The company's registered number is 4158002 and its registered office is situated at Arundel House, 1 Amberley Court, Whitworth Road, Crawley, RH11 7XL

4 Administrators' details

The Joint Administrators, Malcolm Peter Fillmore and Ms Ranjit Bajjon of Atherton Bailey LLP, Arundel House, 1 Amberley Court, Whitworth Road, Crawley, West Sussex RH11 7XL, were appointed on 20 November 2009. Our appointment was made by the Company. Since our appointment, there have been no changes in the office holders. For the purposes of paragraph 100(2) of schedule B1 to the Insolvency Act 1986, the Administrators have agreed to act jointly and severally in all matters relating to the administration. All functions relating to the administration may be exercised by either administrator.

5 Administrators' Receipts and Payments Account

6.1 I attach a summary of the Administrators' receipts and payments as at 25 October 2010

7 Administrators' Progress Report

- 7 1 The business and assets (including book debts and work in progress) of the Company was sold to Breathe London LLP for £149,974 at the date of our appointment. In addition there is deferred consideration for goodwill being 4% of the gross margin achieved on work done on existing customers over the next two years.
- 7 2 Although I have been in correspondence with the purchaser for several months and have spoken with them regarding deferred consideration due under the sale agreement I have yet to receive any money. The purchaser has said that following the sale of the business several existing customers did not continue with work previously quoted and they have completed very little work for these customers. I am waiting to receive documentation relating to this.
- I continued to collect the profit rental on the Company's former offices in Victoria up to the date of the expiration of the lease at the end of September 2010. I have received rental income of £40,953 and have paid rent under the terms of the lease of £24,960. I have also received payment of service charges, electricity and insurance which have been invoiced by the landlord. There is no profit element on these charges.
- 7 4 I am continuing to hold the rent deposit of £20,000 plus accrued interest of £96. This is due to be repaid to Mtivity Ltd when I receive confirmation from the landlord that they have no claims against either the Company or the Administrators.
- 7 5 I have repaid the secured bank borrowings of £87,344 and am presently holding funds of £53,928 I am therefore taking steps to place the Company into liquidation to enable a dividend to be paid to the unsecured creditors

8 The Exit Route

The Administration is to be converted into a creditors' voluntary liquidation to enable the remaining assets to be realised and the claims of the creditors to be adjudicated on by the liquidators. The necessary documentation is in the process of being filed with the Registrar of Companies.

9 Assets remaining to be realised

9 1 The deferred consideration due under the sale agreement is to be collected for a period of 2 years from the date of our appointment as administrators. It is not possible to give an indication of the amount that is due to the Company

STATEMENT OF THE ADMINISTRATORS' PROPOSALS Pursuant to Paragraph 49 of Schedule B1 to the Insolvency Act 1986; and Rule 2 33 of The Insolvency Act 1986

7 Administrators' Proposals

Extract from full proposals

)

The following are our Statement of Proposals for achieving the purposes of the Administration Order made in respect of the Company and which we make to the creditors for their consideration and, if thought fit, approval at the Meeting of Creditors to be held on 8 January 2010

- That we be given authority to continue to manage the remaining affairs of the Company in such manner as we consider expedient with a view to achieving a better result for the Company's creditors as a whole than would be likely if the Company were wound up (without first being in Administration)
- That we be empowered to review all existing contractual commitments and obligations of the Company and, where necessary, cause the Company to determine (if not already terminated) any such contractual commitments which, in our view, are not beneficial to the administration of the Company
- 7.5 That we be empowered to enter into and conclude negotiations with creditors and/or others as we consider may assist in the administration
- 7 6 That should the creditors so wish, a Committee of Creditors be elected in order to exercise the functions conferred on it by the Insolvency Act 1986
- 7 7 That our remuneration for acting as Administrators be fixed by reference to the time properly given by us and our staff in attending to matters arising in the Administration and that the Administrators be at liberty to draw fees up to actual time costs incurred from time to time from funds held by us. That details of the remuneration drawn and time costs will be set out in the Administrators' progress reports as required by the Association of Business Recovery Professionals. The present hourly charge out rates for principals and staff likely to be involved in this case are set out as follows together with details and charges for indirect disbursements.
 - 7 7 1 Partners £270 £290 Senior Professional Staff £110 £220 and administrative and support staff £85 £100
 - 7 7 2 Indirect disbursements to be charged at the rate of 25 pence per letter, 15 pence per photocopy and 40 pence per mile plus 5 pence for additional persons travelling in the same car

Costs as at 5 December 2009 are £5,374 plus VAT and are summarised on the attached schedule in the format prescribed by the Association of Business Recovery Professionals

- 7.8 That, if we so conclude is in the creditors interests, we convene further meetings of the creditors and members at such time as we may propose in order to put to them proposals for a CVA or to seek their approval to any other proposals
- 7 9 That in the exercise of our powers and in doing anything where we believe it is appropriate or necessary to seek the consent or approval of creditors and, where the law so allows, any Committee of Creditors elected will have the authority to act on behalf of all creditors
- 7 10 That we may do all such other things as we, in our discretion, consider will preserve protect or enhance the business and/or assets of the Company and/or are incidental to these proposals and their implementation
- 7.11 That we take and implement such other consequential decisions as, in our judgement, will benefit the creditors of the Company
- Once the objective of the Administration has been achieved, it is proposed that we make an application to court for permission for the Administrators to distribute the funds held to non-preferential creditors. If permission is granted by the court, following the distribution to creditors, the Administrators propose to file notices pursuant to Paragraph 84(1) of Schedule B1 of the Insolvency Act 1986 with the Registrar of Companies, following registration of the notice the Company will be dissolved after a period of three months. If the court does not grant the necessary permission, the Administrators will place the Company into creditors' voluntary liquidation (CVL) or propose a CVA for the purposes of distributing the remaining funds.

- If we determine that a CVL is the appropriate exit route, the proposed liquidators will be the current Administrators but in accordance with Paragraph 83(7) and Rule 2 117(3), creditors are advised that they may nominate a different person or persons, provided that the nomination is made after receipt of such proposals to put the Company into liquidation and before those proposals are approved
- 7 14 That as soon as we deem it appropriate, we seek a discharge of the Administration and our release as Administrators Following the filing of the Administrators' final progress report to the Registrar of Companies both Administrators will deemed to be released from any further liability arising from or connected howsoever to the Administration pursuant to Paragraph 98 of Schedule B1 of the Insolvency Act 1986
