## Notes to the Financial Statements

Period from 1 April 2014 to 31 December 2014

### 1. Dormant status

The company was dormant (within the meaning of Section 480 of the Companies Act 2006) throughout the period ended 31 December 2014. The company has not traded during the period or during the preceding financial year. During these periods, the company received no income and incurred no expenditure and therefore made neither profit nor loss.

### 2. Accounting policies

The principal accounting policies are summarised below. They have all been applied consistently throughout the period and the preceding year.

#### Basis of accounting

The financial statements have been prepared under the historical cost convention and in accordance with applicable United Kingdom accounting standards.

#### Basis of preparation

The consolidated financial statements of Dome Holdings Limited, within which this company is included, can be obtained from the address given in note 6.

#### Going concern

Given that the company is not trading, it is not subject to any material uncertainties or other trading risks. After making enquiries, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future.
