The offer shall be made by notice specifying (a) the number of shares offered and (b) a period (not being less than fourteen days) within which the offer, if not accepted, will be deemed to be declined. After the expiration of that period, those shares so deemed to be declined shall be offered in the proportion aforesaid to the persons who have, within the same period, accepted all the shares offered to them. - 5.2 The WR Share may be freely transferred or passed by transmission to any company within the WR group of companies from time to time or nominated by WR provided such company is controlled by WR without the directors of the Company being entitled to object to the registration of the transferee except on the grounds that the transfer does not comply with any statutory requirement

For the purpose of ensuring that a particular transfer of shares is permitted under the provisions of these articles, the directors may request the transferor, or the person named as transferee in any transfer lodged for registration, to furnish the Company with such information and evidence as the directors may reasonably think necessary or relevant. Failing such information or evidence being furnished to the satisfaction of the directors within a period of 28 days after such request the directors shall be entitled to refuse to register the transfer in question.

8 *Permitted and mandatory transfers*

Permitted transfer to relations

- 8.1 Notwithstanding any other provision in these articles any member may at any time transfer (or by will bequeath or otherwise dispose of on death) all or any shares held by him to a Privileged Relation.

Permitted transfers by WR

- 8.2 Notwithstanding any other provisions of these articles a transfer of any shares in the Company held by any member of the WR Group may be made between the member in the WR Group holding such shares and any other member in WR Group without restriction as to price or otherwise and any such transfer shall be registered by the directors. If any such transferee ceases to be a member of the WR Group it shall forthwith transfer the relevant shares to a member of the WR Group.
- 8.3 WR shall be entitled at its sole discretion to transfer up to 5% of the Ordinary Shares held by it to Murray Johnstone or to any company within the Murray Johnstone Group.
- 8.4 SUEL shall be entitled at its sole discretion to transfer Ordinary Shares to any company in which SUEL or the University is a majority shareholder or any

other body (corporate or unincorporated) established by SUEL or the University to hold and manage shares in trading companies.

Mandatory transfer on cessation of employment

8.5 If an Employee Member is no longer either a director or employee of the Company or any of its subsidiaries and does not continue in either capacity in relation to any of them, or ceases to provide any services to the Company then, at the discretion of the directors of the Company, Transfer Notices shall be deemed to have been served on the relevant Termination Date in respect of:

8.5.1 all shares held by the Employee Member immediately before such cessation; and

8.5.2 all shares then held by the Employee Member's Privileged Relations (other than shares which the directors are satisfied were not acquired by such holders either (i) directly or indirectly from the Employee Member or (ii) by reason of their connection with the Employee Member, and the decision of the board of directors in this respect will be final).

Transfers under this sub-article are in these articles referred to as Compulsory Employee Transfers.

Mandatory transfer on change of control of shareholder

8.6 If a corporate member ceases to be within the control (as such term is defined by section 840 Income and Corporation Taxes Act 1988) of the person(s) who controlled such company on the date on which it became a member of the Company or on the date of adoption of these articles (whichever shall be the later) it shall be deemed to have immediately given a Transfer Notice in respect of all the shares as shall then be registered in its name; provided that this sub-article shall have no application to WR or to any member of the WR Group or Murray Johnstone or to SUEL.

9 *Pre-emption rights*

Transfer notices

9.1 Save as otherwise provided in these articles, every member who desires to transfer any shares (hereinafter called 'the Vendor') shall give to the Company notice in writing to that effect (hereinafter called a 'Transfer Notice'). Where there is a Compulsory Employee Transfer in respect of an employee such employee (also hereinafter included in the term 'Vendor') shall be deemed to have given written notice to the Company (in these articles called a 'Deemed Transfer Notice'). A Transfer Notice or a Deemed Transfer Notice shall constitute the Company the Vendor's agent for the sale of the shares specified therein (hereinafter called 'the Sale Shares') in one or more lots at the discretion of the directors at the Sale Price.

Calculation of the Sale Price

- 9.2 The Sale Price shall be such price as is agreed between the Vendor and the Company. If the parties fail to agree within 28 days of the Transfer Notice being given or the Deemed Transfer Notice being deemed to have been given the Sale Price shall be instead such price as an Independent Expert shall certify to be in his opinion a fair value thereof.
- 9.3 In arriving at his opinion the Independent Expert will value the shares on a going concern basis as between a willing seller and a willing buyer and on the assumption that the Sale Shares are capable of transfer without restriction, as follows:-
- 9.3.1 in the case of a Deemed Transfer Notice, where an Employee Member leaves more than three years after the date of adoption of these Articles or he leaves due to ill-health, retirement (at the age of 65 or greater or by agreement with the Board), death or redundancy, or if the Board so decide, then the price to be paid for the shares will be the fair value ignoring any reduction in value which may be ascribed to the Sale Shares by virtue of the fact that they represent a minority interest;
- 9.3.2 In the case of a Deemed Transfer Notice, where an Employee Member leaves the Company otherwise than as set out in clause 9.3.1 the price to be ascribed to the Sale Shares shall be the lower of market value and the price paid at subscription; and
- 9.3.3 in any other case, then the price to be paid for the shares will be the fair value ignoring any reduction in value which may be ascribed to the Sale Shares by virtue of the fact that they represent a minority interest
- 9.4 The decision of the Independent Expert as to the Sale Price shall be final and binding.
- 9.5 If an Employee Member or other shareholder, including any Employee Member's Privileged Relation, having become bound under these Articles to transfer shares in the Company makes default in transferring the same the Secretary shall be authorised (and shall be deemed to be the attorney of the Employee member or Employee Member's Privileged Relation for the purpose) to execute the necessary instrument of transfer of such shares and may deliver it on behalf of the Employee Member or Employee Member's Privileged Relation and the Company may receive the purchase money and thereafter (subject to the instrument being duly stamped) cause the transferee to be registered as the holder of such shares and shall hold such purchase money on behalf of the Employee Member or Employee Member's Privileged Relation. The Company shall not be bound to earn or pay interest on any money so held. The receipt of the Company shall be a good discharge to the transferee who shall not be bound to see the application thereof, and after the name of the transferee has been entered in the register of members in

purported exercise of the aforesaid power the validity of the proceedings shall not be questioned by any person.

Certification of the Sale Price

- 9.6 If the Independent Expert is asked to certify the fair value his certificate shall be delivered to the Company. As soon as the Company receives the certificate it shall deliver a copy of it to the Vendor. The cost of obtaining the certificate shall be paid by the Vendor save where the certificate is obtained in connection with a Deemed Transfer Notice in which case the cost shall be borne by the Company.

Pre-emptive offers-general

- 9.7 Once the Sale Price has been determined then the Sale Shares shall be offered for sale as set out below. All offers made by the Company shall give details of the number and Sale Price of the Sale Shares.

First Offer

- 9.8 As soon as Sale Shares become available they shall be forthwith offered for sale by the Company to all holders of Ordinary Shares (other than the Vendor) pro rata as nearly as may be to the respective numbers of Ordinary Shares held by such members.

Any offer made by the Company under this sub-article will invite the relevant members to state in writing the maximum number of the shares offered to them they wish to purchase and will remain open for 21 days ('the First Offer Period').

Second Offer

- 9.9 If at the end of the First Offer Period there are any Sale Shares offered which have not been allocated the Company shall offer such shares to such members as have stated in writing their willingness to purchase all the shares previously offered to them.

This offer will invite the relevant members to state in writing the maximum number of shares they wish to purchase. If there are insufficient Sale Shares to meet the demand then the directors will allocate the Sale Shares pro rata as nearly as may be in proportion to the number of Ordinary Shares held by the relevant members. This offer will remain open for a further period of 21 days.

Thereafter the Company shall continue to make offers on the same terms while any member continues to state in writing his willingness to purchase all shares offered to him.

Transfer procedure for pre-emptive offers

- 9.10 If the Company finds a purchaser for all or any of the Sale Shares under the terms of this article the Vendor shall be bound upon receipt of the Sale Price

to transfer the Sale Shares (or such of the same for which the Company shall have found a purchaser or purchasers) to such persons. If the Vendor defaults in transferring Sale Shares the Company shall if so required by the person or persons willing to purchase such Sale Shares receive and give a good discharge for the purchase money on behalf of the Vendor and shall authorise some person to execute transfers of the Sale Shares in favour of the purchasers and shall enter the names of the purchasers in the Register of Members as the holder of such of the Sale Shares as shall have been transferred to them.

Effect of non-compliance

- 9.11 Any purported transfer of shares otherwise than in accordance with the provisions of these articles shall be void and have no effect.

10 *Transfer of control*

Transfers permitted where offer is made for Ordinary Shares

- 10.1 No sale or transfer of the legal or beneficial interest in any shares in the Company may be made or validly registered without the consent in writing of WR if as a result of such sale or transfer and registration thereof a Controlling Interest would be obtained in the Company by a person or persons who are not Original Members unless the proposed transferee or transferees or his or their nominees are independent third parties acting in good faith and has or have offered

10.1.1 to purchase all the Ordinary Shares at the Specified Price ; and

10.1.2 to repay all sums then owed or repayable to WR.

Calculation of the Specified Price

- 10.2 In this article the 'Specified Price' means the greater of:

10.2.1 **10p** per share, and

10.2.2 the consideration (in cash or otherwise) per share equal to that offered or paid or payable by the proposed transferee or his or their nominees for the shares being acquired, plus

the relevant proportion of any other consideration (in cash or otherwise) received or receivable by the holders of such other shares which having regard to the substance of the transaction as a whole can reasonably be regarded as an addition to the price paid or payable.

- 10.3 In the event of disagreement the calculation of the Specified Price shall be referred to an Independent Expert whose decision shall in the absence of manifest error be final and binding.

Interpretation

10.4 In this article:

- 10.4.1 the expressions 'transfer' and 'transferee' shall include respectively the renunciation of a renounceable letter of allotment and the renounee under any such letter of allotment;
- 10.4.2 the expression 'shares' includes bearer shares, depository receipts and any other security or instrument into which shares may be converted with a view to a sale;
- 10.4.3 whether or not persons are acting in concert will be determined by the then most recent edition of the City Code on Takeovers and Mergers.

Primacy of Article

- 10.5 All other regulations of the Company relating to the transfer of shares and the rights to registration of transfers shall be read subject to the provisions of this article.

11 Forced Sale Provisions

- 11.1 If, after four years from the date of adoption of these Articles, WR receives an offer for its shares in the Company ('the WR Offer'), WR shall be entitled to call upon the other shareholders in the Company to buy the shareholding of WR, on the same terms as the WR Offer. Should the other shareholders fail to buy the shares then held by WR within 1 month of WR giving written notice to the Company of the WR Offer, then unless within the said period of one month SUEL object in writing to it doing so, WR shall be entitled to insist that all shareholders in the Company sell their shareholding in accordance with the WR Offer. WR shall not be entitled to exercise its rights under this paragraph if at the time the WR Offer is received the members of the Company include any person who is not a member of the Company at the date of adoption of these Articles and who holds shares in the course of any business which provides venture capital and the shareholding of such person exceeds 10% of the issued share capital of the Company at that time.
- 11.2 If any member or other shareholder, having become bound under the previous article 11.1 to transfer shares in the Company makes default in transferring the same WR shall be authorised (and shall be deemed to be the attorney of the member for the purpose) to execute the necessary instrument of transfer of such shares and may deliver it on behalf of the member and WR may receive the purchase money and thereafter (subject to the instrument being duly stamped) shall hold such purchase money on behalf of the Member. WR shall not be bound to earn or pay interest on any money so held. The receipt of WR shall be a good discharge to the transferee who shall not be bound to see the application thereof, and after the name of the transferee has been entered in the register of members in purported exercise of the aforesaid power the validity of the proceedings shall not be questioned by any person.
