Directors' report

The Directors present their annual report and the audited financial statements for the year ended 31 December 2011

Principal activity and review of the business

The Company's principal activity is that of an intermediate holding company. The Directors do not expect any change in this activity in the foreseeable future.

The retained profit for the year ended 31 December 2011 was £425,000 (year ended 31 December 2010: profit of £92,000).

The Directors do not recommend the payment of a dividend in the year (year ended 31 December 2010: £nil).

The Company considers its key performance indicators to be in line with those of Melrose PLC as disclosed in the Directors' Report of the 2011 Annual Report.

Going concern

The Directors have considered the going concern assumption given the current economic climate and have reviewed the Company forecast for the foreseeable future. After making enquiries and considering the above facts, the Directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the financial statements.

Financial risk management and policies

The Company's activities expose it to a number of financial risks including credit risk and liquidity risk.

Credit risk

The Company's principal financial assets are other receivables (including receivables from other Group undertakings).

The Company's credit risk is primarily attributable to its receivables from other Group undertakings. The amounts presented in the Balance Sheet are net of allowances for doubtful receivables. An allowance for impairment is made where there is an identified loss event which, based on previous experience, is evidence of a reduction in the recoverability of the cash flows.

Liquidity risk

In order to maintain liquidity to ensure that sufficient funds are available for ongoing operations and future developments, the Company ensures regular communication with other Group companies.

Such qualifying third party indemnity provision was in force throughout the year and at the date of this report.

Charitable and political donations

There were no political or charitable donations during the year (year ended 31 December 2010: £nil).

Auditor

Each of the persons who is a Director at the date of approval of this report confirms that

This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006.

Directors' responsibilities statement

The Directors are responsible for preparing the Annual Report and the financial statements in accordance with the applicable law and regulations

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and accounting estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of Directors and auditor

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the Company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the Directors, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the Company's affairs as at 31 December 2011 and of its profit for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of Directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit

Notes to the financial statements Year ended 31 December 2011

1. Accounting policies

The principal accounting policies are summarised below. They have all been applied consistently throughout the year and the preceding year.

Basis of preparation

The financial statements have been prepared under the historical cost convention, in accordance with applicable United Kingdom law and accounting standards, and on a going concern basis as described in the Directors' report.

The company has taken advantage of the exemption from preparing group financial statements afforded by section 400 of the Companies Act 2006 because it is a wholly owned subsidiary undertaking of Melrose PLC, which prepares consolidated financial statements which are publicly available.

Going concern

The Directors have considered the going concern assumption given the current economic climate and have reviewed the Company forecast for the foreseeable future. After making enquiries and considering the above facts, the Directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the financial statements.

Statement of Cash Flow

Under the provisions of FRS 1 "Cash Flow Statements" (Revised 1996), the Company has not prepared a statement of cash flows because its ultimate parent undertaking, Melrose PLC, has prepared consolidated financial statements which include the financial statements of the Company and which contain a Statement of Cash Flows.

Investments

The Company's investments in shares in Group companies are stated at cost less provision for impairments in value.

Taxation

Current tax, including UK corporation tax and foreign tax, is provided at amounts expected to be paid or recovered using the tax rates and laws that have been enacted or substantively enacted by the Balance Sheet date.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the Balance Sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the Balance Sheet date. Timing differences are differences between the Company's taxable profits and its results as stated in the financial statements that arise from the inclusion of gains and losses in tax assessments in periods different from those in which they are recognised in the financial statements.

A net deferred tax asset is regarded as recoverable and therefore recognised only when, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is not recognised when fixed assets are revalued unless by the Balance Sheet date there is a binding agreement to sell the revalued asset and the gain or loss expected to arise on sale has been recognised in the financial statements. Neither is deferred tax recognised when fixed assets are sold and it is more likely than not that the taxable gain will be rolled over, being charged to tax only if and when the replacement assets are sold.

Deferred tax is measured at the average rates that are expected to apply in the periods in which the timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantively enacted by the Balance Sheet date. Deferred tax is measured on a non-discounted basis.
