The notes on pages 5 to 8 form part of these financial statements.

Ampec Limited

Notes to the financial statements Year ended 31 May 2021

1. General information

The company is a private company limited by shares, registered in England and Wales. The address of the registered office is 84 Turpin Green Lane, Leyland, PR25 3HP.

2. Statement of compliance

These financial statements have been prepared in compliance with the provisions of FRS 102, Section 1A, 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis. The financial statements are prepared in sterling, which is the functional currency of the entity.

Turnover

Turnover is measured at the total invoice value, excluding value added tax, of computer installation and maintenance services provided during the year.

Taxation

The taxation expense represents the aggregate amount of current tax recognised in the reporting period. Tax is recognised in the statement of income and retained earnings. Current tax is recognised on taxable profit for the current period. Current tax is measured at the amounts of tax expected to be paid using the tax rates and laws that have been enacted or substantively enacted at the reporting date. Deferred tax is measured using the tax rates and laws that have been enacted or substantively enacted at the reporting date.

Tangible assets

Tangible assets are initially recorded at cost, and are subsequently stated at cost less any accumulated depreciation and impairment losses.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Plant and machinery	- 20%	reducing balance
Motor vehicles	- 25%	reducing balance

Stocks

Stocks are measured at cost.

Government grants

Government grants are recognised using the accrual model. Under the accrual model, grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the entity with no future related costs are recognised in income in the period in which it becomes receivable.

Ampec Limited

Notes to the financial statements (continued) Year ended 31 May 2021

Provisions

Provisions are recognised when the entity has an obligation at the reporting date as a result of a past event; it is probable that the entity will be required to transfer economic benefits in settlement and the amount of the obligation can be estimated reliably. Provisions are recognised as a liability in the statement of financial position and the amount of the provision as an expense.

Financial instruments

The company only enters into basic financial instruments that result in the recognition of the financial assets and liabilities such as trade and other debtors and creditors. These are measured at amortised cost and assessed at the end of each reporting period for objective evidence of impairment. If objective evidence of impairment is found, an impairment loss is recognised in the Statement of income and retained earnings.

Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided.

4. Employee numbers

The average number of persons employed by the company during the year amounted to 3 (2020: 3).

5. Tax on profit
