ASPEN CAPITAL GROUP LIMITED

STRATEGIC REPORT

YEAR ENDED 31 MARCH 2020

The directors have pleasure in presenting their strategic review for the year to 31 March 2020.

PRINCIPAL ACTIVITIES AND BUSINESS REVIEW

The principal activity of the company during the year was that of a holding company. The company did not trade in the year, nor was there any change to the investments.

The company continues to look for new opportunities in its principal activities in the geographical areas it currently operates in.

PRINCIPAL RISKS AND UNCERTAINTIES

The principal risks and uncertainties that are facing the company are common to the industry:

- (a) Implications of tariffs and quotas
- (b) Maintaining adequate bank and finance facilities
- (c) Effects of exchange movements on foreign currency transactions
- (d) Risk of customer failure

The company has successfully controlled and managed these risks by:

- (a) Not engaging in any long-term supply arrangements
- (b) Hedging of all foreign currency deals
- (c) Credit insuring all customers

FUTURE DEVELOPMENTS

The company expects to improve its financial performance of its subsidiaries by expanding the range of products it is able to offer.

Approved by the directors on 2nd April 2020 and signed on their behalf by:

S J McLaughlan
Company Secretary

ASPEN CAPITAL GROUP LIMITED

DIRECTORS REPORT

YEAR ENDED 31 MARCH 2020

The directors present their report and the financial statements of the company for the year ended 31 March 2020.

PRINCIPAL ACTIVITIES

The principal activity of the company during the year was the that's of a holding company. The company did not trade in the year, nor was there any change to the investments.

DIRECTORS

The directors who served the company during the year were as follows:

K W Phippen

S J McLaughlan

Appointed 16th August 2019

GOING CONCERN

The directors have a reasonable expectation that the company has adequate resources to continue operational existence for the foreseeable future. For this reason the directors continue to adopt the going concern basis of accounting in preparing the annual financial statements.

DIRECTORS RESPONSIBILITIES

The directors are responsible for preparing the Directors Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that year.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable him to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularity

Approved by the directors on 2nd April 2020 and signed on their behalf by:

S J McLaughlan
Company Secretary

ASPEN CAPITAL GROUP LIMITED

NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED 31 MARCH 2020

1. STATEMENT OF COMPLIANCE AND COMPANY INFORMATION

The financial statements have been prepared in accordance with the provisions of Section 1A "Small Entities" of FRS102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland'.

Aspen Capital Group Limited is incorporated & domiciled in England, United Kingdom under the Companies Act 2006. The address of its registered office and principal place of business are disclosed on page 1.

2. ACCOUNTING POLICIES

Basis of accounting

The financial statements have been prepared in accordance with the provisions of Section 1A "Small Entities" of FRS102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland'.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Significant judgements

There are no significant judgements (apart from those involving estimations) that management has made in the process of applying the entity's accounting policies and that have the most significant effect on the amounts recognised in the financial statements:

Key sources of estimation uncertainty

Accounting estimates and assumptions are made concerning the future and, by their nature, will rarely equal the related actual outcome. There are no key assumptions and other sources of estimation uncertainty that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year:

Revenue Recognition

Turnover represents income receivable net of value added tax during the year in the normal course of business.

Income tax

The taxation expense represents the aggregate amount of current and deferred tax recognised in the reporting period. Tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, tax is recognised in other comprehensive income or directly in equity, respectively.

Current tax is recognised on taxable profit for the current and past periods. Current tax is measured at the amounts of tax expected to pay or recover using the tax rates and laws that have been enacted or substantively enacted at the reporting date.

Deferred tax is recognised in respect of all timing differences at the reporting date. Unrelieved tax losses and other deferred tax assets are recognised to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Deferred tax is measured using the tax rates and laws that have been enacted or substantively enacted by the reporting date that are expected to apply to the reversal of the timing difference

ASPEN CAPITAL GROUP LIMITED

NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED 31 MARCH 2020

2 ACCOUNTING POLICIES *(continued)*

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other comprehensive income and accumulated in equity, except to the extent it reverses a revaluation decrease of the same asset previously recognised in profit or loss. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other comprehensive income to the extent of any previously recognised revaluation increase accumulated in equity in respect of that asset. Where a revaluation decrease exceeds the accumulated revaluation gains accumulated in equity in respect of that asset, the excess shall be recognised in profit or loss.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Improvements to property	3 years to 8 years on cost
Fixtures and fittings	3 years to 5 years on cost

Stocks

Stocks are measured at the lower of cost and estimated selling price less costs to complete and sell. Cost includes all costs of purchase, costs of conversion and other costs incurred in bringing the stock to its present location and condition.

Investments

Fixed asset investments are initially recorded at cost, and subsequently stated at cost less any accumulated impairment losses.

Listed investments are measured at fair value with changes in fair value being recognised in profit or loss.

Foreign Currencies

Transactions within the income statement which originate in foreign currencies are recoded using the rate ruling on the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies at the balance date are reported at the rates prevailing at that date.

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the transaction price, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Debt instruments are subsequently measured at amortised cost.
