INEOS Fluor Delaware Limited

Directors' report for the year ended 31 December 2013

The directors present their report and the audited financial statements for the year ended 31 December 2013. The company is exempt from producing a strategic report under S414B Companies Act 2006.

Principal activities and business review

During the year the company did not trade. The directors do not expect any change in the company's activities during the next financial year.

Results and dividends

The company's result before taxation for the financial year is \$nil (2012: \$nil). The directors do not recommend payment of a dividend (2012: \$nil).

Key performance indicators

Disclosures related to KPIs are no longer considered to be relevant to readers of the financial statements due to the straightforward nature of the company's activities and have therefore been excluded.

Directors

The directors who held office during the year and up to the date of this report were as follows:

G Leask
MJ Maher
A White

Statement of directors' responsibilities

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INEOS Fluor Delaware Limited

Directors' report for the year ended 31 December 2013 (*continued*)

Statement of disclosure to auditors

Each of the persons who are directors at the date of approval of this report confirms that:

- (a) there is no relevant information of which the company's auditors are unaware, and
- (b) the director has taken all the steps that he/she ought to have taken as a director in order to make himself/herself aware of any relevant audit information and to establish that the company's auditors are aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of Section 418 of the Companies Act 2006.

Independent Auditors

PricewaterhouseCoopers LLP have indicated their willingness to continue in office. As a result of the Company passing a written resolution, there is no longer a requirement for the auditors to be reappointed on an annual basis.

On behalf of the Board

Independent auditors' report to the members of INEOS Fluor Delaware Limited

Report on the financial statements

Our opinion

In our opinion the financial statements, defined below:

- give a true and fair view of the state of the company's affairs as at 31 December 2013 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

This opinion is to be read in the context of what we say in the remainder of this report.

What we have audited

The financial statements, which are prepared by INEOS Fluor Delaware Limited, comprise:

- the balance sheet as at 31 December 2013;
- the profit and loss account for the year then ended;
- the accounting policies; and
- the notes to the financial statements, which include other explanatory information.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In applying the financial reporting framework, the directors have made a number of subjective judgements, for example in respect of significant accounting estimates. In making such estimates, they have made assumptions and considered future events.

What an audit of financial statements involves

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) ("ISAs (UK & Ireland)"). An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of:

- whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed;
- the reasonableness of significant accounting estimates made by the directors; and
- the overall presentation of the financial statements.

In addition, we read all the financial and non-financial information in the Annual Report and Financial Statements ("the Annual Report") to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

INEOS Fluor Delaware Limited

Opinion on other matters prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Other matters on which we are required to report by exception

Adequacy of accounting records and information and explanations received

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

Directors' remuneration

Under the Companies Act 2006 we are required to report to you if, in our opinion, certain disclosures of directors' remuneration specified by law are not made. We have no exceptions to report arising from this responsibility.

Entitlement to exemptions

Under the Companies Act 2006 we are required to report to you if, in our opinion, the directors were not entitled to take advantage of the small companies exemption from preparing a strategic report. We have no exceptions to report arising from this responsibility.

Responsibilities for the financial statements and the audit

Our responsibilities and those of the directors

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and ISAs (UK & Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

Accounting policies

These financial statements are prepared on the going concern basis, under the historical cost convention, in accordance with the Companies Act 2006 and applicable accounting standards in the United Kingdom. The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

Going concern

The Directors have considered the company's projected future cash flows and working capital requirements and are confident that the company has sufficient cash flows to meet its working capital requirements for the next twelve months. Accordingly the financial statements have been prepared on the going concern basis.

Cash flow and related party transactions

The company is a wholly owned subsidiary of INEOS Fluor Holdings Limited and is included in the consolidated financial statements of INEOS Group Holdings SA. Consequently, the company has taken advantage of the exemptions from preparing a cash flow statement under the terms of Financial Reporting Standard Number 1 (Revised 1996). The company is also exempt under the terms of Financial Reporting Standard Number 8 from disclosing related party transactions with entities that are part of the INEOS Group Holdings SA group.

Foreign currency translation

Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are retranslated at the rate of exchange ruling at the balance sheet date. Exchange differences are taken to the profit and loss account in the period in which they occur.

INEOS Fluor Delaware Limited

Notes to the financial statements for the year ended 31 December 2013
