## REPORT OF THE DIRECTORS for the year ended 31 March 2010

The directors submit their report and financial statements for the year ended 31 March 2010

#### Principal activities

The company is a wholly owned subsidiary of BLSSP Property Holdings Limited, which itself is a wholly owned subsidiary of BL Sainsbury Superstores Limited operates as a joint venture between The British Land Company PLC and J Sainsbury ptc The company's principal activity is property investment in the United Kingdom (UK)

#### **Business review**

As shown in the company's profit and loss account on page 5, the company's turnover has remained consistent with the prior year and profit before tax has remained consistent with the prior year

Dividends of £nil (2009 £nil) were paid in the year Dividends paid are shown in note 11

The balance sheet on page 7 shows that the company's financial position at the year end is, in net asset terms, an increase on the prior year

The value of investment properties held as at 31 March 2010 increased by 25 6% during the year then ended as shown in note 5 to the company's balance sheet

Details of significant events since the balance sheet date, if any, are contained in note 15

#### Risk management

This company is part of a large property investment group. As such, the fundamental underlying risks for this company are those of the property group as discussed below.

The company generates returns to shareholders through long-term investment decisions requiring the evaluation of opportunities arising in the following areas

- demand for space from occupiers against available supply,
- differential pricing for premium locations and buildings,
- alternative use for buildings,
- demand for returns from investors in property, compared to other asset classes,
- economic cycles, including their impact on tenant covenant quality, interest rates, inflation and property values,
- price differentials for capital to finance the business,
- legislative changes, including planning consents and taxation, and
- construction pricing and programming

These opportunities also represent risks, the most significant being change to the value of the property portfolio. This risk has high visibility to senior executives and is considered and managed on a continuous basis. Executives use their knowledge and experience to knowingly accept a measured degree of market risk.

The company's preference for prime assets and their secure long term contracted rental income, primarily with upward only rent review clauses, presents lower risks than many other property portfolios

The company is financed by subordinated loans from BL Superstores (Funding) Limited and BLSSP Property Holdings
Limited The average interest rate charged on the BL Superstores (Funding) Limited loans was 4 95% per annum. There is
no interest charged on the loan from BLSSP Property Holdings Limited. The company has no third party debt.

The directors consider the company to be a going concern and the accounts are prepared on this basis. Details of this are shown in note 1 of the financial statements.

## REPORT OF THE DIRECTORS for the year ended 31 March 2010

#### **Environment**

The company recognises the importance of its environmental responsibilities, monitors its impact on the environment, and designs and implements policies to reduce any damage that might be caused by the company's activities. The company operates in accordance with best practice policies and initiatives designed to minimise the company's impact on the environment including the safe disposal of manufacturing waste, recycling and reducing energy consumption.

#### Directors' responsibilities statement

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period

In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and accounting estimates that are reasonable and prudent.
- state whether applicable UK Accounting Standards have been followed, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregulanties.

#### Payments policy

In the absence of dispute, amounts due to trade and other suppliers are settled as expeditiously as possible within their terms of payment. Suppliers' days outstanding at 31 March 2010 were 34 (31 March 2009 42)

## REPORT OF THE DIRECTORS for the year ended 31 March 2010

## Disclosure of information to Auditors

Each of the persons who is a director at the date of approval of this report confirms that

- (a) so far as the director is aware, there is no relevant audit information of which the company's auditors are unaware, and
- (b) the director has taken all the steps that he/she ought to have taken as a director in order to make himself/herself aware of any relevant audit information and to establish that the company's auditors are aware of that information

This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006

#### **Auditors**

A resolution to reappoint Deloitte LLP as the company's auditors will be proposed at the Annual General Meeting

This report was approved by the Board on 27/9/10

## INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF BLSSP (PHC 35) Limited for the year ended 31 March 2010

We have audited the financial statements of BLSSP (PHC 35) Limited for the year ended 31 March 2010 which comprise the Profit and Loss Account, the Balance Sheet, the Statement of Total Recognised Gains and Losses and the related notes 1 to 16. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice)

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed

#### Respective responsibilities of directors and auditors

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit the financial statements in accordance with applicable law and international Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

#### Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements.

#### Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 31 March 2010 and of its profit for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006

#### Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements

#### Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit

## Notes to the accounts for the year ended 31 March 2010

#### 1 Accounting policies

The principal accounting policies adopted by the directors are summarised below. They have been applied consistently throughout the current and previous year.

These financial statements are designed to cover a wide variety of companies and circumstances. As a result some notes or some entries in the primary statements or the notes may not be relevant for this company and so may be left blank intentionally.

#### **Accounting basis**

The financial statements are prepared in accordance with applicable United Kingdom law and Accounting Standards and under the historical cost convention as modified by the revaluation of investment properties and other fixed asset investments

Where the company has subsidiaries, it has taken advantage of the exemption from preparing consolidated financial statements afforded by Section 400 of the Companies Act 2006 because it is a wholly owned subsidiary of another company Group financial statements, which include the company, for BL Sainsbury Superstores Limited are publicly available (see note 16)

#### **Basis of Preparation**

Having reviewed the company's forecast working capital and cash flow requirements, in addition to making enquiries and examining areas which could give risk to financial exposure, the directors have a reasonable expectation that the company has adequate resources to continue its operations for the foreseeable future. As a result they continue to adopt the going concern basis in preparing the accounts.

#### Cash flow statement

The company is exempt under FRS 1 (Revised) from preparing a cashflow statement

#### **Properties**

Properties are externally valued on an open market basis at the balance sheet date. Investment and development properties are recorded at valuation. Any surplus or deficit ansing is transferred to revaluation reserve, unless a deficit is expected to be permanent, in which case it is charged to the profit and loss account. Disposals are recognised on completion or unconditional exchange of contracts profit on disposal is determined as the difference between sales proceeds and the carrying amount of the asset at the commencement of the accounting period plus additions in the period

In accordance with Statement of Standard Accounting Practice 19, no depreciation is provided in respect of investment property. The directors consider that this accounting policy, which represents a departure from the statutory accounting rules, is necessary to provide a true and fair view. The financial effect of the departure from these rules cannot reasonably be quantified as depreciation is only one of the many factors reflected in the annual valuation and the amount which might otherwise have been shown cannot be separately identified or quantified.

#### Financial liabilities

Debt instruments are stated at their net proceeds on issue. Finance charges including premiums payable on settlement or redemption and direct issue costs are spread over the period to redemption, using the effective interest method.

## Notes to the accounts for the year ended 31 March 2010

#### 1 Accounting policies (continued)

#### Investments

Fixed asset investments are stated at cost less provision for impairment

#### **Taxation**

Current tax is based on taxable profit for the year and is calculated using tax rates that have been enacted or substantively enacted. Taxable profit differs from net profit as reported in the profit and loss account because it excludes items of income or expense that are not taxable (or tax deductible). In particular the group (including this company) became a REIT on 1 January 2007 where income and gains on qualifying assets are exempt from taxation. On 26 March 2008, the sale of 50% of the group to a non-REIT entity resulted in now only 50% of the income and gains on qualifying assets being exempt from taxation.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date. Timing differences are differences between the company's taxable profits and its results as stated in the financial statements that arise from the inclusion of gains and losses in tax assessments in periods different from those in which they are recognised in the financial statements. A net deferred tax asset is regarded as recoverable and therefore recognised only when, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

#### Net rental income

Rental income is recognised on an accruals basis. A rent adjustment based on open market estimated rental value is recognised from the rent review date in relation to unsettled rent reviews. Where a rent free period is included in a lease, the rental income foregone is allocated evenly over the period from the date of lease commencement to the next rent review date. Rental income from fixed and minimum guaranteed rent reviews is recognised on a straight-line basis over the shorter of the entire lease term or the period to the first break option. Where such rental income is recognised ahead of the related cash flow, an adjustment is made to ensure the carrying value of the related property including the accrued rent does not exceed the external valuation.

Initial direct costs incurred in negotiating and arranging a new lease are amortised on a straight-line basis over the period from the date of lease commencement to the next rent review date

Where a lease incentive payment, including surrender premiums paid, does not enhance the value of a property, it is amortised on a straight-line basis over the period from the date of lease commencement to the next rent review date. Upon receipt of a surrender premium for the early determination of a lease, the profit, net of dilapidations and non-recoverable outgoings relating to the lease concerned is immediately reflected in income.
