the charitable company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the trustees; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Report of the Trustees to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 30 September 2014 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Report of the Trustees for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or

Included in cost of freehold property is freehold land of £200,000 (2013 - £200,000) which is not depreciated.

The Trustees are of the opinion that the current market value of freehold land and buildings is greater than the carrying value in the accounts. However, as no imminent sale of these assets is anticipated, the Trustees consider that obtaining a current market value would incur additional costs which would not benefit the operational capacity of the charity.
