## APPENDIX A

The definitions contained in Appendix C shall apply to this Appendix A.

All present and future obligations and liabilities (whether actual or contingent and whether owed jointly or severally or in any capacity whatsoever) of each Obligor to the Finance Parties (or any of them) under each or any of the Senior Finance Documents together with all costs, charges and expenses properly incurred by any Finance Party in connection with the protection, preservation or enforcement of its respective rights under the Senior Finance Documents or any other document evidencing or securing any such liabilities, PROVIDED THAT no obligation or liability shall be included in the amount secured by the Debenture to the extent that, if it were so included, the Debenture (or any part thereof) would constitute unlawful financial assistance within the meaning of Sections 151 and 152 of the Companies Act 1985.

## APPENDIX B

The definitions contained in Appendix C shall apply to this Appendix B.

1. Under the terms of the Charge, the Company, with full title guarantee in accordance with the Law of Property (Miscellaneous Provisions) Act 1994 as security for the payment, discharge and performance of all Secured Liabilities, by the Charge and by the Debenture charged in favour of the Security Agent (as agent and trustee for itself and each of the Finance Parties) the Mortgaged Properties:
  - (a) by way of first legal mortgage, to the extent of its legal interest; and
  - (b) by way of first mortgage with full title guarantee, to the extent of its beneficial interest.
2. Under the terms of the Charge, the Company confirmed that it:
  - (a) charged in favour of the Security Agent by way of first fixed charge the assets referred to in clause 4.1 (Fixed Charges) of the Debenture;
  - (b) assigned to the Security Agent by way of first fixed charge the assets referred to in clause 4.3 (Assignments) of the Debenture; and
  - (c) charged by way of first floating charge the assets referred to in Clause 5 (Floating Charges) of the Debenture.
3. The Lenders under the Facility Agreement are under an obligation (subject to the terms thereof) to (inter alia) the Company to make further advances and the Debenture secures those further advances and application is to be made to the Registrar for a note of this obligation to be entered in the Charges Registers of the Mortgaged Properties to that effect.
4. Under the terms of the Debenture, the Company undertook to each Finance Party that, save as expressly permitted under the terms of the Debenture and/or the Facility Agreement it will not:
  - (a) create or permit to subsist any Security Interest over all or any of its assets, rights or property other than pursuant to the Debenture or any other Security Document; or
  - (b) part with, lease, sell, transfer, assign or otherwise dispose of or agree to part with, lease, sell, transfer, assign or otherwise dispose of all or any part of its assets, rights or property or any interest therein.
5. Pursuant to the Debenture the Company, as primary obligor and not merely as surety, covenanted with and undertook to the Security Agent (as agent and trustee as aforesaid) that it will pay or discharge the Secured Liabilities on the due date therefore in the manner provided in the relevant Senior Finance Document. Any amount not paid under the Senior Finance Document when due shall bear interest (after as well as before judgement or decree and payable on demand) at the Default Rate from time to time from the due date until the date such amount is unconditionally and irrevocably paid and discharged in full, save to the extent that interest at such rate on such amount for such period is charged pursuant to the relevant Senior Finance Document and itself constitutes a Secured Liability.
6. Pursuant to the Debenture the Company will at its own expense execute and do all such assurances, acts and things as the Security Agent may reasonably require for perfecting or

protecting the security intended to be created by or pursuant to the Debenture over the Security Assets or any part thereof or for facilitating (if and when the security created by or pursuant to the Debenture becomes enforceable) the realisation of the Security Assets or any part thereof and in the exercise of all powers, authorities and discretions vested in the Security Agent or any Receiver of the Security Assets or any part thereof or in any such delegate or sub-delegate as aforesaid. To that intent, the Company shall in particular execute all transfers, conveyances, assignments and assurances of such property whether to the Security Agent or to its nominees and give all notices, orders and directions and make all registrations which the Security Agent may reasonably think expedient.

7. If the Company creates or permits to subsist any Security Interest in breach of the provisions of Clause 5.2(a) or Clause 8.2(a)(iv) of the Debenture or Clause 22.5 (Negative Pledge) of the Facility Agreement, then to the extent possible under the applicable law, all the obligations of the Company under each of the Senior Finance Documents shall automatically and immediately be secured upon the same assets equally and rateably with the other obligations secured thereon.
