Approved by the board on 21 December 2016

Astor (Bristol) Limited Notes to the Abbreviated Accounts for the year ended 31 March 2016

1 Accounting policies

Basis of preparation

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015).

Turnover

Turnover represents the value, net of value added tax and discounts, of goods provided to customers and work carried out in respect of services provided to customers. Turnover is recognised when the goods are physically delivered to the customer.

Depreciation

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.

Plant and machinery

20% straight line

£

Stocks

Stock is valued at the lower of cost and net realisable value. Cost is determined on a first in first out basis. NRV represents estimated selling price less costs to complete and sell. Provision is made for slow moving, obsolete or damaged stock where NRV is less than cost.

Pensions

The company operates a defined contribution pension scheme. Contributions are charged to the profit and loss account as they become payable in accordance with the rules of the scheme.

Going concern

The director has given consideration to the continuing operations of the company and this has given rise to no material uncertainties regarding going concern. As a result the accounts have been prepared under the going concern basis of accounting.
