**Strategic Report
for the Year Ended 31 March 2022**

The directors present their strategic report for the year ended 31 March 2022.

Principal activities and business review

The principal activity of the company is a holding company with a single subsidiary, UK Court Services (Manchester) Limited. Its registered number is 04164434. The company is a private company limited by shares.

UK Court Services (Manchester) Limited is engaged under a 28 year contract, signed 29 March 2001 with the Council of the City of Manchester, for the provision of the design, construction and management services, including related financing arrangements, for serviced accommodation for magistrates' courts in Manchester, together with associated development and facilities and the provision of maintenance and operation of the same. UK Court Services (Manchester) Limited commenced the full operation of the new magistrates' court buildings in May 2005 following the completion of construction and decant.

The profit for the financial year under review is set out in the statement of comprehensive income.

Principal risks and uncertainties, financial risk management and kpis

As described above UK Court Services (Manchester) Holdings Limited acts as a holding company for its subsidiary, UK Court Services (Manchester) Limited. As such the principal risks, financial risk management and key performance indicators adopted by UK Court Services (Manchester) Limited are applicable to the management of its investment in UK Court Services (Manchester) Limited and are detailed in the Strategic report and Report of the directors of UK Court Services (Manchester) Limited for the year ended 31 March 2022.

**Report of the Directors
for the Year Ended 31 March 2022**

The directors have pleasure in presenting their annual report and the audited financial statements of the company for the year ended 31 March 2022.

Dividends

The profit for the financial year amounted to £523,336 (2021: £732,129). Net assets at year end were £3,000 (2021:£3,000).

Dividends of £523,336, £174.45 per share (2021: £732,129, £244.04 per share) have been paid during the year. No final dividends are proposed at the year end (2021: £nil).

Future developments

The directors consider the performance of the company during the year, the financial position at the end of the year and its prospects for the future to be satisfactory.

Directors

The directors who served the company during the year and up to the date of signing the financial statements are set out below:

D R Hardingham
A C Ritchie

Director's liabilities

The company has purchased and maintained Directors' and Officers' liability insurance in respect of itself and its Directors. The indemnity was in force throughout the tenure of each Director during the last financial year, and is currently in force. This is a qualifying third-party indemnity as defined by Section 234 of the Companies Act 2006.

Financial risk management

As stated in the strategic report UK Court Services (Manchester) Holdings Limited acts as a holding company for its subsidiary, UK Court Services (Manchester) Limited. As such the principal risks, financial risk management and the Company's key performance indicators adopted by UK Court Services (Manchester) Holdings Limited applicable to the management of its investment in UK Court Services (Manchester) Limited and are detailed in the Strategic report and Report of the Directors of UK Court Services (Manchester) Limited for the year ended 31 March 2022.

Coronavirus (COVID-19) impact on the financial statements

The COVID-19 outbreak has resulted in measures being taken to contain the virus and has resulted in the temporary closure of businesses and public services.

The company acts as a holding company for UK Court Services (Manchester) Limited. The subsidiary company is engaged in an infrastructure project under a PFI contract. The company would therefore only be impacted by the coronavirus outbreak insofar as this impacted the performance of its subsidiary company. The impact of the coronavirus outbreak on UK Court Services (Manchester) Limited is detailed in the Report of the Directors of that company's annual financial statements for the year ended 31 March 2022. There is expected to be no significant overall impact on performance over the life of the project. The opinion of the Directors is that the coronavirus outbreak will have no impact on the company's ability to continue as a going concern.

Statement of directors' responsibilities in respect of the financial statements

The directors are responsible for preparing the Strategic Report, Report of the Directors and Financial Statements and the financial statements in accordance with applicable law and regulation.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", and applicable law).

Under company law, directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing the financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- state whether applicable United Kingdom Accounting Standards, comprising FRS 102 have been followed, subject to any material departures disclosed and explained in the financial statements;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are also responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006.

Directors' confirmations

In the case of each director in office at the date the directors' report is approved:

- so far as the director is aware, there is no relevant audit information of which the company's auditors are unaware; and
- they have taken all the steps that they ought to have taken as a director in order to make themselves aware of any relevant audit information and to establish that the company's auditors are aware of that information.

Independent auditors

The independent auditors, PricewaterhouseCoopers LLP, Chartered Accountants and Statutory Auditors, have signified their willingness to continue in office.

Independent auditors' report to the directors of UK Court Services (Manchester) Holdings Limited

Report on the audit of the financial statements

Opinion

In our opinion, UK Court Services (Manchester) Holdings Limited's financial statements:

- give a true and fair view of the state of the company's affairs as at 31 March 2022 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", and applicable law); and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements, included within the Strategic Report, Report of the Directors and Financial Statements (the "Annual Report"), which comprise: the Balance Sheet as at 31 March 2022; Statement of Comprehensive Income and Statement of Changes in Equity for the year then ended; and the notes to the financial statements, which include a description of the significant accounting policies.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities under ISAs (UK) are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We remained independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, which includes the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

Conclusions relating to going concern

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

However, because not all future events or conditions can be predicted, this conclusion is not a guarantee as to the company's ability to continue as a going concern.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Independent auditors' report to the directors of UK Court Services (Manchester) Holdings Limited (continued)

Reporting on other information

The other information comprises all of the information in the Annual Report other than the financial statements and our auditors' report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except to the extent otherwise explicitly stated in this report, any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify an apparent material inconsistency or material misstatement, we are required to perform procedures to conclude whether there is a material misstatement of the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report based on these responsibilities.

With respect to the Strategic report and Report of the Directors, we also considered whether the disclosures required by the UK Companies Act 2006 have been included.

Based on our work undertaken in the course of the audit, the Companies Act 2006 requires us also to report certain opinions and matters as described below.

Strategic report and Report of the Directors

In our opinion, based on the work undertaken in the course of the audit, the information given in the Strategic report and Report of the Directors for the year ended 31 March 2022 is consistent with the financial statements and has been prepared in accordance with applicable legal requirements.

In light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we did not identify any material misstatements in the Strategic report and Report of the Directors.

Responsibilities for the financial statements and the audit

Responsibilities of the directors for the financial statements

As explained more fully in the Directors' responsibilities statement, the directors are responsible for the preparation of the financial statements in accordance with the applicable framework and for being satisfied that they give a true and fair view. The directors are also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Independent auditors' report to the directors of UK Court Services (Manchester) Holdings Limited (continued)

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

Based on our understanding of the company and industry, we identified that the principal risks of non-compliance with laws and regulations related to UK corporation tax legislation, and we considered the extent to which non-compliance might have a material effect on the financial statements. We also considered those laws and regulations that have a direct impact on the financial statements such as the Companies Act 2006. We evaluated management's incentives and opportunities for fraudulent manipulation of the financial statements (including the risk of override of controls), and determined that the principal risks were related to posting inappropriate journal entries and management bias in accounting estimates. Audit procedures performed by the engagement team included:

- Discussions with management and internal audit to enquire of any known instances of non-compliance with Laws and Regulations and Fraud
- Reading board minutes for evidence of breaches of regulations and reading relevant correspondence
- Challenging assumptions and judgements made by management in their significant accounting estimates
- Identifying and testing journal entries, in particular journal entries posted with unexpected account combinations
- Incorporating unpredictability into the nature, timing and/or extent of our testing

There are inherent limitations in the audit procedures described above. We are less likely to become aware of instances of non-compliance with laws and regulations that are not closely related to events and transactions reflected in the financial statements. Also, the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditors' report.

Use of this report

This report, including the opinions, has been prepared for and only for the company's directors as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

Other required reporting

Companies Act 2006 exception reporting

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not obtained all the information and explanations we require for our audit; or
- adequate accounting records have not been kept by the company, or returns adequate for our audit have not been received from branches not visited by us; or
- certain disclosures of directors' remuneration specified by law are not made; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

**Notes to the Financial Statements
for the Year Ended 31 March 2022**

1. General information

The principal activity of the company is a holding company with a single subsidiary, UK Court Services (Manchester) Limited. Its registered number is 04164434.

UK Court Services (Manchester) Limited is engaged under a 28 year contract, signed 29 March 2001 with the Council of the City of Manchester, for the provision of the design, construction and management services, including related financing arrangements, for serviced accommodation for magistrates' courts in Manchester, together with associated development and facilities and the provision of maintenance and operation of the same. UK Court Services (Manchester) Limited commenced the full operation of the new magistrates' court buildings in May 2005 following the completion of construction and decant.

2. Accounting policies

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared on a going concern basis and under the historical cost convention. These accounting policies have been applied consistently, other than where new policies have been adopted. In assessing the company's ability to continue as a going concern the directors have considered the impact of Covid-19, as described in the Report of the Directors.

Financial Reporting Standard 102 - reduced disclosure exemptions

The company has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland":

- the requirements of Section 7 Statement of Cash Flows;
- the requirements to disclose related party transactions, for transactions with companies that are wholly owned within the same group; and
- certain financial instrument disclosures, provided such disclosures are included in the accounts of a group that includes the company.

Preparation of consolidated financial statements

The financial statements contain information about UK Court Services (Manchester) Holdings Limited as an individual company and do not contain consolidated financial information as the parent of a group. The company is exempt under Section 401 of the Companies Act 2006 from the requirements to prepare consolidated financial statements as it and its subsidiary undertaking are included by full consolidation in the consolidated financial statements of its parent, Semporian PPP Investment Partners Holdings Limited, a company registered in Jersey.

Financial instruments

Measurement and recognition of financial instruments is in accordance with the provisions of FRS 102 s11 and s12. Financial instruments are recognised in the Statement of Financial Position when the company becomes party to the contractual provisions of the instrument.

Financial assets, other than investments and derivatives, are initially measured at transaction price (including transaction costs) and subsequently held at cost, less any impairment.

Financial liabilities and equity are classified according to the substance of the financial instrument's contractual obligations, rather than the financial instrument's legal form. Financial liabilities, excluding convertible debt and derivatives, are initially measured at transaction price (including transaction costs) and subsequently held at amortised cost.

Derivative financial instruments are initially recorded at cost and thereafter at fair value with changes recognised in Statement of Comprehensive Income.

**UK Court Services (Manchester) Holdings
Limited (Registered number: 04164434)**

**Notes to the Financial Statements - continued
for the Year Ended 31 March 2022**

2. Accounting policies - continued

Investments

Investments in subsidiaries including equity and subordinated debt are stated at historical cost less any provision for impairment.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date, where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date.

Deferred tax is measured at the average tax rates that are expected to apply in the periods in which the timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax is measured on a non-discounted basis.

Deferred tax assets are only recognised when it is considered more likely than not that there will be suitable taxable profits from which the future reversal of underlying timing differences can be deducted.

Dividend policy

Final dividends and other distributions to the company's shareholders are recognised as a liability in the financial statements in the period in which the dividends and other distributions are approved by the company's shareholders. Interim dividends are recognised when paid. These amounts are recognised in the statement of changes in equity.

3. Critical accounting judgements and estimation uncertainty

Judgements, estimates and associated assumptions are based upon historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making judgements about carrying values of assets and liabilities that are not readily available from other sources. Actual results may subsequently differ from these estimates.

The judgements, estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to the accounting estimates made are recognised in the period in which the estimate is revised, if the revision affects both current and future periods.

There are no critical accounting judgements or estimates adopted by management applicable to this company

4. Employees and directors

8. Profit before taxation

The company had no employees during the year (year ended 2021 none). The directors have no contract of service with the company. No remuneration was paid to the directors in respect of their services to the company (year ended 2021: £nil) nor was the company recharged any amounts in respect of directors services to the company for either the current year or prior year.

The audit fee in respect of the company was £1,785 (year ended 2021: £1,730). All of these costs have been borne by the subsidiary and not recharged. There were no fees for non audit services during the year (2021: £nil).

9. Tax on profit

Analysis of the tax charge

No liability to UK corporation tax arose for the year ended 31 March 2022 nor for the year ended 31 March 2021.

Reconciliation of total tax charge included in profit and loss

The tax assessed for the year is lower (2021: lower) than the standard rate of corporation tax in the UK. The difference is explained below:

	2022	2021
	£	£
Profit before taxation	<u>523,336</u>	<u>732,129</u>
Profit multiplied by the standard rate of corporation tax in the UK of 19% (2021 - 19%)	99,434	139,105
Effects of:		
Income not taxable for tax purposes	<u>(99,434)</u>	<u>(139,105)</u>
Total tax charge	<u>-</u>	<u>-</u>

There is no provided or unprovided deferred tax at the year-end (2021: £nil).

In September 2022, the Government announced that from 1 April 2023 the corporation tax rate will not be increasing to 25%. At the balance sheet date, the proposal to cancel the previously enacted tax rise had not been substantively enacted, therefore, its effects are not included in these financial statements. However, it is likely that the overall effect of the change, had it been substantively enacted by the balance sheet date, due to the timing of this announcement its impact has not been quantified.

11. Fixed asset investments

The company owns 100% of the issued share capital (£3,000) of UK Court Services (Manchester) Limited, the registered address of which is Third floor, Broad Quay House, Prince Street, Bristol, BS1 4DJ, and is engaged under a long term contract for the provision of the design, construction and management services, including related financing arrangements for magistrates courts. The cost of this investment is £3,000 (2021: £3,000). In the opinion of the directors the aggregate value of the investment in its subsidiary is not less than the carrying value in those financial statements.

The subordinated loan notes are issued by the company's subsidiary. These loan notes are unsecured and bear interest at 13.5%.
