Directors' Report

, ,

The directors present their annual report and the audited company financial statements for the period from incorporation on 22nd February 2001 to 31st January 2002.

PRINCIPAL ACTIVITIES AND REVIEW OF THE BUSINESS

The company was incorporated as a private limited company on 22nd February 2001. On 14th March 2001, a management buy-out of the business and certain assets of Queensborough Holdings Limited was completed and the company commenced trading with effect from that date.

The principal activity of the company is the operation of holiday caravan parks.

The profit on ordinary activities before taxation was £5,948,000. The profit and loss account is shown on page 7.

In this first period of trading, turnover has exceeded budget with encouraging growth from all income streams. This strong performance in turnover combined with good cost control have enabled the company to produce an excellent result and places the company in a strong position to take advantage of any opportunities which may arise in the future.

FUTURE DEVELOPMENTS

The directors aim to achieve substantial growth in the business both organically and by acquisition. Opportunities for the latter are constantly under review.

DIVIDENDS

The directors recommend that no dividend be paid.

FIXED ASSETS

The movements in fixed assets are set out in note 8 to the accounts.

POST BALANCE SHEET EVENTS

On 1st March 2002, the entire share capital of Warden Springs Caravan Parks Limited, the operators of Warden Springs Caravan Park, was acquired for a consideration of £1,107,000.

On 12th April 2002, the trade and assets of Eyemouth Holiday Park were acquired for a consideration of £1,993,000.

HEALTH, SAFETY AND THE ENVIRONMENT

The board is aware of its responsibilities on all matters relating to health, safety and the environment. Directors and senior executives monitor performance and assist with the education and training of employees on health, safety and environmental matters with the objective of meeting or exceeding the requirements of relevant regulations.

EMPLOYMENT MATTERS

The employment policies of the company embody the principles of equal opportunity and are designed to meet the needs of the business. The full involvement of all employees, both full time and part time, in the performance of the business is actively encouraged. The company communicates with employees through briefing meetings and newsletters. The company recognises the need for suitable training.

The company also recognises its obligations towards disabled persons and applications from them for employment are given full and fair consideration. Training and career progression are available for the disabled as for any other member of the staff. Whenever possible every endeavour is made to assist existing employees who have become disabled to continue their employment.

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are required by UK company law to prepare financial statements for each financial period that give a true and fair view of the state of affairs of the company as at the end of the financial period and of the profit or loss of the company for that period.

The directors confirm that suitable accounting policies have been used and applied consistently and reasonable and prudent judgements and estimates have been made in the preparation of the financial statements for the period ended 31st January 2002. The directors also confirm that applicable accounting standards have been followed and that the financial statements have been prepared on the going concern basis.

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

AUDITORS

Ernst & Young transferred its entire business to Ernst & Young LLP a limited liability partnership incorporated under the Limited Liability Partnerships Act 2001. The directors consented to treating the appointment of Ernst & Young as extending to Ernst & Young LLP with effect from 28th June 2001. A resolution to re-appoint Ernst & Young LLP as the company's auditor will be put to the forthcoming Annual General Meeting.

Auditors' Report

Independent Auditors' Report to the Members of GB Holiday Parks Limited

We have audited the company's financial statements for the period ended 31st January 2002 which comprise the Profit and Loss Account, Balance Sheet and the related notes 1 to 24. These financial statements have been prepared on the basis of the accounting policies set out therein.

RESPECTIVE RESPONSIBILITIES OF DIRECTORS AND AUDITORS

As described in the Statement of Directors' Responsibilities the company's directors are responsible for the preparation of the financial statements in accordance with applicable United Kingdom law and accounting standards.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the Directors' Report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatements within it.

BASIS OF AUDIT OPINION

We conducted our audit in accordance with United Kingdom Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

The notes on pages 9 to 20 form part of these financial statements

1. PRINCIPAL ACCOUNTING POLICIES

The financial statements have been prepared in accordance with applicable Accounting Standards in the United Kingdom. A summary of the more important accounting policies is set out below. The directors consider that the accounting policies set out below are suitable, have been consistently applied and are supported by reasonable and prudent judgements and estimates.

(a) Basis of accounting

The financial statements are prepared under the historical cost convention.

(b) Cash flow statement

The company has utilised the exemptions provided under Financial Reporting Standard 1 ("FRS1") and has not presented a cash flow statement. The cash flow statement has been presented in the group accounts of the ultimate parent undertaking.

(c) Turnover

Turnover, which excludes value added tax, comprises the total amount derived from the value of goods and services supplied and rental income. Income which has been invoiced or received for future periods is carried forward as deferred income and reported as turnover for the period to which it relates.

The company's turnover is wholly attributable to the operation of holiday caravan parks and arises solely in the United Kingdom.

(d) Tangible fixed assets and depreciation

The cost of fixed assets is their purchase cost to the company together with any incidental costs of acquisition.

Depreciation is provided on tangible fixed assets, at rates calculated to write off the cost, less estimated residual value, of each asset over its expected useful economic life on a straight-line basis. The principal annual rates used for this purpose are:-

Freehold buildings 2%

Caravan hire fleet 10%

Plant 2% to 20%

Office equipment 33.3%

Motor vehicles 20% to 33.3%

Freehold land is not depreciated. Leasehold property is amortised over the period of the lease.

If any impairment is identified, provision is made for such impairment by means of accelerated depreciation in the profit and loss account.

Continued

(e) Stocks

Stocks are stated at the lower of cost and net realisable value. In general, cost includes transport and handling costs.

Cost is normally determined on a first in, first out basis except for caravans held for resale which are dealt with individually. Where necessary, provision is made for obsolete, slow moving and defective stocks.

(f) Finance and operating leases

Leasing agreements which transfer to the company substantially all the benefits and risks of ownership of an asset are treated as if the asset had been purchased outright. The assets are included in fixed assets and the capital element of the leasing commitments is shown as obligations under finance leases. The lease rentals are treated as consisting of capital and interest elements. The capital element is applied to reduce the outstanding obligations and the interest element is charged to the profit and loss account. Assets held under finance leases are depreciated over the shorter of the lease period and their useful lives.

Payments in respect of operating leases are charged to the profit and loss account on a straight-line basis over the lease term.

(g) Taxation

The charge for taxation is based on the profit for the period and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes.

FRS 19 'Deferred Taxation' was issued on 7th December 2000 and is mandatory for periods ending on or after 23rd January 2002.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more, or a right to pay less, tax in the future have occurred at the balance sheet date, with the following exceptions:

- provision is made for gains on disposal of fixed assets that have been rolled over into replacement
 assets only where, at the balance sheet date, there is a commitment to dispose of the replacement
 assets with no likely subsequent roll over and/or available capital losses.
- deferred tax assets are recognised only to the extent that the directors consider that it is more likely
 than not that there will be suitable taxable profits from which the future reversal of the underlying
 timing differences can be deducted.

Deferred tax is measured on a non-discounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

(h) Pensions

The company's contributions to the money purchase schemes arranged on behalf of certain directors and other employees are charged to the profit and loss account in the year in which they are payable.
