NOTES ON FINANCIAL STATEMENTS

31 December 2005

1 Accounting policies

Basis of accounting

The financial statements have been prepared under the historical cost accounting convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2005).

Turnover

Turnover represents the amount derived from the provision of goods and services falling within the company's activities after deduction of trade discounts and value added tax.

Tangible fixed assets

Depreciation of fixed assets is calculated to write off their cost less any residual value over their estimated useful lives as follows:

Vehicles	25% per annum of cost
Plant etc	15% per annum of cost

Stocks

Stocks are valued at the lower of cost and net realizable value. Cost is computed on a first in first out basis. Net realisable value is based on estimated selling price less the estimated cost of disposal.

Deferred taxation

Deferred taxation is provided using the liability method in respect of the taxation effect of all timing differences to the extent that the tax liabilities are likely to crystallize in the foreseeable future.
