Your Communications Group Limited

Company No: 04171876

Directors' Report for the Year Ended 31 March 2022 (continued)

Principal risks and uncertainties

The Directors have assessed the risks that the Company is exposed to and have not identified any material risks.

Research and development

The Company does not perform any research or development activities.

Going concern

The Directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. The net current assets position at 31 March 2022 was £1,666,664 (2021: £1,666,664). Accordingly, the Directors are satisfied that, at the time of approval, it is appropriate to prepare the financial statements on a going concern basis.

Statement of Directors' Responsibilities

The Directors are responsible for preparing directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102.

Under company law, the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- present information, including accounting policies, in a manner that provides relevant, reliable, comparable and understandable information;
- state whether applicable UK Accounting Standards, including FRS 102 have been followed subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping proper accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for the system of internal control, for safeguarding the assets of the Company and, hence, for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Notes to the Financial Statements for the Year Ended 31 March 2022

1 General information

The principal activity of the Company is that of an investment holding company. No change in the Company's activities is envisaged in the foreseeable future.

The Company is a private company limited by shares, incorporated and domiciled in England and Wales.

The address of its registered office is:

Vodafone House
The Connection
Newbury
Berkshire
RG14 2FN
United Kingdom

Registration number: 04171876

These financial statements were authorised for issue by the Board on 13 September 2022.

2 Significant accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

2.1 Basis of preparation

The financial statements have been prepared in accordance with Financial Reporting Standard 102, 'The Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland' ('FRS 102'). The financial statements have been prepared under the historical cost convention as modified by derivative financial assets and liabilities measured at fair value through profit or loss and in accordance with the UK Companies Act 2006, as applicable to companies using FRS 102.

The preparation of financial statements in conformity with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Company's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed on page 11.

The Company's functional and presentational currency is Pounds Sterling.

The following disclosure exemptions have been applied in the preparation of these individual financial statements, in accordance with FRS 102:

Your Communications Group Limited

Company No: 04171876

Notes to the Financial Statements for the Year Ended 31 March 2022 (continued)

2 Significant accounting policies (continued)

2.1 Basis of preparation (continued)

- The requirements of Section 7 *Statement of Cash Flows* and paragraph 3.17(d);
- The requirements of paragraphs 11.42, 11.44, 11.45, 11.47, 11.48(a)(iii), 11.48(a)(iv), 11.48(b), 11.48(c) re financial instruments, financial assets and financial liabilities;
- The requirements of paragraph 33.7 about key management personnel compensation in total.

2.1.1 Going concern

The financial statements have been prepared on a going concern basis. The Directors are satisfied that, at the time of approving the financial statements, it is appropriate to adopt the going concern basis in preparing the financial statements. The Company's business activities, together with the factors likely to affect its future development, performance and position are set out in the Directors' report on page 3.

The Directors have reviewed the financial position of the Company. Accordingly, they expect that the Company will be able to continue in operational existence for the foreseeable future and hence continue to adopt the going concern basis of accounting in preparing the annual financial statements.

2.1.2 New standards, amendments and IFRIC interpretation

No new accounting standards, or amendments to accounting standards, or IFRIC interpretations that are effective for the year ended 31 March 2022, have had a material impact on the Company.

2.2 Cash flow statement

Under FRS 102, paragraph 1.12(b), in accordance with paragraph 1.8 to 1.10, the Company is exempt from the requirement to prepare a cash flow statement on the grounds that it is a wholly owned subsidiary undertaking. A consolidated cash flow statement is included in the financial statements of Vodafone Group Plc in which the Company is consolidated and which are publicly available from the address in note 10.

2.3 Exemption from preparing group accounts

The financial statements contain information about Your Communications Group Limited as an individual company and do not contain consolidated financial information as the parent of a group.

The Company is exempt under section 400 of the Companies Act 2006 from the requirement to prepare consolidated financial statements as it is included by full consolidation in the consolidated financial statements of its ultimate parent, Vodafone Group Plc, a company registered in England and Wales.

Company No: 04171876

Notes to the Financial Statements for the Year Ended 31 March 2022 (continued)

2 Significant accounting policies (continued)

2.4 Investments in subsidiaries

Investments in subsidiaries held as fixed assets are stated at cost less provision for any permanent diminution in value.

At each balance sheet date, the Company reviews the carrying amounts of its investments to determine whether there is any indication that those investments have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated to determine the extent of the impairment loss.

If the recoverable amount of an asset is estimated to be less than its carrying amount, the carrying amount of the investment is reduced to its recoverable amount. An impairment loss is recognised immediately in the income statement.

There are very few circumstances where an impairment loss would be reduced or reversed. Where a reduction or reversal of impairment is considered appropriate the increased carrying amount must not exceed the carrying amount that would have been determined had no impairment loss been recognised for the investment in prior years. Any increase to the carrying value of the investment would need to be assessed and deemed permanent.

If the criteria are met for reversal of an impairment loss then the reversal is immediately recognised in the income statement.

2.5 Financial assets

Receivables

The Company classifies its financial assets in the category of receivables. Receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. They are included in current assets, except for maturities greater than 12 months after the end of the reporting period. These are classified as non-current assets. The Company's receivables comprise amounts owed by group undertakings in the statement of financial position.

Recognition and measurement

Receivables are classified and recorded at amortised cost and reduced by allowances for expected credit losses. Estimated future credit losses are first recorded on initial recognition of a receivable and are based on estimated probability of default. Individual balances are written off when management deems them to be uncollectible.

Notes to the Financial Statements for the Year Ended 31 March 2022 (continued)

2 Significant accounting policies (continued)

2.5 Financial assets (continued)

Impairment of financial assets

Assets are carried at amortised cost. The Company assesses at the end of each reporting period whether there is objective evidence that a financial asset or group of financial assets is impaired. A financial asset or a group of financial assets is impaired and impairment losses are incurred only if there is objective evidence of impairment as a result of one or more events that occurred after the initial recognition of the asset (a 'loss event') and that loss event (or events) has an impact on the estimated future cash flows of the financial asset or group of financial assets that can be reliably estimated.

2.6 Financial liabilities

Creditors

The Company classifies its financial liabilities in the category of creditors. Creditors are non-derivative financial liabilities, they are classified as current liabilities, except where maturities greater than 12 months after the end of the reporting period, in which case they are classified as non-current liabilities. The Company's payables comprise of redeemable preference shares in the statement of financial position.

Recognition and measurement

Creditors are initially measured at fair value, and are subsequently measured at amortised cost, using the effective interest rate method.

2.7 Share capital

Ordinary shares are classified as equity. Equity instruments are measured at the fair value of the cash or other resources received or receivable, net of the direct costs of issuing the equity instruments.

3 Critical accounting estimates and judgements

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The Company makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results.

No estimates or assumptions have been identified as having significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.
