1 INTRODUCTION

- 1.1 This report has been produced in accordance with Rule 2.47 and 2.110 of the Insolvency Rules 1986 to provide creditors with an update on the progress of the Administrations of 1st Dental Laboratories plc ("Plc"), 1st Dental Limited ("Limited"), Aesthetic Dental Services Limited ("Aesthetic"), Benchmark Dental Laboratories Holdings Limited (Benchmark) and Corporate Laboratories Limited ("Corporate") ("the Group") for the period from 7 September 2011 to 22 March 2012. This is the Joint Administrators' fourth and final progress report to creditors.
- 1.2 The Administration of the Company is now for practical purposes complete. Section 9 of this report deals with how the Joint Administrators intend to bring the Administration to an end.
- 1.3 Much of the information contained in this report encompasses the whole period of the Administration. Please be aware, however, that where reference is made to "the period of this report", this specifically means 7 March 2012 to 22 March 2012, being the period since the last progress report.

2 STATUTORY INFORMATION

- 2.1 A Poxon and J M Titley were appointed as Joint Administrators of the Group in the jurisdiction of the High Court of Justice, Manchester District Registry on 24 September 2010. The administration appointments were made by the directors of the companies.

- 2.3 The Group traded from the various freehold and leasehold premises detailed in the administrators' earlier report.
- 2.4 The registered office address of the Group at the date of the appointment of Administrators was 122 Wetherby Road, Harrogate, HG2 7AB. - 2.5 For the purposes of paragraph 100(2) of Schedule B1 to the Insolvency Act 1986 (as amended), it should be noted that during the period in which the Administration Order is in force, any act or function required or authorised under any enactment to be done by the Administrator may be exercised by all or any of the persons holding that office.
- 2.6 The Company's main centre of operations is based in the UK. The EC Regulation on Insolvency Proceedings applies and the proceedings are main proceedings under the Regulation.

3 JOINT ADMINISTRATORS' PROPOSALS

- 3 1 Attached at Appendix A is a summary of the Joint Administrators' approved proposals for achieving one of the three statutory purposes of Administration
- 3 2 The proposals of 1st Dental Limited were approved by creditors on 14 January 2011. In respect of the other Group companies, the proposals were deemed approved on 1 December 2010. There have been no major amendments to, or deviations from, the proposals during the course of the Administrations.
- 3 3 The objective of the administrations has been to realise property in order to make a distribution to secured or preferential creditors.
- 3 4 Across the Group companies Centric Commercial Finance Limited ("Centric") has been repaid in full from book debt realisations. One DSPV Limited ("DSPV") has been repaid in full from fixed charge realisations and the preferential creditor claims have been repaid in full thus achieving the third purpose of administration.

4 PROGRESS OF THE ADMINISTRATION

- 4 1 Attached at Appendix B is the Joint Administrators' receipts and payments account for the period from 24 September 2010 to 22 March 2012 for each of the Group companies to include transactions in this current period.

The agreed sale consideration of £1,020,000, which was detailed in earlier reports, has been received in full.

4 3 Cash at Bank

As at the date of appointment, the Group held various bank accounts with credit balances totalling £6,680. This has now been received into the administrators' accounts.

5 ASSETS STILL TO BE REALISED

- 5 1 There are no other assets to be realised in this matter.

6 INVESTIGATIONS

- 6 1 As previously reported, following their initial assessment, no additional investigations were considered to be required by the Administrators. Nothing further has been brought to the attention of the Administrators in the period of this report.

8 ESTIMATED OUTCOME FOR CREDITORS

8.1 Secured Creditors

Centric

Centric holds security in the form of a composite guarantee and debenture, dated 23 April 2010 and registered on 13 May 2010, creating fixed and floating charges over the Group's assets in respect of the invoice discounting facility extended to 1st Dental Limited. Centric's liability amounted to £450,000. Independent agents Cerberus Recoveries valued the equity in the debtor ledger at between £15,000 - £60,000 and the equity was sold for a consideration of £50,000 as part of the sale agreement. Collections to date have repaid Centric in full.

DSPV

DSPV holds debentures against each of the Group companies, which were created on 23 September 2010, creating fixed and floating charges over the assets of the Group. At the date of appointment DSPV was owed £745,000. DSPV has been repaid in full from fixed charge realisations (property and goodwill) following the sale of the business and assets on 24 September 2010.

8.2 Preferential Claims

The only categories of claims which have preferential status are those of employees in respect of wages and accrued holiday pay. Ten employees from the Group's Blackpool branch were made redundant following the appointment of the joint administrators and they have submitted preferential claims for unpaid holiday pay. These claims totalled £1,106.91 and have been paid in full by 1st Dental Limited.

8.3 Prescribed Part

As Centric and DSPV have both been repaid in full from fixed charge realisations, there is no requirement to set aside a prescribed part.

8.4 Unsecured Non-Preferential Claims

There are insufficient funds to enable a distribution to be made to the unsecured non-preferential creditors of the Group. This statement is being made in accordance with paragraph 52(1) (b) of Schedule B1 to the Act.

9 EXTENSIONS TO THE ADMINISTRATION

9.1 The appointment of administrators ordinarily ceases to have effect at the end of the period of one year from the date of their appointment.

9.2 In certain circumstances it becomes necessary to extend the Administrators' term of office.

9.3 In this case, consent to a six-month extension of the administrations was obtained from the secured and unsecured creditors in the case of 1st Dental Limited and from the secured creditors only in the case of the other Group companies in order to allow the final assets to be realised.

9.4 No further extensions are required.

10 ENDING THE ADMINISTRATION

- 10.1 The Administrations are now for practical purposes complete. As there are insufficient funds available to allow payment of a dividend to unsecured creditors in these cases, the appropriate exit route from the Administrations is Dissolution of the Companies. Attached at Appendix E are Forms 2.35B – Notice of Move from Administration to Dissolution for each company. On the registration of these Notices by Companies House, the Administrations will be brought to an end and the appointment of the Joint Administrators will cease to have effect.
- 10.2 At the end of the period of three months beginning with the date of registration of Form 2.35B, the Companies will be dissolved.
- 10.3 The Joint Administrators will be discharged from liability in respect of any action(s) of theirs as Administrators immediately upon their appointment ceasing to have effect.

ADDITIONAL INFORMATION IN RELATION TO THE POLICY OF LEONARD CURTIS REGARDING FEES AND DISBURSEMENTS

The following information relating to the policy of Leonard Curtis is considered to be relevant to creditors

Staff Allocation and Support Staff

We take an objective and practical approach to each assignment which includes active director involvement from the outset. Other members of staff will be assigned on the basis of experience and specific skills to match the needs of the case. Time spent by secretarial and other support staff on specific case related matters, e.g. report despatching, is not charged.

Where it has been agreed by resolution of the secured creditors, a creditors' committee or creditors generally, that the office holders' remuneration will be calculated by reference to the time properly given by the office holders and their staff in attending to matters arising in the appointment, then such remuneration will be calculated in units of 6 minutes at the standard hourly rates given below.

With effect from 1 January 2012 the following hourly charge out rates apply to all assignments undertaken by Leonard Curtis

	Standard £
Director	425
Senior Manager	385
Manager 1	330
Manager 2	285
Administrator 1	230
Administrator 2	210
Administrator 3	190
Administrator 4	135
Support	0

Subcontractors

Details and the cost of any work which has been or is intended to be sub-contracted out that could otherwise be carried out by the office holders or their staff will be provided in any report which incorporates a request for approval of the basis upon which remuneration may be charged.

Professional Advisors

Details of any professional advisor(s) used will be given in reports to creditors. Unless otherwise indicated the fee arrangement for each is based on hourly charge out rates, which are reviewed on a regular basis, together with the recovery of relevant disbursements. The choice of professional advisors is based around a number of factors including, but not restricted to, their expertise in a particular field, the complexity or otherwise of the assignment and their geographic location.

Disbursements

- a) Category 1 disbursements. These are costs where there is specific expenditure directly referable both to the appointment in question and a payment to an independent third party. These may include, for example, advertising, room hire, storage, postage, telephone charges, travel expenses, and equivalent costs reimbursed to the office holder or his or her staff. Category 1 disbursements may be drawn without prior approval.
- b) Category 2 disbursements. These are costs that are directly referable to the appointment in question but not to a payment to an independent third party. They may include shared or allocated costs that can be allocated to the appointment on a proper and reasonable basis, for example, business mileage. In the event of charging for category 2 disbursements the following items of expenditure are recharged on this basis and are believed to be in line with the cost of external provision:
