The company is entitled to exemption from audit under Section 249A(1) of the Companies Act 1985 for the year ended 31 March 2007

The members have not required the company to obtain an audit of its financial statements for the year ended 31 March 2007 in accordance with Section 249B(2) of the Companies Act 1985

The directors acknowledge their responsibilities for

- (a) ensuring that the company keeps accounting records which comply with Section 221 of the Companies Act 1985 and
- (b) preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of each financial year and of its profit or loss for each financial year in accordance with the requirements of Section 226 and which otherwise comply with the requirements of the Companies Act 1985 relating to financial statements, so far as applicable to the company

The notes form part of these abbreviated accounts

Abbreviated Balance Sheet - continued 31 March 2007

These abbreviated accounts have been prepared in accordance with the special provisions of Part VII of the Companies Act 1985 relating to small companies

The financial statements were approved by the Board of Directors on

ישר רו

and were signed on its behalf

JE Knox - Director

G C Stevens - Director

Notes to the Abbreviated Accounts for the Year Ended 31 March 2007

ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain assets and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2005)

Expenditure

1

Costs are written off as incurred

Turnover

Turnover represents brokerage and fees which are (mainly) taken to credit when debit or fee notes are issued irrespective of the inception date or period of insurance

Alterations in brokerage arising from return and additional premiums and adjustments are taken in to account as and when these occur

Goodwill

Goodwill has been purchased as part of the acquisition of a number of insurance brokers—It is being amortised on a straight line basis over 3 years

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life

Fixtures and fittings

- 25% on reducing balance

Pensions

The company operates a defined contribution pension scheme. The assets of the scheme are held separately from those of the company in an independently administered fund. Contributions payable for the year are charged in the profit and loss account.

Insurance debtors and creditors

The company acts as agent in broking the insurable risks of clients and normally is not hable as a principle for premiums due to underwriters or for claims payable to clients. Notwithstanding the legal relationship with clients and underwriters, the company has followed generally accepted accounting practice for insurance brokers by showing debtors, creditors and cash balances relating to insurance business as assets and liabilities of the company itself. This recognises that the company is entitled to retain the investment income on any cashflows arising from these transactions.

In the ordinary course of insurance broking business, settlement is required to be made with certain market settlement bureaux, insurance intermediaries or insurance companies on the basis of the net balance due to or from them rather than the amount due to or from the individual third parties which it represents. However, under Financial Reporting Standard 5 (FRS 5'), assets and liabilities may not be offset unless net settlement is legally enforceable and, therefore, insurance debtors and creditors are shown gross within these Financial Statements
