DIRECTORS' RESPONSIBILITIES STATEMENT

The Directors are responsible for preparing the annual report and financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

NOTES TO THE ACCOUNTS Year ended 31 December 2014

1. ACCOUNTING POLICIES

The following principal accounting policies have been applied consistently throughout the current and preceding year.

a) Basis of accounting

The financial statements have been prepared under the historical cost convention in accordance with all applicable law and United Kingdom accounting standards.

As a result of the sale of The Queensgate Limited Partnership on 20 January 2014, it is the Directors' intention that the Company will cease trading in the foreseeable future. The financial statements have been prepared on a basis other than that of a going concern which includes, where appropriate, writing down the Company's assets to the net realisable value. Provision has also been made for any onerous contractual commitments at the balance sheet date. The financial statements do not include any provision for the future costs of terminating the business of the Company except to the extent that such were committed at the balance sheet date.

b) Cash flow statement

As the Company is a wholly owned subsidiary it has taken exemption under the terms of Financial Reporting Standard 1 (revised 1996) from preparing a cash flow statement, as its cash flows are included in the consolidated financial statements of Hammerson plc, which are publicly available.

c) <u>Investments in unit trusts</u>

Investment in the unit trust is carried at the relevant share of the underlying net asset value of the trust. As the unit trust has an obligation to fully distribute its income, any income accrued in the trust is accounted as a distribution receivable by the investing company.

d) <u>Taxation</u>

Current tax is the expected tax payable on the taxable income for the year, using tax rates applicable at the balance sheet date, together with any adjustment in respect of previous years.

In accordance with Financial Reporting Standard 19 "Deferred Tax", deferred tax is provided in respect of all timing differences that may give rise to an obligation to pay more or less tax in the future.

6. TAXATION

The Company's ultimate parent company, Hammerson plc is taxed as a UK Real Estate Investment Trust ("UK REIT") and, as a consequence, group companies are exempted from UK corporation tax on the profits of a UK property rental business and on the gains on UK investment properties.

Group companies remain subject to UK corporation tax on items other than UK property rental profits and gains on UK investment properties but, as the Group has surplus tax losses, the Group's policy is for these taxable profits and losses to be fully offset by group relief surrendered without payment, so that individual subsidiaries do not bear tax.

The Company therefore had no tax charge for the year, and this is expected to continue for the foreseeable future. The profits covered by group relief for the year ended 31 December 2014 are £nil (2013: £nil).
