Cheshire and Warrington Carers Centre

Report of the Trustees for the year ended 31 March 2018

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2018. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The purposes of Cheshire Carers Centre are:

- a) To alleviate the conditions of life amongst people who are caring or who have cared for elderly, sick, disabled, handicapped or otherwise infirm persons at home (hereinafter called 'carers') and who are in necessitous circumstances and dependents of carers who are themselves in necessitous circumstances.
- b) To relieve and alleviate, and to advance, promote, encourage and assist in the relief or alleviation of all kinds of mental and physical infirmity, sickness, disablement or handicap including mental illness attributable to caring amongst carers and those persons for whom they are caring.
- c) To advance education concerning caring amongst carers and the public.

The centre has a countrywide remit to provide information to carers across Cheshire and the incremental development of services is a key principle of Cheshire Carers Centre. This development is dependent upon attracting additional resources. All services provided by Cheshire Carers Centre are free of charge to carers.

Public benefit

The charity's trustees have complied with the duty in section 4 of the 2006 Act to have due regard to public benefit guidance published by the Charity Commission.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The year saw considerable change as externally most of the existing funding streams came to an end. Fortunately, we were able to respond to short timescales and demanding requirements and the continuity of the well-established Board of Trustees and staff team assisted this greatly.

In November 2017, after 3 years in the development stage, The Integrated Carers Support Service was offered for tender. As this represented our core work we bid and were successful in leading a partnership approach with Cheshire and Warrington Carers Trust as lead provider, with 6 local specialist support organisations providing elements of the service under a subcontracting arrangement.

This is a very different way of working and required a full restructure of the staffing team which unfortunately led to a small number of redundancies. The service started in January 2018 with Cheshire and Warrington Carers Trust delivering the core information and advice elements (including payments to individual carer), supporting carers in primary care and key parts of the Carers in Employment service. Respite and specialist services accounted for over 50% of the contract and are delivered by external partner organisations.

Unfortunately, in Cheshire East, despite putting in a similar bid with local providers we were unsuccessful and an agency outside of Cheshire was awarded the contract. This led to the transfer under TUPE of 6 of the 10 eligible staff with the remaining 4 staff redeployed within our other services. The Board of Trustees decided to retain limited services in Cheshire East, utilising reserves and a new post of Service Development Lead was established to both deliver services and secure additional funding to further develop new services.

In addition, Cheshire and Warrington Carers Trust was successful in bidding for 2 large contracts with Brightlife, a Lottery funded initiative supporting people over 50. Connecting Carers supports carers at times of transition or change in role, whilst Bright Memories is for people with Dementia and their carers. The former is delivered solely by Cheshire and Warrington Carers Trust, whilst the latter is in partnership with Age UK Cheshire and the Alzheimer's Society.

Brightlife funding has also enabled the setting up of Read and Connect, a reading group for carers. This is run in partnership with the Neuromuscular Centre and Cheshire Centre for Independent Living.

Fundraising and bids to Charitable Trusts has also increased this year to support areas of work not part of the contracted services.

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Governance costs

Governance costs are those incurred in connection with the administration of the charity and compliance with constitutional and statutory requirements.

Database

The database has been amortised over its estimated useful life of three years.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings	- 15% on reducing balance
Motor vehicles	- 20% on cost
Computer equipment	- 33% on cost and 25% on reducing balance

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Designated funds represent unrestricted reserves allocated to a specific project by the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Pension costs and other post-retirement benefits

The charitable company operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

On receipt, donated professional services and facilities result in the recognition of income and an expense.

No amount is included within the Financial Statements for volunteer time in line with the SORP (FRS 102).

Grants paid
